5 The General Assembly of North Carolina enacts:

6 SECTION 1. Article 18 of Chapter 163 of the General Statutes is amended by
7 adding new the following sections to read:

8 **"§ 163-209.1. Agreement Among the States to Elect the President by National Popular**
9 **Vote; compact enacted and entered into.**

10 The "Agreement Among the States to Elect the President by National Popular Vote" is
11 enacted into law and entered into on behalf of North Carolina with any and all other states
12 legally joining therein in a form substantially as follows:

13
14 **Article I—Membership**

15 Any State of the United States and the District of Columbia may become a member of this
16 agreement by enacting this agreement.

17
18 **Article II—Right of the People in Member States to Vote for President and Vice President**

19 Each member state shall conduct a statewide popular election for President and Vice
20 President of the United States.

21
22 **Article III—Manner of Appointing Presidential Electors in Member States**

23 Prior to the time set by law for the meeting and voting by the presidential electors, the chief
24 election official of each member state shall determine the number of votes for each presidential
25 slate in each state of the United States and in the District of Columbia in which votes have been
26 cast in a statewide popular election and shall add such votes together to produce a 'national
27 popular vote total' for each presidential slate.

28 The chief election official of each member state shall designate the presidential slate with
29 the largest national popular vote total as the 'national popular vote winner.'

30 The presidential elector certifying official of each member state shall certify the
31 appointment in that official's own state of the elector slate nominated in that state in association
32 with the national popular vote winner.

33 At least six days before the day fixed by law for the meeting and voting by the presidential
34 electors, each member state shall make a final determination of the number of popular votes
35 cast in the state for each presidential slate and shall communicate an official statement of such
36 determination within 24 hours to the chief election official of each other member state.

1 The chief election official of each member state shall treat as conclusive an official
2 statement containing the number of popular votes in a state for each presidential slate made by
3 the day established by federal law for making a state's final determination conclusive as to the
4 counting of electoral votes by Congress.

5 In event of a tie for the national popular vote winner, the presidential elector certifying
6 official of each member state shall certify the appointment of the elector slate nominated in
7 association with the presidential slate receiving the largest number of popular votes within that
8 official's own state.

9 If, for any reason, the number of presidential electors nominated in a member state in
10 association with the national popular vote winner is less than or greater than that state's number
11 of electoral votes, the presidential candidate on the presidential slate that has been designated
12 as the national popular vote winner shall have the power to nominate the presidential electors
13 for that state, and that state's presidential elector certifying official shall certify the appointment
14 of such nominees. The chief election official of each member state shall immediately release to
15 the public all vote counts or statements of votes as they are determined or obtained.

16 This article shall govern the appointment of presidential electors in each member state in
17 any year in which this agreement is, on July 20, in effect in states cumulatively possessing a
18 majority of the electoral votes.

19 **Article IV—Other Provisions**

20 This agreement shall take effect when states cumulatively possessing a majority of the
21 electoral votes have enacted this agreement in substantially the same form, and the enactments
22 by such states have taken effect in each state.

23 Any member state may withdraw from this agreement, except that a withdrawal occurring
24 six months or less before the end of a President's term shall not become effective until a
25 President or Vice President shall have been qualified to serve the next term.

26 The chief executive of each member state shall promptly notify the chief executive of all
27 other states of when this agreement has been enacted and has taken effect in that official's state,
28 when the state has withdrawn from this agreement, and when this agreement takes effect
29 generally.

30 This agreement shall terminate if the electoral college is abolished.

31 If any provision of this agreement is held invalid, the remaining provisions shall not be
32 affected.

13 (b) During any election in which the Agreement Among the States to Elect the

28 slate nominated in this State in association with the national popular vote
