SECTION 2.(b) The appropriate classification for placement of principals and assistant principals on the salary schedule, except for principals in alternative schools and in cooperative innovative high schools, shall be determined in accordance with the following schedule:

23		Number of Teachers
24	Classification	Supervised
25		-
26	Assistant Principal	
27	Principal I	Fewer than 11 Teachers
28	Principal II	11-21 Teachers
29	Principal III	22-32 Teachers
30	Principal IV	33-43 Teachers
31	Principal V	44-54 Teachers
32	Principal VI	55-65 Teachers
33	Principal VII	66-100 Teachers
34	Principal VIII	More than 100 Teachers

 The number of teachers supervised includes teachers and assistant principals paid from State funds only; it does not include teachers or assistant principals paid from non-State funds or the principal or teacher assistants.

The beginning classification for principals in alternative schools and in cooperative innovative high school programs shall be the Principal III level. Principals in alternative schools who supervise 33 or more teachers shall be classified according to the number of teachers supervised.

SECTION 2.(c) A principal shall be placed on the step on the salary schedule that reflects total number of years of experience as a certificated employee of the public schools and an additional step for every three years of experience as a principal. A principal or assistant principal shall also continue to receive any additional State-funded percentage increases earned for the 1997-1998, 1998-1999, and 1999-2000 school years for improvement in student performance or maintaining a safe and orderly school.

SECTION 2.(d) Principals and assistant principals with certification based on academic preparation at the six-year degree level shall be paid a salary supplement of one

H1045 [Filed] Page 5

hundred twenty-six dollars (\$126.00) per month and at the doctoral degree level shall be paid a salary supplement of two hundred fifty-three dollars (\$253.00) per month.

SECTION 2.(e) Longevity pay for principals and assistant principals shall be as provided for State employees under the State Personnel Act.

SECTION 2.(f) If a principal is reassigned to a higher job classification because the principal is transferred to a school within a local school administrative unit with a larger number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the higher job classification.

If a principal is reassigned to a lower job classification because the principal is transferred to a school within a local school administrative unit with a smaller number of State-allotted teachers, the principal shall be placed on the salary schedule as if the principal had served the principal's entire career as a principal at the lower job classification.

This subsection applies to all transfers on or after the effective date of this section, except transfers in school systems that have been created, or will be created, by merging two or more school systems. Transfers in these merged systems are exempt from the provisions of this subsection for one calendar year following the date of the merger.

SECTION 2.(g) Participants in an approved full-time master's in school administration program shall receive up to a 10-month stipend at the beginning salary of an assistant principal during the internship period of the master's program. The stipend shall not exceed the difference between the beginning salary of an assistant principal plus the cost of tuition, fees, and books and any fellowship funds received by the intern as a full-time student, including awards of the Principal Fellows Program.
