Referred to:

March 15, 2007

1 A BILL TO BE ENTITLED  
2 AN ACT TO AMEND THE LAWS PERTAINING TO THE PRACTICE OF  
3 MEDICINE.

4 The General Assembly of North Carolina enacts:

5 SECTION 1. Article 1 of Chapter 90 of the General Statutes is amended by  
6 adding a new section to read:

7 "**§ 90-1A. Definitions.**

8 The following definitions apply in this Article:

9 (1) Board. – The North Carolina Medical Board.

10 (2) Hearing officer. – Any current or past member of the Board who is a  
11 physician, physician assistant, or nurse practitioner and has an active  
12 license or approval to practice medical acts, tasks, or functions issued  
13 by the Board, or any current or retired judge of the Office of  
14 Administrative Hearings, a State district court, a State superior court,  
15 the North Carolina Court of Appeals, the North Carolina Supreme  
16 Court, or of the federal judiciary who has an active license to practice  
17 law in North Carolina and who is a member in good standing of the  
18 North Carolina State Bar.

19 (3) Integrative medicine. – A diagnostic or therapeutic treatment that may  
20 not be considered a conventionally accepted medical treatment and  
21 that a licensed physician in the physician's professional opinion  
22 believes may be of potential benefit to the patient, so long as the  
23 treatment poses no greater risk of harm to the patient than the  
24 comparable conventional treatments.

25 (4) License. – An authorization issued by the Board to a physician or  
26 physician assistant to practice medical acts, tasks, or functions.

- 1           (5) The practice of medicine or surgery. – The practice of medicine or  
2 surgery, for purposes of this Article, includes any of the following  
3 acts:  
4           a. Advertising, holding out to the public, or representing in any  
5 manner that the individual is authorized to practice medicine in  
6 this State.  
7           b. Offering or undertaking to prescribe, order, give, or administer  
8 any drug or medicine for the use of any other individual.  
9           c. Offering or undertaking to prevent or diagnose, correct, or treat  
10 in any manner or by any means, methods, or devices any  
11 disease, illness, pain, wound, fracture, infirmity, defect, or  
12 abnormal physical or mental condition of any individual,  
13 including the management of pregnancy or parturition.  
14           d. Offering or undertaking to perform any surgical operation on  
15 any individual.  
16           e. Using the designation 'Doctor,' 'Doctor of Medicine,' 'Doctor of  
17 Osteopathy,' 'Doctor of Osteopathic Medicine,' 'Physician,'  
18 'Surgeon,' 'Physician and Surgeon,' 'Dr.,' 'M.D.,' 'D.O.,' or any  
19 combination thereof in the conduct of any occupation or  
20 profession pertaining to the prevention, diagnosis, or treatment  
21 of human disease or condition, unless the designation  
22 additionally contains the description of or reference to another  
23 branch of the healing arts for which the individual holds a valid  
24 license in this State or the use of the designation 'Doctor' or  
25 'Physician' is otherwise specifically permitted by law.  
26           f. Cosmetic procedures employing lasers or other means that  
27 involve the revision, destruction, incision, or structural  
28 alteration of human tissue, unless otherwise permitted by law.  
29           g. The performance of any act, within or without this State,  
30 described in this subdivision by use of any electronic or other  
31 means, including the Internet or telephone."

32           **SECTION 2.** G.S. 90-2.1 is repealed.

33           **SECTION 3.** Article 1 of Chapter 90 of the General Statutes is amended by  
34 adding a new section to read:

35           **§ 90-5.1. Powers and duties of the Board.**

36           (a) The Board shall:

- 37           (1) Administer this Article.  
38           (2) Issue interpretations of this Article.  
39           (3) Adopt, amend, or repeal rules as may be necessary to carry out and  
40 enforce the provisions of this Article.  
41           (4) Require an applicant or licensee to submit to the Board evidence of the  
42 applicant's or licensee's continuing competence in the practice of  
43 medicine.

- 1           (5) Regulate the retention and disposition of medical records, whether in  
2 the possession of a licensee or nonlicensee. In the case of the death of  
3 a licensee, the rules may provide for the disposition of the medical  
4 records by the estate of the licensee. This subsection shall not apply to  
5 records created or maintained by persons licensed under other Articles  
6 of this Chapter or to medical records maintained in the normal course  
7 of business by licensed health care institutions.
- 8           (6) Appoint a temporary or permanent custodian for medical records  
9 abandoned by a licensee.
- 10          (7) Develop educational programs to facilitate licensee awareness of  
11 provisions contained in this Article and public awareness of the role  
12 and function of the Board.
- 13          (8) Develop and implement methods to identify dyscompetent physicians  
14 and physicians who fail to meet acceptable standards of care.
- 15          (9) Develop and implement methods to assess and improve physician  
16 practice.
- 17          (10) Develop and implement methods to ensure the ongoing competence of  
18 licensees.

19          (b) Nothing in subsection (a) of this section shall restrict or otherwise limit  
20 powers and duties conferred on the Board in other sections of this Article."

21           **SECTION 4.** G.S. 90-6(a) is recodified as G.S. 90-8.1; G.S. 90-6(b) and (c),  
22 respectively, are recodified as G.S. 90-8.2(a) and (b), respectively; G.S. 90-12.1 is  
23 recodified as G.S. 90-12.4; G.S. 90-12.2 is recodified as G.S. 90-12.5; G.S. 90-15 is  
24 recodified as G.S. 90-13.1; and G.S. 90-15.1 is recodified as G.S. 90-13.2.

25           **SECTION 5.** G.S. 90-8.1, as recodified in Section 4 of this act, reads as  
26 rewritten:

27 **"§ 90-8.1. Rules governing applicants for license, examinations, etc.; appointment**  
28 **of subcommittees.licensure.**

29          (a) The North Carolina Medical Board is empowered to ~~prescribe such~~adopt  
30 rules as it may deem proper, governing applicants for license, admission to  
31 examinations, the conduct of applicants during examinations, and the conduct of  
32 examinations proper.that prescribe additional qualifications for an applicant, including  
33 education and examination requirements and application procedures."

34           **SECTION 6.** G.S. 90-8.2, as recodified in Section 4 of this act, reads as  
35 rewritten:

36 **"§ 90-8.2. Appointment of subcommittees.**

37          (a) The North Carolina Medical Board shall appoint and maintain a  
38 subcommittee to work jointly with a subcommittee of the Board of Nursing to develop  
39 rules to govern the performance of medical acts by registered nurses, including the  
40 determination of reasonable fees to accompany an application for approval not to  
41 exceed one hundred dollars (\$100.00) and for renewal of approval not to exceed fifty  
42 dollars (\$50.00). ~~The fee for reactivation of an inactive incomplete application shall be~~  
43 ~~five dollars (\$5.00).~~ Rules developed by this subcommittee from time to time shall  
44 govern the performance of medical acts by registered nurses and shall become effective

1 when adopted by both the North Carolina Medical Board and the Board of Nursing. The  
2 North Carolina Medical Board shall have responsibility for securing compliance with  
3 these rules.

4 (b) The North Carolina Medical Board shall appoint and maintain a  
5 subcommittee of four licensed physicians to work jointly with a subcommittee of the  
6 North Carolina Board of Pharmacy to develop rules to govern the performance of  
7 medical acts by clinical pharmacist practitioners, including the determination of  
8 reasonable fees to accompany an application for approval not to exceed one hundred  
9 dollars (\$100.00) and for renewal of approval not to exceed fifty dollars (\$50.00). ~~The~~  
10 ~~fee for reactivation of an inactive incomplete application shall be five dollars (\$5.00).~~  
11 Rules recommended by the subcommittee shall be adopted in accordance with Chapter  
12 150B of the General Statutes by both the North Carolina Medical Board and the North  
13 Carolina Board of Pharmacy and shall not become effective until adopted by both  
14 Boards. The North Carolina Medical Board shall have responsibility for ensuring  
15 compliance with these rules."

16 **SECTION 7.** G.S. 90-9 and G.S. 90-10 are repealed.

17 **SECTION 8.** Article 1 of Chapter 90 of the General Statutes is amended by  
18 adding the following new sections to read:

19 **"§ 90-9.1. Requirements for licensure as a physician under this Article.**

20 (a) Except as provided in G.S. 90-9.2, to be eligible for licensure as a physician  
21 under this Article, an applicant shall submit proof satisfactory to the Board that the  
22 applicant:

23 (1) Has passed each part of an examination described in G.S. 90-10.1;

24 (2) Is a graduate of:

- 25 a. A medical college approved by the Liaison Commission on  
26 Medical Education, the Committee for the Accreditation of  
27 Canadian Medical Schools, or an osteopathic college approved  
28 by the American Osteopathic Association and has successfully  
29 completed one year of training in a medical education program  
30 approved by the Board after graduation from medical school; or  
31 b. A medical college approved by the Liaison Commission on  
32 Medical Education, the Committee for the Accreditation of  
33 Canadian Medical Schools, or an osteopathic college approved  
34 by the American Osteopathic Association, is a dentist licensed  
35 to practice dentistry under Article 2 of Chapter 90 of the  
36 General Statutes, and has been certified by the American Board  
37 of Oral and Maxillofacial Surgery after having completed a  
38 residency in an Oral and Maxillofacial Surgery Residency  
39 program approved by the Board before completion of medical  
40 school; and

41 (3) Is of good moral character.

42 (b) No license may be granted to any applicant who graduated from a medical or  
43 osteopathic college that has been disapproved by the Board pursuant to rules adopted by  
44 the Board.

1       (c) The Board may, by rule, require an applicant to comply with other  
2 requirements or submit additional information the Board deems appropriate.

3 **"§ 90-9.2. Requirements for graduates of foreign medical schools.**

4       (a) To be eligible for licensure under this section, an applicant who is a graduate  
5 of a medical school not approved by the Liaison Commission on Medical Education, the  
6 Committee for the Accreditation of Canadian Medical Schools, or the American  
7 Osteopathic Association shall submit proof satisfactory to the Board that the applicant:

8           (1) Has successfully completed three years of training in a medical  
9 education program approved by the Board after graduation from  
10 medical school;

11           (2) Is of good moral character;

12           (3) Has a currently valid standard certificate of Educational Commission  
13 for Foreign Medical Graduates (ECFMG); and

14           (4) Is able to communicate in English.

15       (b) The Board may waive ECFMG certification if the applicant:

16           (1) Has passed the ECFMG examination and successfully completed an  
17 approved Fifth Pathway Program. The applicant is required to provide  
18 the original ECFMG Certification Status Report from the ECFMG; or

19           (2) Has been licensed in another state on the basis of written examination  
20 before the establishment of ECFMG in 1958.

21       (c) The Board may, by rule, require an applicant to comply with other  
22 requirements or submit additional information the Board deems appropriate.

23 **"§ 90-9.3. Requirements for licensure as a physician assistant.**

24       (a) To be eligible for licensure as a physician assistant, an applicant shall submit  
25 proof satisfactory to the Board that the applicant:

26           (1) Has successfully completed an educational program for physician  
27 assistants or surgeon assistants accredited by the Committee on Allied  
28 Health Education and Accreditation or by the Committee's predecessor  
29 or successor entities;

30           (2) Holds or previously held a certificate issued by the National  
31 Commission on Certification of Physician Assistants; and

32           (3) Is of good moral character.

33       (b) Before initiating practice of medical acts, tasks, or functions as a physician  
34 assistant, the physician assistant shall provide the Board the name, address, and  
35 telephone number of the physician who will supervise the physician assistant in the  
36 relevant medical setting.

37       (c) The Board may, by rule, require an applicant to comply with other  
38 requirements or submit additional information the Board deems appropriate. The Board  
39 may set fees for physician assistants pursuant to rules adopted by the Board.

40 **"§ 90-10.1. Examinations accepted by the Board.**

41 The Board may administer or accept the following examinations for licensure:

42           (1) A State Board licensing examination.

43           (2) The National Board of Medical Examiners (NBME) examination or its  
44 successor.

- 1           (3)    The United States Medical Licensing Examination (USMLE) of this  
2           section or its successor.  
3           (4)    The Federation Licensing Examination (FLEX) or its successor.  
4           (5)    Other examinations the Board deems equivalent to the examinations  
5           described in subdivisions (1) through (3) of this section pursuant to  
6           rules adopted by the Board."

7           **SECTION 9.** G.S. 90-11 reads as rewritten:

8           "**§ 90-11. Qualifications of applicant for license. Criminal background checks.**

9           (a)    ~~Every applicant for a license to practice medicine or to perform medical acts,~~  
10          ~~tasks, and functions as a physician assistant in the State shall satisfy the North Carolina~~  
11          ~~Medical Board that the applicant is of good moral character and meets the other~~  
12          ~~qualifications for the issuance of a license before any such license is granted by the~~  
13          ~~Board to the applicant.~~

14          (b)    The Department of Justice may provide a criminal record check to the Board  
15          for a person who has applied for a license through the Board. The Board shall provide to  
16          the Department of Justice, along with the request, the fingerprints of the applicant, any  
17          additional information required by the Department of Justice, and a form signed by the  
18          applicant consenting to the check of the criminal record and to the use of the  
19          fingerprints and other identifying information required by the State or national  
20          repositories. The applicant's fingerprints shall be forwarded to the State Bureau of  
21          Investigation for a search of the State's criminal history record file, and the State Bureau  
22          of Investigation shall forward a set of the fingerprints to the Federal Bureau of  
23          Investigation for a national criminal history check. The Board shall keep all information  
24          pursuant to this subsection privileged, in accordance with applicable State law and  
25          federal guidelines, and the information shall be confidential and shall not be a public  
26          record under Chapter 132 of the General Statutes.

27          The Department of Justice may charge each applicant a fee for conducting the  
28          checks of criminal history records authorized by this subsection."

29          **SECTION 10.** G.S. 90-12 and G.S. 90-13 are repealed.

30          **SECTION 11.** Article 1 of Chapter 90 of the General Statutes is amended by  
31          adding the following new sections to read:

32          "**§ 90-12A. Limited license to practice in a medical education and training**  
33          **program.**

34          (a)    As provided in rules adopted by the Board, the Board may issue a limited  
35          license known as a 'resident's training license' to a physician not otherwise licensed by  
36          the Board who is participating in a graduate medical education training program.

37          (b)    A resident's training license shall become inactive at the time its holder ceases  
38          to be a resident in a training program or obtains any other license to practice medicine  
39          issued by the Board. The Board shall retain jurisdiction over the holder of the inactive  
40          license.

41          "**§ 90-12.1A. Limited volunteer license.**

42          (a)    The Board may issue a 'military limited volunteer license' to an applicant  
43          who:

- 44               (1)    Has a license to practice medicine and surgery in another state;

1           (2) Produces a letter from the state of licensure indicating the applicant is  
2           in good standing; and

3           (3) Is authorized to treat personnel enlisted in a branch of the United  
4           States armed services or veterans.

5           (b) The Board may issue a 'retired limited volunteer license' to an applicant who  
6           is a retired physician and has allowed his or her license to practice medicine and surgery  
7           in this State or another state to become inactive.

8           (c) A physician holding a limited license under this section shall comply with the  
9           continuing medical education requirements pursuant to rules adopted by the Board.

10          (d) The Board shall issue a limited license under this section within 30 days after  
11          an applicant provides the Board with information satisfying the requirements of this  
12          section.

13          (e) The holder of a limited license under this section may practice medicine and  
14          surgery only at clinics that specialize in the treatment of indigent patients. The holder of  
15          the limited license may not receive compensation for services rendered at clinics  
16          specializing in the care of indigent patients.

17          (f) The holder of a limited license issued pursuant to this section who practices  
18          medicine or surgery at places other than clinics that specialize in the treatment of  
19          indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall be  
20          fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00) for  
21          each offense. The Board, in its discretion, may revoke the limited license after due  
22          notice is given to the holder of the limited license.

23          (g) The Board may, by rule, require an applicant for a limited license under this  
24          section to comply with other requirements or submit additional information the Board  
25          deems appropriate.

26          **"§ 90-12.2A. Special purpose license.**

27          (a) The Board may issue a special purpose license to practice medicine to an  
28          applicant who:

29               (1) Holds a full and unrestricted license to practice in at least one other  
30               jurisdiction; and

31               (2) Does not have any current or pending disciplinary or other action  
32               against him or her by any medical licensing agency in any state or  
33               other jurisdiction.

34          (b) The holder of the special purpose license practicing medicine or surgery  
35          beyond the limitations of the license shall be guilty of a Class 3 misdemeanor and, upon  
36          conviction, shall be fined not less than twenty-five dollars (\$25.00) nor more than fifty  
37          dollars (\$50.00) for each offense. The Board, at its discretion, may revoke the special  
38          license after due notice is given to the holder of the special purpose license.

39          (c) The Board may adopt rules and set fees as appropriate to implement the  
40          provisions of this section.

41          **"§ 90-12.3. Medical school faculty license.**

42          (a) The Board may issue a medical school faculty license to practice medicine  
43          and surgery to a physician who:

- 1           (1) Holds a full-time appointment as either a lecturer, assistant professor,  
2 associate professor, or full professor at one of the following medical  
3 schools:  
4           a. Duke University School of Medicine;  
5           b. The University of North Carolina at Chapel Hill School of  
6 Medicine;  
7           c. Wake Forest University School of Medicine; or  
8           d. East Carolina University School of Medicine; and  
9           (2) Is not subject to disciplinary order or other action by any medical  
10 licensing agency in any state or other jurisdiction.

11           (b) The holder of the medical school faculty license issued under this section  
12 shall not practice medicine or surgery outside the confines of the medical school or an  
13 affiliate of the medical school. The holder of the medical school faculty license  
14 practicing medicine or surgery beyond the limitations of the license shall be guilty of a  
15 Class 3 misdemeanor and, upon conviction, shall be fined not less than twenty-five  
16 dollars (\$25.00) nor more than fifty dollars (\$50.00) for each offense. The Board, at its  
17 discretion, may revoke the special license after due notice is given to the holder of the  
18 medical school faculty license.

19           (c) The Board may adopt rules and set fees related to issuing medical school  
20 faculty licenses. The Board may, by rule, set a time limit for the term of a medical  
21 school faculty license."

22           **SECTION 12.** G.S. 90-13.1, as recodified in Section 4 of this act, reads as  
23 rewritten:

24 **"§ 90-13.1. License fee; salaries, fees, and expenses of Board.fees.**

25           (a) Each applicant for a license to practice medicine and surgery in this State  
26 under either G.S. ~~90-9, 90-10, or 90-13~~90-9.1 or G.S. 90-9.2 shall pay to the North  
27 Carolina Medical Board an application fee of three hundred fifty dollars (\$350.00).

28           (b) ~~Whenever Each applicant for a limited license is granted as provided into~~  
29 ~~practice in a medical education and training program under G.S. 90-12, the~~  
30 ~~applicant~~90-12A shall pay to the Board a fee ~~not to exceed~~of one hundred fifty dollars  
31 ~~(\$100.00). (\$150.00); except where a limited license to practice in a medical education~~  
32 ~~and training program approved by the Board for the purpose of education or training is~~  
33 ~~granted, the applicant shall pay a fee of one hundred dollars (\$100.00), and~~

34           (c) ~~where An applicant for a limited volunteer license to practice medicine and~~  
35 ~~surgery only at clinics that specialize in the treatment of indigent patients is granted, the~~  
36 ~~applicant~~under G.S. 90-12.1A shall not pay a fee.

37           (d) A fee of twenty-five dollars (\$25.00) shall be paid for the issuance of a  
38 duplicate license.

39           (e) All fees shall be paid in advance to the North Carolina Medical Board, to be  
40 held in a fund for the use of the Board. ~~The compensation and expenses of the members~~  
41 ~~and officers of the Board and all expenses proper and necessary in the opinion of the~~  
42 ~~Board to the discharge of its duties under and to enforce the laws regulating the practice~~  
43 ~~of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The~~  
44 ~~per diem compensation of Board members shall not exceed two hundred dollars~~

1 ~~(\$200.00) per day per member for time spent in the performance and discharge of duties~~  
2 ~~as a member. Any unexpended sum or sums of money remaining in the treasury of the~~  
3 ~~Board at the expiration of the terms of office of the members of the Board shall be paid~~  
4 ~~over to their successors in office.~~

5 ~~For the initial and annual registration of an assistant to a physician, the Board may~~  
6 ~~require the payment of a fee not to exceed a reasonable amount."~~

7 **SECTION 13.** G.S. 90-13.2, as recodified in Section 4 of this act, reads as  
8 rewritten:

9 **"§ 90-13.2. Registration every year with Board.**

10 (a) Every person licensed to practice medicine by the North Carolina Medical  
11 Board shall register annually with the Board within 30 days of the person's birthday.

12 (b) A person who registers with the Board shall report to the Board the person's  
13 name and office and residence address and any other information required by the Board,  
14 and shall pay ~~a~~ an annual registration fee of one hundred seventy-five dollars (\$175.00),  
15 except those who have a limited license to practice in a medical education and training  
16 program approved by the Board for the purpose of education or training shall pay a  
17 registration fee of one hundred twenty-five dollars (\$125.00) and those who have a  
18 limited volunteer license shall pay an annual registration fee of twenty-five dollars  
19 (\$25.00). However, licensees who have a limited license to practice for the purpose of  
20 education and training under G.S. 90-12A shall not be required to pay more than one  
21 annual registration fee for each year of training.

22 (c) A physician who is not actively engaged in the practice of medicine in North  
23 Carolina and who does not wish to register the license may direct the Board to place the  
24 license on inactive status.

25 (d) For purposes of annual registration, the Board shall use a simplified  
26 registration form which allows registrants to confirm information on file with the Board.

27 (e) A physician who fails to register as required by this section shall pay an  
28 additional fee of fifty dollars (\$50.00) to the Board. The license of any physician who  
29 fails to register and who remains unregistered for a period of 30 days after certified  
30 notice of the failure is automatically inactive. The Board shall retain jurisdiction over  
31 the holder of the inactive license.

32 (f) Except as provided in G.S. ~~90-12(d)~~, 90-12.1A, a person whose license is  
33 inactive shall not practice medicine in North Carolina nor be required to pay the annual  
34 registration fee.

35 (g) Upon payment of all accumulated fees and penalties, the license of the  
36 physician may be reinstated, subject to the Board requiring the physician to appear  
37 before the Board for an interview and to comply with other licensing requirements. The  
38 penalty may not exceed the maximum fee for a license under G.S. ~~90-13~~ 90-13.1."

39 **SECTION 14.** Article 1 of Chapter 90 of the General Statutes is amended by  
40 adding a new section to read:

41 **"§ 90-13.3. Salaries, fees, expenses of the Board.**

42 (a) The compensation and expenses of the members and officers of the Board  
43 and all expenses proper and necessary in the opinion of the Board to the discharge of its

1 duties under and to enforce the laws regulating the practice of medicine or surgery shall  
2 be paid out of the fund, upon the warrant of the Board.

3 (b) The per diem compensation of Board members shall not exceed two hundred  
4 dollars (\$200.00) per day per member for time spent in the performance and discharge  
5 of duties as a member. Any unexpended sum of money remaining in the treasury of the  
6 Board at the expiration of the terms of office of the members of the Board shall be paid  
7 over to their successors in office."

8 **SECTION 15.** G.S. 90-14 reads as rewritten:

9 "**§ 90-14. ~~Revocation, suspension, annulment or denial of license~~Disciplinary**  
10 **Authority.**

11 (a) The Board shall have the power to place on probation with or without  
12 conditions, impose limitations and conditions on, publicly reprimand, assess monetary  
13 redress, issue public letters of concern, mandate free medical services, require  
14 satisfactory completion of treatment programs or remedial or educational training, fine,  
15 deny, annul, suspend, or revoke a license, or other authority to practice medicine in this  
16 State, issued by the Board to any person who has been found by the Board to have  
17 committed any of the following acts or conduct, or for any of the following reasons:

- 18 (1) Immoral or dishonorable conduct.
- 19 (2) Producing or attempting to produce an abortion contrary to law.
- 20 (3) Made false statements or representations to the Board, ~~or who has~~  
21 willfully concealed from the Board material information in connection  
22 with an application for a license, an application, request or petition for  
23 reinstatement or reactivation of a license, an annual registration of a  
24 license, or an investigation or inquiry by the Board.
- 25 (4) Repealed by Session Laws 1977, c. 838, s. 3.
- 26 (5) Being unable to practice medicine with reasonable skill and safety to  
27 patients by reason of illness, drunkenness, excessive use of alcohol,  
28 drugs, chemicals, or any other type of material or by reason of any  
29 physical or mental abnormality. The Board is empowered and  
30 authorized to require a physician licensed by it to submit to a mental or  
31 physical examination by physicians designated by the Board before or  
32 after charges may be presented against the physician, and the results of  
33 the examination shall be admissible in evidence in a hearing before the  
34 Board.
- 35 (6) Unprofessional conduct, including, but not limited to, departure from,  
36 or the failure to conform to, the standards of acceptable and prevailing  
37 medical practice, or the ethics of the medical profession, irrespective  
38 of whether or not a patient is injured thereby, or the committing of any  
39 act contrary to honesty, justice, or good morals, whether the same is  
40 committed in the course of the physician's practice or otherwise, and  
41 whether committed within or without North Carolina. The Board shall  
42 not revoke the license of or deny a license to a person solely because  
43 of that person's practice of a therapy that is experimental,  
44 nontraditional, or that departs from acceptable and prevailing medical

- 1 practices unless, by competent evidence, the Board can establish that  
2 the treatment has a safety risk greater than the prevailing treatment or  
3 that the treatment is generally not effective.
- 4 (7) Conviction in any court of a crime involving moral turpitude, or the  
5 violation of a law involving the practice of medicine, or a conviction  
6 of a felony; provided that a felony conviction shall be treated as  
7 provided in subsection (c) of this section.
- 8 (8) By false representations has obtained or attempted to obtain practice,  
9 money or anything of value.
- 10 (9) Has advertised or publicly professed to treat human ailments under a  
11 system or school of treatment or practice other than that for which the  
12 physician has been educated.
- 13 (10) Adjudication of mental incompetency, which shall automatically  
14 suspend a license unless the Board orders otherwise.
- 15 (11) Lack of professional competence to practice medicine with a  
16 reasonable degree of skill and safety for ~~patients~~patients or failing to  
17 maintain acceptable standards of one or more areas of professional  
18 physician practice. In this connection the Board may consider repeated  
19 acts of a physician indicating the physician's failure to properly treat a  
20 patient. The Board may, upon reasonable grounds, require a physician  
21 to submit to inquiries or examinations, written or oral, as the Board  
22 deems necessary to determine the professional qualifications of such  
23 licensee. In order to annul, suspend, deny, or revoke a license of an  
24 accused person, the Board shall find by the greater weight of the  
25 evidence that the care provided was not in accordance with the  
26 standards of practice for the procedures or treatments administered.
- 27 (11a) Not actively practiced medicine or practiced as a physician assistant,  
28 or having not maintained continued competency, as determined by the  
29 Board, for the two-year period immediately preceding the filing of an  
30 application for an initial license from the Board or a request, petition,  
31 motion, or application to reactivate an inactive, suspended, or revoked  
32 license previously issued by the Board. The Board is authorized to  
33 adopt any rules or regulations it deems necessary to carry out the  
34 provisions of this subdivision.
- 35 (12) Promotion of the sale of drugs, devices, appliances or goods for a  
36 patient, or providing services to a patient, in such a manner as to  
37 exploit the patient, and upon a finding of the exploitation, the Board  
38 may order restitution be made to the payer of the bill, whether the  
39 patient or the insurer, by the physician; provided that a determination  
40 of the amount of restitution shall be based on credible testimony in the  
41 record.
- 42 (13) Having a license to practice medicine or the authority to practice  
43 medicine revoked, suspended, restricted, or acted against or having a  
44 license to practice medicine denied by the licensing authority of any

1 jurisdiction. For purposes of this subdivision, the licensing authority's  
2 acceptance of a license to practice medicine voluntarily relinquished  
3 by a physician or relinquished by stipulation, consent order, or other  
4 settlement in response to or in anticipation of the filing of  
5 administrative charges against the physician's license, is an action  
6 against a license to practice medicine.

7 (14) The failure to respond, within a reasonable period of time and in a  
8 reasonable manner as determined by the Board, to inquiries from the  
9 Board concerning any matter affecting the license to practice  
10 medicine.

11 (15) The failure to complete an amount not to exceed 150 hours of  
12 continuing medical education during any three consecutive calendar  
13 years pursuant to rules adopted by the Board.

14 The Board may, in its discretion and upon such terms and conditions and for such  
15 period of time as it may prescribe, restore a license so revoked or otherwise acted upon,  
16 except that no license that has been revoked shall be restored for a period of two years  
17 following the date of revocation.

18 ...."

19 **SECTION 16.** G.S. 90-14.2 reads as rewritten:

20 "**§ 90-14.2. Hearing before disciplinary action, revocation or suspension of a**  
21 **license.**

22 Before the Board shall ~~revoke, restrict or suspend~~ take disciplinary action against any  
23 license granted by it, the licensee shall be given a written notice indicating the general  
24 nature of the charges, accusation, or complaint made against him, which notice may be  
25 prepared by a committee or one or more members of the Board designated by the Board,  
26 and stating that such licensee will be given an opportunity to be heard concerning such  
27 charges or complaint at a time and place stated in such notice, or at a time and place to  
28 be thereafter designated by the Board, and the Board shall hold a public hearing not less  
29 than 30 days from the date of the service of such notice upon such licensee, at which  
30 such licensee may appear personally and through counsel, may cross examine witnesses  
31 and present evidence in his own behalf. A physician who is mentally incompetent shall  
32 be represented at such hearing and shall be served with notice as herein provided by and  
33 through a guardian ad litem appointed by the clerk of the court of the county in which  
34 the physician has his residence. Such licensee or physician may, if he desires, file  
35 written answers to the charges or complaints preferred against him within 30 days after  
36 the service of such notice, which answer shall become a part of the record but shall not  
37 constitute evidence in the case."

38 **SECTION 17.** G.S. 90-14.4 is repealed.

39 **SECTION 18.** G.S. 90-14.5 reads as rewritten:

40 "**§ 90-14.5. Use of hearing committee and depositions; appointment of**  
41 **hearing officers.**

42 (a) The Board, in its discretion, may designate in writing three or more ~~of its~~  
43 ~~members~~ hearing officers to conduct hearings as a hearing committee to take evidence.

1 (b) Evidence and testimony may be presented at hearings before the Board or a  
2 hearing committee in the form of depositions before any person authorized to administer  
3 oaths in accordance with the procedure for the taking of depositions in civil actions in  
4 the superior court.

5 (c) The hearing committee shall submit a recommended decision that contains  
6 findings of fact and conclusions of law to the Board. Before the Board makes a final  
7 decision, it shall give each party an opportunity to file written exceptions to the  
8 recommended decision made by the hearing committee and to present oral arguments to  
9 the Board. A quorum of the Board will issue a final decision.

10 (d) Hearing officers are entitled to receive compensation and reimbursement as  
11 authorized by this Article."

12 **SECTION 19.** G.S. 90-14.6 reads as rewritten:

13 **"§ 90-14.6. Evidence admissible.**

14 (a) ~~In-Except as otherwise provided in~~ proceedings held pursuant to this Article  
15 the Board shall admit and hear evidence in the same manner and form as prescribed by  
16 law for civil actions. A complete record of such evidence shall be made, together with  
17 the other proceedings incident to such hearing.

18 (b) Subject to the North Carolina Rules of Civil Procedure and Rules of  
19 Evidence, in proceedings held pursuant to this Article, the ~~licensee-individual~~ under  
20 investigation may call witnesses, including medical practitioners licensed in the United  
21 States, ~~with expertise in the same field of practice as the licensee under investigation,~~  
22 and the Board shall consider this testimony. States with training and experience in the  
23 same field of practice as the individual under investigation and familiar with the  
24 standard of care among members of the same health care profession in North Carolina.  
25 Witnesses shall not be restricted to experts certified by the American Board of Medical  
26 Specialties.

27 (c) Subject to the North Carolina Rules of Civil Procedure and Rules of  
28 Evidence, statements contained in medical or scientific literature shall be competent  
29 evidence in proceedings held pursuant to this Article. Documentary evidence may be  
30 received in the form of a copy or excerpt or may be incorporated by reference, if the  
31 materials so incorporated are available for examination by the parties. Upon timely  
32 request, a party shall be given an opportunity to compare the copy with the original if  
33 available.

34 (d) When evidence is not reasonably available under the Rules of Civil Procedure  
35 and Rules of Evidence to show relevant facts, then the most reliable and substantial  
36 evidence available shall be admitted."

37 **SECTION 20.** G.S. 90-14.8 reads as rewritten:

38 **"§ 90-14.8. Appeal from Board's decision taking disciplinary action on a license,**  
39 **revoking or suspending a license.**

40 A physician whose license is revoked or suspended by the Board may obtain a  
41 review of the decision of the Board in the Superior Court of Wake County ~~or in the~~  
42 ~~superior court in the county in which the hearing was held or upon agreement of the~~  
43 ~~parties to the appeal in any other superior court of the State,~~ upon filing with the  
44 secretary of the Board a written notice of appeal within 20 days after the date of the

1 service of the decision of the Board, stating all exceptions taken to the decision of the  
2 Board and indicating the court in which the appeal is to be heard.

3 Within 30 days after the receipt of a notice of appeal as herein provided, the Board  
4 shall prepare, certify and file with the clerk of ~~the superior court in the county to which~~  
5 ~~the appeal is directed~~ the Superior Court of Wake County the record of the case  
6 comprising a copy of the charges, notice of hearing, transcript of testimony, and copies  
7 of documents or other written evidence produced at the hearing, decision of the Board,  
8 and notice of appeal containing exceptions to the decision of the Board."

9 **SECTION 21.** G.S. 90-14.10 reads as rewritten:

10 **"§ 90-14.10. Scope of review.**

11 Upon the review of the Board's decision ~~revoking or suspending~~ taking disciplinary  
12 action on a license, the case shall be heard by the judge without a jury, upon the record,  
13 except that in cases of alleged omissions or errors in the record, testimony thereon may  
14 be taken by the court. The court may affirm the decision of the Board or remand the  
15 case for further proceedings; or it may reverse or modify the decision if the substantial  
16 rights of the accused physician have been prejudiced because the findings or decisions  
17 of the Board are in violation of substantive or procedural law, or are not supported by  
18 competent, material, and substantial evidence admissible under this Article, or are  
19 arbitrary or capricious. At any time after the notice of appeal has been filed, the court  
20 may remand the case to the Board for the hearing of any additional evidence which is  
21 material and is not cumulative and which could not reasonably have been presented at  
22 the hearing before the Board."

23 **SECTION 22.** G.S. 90-16 reads as rewritten:

24 **"§ 90-16. Self-reporting requirements; confidentiality of Board investigative**  
25 **information; cooperation with law enforcement; patient protection;**  
26 **Board to keep public records.**

27 (a) The North Carolina Medical Board shall keep a regular record of its  
28 proceedings ~~in a book kept for that purpose, together~~ with the names of the members of  
29 the Board present, the names of the applicants for license, and other information as to its  
30 actions. ~~The North Carolina Medical Board shall cause to be entered in a separate book~~  
31 ~~the name of each applicant to whom a license is issued to practice medicine or surgery,~~  
32 ~~along with any information pertinent to such issuance.~~ The North Carolina Medical  
33 Board shall publish the names of those licensed ~~in three daily newspapers published in~~  
34 ~~the State of North Carolina,~~ within 30 days after granting the same. ~~A transcript of any~~  
35 ~~such entry in the record books, or certificate that there is not entered therein the name~~  
36 ~~and proficiency or date of granting such license of a person charged with the violation~~  
37 ~~of the provisions of this Article, certified under the hand of the secretary and the seals of~~  
38 ~~the North Carolina Medical Board, shall be admitted as evidence in any court of this~~  
39 ~~State when it is otherwise competent.~~ license.

40 (b) The Board may in a closed session receive evidence involving or concerning  
41 the treatment of a patient who has not expressly or impliedly consented to the public  
42 disclosure of such treatment as may be necessary for the protection of the rights of such  
43 patient or of the accused physician and the full presentation of relevant evidence.

1 (c) All records, papers, investigative files, investigative reports, other  
2 investigative information and other documents containing information in the possession  
3 of or received or gathered by the Board, or its members or employees as a result of  
4 investigations, inquiries or interviews conducted in connection with a licensing,  
5 complaint or, disciplinary matter, or report of professional liability insurance awards or  
6 settlements pursuant to G.S. 90-14.13, shall not be considered public records within the  
7 meaning of Chapter 132 of the General Statutes and are privileged, confidential, and not  
8 subject to discovery, subpoena, or other means of legal compulsion for release to any  
9 person other than the Board, its employees or agents involved in the application for  
10 license or discipline of a license holder, except as provided in subsection (d) of this  
11 section. For purposes of this subsection, investigative information includes information  
12 relating to the identity of, and a report made by, a physician or other person performing  
13 an expert review for the ~~Board~~ Board and transcripts of any deposition taken by Board  
14 counsel in preparation for or anticipation of a hearing held pursuant to this Article but  
15 not admitted into evidence at the hearing.

16 (d) The Board shall provide the licensee or applicant with access to all  
17 information in its possession that the Board intends to offer into evidence in presenting  
18 its case in chief at the contested hearing on the matter, subject to any privilege or  
19 restriction set forth by rule, statute, or legal precedent, upon written request from a  
20 licensee or applicant who is the subject of a complaint or investigation, or from the  
21 licensee's or applicant's counsel, unless good cause is shown for delay. The Board is not  
22 required to provide any of the following:

- 23 (1) A Board investigative report.
- 24 (2) The identity of a non-testifying complainant.
- 25 (3) Attorney-client communications, attorney work product, or other  
26 materials covered by a privilege recognized by the Rules of Civil  
27 Procedure or the Rules of Evidence.

28 (e) Information furnished to a licensee or applicant, or counsel for a licensee or  
29 applicant, under subsection (d) of this section shall be subject to discovery or subpoena  
30 between and among the parties in a civil case in which the licensee is a party.

31 (f) Any notice or statement of charges against any licensee, or any notice to any  
32 licensee of a hearing in any proceeding shall be a public record within the meaning of  
33 Chapter 132 of the General Statutes, notwithstanding that it may contain information  
34 collected and compiled as a result of any such investigation, inquiry or interview; and  
35 provided, further, that if any such record, paper or other document containing  
36 information theretofore collected and compiled by the Board, as hereinbefore provided,  
37 is received and admitted in evidence in any hearing before the Board, it shall thereupon  
38 be a public record within the meaning of Chapter 132 of the General Statutes.

39 (g) In any proceeding before the Board, in any record of any hearing before the  
40 Board, and in the notice of the charges against any licensee (notwithstanding any  
41 provision herein to the contrary) the Board may withhold from public disclosure the  
42 identity of a patient who has not expressly or impliedly consented to the public  
43 disclosure of treatment by the accused physician.

1 (h) If investigative information in the possession of the Board, its employees, or  
2 agents indicates that a crime may have been committed, the Board ~~shall~~may report the  
3 information to the appropriate law enforcement ~~agency~~agency or district attorney of the  
4 district in which the offense was committed.

5 (i) The Board shall cooperate with and assist a law enforcement agency or  
6 district attorney conducting a criminal investigation or prosecution of a licensee by  
7 providing information that is relevant to the criminal investigation or prosecution to the  
8 investigating ~~agency~~agency or district attorney. Information disclosed by the Board to  
9 an investigative agency or district attorney remains confidential and may not be  
10 disclosed by the investigating agency except as necessary to further the investigation.

11 (j) All persons licensed under this Article shall self-report to the Board within 30  
12 days of arrest or indictment any of the following:

13 (1) Any felony arrest or indictment.

14 (2) Any arrest for driving while impaired or driving under the influence.

15 (3) Any arrest or indictment for the possession, use, or sale of any  
16 controlled substance.

17 (k) The Board, its members and staff, may release confidential or nonpublic  
18 information to any health care licensure board in this State or another state or authorized  
19 Department of Health and Human Services personnel with enforcement or investigative  
20 responsibilities about the issuance, denial, annulment, suspension, or revocation of a  
21 license, or the voluntary surrender of a license by a licensee of the Board, including the  
22 reasons for the action, or an investigative report made by the Board. The Board shall  
23 notify the licensee within 60 days after the information is transmitted. A summary of the  
24 information that is being transmitted shall be furnished to the licensee. If the licensee  
25 requests in writing within 30 days after being notified that the information has been  
26 transmitted, the licensee shall be furnished a copy of all information so transmitted. The  
27 notice or copies of the information shall not be provided if the information relates to an  
28 ongoing criminal investigation by any law enforcement agency or authorized  
29 Department of Health and Human Services personnel with enforcement or investigative  
30 responsibilities."

31 **SECTION 23.** G.S. 90-18 reads as rewritten:

32 "**§ 90-18. Practicing without license; ~~practicing defined;~~ penalties.**

33 (a) No person shall perform any act constituting the practice of medicine or  
34 surgery, as defined in this Article, or any of the branches thereof, ~~nor in any case~~  
35 ~~prescribe for the cure of diseases~~ unless the person shall have been first licensed and  
36 registered so to do in the manner provided in this Article, and if any person shall  
37 practice medicine or surgery without being duly licensed and registered, as provided in  
38 this Article, the person shall not be allowed to maintain any action to collect any fee for  
39 such services. The person so practicing without license shall be guilty of a Class 1  
40 misdemeanor, except that if the person so practicing without a license is an out-of-state  
41 practitioner who has not been licensed and registered to practice medicine or surgery in  
42 this State, the person shall be guilty of a Class I felony.

43 ~~(b) Any person shall be regarded as practicing medicine or surgery within the~~  
44 ~~meaning of this Article who shall diagnose or attempt to diagnose, treat or attempt to~~

1 ~~treat, operate or attempt to operate on, or prescribe for or administer to, or profess to~~  
2 ~~treat any human ailment, physical or mental, or any physical injury to or deformity of~~  
3 ~~another person. A person who resides in any state or foreign country and who, by use of~~  
4 ~~any electronic or other mediums, performs any of the acts described in this subsection,~~  
5 ~~including prescribing medication by use of the Internet or a toll-free telephone number,~~  
6 ~~shall be regarded as practicing medicine or surgery and shall be subject to the provisions~~  
7 ~~of this Article and appropriate regulation by the North Carolina Medical Board.~~

8 (c) The following shall not constitute practicing medicine or surgery as defined  
9 in ~~subsection (b) of this section;~~this Article:

- 10 (1) The administration of domestic or family ~~remedies in cases of~~  
11 ~~emergency.~~remedies.
- 12 (2) The practice of dentistry by any legally licensed dentist engaged in the  
13 practice of dentistry and dental surgery.
- 14 (3) The practice of pharmacy by any legally licensed pharmacist engaged  
15 in the practice of pharmacy.
- 16 (3a) The provision of drug therapy management by a licensed pharmacist  
17 engaged in the practice of pharmacy pursuant to an agreement that is  
18 physician, pharmacist, patient, and disease specific when performed in  
19 accordance with rules and rules developed by a joint subcommittee of  
20 the North Carolina Medical Board and the North Carolina Board of  
21 Pharmacy and approved by both Boards. Drug therapy management  
22 shall be defined as: (i) the implementation of predetermined drug  
23 therapy which includes diagnosis and product selection by the patient's  
24 physician; (ii) modification of prescribed drug dosages, dosage forms,  
25 and dosage schedules; and (iii) ordering tests; (i), (ii), and (iii) shall be  
26 pursuant to an agreement that is physician, pharmacist, patient, and  
27 disease specific.
- 28 (4) The practice of medicine and surgery by any surgeon or physician of  
29 the United States army, navy, or public health service in the discharge  
30 of his official duties.
- 31 (5) The treatment of the sick or suffering by mental or spiritual means  
32 without the use of any drugs or other material means.
- 33 (6) The practice of optometry by any legally licensed optometrist engaged  
34 in the practice of optometry.
- 35 (7) The practice of midwifery as defined in G.S. 90-178.2.
- 36 (8) The practice of ~~chiroprody~~chiropractic medicine and surgery by any  
37 legally licensed ~~chiroprody~~chiropractic physician when engaged in the  
38 practice of ~~chiroprody, and without the use of any drug-podiatry as~~  
39 defined in Article 12A of this Chapter.
- 40 (9) The practice of osteopathy by any legally licensed osteopath when  
41 engaged in the practice of osteopathy as defined by law, and especially  
42 G.S. 90-129.

- 1 (10) The practice of chiropractic by any legally licensed chiropractor when  
2 engaged in the practice of chiropractic as defined by law, and without  
3 the use of any drug or surgery.
- 4 (11) The practice of medicine or surgery by any nonregistered reputable  
5 physician or surgeon who comes into this State, either in person or by  
6 use of any electronic or other mediums, on an irregular basis, to  
7 consult with a resident registered physician or to consult with  
8 personnel at a medical school about educational or medical training.  
9 This proviso shall not apply to physicians resident in a neighboring  
10 state and regularly practicing in this State.
- 11 (11a) The practice of medicine or surgery by any physician who comes into  
12 this State to practice medicine or surgery so long as:
- 13 a. The physician or surgeon has an oral or written agreement with  
14 a sports team to provide general or emergency medical care to  
15 the team members, coaching staff, or families traveling with the  
16 team for a specific sporting event taking place in this State; and
- 17 b. The physician or surgeon does not provide care or consultation  
18 to any person residing in this State other than an individual  
19 described in sub-subdivision a. of this subdivision.
- 20 The exemption shall remain in force while the physician or surgeon is  
21 traveling with the team. The exemption shall not exceed 10 days per  
22 individual sporting event. However, the executive director of the  
23 Board may grant a physician or surgeon additional time for exemption  
24 of up to 20 additional days per individual sporting event.
- 25 (12) Any person practicing radiology as hereinafter defined shall be  
26 deemed to be engaged in the practice of medicine within the meaning  
27 of this Article. "Radiology" shall be defined as, that method of medical  
28 practice in which demonstration and examination of the normal and  
29 abnormal structures, parts or functions of the human body are made by  
30 use of X ray. Any person shall be regarded as engaged in the practice  
31 of radiology who makes or offers to make, for a consideration, a  
32 demonstration or examination of a human being or a part or parts of a  
33 human body by means of fluoroscopic exhibition or by the shadow  
34 imagery registered with photographic materials and the use of X rays;  
35 or holds himself out to diagnose or able to make or makes any  
36 interpretation or explanation by word of mouth, writing or otherwise of  
37 the meaning of such fluoroscopic or registered shadow imagery of any  
38 part of the human body by use of X rays; or who treats any disease or  
39 condition of the human body by the application of X rays or radium.  
40 Nothing in this subdivision shall prevent the practice of radiology by  
41 any person licensed under the provisions of Articles 2, 7, 8, and 12A  
42 of this Chapter.
- 43 (13) The performance of any medical acts, tasks, and functions by a  
44 licensed physician assistant at the direction or under the supervision of

1 a physician in accordance with rules adopted by the Board. This  
2 subdivision shall not limit or prevent any physician from delegating to  
3 a qualified person any acts, tasks, and functions that are otherwise  
4 permitted by law or established by custom. The Board shall authorize  
5 physician assistants licensed in this State or another state to perform  
6 specific medical acts, tasks, and functions during a disaster.

7 (14) The practice of nursing by a registered nurse engaged in the practice of  
8 nursing and the performance of acts otherwise constituting medical  
9 practice by a registered nurse when performed in accordance with  
10 rules and regulations developed by a joint subcommittee of the North  
11 Carolina Medical Board and the Board of Nursing and adopted by both  
12 boards.

13 (15) The practice of dietetics/nutrition by a licensed dietitian/nutritionist  
14 under the provisions of Article 25 of this Chapter.

15 (16) The practice of acupuncture by a licensed acupuncturist in accordance  
16 with the provisions of Article 30 of this Chapter.

17 (17) The use of an automated external defibrillator as provided in  
18 G.S. 90-21.15.

19 (18) The practice of medicine by any nonregistered physician residing in  
20 another state or foreign country who is contacted by one of the  
21 physician's regular patients for treatment by use of the Internet or a  
22 toll-free telephone number while the physician's patient is temporarily  
23 in this State.

24 (19) The practice of medicine or surgery by any physician who comes into  
25 this State to practice medicine or surgery at a camp that specializes in  
26 providing therapeutic recreation for individuals with chronic illnesses,  
27 as long as all the following conditions are satisfied:

28 a. The physician provides documentation to the medical director  
29 of the camp that the physician is licensed and in good standing  
30 to practice medicine in another state.

31 b. The physician provides services only at the camp or in  
32 connection with camp events or camp activities that occur off  
33 the grounds of the camp.

34 c. The physician receives no compensation for the services.

35 d. The physician provides those services within this State for no  
36 more than 30 days per calendar year.

37 e. The camp has a medical director who holds an unrestricted  
38 license to practice medicine and surgery issued under this  
39 Article."

40 **SECTION 24.** G.S. 90-18.1(a) reads as rewritten:

41 "(a) Any person who is licensed under the provisions of G.S. ~~90-14~~90-9.3 to  
42 perform medical acts, tasks, and functions as an assistant to a physician may use the title  
43 "physician assistant". Any other person who uses the title in any form or holds out to be

1 a physician assistant or to be so licensed, shall be deemed to be in violation of this  
2 Article."

3           **SECTION 25.** G.S. 90-18.1 is amended by adding the following new  
4 subsections to read:

5       "(g) Any person who is licensed under G.S. 90-9.3 to perform medical acts, tasks,  
6 and functions as an assistant to a physician shall comply with each of the following:

7           (1) Maintain a current and active license to practice in this State.

8           (2) Maintain an active registration with the Board.

9           (3) Have a current Intent to Practice form filed with the Board.

10       (h) A physician assistant serving active duty in the United States military is  
11 exempt from the requirements of subdivision (g)(3) of this section.

12       (i) A physician assistant's license shall become inactive any time the holder fails  
13 to comply with the requirements of subsection (g) of this section. A physician assistant  
14 with an inactive license shall not practice medical acts, tasks, or functions. The Board  
15 shall retain jurisdiction over the holder of the inactive license."

16           **SECTION 26.** G.S. 90-21 is repealed.

17           **SECTION 27.** This act becomes effective October 1, 2007.
