A BILL TO BE ENTITLED

1
2 AN ACT TO PROVIDE COUNSELING BENEFITS TO EUGENICS SURVIVORS, TO
3 DIRECT THE DEPARTMENT OF HEALTH AND HUMAN SERVICES TO
4 ESTABLISH A DATABASE OF EUGENICS PROGRAM PARTICIPANTS AND
5 VERIFY THE STATUS OF PERSONS CONTACTING THE STATE TO DETERMINE
6 THEIR PARTICIPATION IN THE STATE PROGRAM, TO DIRECT THE STATE
7 BOARD OF EDUCATION TO INCLUDE INFORMATION ABOUT THE PROGRAM
8 IN ITS K-12 HISTORY CURRICULUM, TO DIRECT THE BOARD OF GOVERNORS
9 OF THE UNIVERSITY OF NORTH CAROLINA TO DIRECT APPROPRIATE
10 FACULTY AND STUDENTS TO CONDUCT INTERVIEWS WITH SURVIVORS, TO
11 RECOMMEND CREATION OF AN ETHICS TRAINING MODULE FOR STATE,
12 COUNTY, AND LOCAL GOVERNMENT EMPLOYEES, AND TO DIRECT THE
13 DEPARTMENT OF CULTURAL RESOURCES TO DIGITIZE EXISTING RECORDS
14 FOR PRESERVATION AND STUDY PURPOSES.

15 Whereas, during the early part of the 20th century, social reformers advocated
16 eugenics sterilization as a solution to problems such as mental retardation and mental illness;
17 and

18 Whereas, in 1907, Indiana was the first state to pass a eugenics sterilization
19 program, and eventually more than 30 states passed these laws, with North Carolina following
20 in 1929; and

21 Whereas, from 1929 to 1974, the Eugenics Board of North Carolina reviewed
22 petitions for sterilizations, and sterilizations were ordered in more than 90% of the cases before
23 the Board; and

24 Whereas, researchers estimate that more than 7,600 people were sterilized in North
25 Carolina between 1929 and 1974, ranking North Carolina third among the states operating
26 eugenics sterilization programs; and

27 Whereas, over the lifetime of the North Carolina Eugenics Sterilization Program,
28 approximately 38% of persons sterilized under the Program were African-American, and 84%
29 of all those sterilized under the Program were female; and

30 Whereas, over the lifetime of the North Carolina Eugenics Sterilization Program,
31 approximately 71% of persons sterilized under the Program were classified as "feeble-minded,"
32 who were predominantly people with intellectual disabilities; 24% were classified as mentally
33 ill; and 5% were classified as epileptic; and

34 Whereas, while most states sharply curtailed their sterilization programs after World
35 War II, nearly four-fifths of sterilizations in North Carolina were performed after 1945; and

1 Whereas, the governors of Virginia, Oregon, South Carolina, and North Carolina
2 have issued apologies for these forced sterilizations; and

3 Whereas, the General Assembly urges the citizens of this State to become familiar
4 with the history of the eugenics movement, in the belief that a more educated, enlightened, and
5 tolerant population will reject absolutely any such abhorrent pseudoscientific movement in the
6 future; and

7 Whereas, in 2009, the Speaker of the House of Representatives, the Honorable Joe
8 Hackney, established the House Select Committee on Compensation for Victims of the
9 Eugenics Sterilization Program to study proposals to compensate persons sterilized under the
10 Program; Now, therefore,
