A BILL TO BE ENTITLED

1 AN ACT TO REQUIRE HEALTH CARE PROVIDERS AUTHORIZED TO WRITE
2 PRESCRIPTIONS FOR CERTAIN CONTROLLED SUBSTANCES TO USE A
3 STATE-PROVIDED SECURE PRESCRIPTION PAD, TO REQUIRE
4 PHARMACISTS TO FILL ONLY THOSE PRESCRIPTIONS WRITTEN ON
5 STATE-PROVIDED SECURE PRESCRIPTION PADS, AND TO APPROPRIATE
6 FUNDS TO THE DEPARTMENT OF HEALTH AND HUMAN SERVICES FOR
7 THE PURCHASE OF SOFTWARE AND SERVICES TO IMPLEMENT THIS
8 ACT.
9

10 Whereas, recent estimates by the Kaiser Family Foundation, the National
11 Healthcare Antifraud Association, and the Federal Bureau of Investigation (FBI)
12 indicate that North Carolina experiences between \$13,078,800 and \$43,596,000 per year
13 in prescription drug fraud; and

14 Whereas, New York and other states have recently implemented document
15 security programs as part of their efforts to reduce substantially prescription drug fraud;
16 and

17 Whereas, it is estimated that the savings resulting from the reduction in
18 prescription drug fraud will more than pay for the cost of implementing the document
19 security program within a reasonable period of time following initial implementation;
20 and

21 Whereas, the General Assembly enacted the Controlled Substances Reporting
22 Act to address overuse and misuse of certain controlled substances; and

23 Whereas, the use of secure documents is a way to reduce substantially the
24 forging and counterfeiting of prescriptions for controlled substances; Now, therefore,
25 The General Assembly of North Carolina enacts:

26 **SECTION 1.(a)** Effective January 1, 2008, Article 5 of Chapter 90 of the
