10 The General Assembly of North Carolina enacts:

11 **SECTION 1.** The General Statutes are amended by adding a new Chapter to  
12 read:

**"Chapter 143D.**

**"Local Option Lottery.**

"Article 1.

"General Provisions.

17 **"§ 143D-1. Purpose.**

18 This Chapter allows the voters of each county to decide whether a Local Option  
19 Education Lottery can be operated in that county for the purposes contained in this  
20 Chapter. It also provides for State regulation of lottery operations in counties that have  
21 approved these operations.

22 **"§ 143D-2. Definitions.**

23 The following definitions apply in this Chapter:

24 (1) Commission. – The State Lottery Commission.

25 (2) Commissioner. – A member of the State Lottery Commission.

26 (3) Director. – The Director of the State lottery.

1 **"§ 143D-4. County election to repeal approval of lottery.**

2 (a) Election. – A county that has approved the operation of a lottery in the county  
3 may repeal the approval. To repeal the approval, the county shall hold a special election  
4 on the question of repealing the approval; and a majority of those who vote in the  
5 election shall vote to repeal the approval. The board of elections of a county shall call a  
6 special election on the question of repealing approval of the operation of a lottery in the  
7 county in the same circumstances in which it is required to call a special election on the  
8 question of approving the operation of a lottery in the county. The special election shall  
9 be held in accordance with Chapter 163 of the General Statutes.

10 (b) Ballot. – The county board of elections shall prepare a ballot for a special  
11 election held under this section. The ballot shall be in the following form:

12 "[ ] FOR [ ] AGAINST

13 Repeal of operations of the Local Option Education Lottery in the county."

14 (c) Effect. – If a majority of those voting in an election under this section  
15 approve the repeal of lottery operations in the county, the board of county  
16 commissioners shall notify the Commission. The Commission shall end lottery  
17 operations in the county within three months of the date of the election.

18 If a majority of those voting in an election under this section do not approve the  
19 repeal of lottery operations in the county, the county lottery operations remain in effect.  
20 An election to repeal approval of the operation of a lottery in a county may not be held  
21 more than once every three years and may not be held within three years of the date of  
22 the election in which operation of the lottery was approved.

23 **"§ 143D-5. Lottery is a lawful activity in counties that vote for the lottery.**

24 A State law or a local ordinance that prohibits the operation of a lottery or the sale or  
25 possession of a lottery game ticket or share does not apply to a lottery operated under  
26 this Chapter or a lottery game ticket or share issued under this Chapter.

27 **"§ 143D-6. Local governments may not regulate or tax the State lottery.**

28 A local government in a county that has approved the operation of a lottery in the  
29 county may not adopt an ordinance that does any of the following:

30 (1) Regulates the operation of the lottery.

31 (2) Imposes a tax on the sale of lottery game tickets or shares.

32 (3) Imposes a tax on the gross receipts of a lottery game retailer from sales  
33 of lottery game tickets or shares.

34 **"§ 143D-7. Misdemeanor violations of lottery laws.**

35 Violation of each of the following lottery laws is a Class 1 misdemeanor and is  
36 punishable as provided in G.S. 15A-1340.23:

37 (1) Knowingly selling a lottery game ticket or share to a person who is  
38 less than 18 years old, in violation of G.S. 143D-32.

39 (2) Selling a lottery game ticket or share for a price other than the retail  
40 price set by the Commission, in violation of G.S. 143D-32.

42 permit or authorization, in violation of G.S. 143D-45.

43 (4) Knowingly giving false information on an application for a lottery  
44 game retailer permit, in violation of G.S. 143D-47.

1 **"§ 143D-8. Lottery law enforcement agents.**

2 (a) Appointment. – The Secretary of Crime Control and Public Safety shall  
3 appoint lottery law enforcement agents. The Secretary of Crime Control and Public  
4 Safety can appoint the same individual as an alcohol law enforcement agent under  
5 G.S. 18B-500 and a lottery law enforcement agent under this section and shall do so to  
6 the extent practical to achieve efficiency and economy in law enforcement personnel.

7 (b) Subject Matter Jurisdiction. – After a lottery law enforcement agent takes the  
8 oath prescribed for a peace officer, the agent has the same authority to arrest and take  
9 other investigatory and enforcement actions as an alcohol law enforcement agent. An  
10 individual who is a lottery law enforcement agent but not an alcohol law enforcement  
11 agent has primary responsibility for enforcement of the lottery laws. An individual who  
12 is both a lottery law enforcement agent and an alcohol law enforcement agent has  
13 primary responsibility for enforcement of the lottery laws as well as for enforcement of  
14 the alcoholic beverage control laws and Article 5 of Chapter 90 of the General Statutes.  
15 A lottery law enforcement agent, however, may perform any law enforcement duty  
16 assigned by the Secretary of Crime Control and Public Safety or the Governor.

17 (c) Territorial Jurisdiction. – A lottery law enforcement agent is a State officer  
18 with jurisdiction throughout the State.

19 (d) Service of Commission Orders. – A lottery law enforcement agent may serve  
20 and execute notices, orders, or demands issued by the Commission for the surrender of  
21 permits or relating to any administrative proceeding. While serving and executing a  
22 notice, order, or demand, a lottery law enforcement agent has the same power and  
23 authority that a law enforcement officer has when executing an arrest warrant.

24 "Article 2.

25 "Commission, Director, and Staff.

26 **"§ 143D-10. Creation, membership, and organization of Commission.**

27 (a) Creation. – The State Lottery Commission is established. The Commission is  
28 located for administrative purposes in the Department of Commerce but exercises its  
29 powers independently of that Department.

30 (b) Membership. – The Commission consists of five members appointed by the  
31 Governor, subject to confirmation by the General Assembly by joint resolution. The  
32 Governor shall submit the name of an appointee to the General Assembly by May 1 of  
33 the year in which the term of the appointee is to begin. Each Commissioner shall be a  
34 resident of a different State region, as set out in subsection (i) of this section. A person  
35 who has been convicted of a felony may not serve as a Commissioner, and no more than  
36 three members of the same political party may serve as Commissioners at the same  
37 time.

38 (c) Terms. – Except for the terms of the initial Commissioners, the term of a  
39 Commissioner is for five years and begins on July 1. The term of one of the initial  
40 Commissioners confirmed by the General Assembly ends June 30 one year from the  
41 date of appointment; the term of another ends two years from the date of appointment;  
42 the term of another ends three years from the date of appointment; the term of another  
43 ends four years from the date of appointment; and the term of another ends five years  
44 from the date of appointment. When submitting the names of the initial appointees to be

1 confirmed by the General Assembly, the Governor shall state when each appointee's  
2 term ends. A Commissioner continues to serve until the Commissioner's successor takes  
3 office as a Commissioner, but the continuation does not change the date when the term  
4 of the Commissioner's successor ends.

5 (d) Vacancies. – When a vacancy occurs on the Commission and the General  
6 Assembly is in session, the Governor shall submit to the General Assembly the name of  
7 an appointee to fill the vacancy. The Governor shall submit a name as soon as possible  
8 but no later than three weeks after the vacancy occurs.

9 When a vacancy occurs on the Commission and the General Assembly is not in  
10 session, the vacated position remains vacant until the General Assembly convenes  
11 unless the Governor considers filling the vacancy urgent. If the Governor finds it urgent  
12 to fill the vacancy, the Governor may appoint a person to serve as a Commissioner on  
13 an interim basis pending confirmation by the General Assembly. When the General  
14 Assembly convenes, it shall consider the confirmation of an interim appointment.

15 A Commissioner appointed to fill a vacancy serves for the unexpired portion of the  
16 term vacated.

17 (e) Chair. – When the initial Commissioners are confirmed by the General  
18 Assembly, the Governor shall designate one of the Commissioners as Chair of the  
19 Commission. All Chairs serve three-year terms as Chair that end on June 30. If a Chair  
20 leaves the Commission before completing a three-year term as Chair, the Governor shall  
21 designate another Commissioner as Chair to serve for the remainder of the unexpired  
22 term as Chair.

23 (f) Compensation. – Each Commissioner receives a per diem allowance for each  
24 day the Commissioner attends a meeting of the Commission, attends a meeting of  
25 another body as a representative of the Commission, is traveling as a representative of  
26 the Commission, or is otherwise acting in the service of the Commission. The amount of  
27 the allowance is the amount a member of the General Assembly receives as a  
28 subsistence allowance under G.S. 120-3.1(a)(3). This allowance is in lieu of amounts  
29 allowed under G.S. 138-5.

30 (g) Organization. – The Commission shall meet at the call of the Chair or at the  
31 call of a majority of the Commissioners. A majority of the Commissioners is a quorum.  
32 The Commission shall make all its decisions by a majority vote.

33 (h) Oath. – As an officer of the State, each Commissioner shall take the oath  
34 required by Article VI, § 7 of the North Carolina Constitution.

35 (i) Regions. – To obtain statewide representation among the membership of the

26 "Article 3.

28 **"§ 143D-20. Obtaining goods and services.**

29 The Commission shall follow the procedures in Articles 3 and 3A of Chapter 143 of  
30 the General Statutes when it purchases or leases goods or services needed to conduct the  
31 lottery. The Commission may not contract with any private party or other  
32 nongovernmental entity for the operation and administration of the lottery, but may  
33 enter into a contract with a private party for a major procurement or other procurement  
34 that integrates functions such as lottery game design, supply of goods and services, and  
35 advertising.

36 **"§ 143D-21. Contracts for major procurements.**

37 A contract for a major procurement shall be awarded to the responsible lottery  
38 vendor who submits the best proposal that maximizes the benefits to the State. A  
39 contract for a major procurement may not be awarded to a person who has been  
40 convicted of a felony or any gambling offense in any state or federal court of the United  
41 States within 10 years of entering into the contract.

42 In choosing among lottery vendors, the State shall take into account the particularly  
43 sensitive nature of the lottery and shall consider the competence, quality of product,  
44 experience, and timely performance of the lottery vendors in order to promote and

1 ensure security, honesty, fairness, and integrity in the operation and administration of  
2 the lottery and maximize the objective of raising revenues. The Commission may  
3 engage an independent firm experienced in evaluating government procurement  
4 proposals to aid in evaluating proposals for a major procurement.

5 Before a contract for a major procurement is awarded, the assistant director for  
6 security shall conduct a thorough background investigation of all of the following:

- 7 (1) Each lottery vendor who submitted a bid, proposal, or offer.
- 8 (2) Any parent or subsidiary corporation, if any, of each lottery vendor  
9 who submitted a bid, proposal, or offer.

11 lottery vendor, or parent or subsidiary corporation of each lottery  
12 vendor, who submitted a bid, proposal, or offer.
- 13 (4) All officers and directors of each lottery vendor or parent or subsidiary  
14 corporation of each lottery vendor who submitted a bid, proposal, or  
15 offer.

16 **"§ 143D-22. Lottery vendor disclosures for major procurements.**

17 A lottery vendor who submits a bid, proposal, or offer for a major procurement shall  
18 disclose the information required by the State to enable the State to evaluate the  
19 vendor's competence, integrity, background, and character. A lottery vendor shall  
20 submit to the assistant director for security any appropriate investigation authorizations  
21 needed to facilitate these evaluations.

22 **"§ 143D-23. Performance bond for major procurements.**

23 Each lottery contractor for a major procurement shall, at the time of executing the  
24 contract with the Commission, post an appropriate bond or letter of credit with the  
25 Commission, in an amount equal to the full amount estimated to be paid annually to the  
26 lottery contractor under the contract. The Commission may decrease the bond or letter  
27 of credit requirement for a major procurement if it determines that the decrease will  
28 result in a cost savings to the lottery while still providing adequate protection against  
29 nonperformance.

30 In lieu of a bond or letter of credit, a contractor may, to ensure the faithful  
31 performance of its obligations, deposit and maintain with the Commission securities that  
32 accrue interest and that, with the exception of those specified in subdivisions (1) or (2)  
33 of this section, are rated in one of the four highest classifications by an established  
34 nationally recognized investment rating service. Securities eligible under this section are  
35 limited to the following:

- 36 (1) Certificates of deposit issued by a bank or savings institution whose  
37 principal place of business is located in this State.
- 38 (2) United States bonds and bills for which the full faith and credit of the  
39 government of the United States is pledged for the payment of  
40 principal and interest.
- 41 (3) General obligation bonds and notes of any political subdivision of the  
42 State.
- 43 (4) Corporate bonds of a corporation that is not an affiliate or subsidiary  
44 of the depositor.

1           c.     A lottery game contractor or an officer or employee of a lottery  
2                 game contractor whose contract concerns a major procurement.

3           d.     A spouse, parent, or child living in the same household as a  
4                 person disqualified by subparts b. or c. of this subdivision.

5           (2)    It may not be sold for a price that is higher than the retail price set by  
6                 the Commission.

7           (3)    It may not be given as a premium or an enticement to promote the sale  
8                 of an item or a product.

9    **"§ 143D-33. Number and value of prizes.**

10          (a)    Type. – Upon the recommendation of the Director, the Commission shall  
11                 determine the number and value of prizes for winning tickets or shares in each lottery  
12                 game. A prize may be a cash prize paid in a lump sum, in deferred payments, or by an  
13                 annuity, a merchandise prize, or a prize of a ticket or share in the same lottery game or  
14                 another lottery game.

15          (b)    Prize Percentage. – As nearly as practical, the Commission shall allocate at  
16                 least fifty percent (50%) of the total projected annual revenue from the sale of lottery  
17                 tickets or shares for each particular lottery game for the payment of prizes for that  
18                 lottery game. The Commission may allocate a larger percentage of the total projected  
19                 annual revenue from a lottery game to prizes if it concludes that the total annual net  
20                 revenue from the lottery game will be enhanced by that higher prize percentage.

21          (c)    Odds. – The following requirements apply:

22                 (1)   In lottery games using tickets with preprinted winners, the overall  
23                         estimated odds of winning prizes shall be printed on each ticket.

24                 (2)   A detailed tabulation of the estimated number of prizes of each  
25                         particular prize denomination that are expected to be awarded in each  
26                         lottery game, or the estimated odds of winning these prizes, shall be  
27                         available from the Commission when the lottery game is offered for  
28                         sale to the public.

29                 (3)   All printed or point-of-sale advertising promoting the sale of lottery  
30                         tickets for a particular game shall include the actual or estimated odds  
31                         of winning that game.

32    **"§ 143D-34. Method of determining winners.**

33          (a)    Method. – Upon the recommendation of the Director, the Commission shall  
34                 specify the method for determining winners in each lottery game. If more than one  
35                 person is entitled to the same prize, each person shall receive a proportional share of the  
36                 prize.

37          (b)    Drawings. – If a lottery game uses a drawing of winning numbers, a drawing  
38                 among entries, or a drawing among finalists to determine the winner, the drawing shall  
39                 comply with all of the following requirements:

40                 (1)   It shall be open to the public.

41                 (2)   It shall be witnessed by an independent certified public accountant.

42                 (3)   Any equipment used in the drawing shall be inspected, both before and  
43                         after the drawing, by an independent certified public accountant and an  
44                         employee of the Commission.

1           (4) It and any inspection of equipment used in it shall be recorded on both  
2           video and audio tape.

3 **"§ 143D-35. Payment of prizes.**

4           (a) Procedures. – Upon the recommendation of the Director, the Commission  
5 shall establish procedures for verifying the validity of a lottery game ticket or share  
6 presented as the winner of a prize and for paying prizes won in a lottery game. The  
7 Commission may authorize lottery game retailers to pay some prizes at their premises  
8 and may require prizes to be paid only by the Commission.

9           (b) Restrictions. – The right of a person to a prize is not assignable. A prize may  
10 be paid to the estate of a deceased prize winner, however, or to a person designated  
11 pursuant to a judicial order. A lottery game prize may not be paid to a person:

12           (1) To whom a lottery game ticket or share cannot be sold or given, as  
13 listed in G.S. 143D-32.

14           (2) Who presents a lottery game ticket or share that is stolen, counterfeit,  
15 altered, fraudulent, unissued, produced or issued in error, unreadable,  
16 not presented by the applicable deadline, or lacking in captions that  
17 conform with the lottery play symbols for the lottery game involved,  
18 or does not otherwise comply with any applicable requirements.

19           (c) Time. – The holder of a lottery game ticket or share may claim a prize won  
20 by the ticket or share for 180 days after the drawing or the end of the lottery game in  
21 which the prize was won. The Commission may set a shorter time period for eligibility  
22 for entry into a drawing for entries or finalists. The Commission may set a different time  
23 period for a lottery game that involves a lottery in another state.

24           (d) Unclaimed Prizes. – A prize that is not claimed within the time limit may not  
25 be claimed after the time limit expires. The value of all unclaimed prizes shall be  
26 credited to the Lottery Fund established in Article 6 of this Chapter.

27           (e) Information. – At the end of the time period for claiming prizes for each  
28 lottery game, the Commission shall prepare a detailed statement of the total number of  
29 prizes of each prize denomination, claimed and paid directly by the Commission. The  
30 Commission shall make this statement available at its office and from lottery game  
31 retailers.

32 **"§ 143D-36. Player agreement.**

33           By purchasing a ticket or share in a lottery game, a player agrees to be bound by the  
34 lottery game's play rules. In particular, the purchaser of a ticket or share acknowledges  
35 that the determination of whether the purchaser is a winner is subject to the game play  
36 rules and the winner validation procedures for the lottery game.

37 **"§ 143D-37. Audits.**

38           (a) State Auditor. – The State Auditor shall conduct semiannual and annual  
39 audits of all accounts and transactions of the Commission and shall conduct any other  
40 special audits considered necessary. The State Auditor may examine any records of the  
41 Commission. The State Auditor may examine the records of the following that are  
42 relevant to the State lottery:

43           (1) A lottery game retailer.

44           (2) A lottery game contractor who has a contract for a major procurement.

- 1           (2) Be engaged in a retail business at an established location in this State  
2 from which the person intends to sell lottery game tickets or shares in  
3 addition to conducting the existing retail business.
- 4           (3) Be a resident of North Carolina unless either of the following applies:  
5           a. The person is an officer, a director, or a stockholder of a  
6 corporate applicant and is not a manager or is not otherwise  
7 responsible for the day-to-day operation of the business.  
8           b. The person has executed a power of attorney designating a  
9 qualified resident of this State to serve as attorney-in-fact for  
10 the purposes of receiving service of process and managing the  
11 business for which the permit is sought.
- 12           (4) Not have been convicted of a felony or a misdemeanor gambling  
13 offense within the last 10 years.
- 14           (5) Not have had a permit issued under this section revoked within the last  
15 10 years.

16           (c) Conviction Defined. – For purposes of this section, a 'conviction' is a  
17 judgment against a person that includes a finding of guilt or an entry of a plea of guilty  
18 or nolo contendere. A felony conviction in another jurisdiction disqualifies a person  
19 from being eligible to receive or hold a lottery game retailer permit if the person's  
20 conduct would also constitute a felony in North Carolina. A conviction of a  
21 misdemeanor gambling offense in another jurisdiction disqualifies a person from being  
22 eligible to receive or hold a lottery game retailer permit if the person's conduct would  
23 constitute an offense in North Carolina, unless the Commission determines that under  
24 North Carolina procedure judgment would not have been entered under the same  
25 circumstances. Revocation of a similar permit or authority to sell lottery tickets in  
26 another jurisdiction disqualifies a person if the person's conduct would be grounds for  
27 revocation in North Carolina.

28           (d) Who Shall Qualify. – For a lottery game retailer permit to be issued to and  
29 held by a business, each of the following persons associated with that business shall  
30 qualify under subsection (b) of this section:

- 31           (1) The owner of a sole proprietorship.  
32           (2) Each member of a firm, an association, or a general partnership.  
33           (3) Each general partner in a limited partnership.  
34           (4) Each officer, director, and owner of more than ten percent (10%) of  
35 the stock of a corporation, except that the age requirement of  
36 subdivision (b)(1) of this section does not apply to a stockholder who  
37 is not a manager of or is not otherwise responsible for the day-to-day  
38 operation of the applicant's retail business.  
39           (5) The manager of a retail business operated by a corporation.  
40           (6) Any manager who has been empowered as attorney-in-fact for a  
41 nonresident individual or partnership.

42 **"§ 143D-46. Issuance of lottery game retailer permit.**

43           (a) Factors. – Before issuing a lottery game retailer permit, the Commission shall  
44 be satisfied that the applicant is a suitable person to hold the permit and that the

1 applicant's retail business is a suitable place to sell lottery game tickets and shares. The  
2 Commission may consider any of the following factors in making its decision:

- 3 (1) The reputation, character, and criminal record of the applicant.
- 4 (2) The number of places already holding lottery game retailer permits in  
5 the neighborhood.
- 6 (3) The convenience of the applicant's retail business to the public,  
7 including available parking and the traffic conditions in the  
8 neighborhood.
- 9 (4) The financial responsibility of the applicant.
- 10 (5) The volume of lottery game tickets and shares the applicant expects to  
11 sell.
- 12 (6) Any other information that would tend to show whether the applicant  
13 would comply with the lottery laws.

14 (b) Commission's Authority. – The Commission has the sole power, in its  
15 discretion, to determine the suitability and qualifications of an applicant for a lottery  
16 game retailer permit.

17 **"§ 143D-47. Application for permit; fees.**

18 (a) Form. – An application for a lottery game retailer permit shall be on a form  
19 prescribed by the Commission and shall be notarized. The application shall be signed  
20 and sworn to by each person required to qualify under G.S. 143D-45(d).

21 (b) Investigation. – Before issuing a new permit, the Commission shall  
22 investigate the applicant and the applicant's retail business. An applicant shall cooperate  
23 fully with the investigation.

24 (c) Fees. – An application for a lottery game retailer permit shall be accompanied  
25 by the application fee, if any, set by the Commission. An application fee is not  
26 refundable.

27 **"§ 143D-48. Compensation for lottery game retailers.**

28 (a) Amount. – Upon the recommendation of the Director, the Commission shall  
29 determine the compensation to be paid to lottery game retailers for their sales of lottery  
30 game tickets or shares. Until the Commission establishes a different amount of  
31 compensation, the Commission shall pay each lottery game retailer six percent (6%) of  
32 the retail price of the tickets or shares sold by the retailer plus an incentive bonus of one  
33 percent (1%) of the amount sold above a specified sales volume or the attainment of  
34 another objective specified by the Commission.

35 (b) Effect on Lease or Rental Agreement. – If a lease or rental agreement made  
36 by a lottery game retailer is based on a percentage of the retailer's retail sales, the  
37 retailer's sales of lottery game tickets or shares may not be counted in computing the  
38 amount payable under the agreement unless the agreement explicitly includes these  
39 sales. Conversely, a lease or rental agreement based on a percentage of sales includes  
40 the amount of compensation paid to a lottery game retailer under subsection (a) of this  
41 section unless the agreement specifically excludes these payments.

42 **"§ 143D-49. Duration and transfer of permit.**

43 (a) Duration. – A lottery game retailer permit is valid until it is surrendered,  
44 suspended, or revoked.

1        (b) Change in Ownership. – A lottery game retailer permit for a retail business  
2 automatically expires and shall be surrendered to the Commission if any of the  
3 following occurs:

4            (1) Ownership of the retail business changes.

5            (2) There is a change in the membership of the firm, association, or  
6 partnership owning the retail business, and the change involves the  
7 acquisition of a ten percent (10%) or greater share in the firm,  
8 association, or partnership by someone who did not previously own a  
9 ten percent (10%) or greater share.

10           (3) Ten percent (10%) or more of the stock of the corporate permit holder  
11 owning the retail business is acquired by someone who did not  
12 previously own ten percent (10%) or more of the stock.

16 the Commission an application for substitution of a manager. The application shall be  
17 signed by the new manager, shall be on a form provided by the Commission, and shall  
18 be accompanied by a fee of ten dollars (\$10.00). The fee is not refundable.

19        (d) Transfer. – A lottery game retailer permit may not be transferred from one  
20 person to another or from one location to another.

21        (e) Lost Permit. – The Commission may issue a duplicate lottery game retailer  
22 permit for a retail business when the permit issued has been lost or damaged. A request  
23 for a duplicate permit shall be on a form provided by the Commission, certified by the  
24 lottery game retailer whose permit is lost or damaged, and accompanied by a fee of ten  
25 dollars (\$10.00).

26        (f) Name Change. – The Commission may issue a new lottery game retailer  
27 permit for a retail business when the name of the retail business changes. A request for a  
28 new permit shall be on a form provided by the Commission, certified by the lottery  
29 game retailer whose business name has changed, and accompanied by a fee of ten  
30 dollars (\$10.00).

31 **"§ 143D-50. Denial, suspension, or revocation of a lottery game retailer permit.**

32        (a) The Commission may deny, suspend, or revoke a lottery game retailer permit  
33 for any of the following reasons:

34            (1) Knowingly making a false statement on an application for a lottery

5           not limited to, a voluntary statewide prekindergarten program to  
6           prepare at-risk four-year-olds for school in order to close the  
7           achievement gap that now exists; enhanced technology programs and  
8           infrastructure; programs to reduce class sizes in the public schools; and  
9           programs to provide more one-on-one instruction to allow teachers to  
10           teach and children to learn so that more children will stay in school,  
11           graduate, and go on to college.

12           Revenue distributed to a county under subdivision (1) of this section shall be used  
13           for school construction.

14           Revenue distributed pursuant to this section shall be used to supplement and not  
15           supplant funds regularly appropriated by the General Assembly for these purposes."

16           **SECTION 2.** Studies. (a) Demographics. – After the first 12 months of  
17 sales in at least 25 counties of both instant winner and online lottery game tickets or

20 characteristics of the players of each lottery game, including their income, age, sex,  
21 education, and frequency of participation. When completed, the study shall be presented

29 by the Commission and to make recommendations to the Commission on the future  
30 conduct of and the future rate of expenditures for these activities. When completed, the  
31 study shall be presented to the Governor, the Lieutenant Governor, the President Pro  
32 Tempore of the Senate, and the Speaker of the House of Representatives.

33           **SECTION 3.** To provide for the start-up costs of the State lottery, the State  
34 Lottery Commission shall estimate the initial working capital needed and submit the
