30 their services through the use of electronic and digital transactions. A public agency
31 may determine, through program and transaction analysis, which of its services may be
32 made available to the public through electronic means, including the Internet. The
33 agency shall identify any inhibitors to electronic transactions between the agency and
34 the public, including legal, policy, financial, or privacy concerns and specific inhibitors
35 unique to the agency or type of transaction. An agency shall not provide a transaction
36 through the Internet that is impractical, unreasonable, or not permitted by laws

38 (b) An agency may charge a convenience fee to cover ~~its~~ all or a portion of the
39 costs of permitting a person to complete a transaction through the World Wide Web or
40 other means of electronic access, including the cost of electronic payments pursuant to
41 G.S. 147-86.22(b). ~~The fee may be applied on a per transaction basis and may be~~
42 ~~calculated either as a flat fee or a percentage fee, as determined under an agreement~~
43 ~~between a person and a public agency.~~ The convenience fee shall be levied in
44 accordance with applicable payment card industry standards, consistent with policies

1 promulgated by the State Controller pursuant to G.S. 147-86.22(b). The convenience fee
2 may be collected by the agency or by its third party agent.

3 (c) The fee imposed under subsection (b) of this section must be approved by the
4 Office of State Budget and Management, in consultation with the State Chief
5 Information Officer and the Joint Legislative Commission on Governmental Operations.
6 The revenue derived from the fee must be credited to a nonreverting agency reserve
7 account. The funds in the account may be expended only for the e-commerce initiatives
8 from which the funds were collected and only if the e-commerce initiative has been
9 approved and projects approved by the State Chief Information Officer, in consultation
10 with the Joint Legislative Oversight Committee on Information Technology. For
11 purposes of this subsection, the term "public agencies" does not include a county, unit,

15 "(b) Electronic Payment. – Notwithstanding the provisions of G.S. 147-86.20 and
16 G.S. 147-86.21, this subsection applies to debts owed a community college, a local
17 school administrative unit, an area mental health, developmental disabilities, and
18 substance abuse authority, and the Administrative Office of the Courts, and to debts
19 payable to or through the office of a clerk of superior court or a magistrate, as well as to
20 debts owed to other State agencies as defined in G.S. 147-86.20.

21 The State Controller shall establish policies that allow accounts receivable to be
22 payable under certain conditions by electronic payment. These policies shall be
23 established with the concurrence of the State Treasurer. In addition, any policies that
24 apply to debts payable to or through the office of a clerk of superior court or a
25 magistrate shall be established with the concurrence of the Administrative Officer of the
26 Courts. The Administrative Officer of the Courts may also establish policies otherwise
27 authorized by law that apply to these debts as long as those policies are not inconsistent
28 with the Controller's policies.

29 ~~A condition of payment by electronic payment is receipt by the appropriate State~~
30 ~~agency of the full amount of the account receivable owed to the State agency. A debtor~~
31 ~~who pays by electronic payment may be required to pay any fee or charge associated~~
32 ~~with the use of electronic payment. Fees associated with processing electronic payments~~
33 ~~may be paid out of the General Fund and Highway Fund if the payment of the fee by the~~
34 ~~State is economically beneficial to the State and the payment of the fee by the State has~~
35 ~~been approved by the State Controller and State Treasurer.~~

36 ~~The State Controller and State Treasurer shall consult with the Joint Legislative~~
37 ~~Commission on Governmental Operations before establishing policies that allow~~
38 ~~accounts receivable to be payable by electronic payment and before authorizing fees~~
39 ~~associated with electronic payment to be paid out of the General Fund and Highway~~
40 ~~Fund. A State agency must also consult with the Joint Legislative Commission on~~
41 ~~Governmental Operations before implementing any program to accept payment under~~
42 ~~the policies established pursuant to this subsection.~~

43 Costs associated with the use of electronic payments shall be paid by an agency from
44 either receipts-supported or appropriated funds, as approved by the Office of State

1 Budget and Management. Any convenience fees levied and collected pursuant to
2 G.S. 66-58.12 shall only be utilized to pay the costs specified therein. This provision
3 shall not prohibit an agency from absorbing a portion or all the costs associated with
4 accepting electronic payments if deemed economical to either the agency or the State's
5 cash management program, or if deemed appropriate to provide the convenience to the
6 payor.

7 A payment of an account receivable that is made by electronic payment and is not
8 honored by the issuer of the card or the financial institution offering electronic funds
9 transfer does not relieve the debtor of the obligation to pay the account receivable."

10 **SECTION 16.2.(c)** G.S. 159-32.1 reads as rewritten:

11 "**§ 159-32.1. Electronic payment.**

14 G.S. 147-86.20 for any tax, assessment, rate, fee, charge, rent, interest, penalty, or other
15 receivable owed to it. A unit of local government, public hospital, or public authority
16 may pay any negotiated discount, processing fee, transaction fee, or other charge
17 imposed by a credit card, charge card, or debit card company, or by a third-party
18 merchant bank, as a condition of contracting for the unit's or the authority's acceptance
19 of electronic payment. A unit of local government, public hospital, or public authority
20 may impose the fee or charge as a ~~surecharge-convenience fee~~ on the amount paid by the
21 person using electronic ~~payment-payment~~, provided the fee is levied in accordance with
22 applicable payment card industry standards, consistent with either policies promulgated
23 by the State Controller pursuant to G.S. 147-86.22(b) or with other policies promulgated
24 by the governing board, as applicable."

27 accept checks and electronic payments, as defined in G.S. 147-86.20, in payment of
28 taxes, as authorized by G.S. 159-32.1. Acceptance of a check or electronic payment is at
29 the tax collector's own risk. A tax collector who accepts electronic payment of taxes
30 may add a convenience fee to each electronic payment transaction to offset the service
31 charge the taxing unit pays for electronic ~~payment-service~~. service, provided the fee is
32 levied in accordance with applicable payment card industry standards, consistent with
33 policies promulgated by the State Controller pursuant to G.S. 147-86.22(b) or with other
34 policies promulgated by the governing board, as applicable. A tax collector who accepts
35 electronic payment or check in payment of taxes may issue the tax receipt immediately
36 or withhold the receipt until the check has been collected or the electronic payment
37 invoice has been honored by the issuer.

38 If a tax collector accepts a check or an electronic payment and issues a tax receipt
39 and the check is returned unpaid (without negligence on the part of the tax collector in
40 presenting the check for payment) or the electronic payment invoice is not honored by
41 the issuer, the taxes for which the check or electronic payment was given shall be
42 deemed unpaid; the tax collector shall immediately correct the copy of the tax receipt
43 and other appropriate records to show the fact of nonpayment, and shall give written
44 notice by certified or registered mail to the person to whom the tax receipt was issued to

1 return it to the tax collector. After correcting the records to show the fact of
2 nonpayment, the tax collector shall proceed to collect the taxes by the use of any
3 remedies allowed for the collection of taxes or by bringing a civil action on the check or
4 electronic payment."

5 **SECTION 16.2.(e)** G.S. 14-113.24 reads as rewritten:
