Also adds that the requirements of GS 153A-312(a)(2) and (3) are met if the area satisfies the criteria of GS 143B-437.08(h). Specifies that the standard in GS 153A-312(a)(7) (an association of owners and tenants within the district) is not required for a research production service district that satisfies the criteria of GS 143B-437.08(h). Makes a clarifying change to GS 153A-312(a)(8). Amends GS 153A-313 to provide that the board of directors for a nonprofit corporation which owns an industrial park must serve as the advisory committee required by the statute if the research and production service district satisfies the criteria of GS 143B-437.08(h).
