14 game ball, after striking out 11 players, and as an adult, he earned a second-place finish for

22 positive attitude as well as maintain his grades while at UNC-G; and

31 Foundation, a nonprofit tax deductible foundation, to bring about awareness of organ donation
32 and to raise money to defray costs for transplant patients, especially in North Carolina, where
33 there are more than 3,000 North Carolinians currently on the waiting list for transplants; and
