

**GENERAL ASSEMBLY OF NORTH CAROLINA
SESSION 2005**

**SESSION LAW 2006-76
HOUSE BILL 1133**

**AN ACT TO DESIGNATE ALL AREAS OF ANY BUILDING OCCUPIED BY THE
GENERAL ASSEMBLY AS NONSMOKING AREAS.**

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 143-597 reads as rewritten:

"§ 143-597. Nonsmoking areas in State-controlled buildings.

(a) All of the following areas may be designated as nonsmoking in buildings owned, leased, or occupied by State government:

- (1) Any library open to the public.
- (2) Any museum open to the public.
- (3) Any area established as a nonsmoking area, so long as at least twenty percent (20%) of the interior space of equal quality to that of the nonsmoking area shall be designated as a smoking area, unless physically impracticable. If physically impracticable, the person in charge of the facility shall provide an adequate smoking area within the facility as near as feasible to twenty percent (20%) of the interior space.
- (4) Any indoor space in a State-controlled building such as an auditorium, arena, or coliseum, or an appurtenant building thereof; except that a designated area for smoking shall be established in lobby areas.
- (5) Any educational buildings primarily involved in health care instruction.
- (6) University of North Carolina health services facilities, wellness centers, enclosed physical education facilities, enclosed student recreational centers, laboratories, or residence halls, provided that each constituent institution shall make a reasonable effort to provide residential smoking rooms in residence halls in proportion to student demand for those rooms.

(a1) All areas of any building occupied by the General Assembly shall be designated as nonsmoking areas.

(b) Any area designated as nonsmoking or smoking shall be established by the appropriate department, institution, agency, or person in charge of the State-controlled building or ~~area~~-area, except as specified in subsection (a1). The person in charge of the building shall conspicuously post or cause to be posted, in any area designated as a smoking or nonsmoking area, one or more signs stating that smoking is or is not permitted in the area.

(c) Where a nonsmoking area is designated, existing physical barriers and ventilation systems shall be used where appropriate to minimize smoke from adjacent areas. This subsection shall not be construed to require fixed structural or other physical modification in providing these areas or to require installation or operation of any heating, ventilating, or air-conditioning system in any manner which adds expense."

SECTION 2. This act is effective when it becomes law.
