- all school personnel deserve to be treated with courtesy and proper deference.
- 3 (2) Responsibility for school safety. Helping to create a harmonious 4 school atmosphere that is free from threats, weapons, and violent or 5 disruptive behavior; cultivate an orderly learning environment in 6 which students and school personnel feel safe and secure; and 7 encourage the resolution of conflicts and disagreements through peaceful means including peer mediation. Instruction in this 8 9 responsibility should include a consistent and age-appropriate 10 antiviolence message and a conflict resolution component for students 11 in kindergarten through twelfth grade. These messages should include 12 media-awareness education to help children recognize stereotypes and 13 messages portraying violence.
- 14 (3) Service to others. Engaging in meaningful service to their schools
 15 and their communities. Schools may teach service-learning by (i)
 16 incorporating it into their standard curriculum, or (ii) involving a
 17 classroom of students or some other group of students in one or more
 18 hands-on community-service projects. All schools are encouraged to
 19 provide opportunities for student involvement in community service or
 20 service-learning projects.
 - (4) Good citizenship. Obeying the laws of the nation and this State; abiding by school rules; and understanding the rights and responsibilities of a member of a republic.
 - (5) <u>Social and emotional learning. Learning social and emotional skills,</u> <u>violence prevention skills, social competence, empathy training,</u> <u>behavior skills, and anger management training.</u>"

SECTION 3.(a) There is appropriated from the General Fund to the Department of Public Instruction the sum of one million seven hundred nineteen thousand eight hundred ninety dollars (\$1,719,890) for the 2007-2008 fiscal year and the sum of one million seven hundred nineteen thousand eight hundred ninety dollars (\$1,719,890) for the 2008-2009 fiscal year to implement this act with prekindergarten and kindergarten children.

33 **SECTION 3.(b)** There is appropriated from the General Fund to the 34 Department of Public Instruction the sum of three million eight hundred twenty-two 35 thousand seven hundred thirty-four dollars (\$3,822,734) for the 2008-2009 fiscal year to 36 implement this act with children in grades one through three.

- 37 SECTION 3.(c) It is the intent of the General Assembly to appropriate funds
 38 for the 2008-2009 fiscal year to expand the program to grades four through six.
 - **SECTION 4.** This act becomes effective July 1, 2007.
