H 804. AMEND LAW RE: PERSONAL EDUCATION PLANS. Filed 3/25/09. *TO AMEND THE LAW REGARDING PERSONAL EDUCATION PLANS FOR STUDENTS AT RISK OF ACADEMIC FAILURE.*

GS 115C-105.41 requires the development of a personal education plan for academic improvement for every student who is not performing at least at grade level, as identified by end-of-grade state tests. This bill amends the statute to require such a plan for students who are identified as at risk of academic failure through grades, observations, state assessments, and other factors that impact student performance that teachers and administrators consider important. Requires that the local school administrative units give notice and provide a copy of the personal education plan to the student's parent or guardian. Applies beginning with the 2009-2010 school year.
