The General Assembly of North Carolina enacts:

SECTION 1. Article 52A of Chapter 14 of the General Statutes is amended by adding a new section to read:

A separate report shall be made for each instance of theft or loss.

(b) Any person who fails to make a report required by subsection (a) of this section shall be guilty of an infraction for the first offense, of a Class 3 misdemeanor for the second offense, of a Class 2 misdemeanor for the third offense, and of a Class 1 misdemeanor for the fourth and subsequent offenses.

(c) Notwithstanding any other provision of law, a person who makes a report with respect to a handgun for which the person does not have a permit as required by this Article shall not be held criminally liable for failing to obtain such a permit for that handgun, so long as the person is eligible to have obtained the permit required by this Article at the time the report is made, and the person has not been previously convicted of violating this section.

(d) Subsection (a) of this section does not apply to a federally licensed firearms dealer who reports a lost or stolen weapon as required by federal law.

1 (e) The officer or department receiving the report required by subsection (a) of
2 this section shall promptly give written notice of the theft or loss to the Attorney
