**H 1289. NO LOTTERY AT CHECK CASHING SITES.** Filed 4/8/09. House committee substitute makes the following changes to 1st edition. Amends GS 18C-141 deleting proposed subsection (d), which prohibited the NC State Lottery Commission from contracting with any establishment where the majority of its business, other than lottery sales, is the cashing of checks, drafts, or money orders as a lottery game retailer. Instead, adds new subdivision (5) to GS 18C-141(b), providing that the Director of the NC State Lottery may not recommend to the Commission that it contract, as a lottery game retailer, with a person who would have the majority of net revenue, other than lottery sales, from the cashing of checks, draft or money orders.
