11	" <u>§ 105-129.70. Tax credit allowed.</u>
12	A person who makes a qualified donation of an interest in real property located in

17	credit, the interest in property must be donated in perpetuity to and accepted by the
18	State, a local government, or a body that is both organized to receive and administer
19	lands for conservation purposes and qualified to receive charitable contributions under
20	the Code. Lands required to be dedicated pursuant to local governmental regulation or
21	ordinance and dedications made to increase building density levels permitted under a
22	regulation or ordinance are not eligible for this credit. To support the credit allowed by
23	this Article, the taxpayer must file with the tax return for the taxable year in which the
24	credit is claimed a certification by the Department of Environment and Natural

6	credit allowed under this subsection is not eligible for deduction as a charitable
7	contribution under G.S. 105-130.9 if it is claimed against income tax under Article 4 of
8	this Chapter.

13	both spouses are required to file North Carolina income tax returns, the credit allowed

23	subsection, not to exceed two hundred fifty thousand dollars (\$250,000). Each
24	corporation that is an owner of a pass-through entity is allowed as a credit an amount

29	franchise tax levied in Article 3 of this Chapter, the income taxes levied in Article 4 of
30	this Chapter, and the gross premiums tax levied in Article 8B of this Chapter. The
31	taxpayer must elect the tax against which a credit will be claimed when filing the return
32	on which the credit is claimed. This election is binding. Any carryforwards of a credit
33	must be claimed against the same tax.
34	(b) Cap. – The credit allowed in this Article may not exceed the amount of tax
35	against which it is claimed for the taxable year reduced by the sum of all credits allowed
36	except payments of tax made by or on behalf of the taxpayer. This limitation applies to
37	the cumulative amount of credit, including carryforwards, claimed by the taxpayer
38	under this Article against each tax for the taxable year.
