6 The General Assembly of North Carolina enacts:

7 **SECTION 1.** The Legislative Research Commission is requested to study
8 the feasibility of integrating with the drivers license process, another process similar to
9 the organ donor question. The additional question would be whether or not the licensee
10 wanted to have a living will and some way of adapting a standardized version of a valid
11 North Carolina living will.

12 **SECTION 2.** The report requested by this act shall be made at least 10 days
13 before the 2005 Regular Session of the General Assembly reconvenes in 2006.

14 **SECTION 3.** This act is effective when it becomes law.
