38 "(g) Not less than thirty percent (30%) of the funds spent in each year of each
39 local partnership's direct services allocation shall be used to expand child care subsidies.
40 To the extent practicable, these funds shall be used to enhance the affordability,
41 availability, and quality of child care services as described in this section. The North
42 Carolina Partnership may increase this percentage requirement up to a maximum of fifty

2 allocated to Department of Defense certified child care facilities licensed under G.S.
3 110-106.2."

4 **SECTION 3.** Department of Defense certified child care facilities licensed
