8 **SECTION 1.** The General Assembly finds that:

- 9 (1) The e-NC Authority, created in S.L. 2003-425 to continue the work of
10 the Rural Internet Access Authority, is successfully pursuing its
11 mandated goals, increasing access to affordable high-speed Internet
12 and creating 21st century jobs through technology-based economic
13 development in the rural areas and distressed urban areas of the State.
14 (2) The e-NC Business and Technology Telecenters (BTTs) serve as
15 catalysts to technology-based economic development in some of North
16 Carolina's most distressed regions by helping to grow existing small
17 businesses, bringing new kinds of businesses into rural communities
18 and regions, stimulating and supporting entrepreneurship, and creating
19 21st century jobs.
20 (3) e-NC works successfully with local governments and educational
21 institutions to strengthen their technology capacities and services to
22 their communities, making available to the citizens technology
23 services and resources, training, and public access to computers and
24 the Internet.

25 **SECTION 2.** Section 4 of S.L. 2003-475 reads as rewritten:

26 **"SECTION 4.** Sections 1 and 2 of this act become effective December 31, 2003,
27 with the e-NC Authority hereby designated as the successor entity of the Rural Internet

29 2000-149. The remainder of this act is effective when it becomes law. ~~The e-NC~~

5 **SECTION 3.(a)** There is appropriated from the General Fund to the e-NC
6 Authority the sum of seven million five hundred thousand dollars (\$7,500,000) for the
7 2006-2007 fiscal year for Internet connectivity incentive grants. These funds shall not
8 revert. It is the intent of the General Assembly that these funds shall be used to allow at
9 least seventy percent (70%) of the households in each county to have the ability to
10 access high-speed Internet services by 2008. Funds for connectivity incentives should
11 be committed to service providers by July 1, 2008. These incentive grants shall be
12 competitive and shall require at least a fifty percent (50%) cash match from the
13 participating service providers. Companies must ensure the number of additional
14 households to be served as a result of this funding. The e-NC Authority may use up to
15 five percent (5%) of these funds to cover its expenses in grant letting and monitoring.
