- (2) The worker is a veteran and is a member of a family that has received benefits under the Food Stamp Program for at least three of the last 15 months at the time of hire.

- (5) Within the past five years preceding the time of hire, the worker was convicted of a felony or was released from incarceration for a felony.

(b) Credit. – A taxpayer that hires a disadvantaged worker to fill a full-time position in this State and keeps that person as an employee for at least nine months is allowed a credit for hiring that person. The amount of the credit is equal to the wages paid to the disadvantaged worker during the taxable year up to a maximum of two thousand dollars (\$2,000) per disadvantaged worker hired and kept by the taxpayer per

1 year. The taxpayer shall claim the credit with respect to a disadvantaged worker in the
2 year in which the nine-month period ends and the following year.

3 (c) Cap. – The credit allowed by this section may not exceed fifty percent (50%)
4 of the amount of the tax imposed by this Part for the taxable year reduced by the sum of
5 all credits allowable, except payments of tax made by or on behalf of the taxpayer. This
6 limitation applies to the cumulative amount of the credit, including carryforwards,
7 claimed by the taxpayer under this section for the taxable year. Any unused portion of
8 the credit may be carried forward for the succeeding five years."
