SECTION 1. G.S. 7A-455 reads as rewritten:

"§ 7A-455. Partial indigency; liens; acquittals.

(a) If, in the opinion of the court, an indigent person is financially able to pay a portion, but not all, of the value of the legal services rendered for ~~him~~the person by assigned counsel, the public defender, or the appellate defender, and other necessary expenses of representation, ~~he~~the court shall order the partially indigent person to pay such portion to the clerk of superior court for transmission to the State treasury.

Any reimbursement to the State as provided in subsection (a) of this section or any funds collected by reason of such judgment shall be deposited in the State treasury and credited against the judgment. The value of services shall be determined in accordance with rules adopted by the Office of Indigent Defense Services. The money value of services rendered by the public defender and the appellate defender shall be based upon the factors normally involved in fixing the fees of private attorneys, such as the nature of the case, the time, effort, and responsibility involved, and the fee usually charged in similar cases. A district court judge shall direct entry of judgment for actions or proceedings finally determined in the

1 district court and a superior court judge shall direct entry of judgment for actions or

10 services rendered by the appellate defender.

11 (c) No order for partial payment under subsection (a) of this section and no
12 judgment under subsection (b) of this section shall be entered unless the indigent person
13 is convicted. If the indigent person is convicted, the order or judgment shall become
14 effective and the judgment shall be docketed and indexed pursuant to G.S. 1-233 et seq.,
15 in the amount then owing, upon the later of (i) the date upon which the conviction
16 becomes final if the indigent person is not ordered, as a condition of probation, to pay
17 the State of North Carolina for the costs of his representation in the case or (ii) the date
18 upon which the indigent person's probation is terminated or revoked if the indigent
19 person is so ordered. No order for partial payment under subsection (a) of this section
20 and no judgment under subsection (b) of this section shall be entered for the value of

24 (d) In all cases in which the entry of a judgment is authorized under
25 G.S. 7A-450.1 through G.S. 7A-450.4 or under this section, the attorney, guardian ad
26 litem, public defender, or appellate defender who rendered the services or incurred the
27 expenses for which the judgment is to be entered shall obtain the social security
28 number, if any, of each person against whom judgment is to be entered. This number, or
29 a certificate that the person has no social security number, shall be included in each fee
30 application submitted by an assigned attorney, guardian ad litem, public defender, or
31 appellate defender, and no order for payment entered upon an application which does
32 not include the required social security number or certification shall be valid to
33 authorize payment to the applicant from the Indigent Persons' Attorney Fee Fund. Each
34 judgment docketed against any person under this section or under G.S. 7A-450.3 shall
35 include the social security number, if any, of the judgment debtor."

17 be held responsible for reimbursing the State for the respondent's attorneys' fees. This
18 determination shall include the respondent's financial ability to pay.

19 If the court determines that the respondent is responsible for reimbursing the State
