23 **"§ 105-164.13. Retail sales and use tax.**

24 The sale at retail and the use, storage, or consumption in this State of the following tangible
25 personal property, digital property, and services are specifically exempted from the tax imposed
26 by this Article:

27 ...

28 (26) ~~Food and prepared food sold not for profit by a nonpublic or public school,~~
29 ~~including a charter school and a regional school,~~ within the school building
30 during the regular school day. For purposes of this exemption, the term

36 **SECTION 4.1.(f)** Part 4 of Article 5 of Chapter 105 of the General Statutes is
37 amended by adding a new section to read:

38 **"§ 105-164.16A. Reporting option for prepaid meal plans.**

39 This section provides a taxpayer that offers to sell a prepaid meal plan with an option
40 concerning the method by which the sales tax will be remitted to the Secretary and a return
41 filed under G.S. 105-164.16. When the retailer enters into an agreement with a food service
42 contractor by which the food service contractor agrees to provide food or prepared food under a
43 prepaid meal plan, and the food service contractor with whom the retailer contracts is also a
44 retailer under this Article, the retailer may include in the agreement that the food service
45 contractor is liable for collecting and remitting the sales tax due on the gross receipts derived
46 from the prepaid meal plan on behalf of the retailer. The agreement must provide that the tax
47 applies to the allocated sales price of the prepaid meal plan paid by or on behalf of the person
48 entitled to the food or prepaid food under the plan and not the amount charged by the food
49 service contractor to the retailer under the agreement for the food and prepared food for the
50 person.

1 A retailer who elects this option must report to the food service contractor with whom it has
2 an agreement the gross receipts a person pays to the retailer for a prepaid meal plan. The
3 retailer must send the food service contractor the tax due on the gross receipts derived from a
4 prepaid meal plan."

20 charge for a single ticket, a multioccasion ticket, a seasonal pass, an annual
21 pass, and a cover charge.

22 ~~An admission charge does not include a charge for amenities. If charges~~
23 ~~for amenities are not separately stated on the face of an admission ticket,~~
24 ~~then the charge for admission is considered to be equal to the admission~~
25 ~~charge for a ticket to the same event that does not include amenities and is~~
26 ~~for a seat located directly in front of or closest to a seat that includes~~
27 ~~amenities.~~

28 ~~When an admission ticket is resold and the price of the admission ticket~~

39 ~~attraction or a guided tour at any of these attractions."~~

40 **SECTION 5.1.(b)** G.S. 105-164.4B is amended by adding a new subsection to

46 **SECTION 5.1.(c)** Article 5 of Chapter 105 of the General Statutes is amended by
47 adding the following new section to read:

4 other charges included in gross receipts derived from admission.

5 (2) Amenity. – A feature that increases the value or attractiveness of an
6 entertainment activity that allows a person access to items that are not
7 subject to tax under this Article and that are not available with the purchase
8 of admission to the same event without the feature. The term includes
9 parking privileges, special entrances, access to areas other than general
10 admission, mascot visits, and merchandise discounts. The term does not
11 include any charge for food, prepared food, and alcoholic beverages subject
12 to tax under this Article.

13 (3) Entertainment activity. – An activity listed in this subdivision:

14 a. A live performance or other live event of any kind, the purpose of

19 d. A guided tour at any of the activities listed in sub-subdivision c. of
20 this subdivision.

21 (4) Facilitator. – A person who accepts payment of an admission charge to an
22 entertainment activity and who is not the operator of the venue where the
23 entertainment activity occurs.

24 (b) Tax. – The gross receipts derived from an admission charge to an entertainment
25 activity are taxed at the general rate set in G.S. 105-164.4. The tax is due and payable by the
26 retailer in accordance with G.S. 105-164.16. For purposes of the tax imposed by this section,
27 the retailer is the applicable person listed below:

28 (1) The operator of the venue where the entertainment activity occurs, unless the
29 retailer and the facilitator have a contract between them allowing for dual
30 remittance, as provided in subsection (d) of this section.

32 charges directly from a purchaser.

33 (c) Facilitator. – A facilitator must report to the retailer with whom it has a contract the

35 must send the retailer the portion of the gross receipts the facilitator owes the retailer and the
36 tax due on the gross receipts derived from an admission charge no later than 10 days after the
37 end of each calendar month. A facilitator that does not send the retailer the tax due on the gross
38 receipts derived from an admission charge is liable for the amount of tax the facilitator fails to
39 send to the retailer. A facilitator is not liable for tax sent to a retailer but not remitted by the
40 retailer to the Secretary. Tax payments received by a retailer from a facilitator are held in trust
41 by the retailer for remittance to the Secretary. A retailer that receives a tax payment from a
42 facilitator must remit the amount received to the Secretary. A retailer is not liable for tax due
43 but not received from a facilitator. The requirements imposed by this subsection on a retailer
44 and a facilitator are considered terms of the contract between the retailer and the facilitator.

45 (d) Dual Remittance. – The tax due on the gross receipts derived from an admission
46 charge may be partially reported and remitted to the operator of the venue for remittance to the
47 Department and partially reported and remitted by the facilitator directly to the Department.
48 The portion of the tax not reported and remitted to the operator of the venue must be reported
49 and remitted directly by the facilitator to the Department. A facilitator that elects to remit tax
50 under the dual remittance option is required to obtain a certificate of registration in accordance
51 with G.S. 105-164.29. A facilitator is subject to the provisions of Article 9 of this Chapter.

1 (e) Exceptions. – The tax imposed by this section does not apply to the following:

2 (1) An amount paid for the right to participate in sporting activities. Examples
3 of these types of charges include bowling fees, golf green fees, and gym
4 memberships.

5 (2) Tuition, registration fees, or charges to attend instructional seminars,

15 contribution under section 170 of the Code.

16 (2) A donation that is deductible as a charitable contribution under section 170
17 of the Code.

18 (3) Charges for an amenity. If charges for amenities are separately stated on a
19 billing document given to the purchaser at the time of the sale, then the tax
20 does not apply to the separately stated charges for amenities. If charges for
21 amenities are not separately stated on the billing document given to the
22 purchaser at the time of the sale, then the transaction is a bundled transaction
23 and taxed in accordance with G.S. 105-164.4D except that
24 G.S. 105-164.4D(a)(3) does not apply.

25 (4) An event that is sponsored by an elementary or secondary school. For

40 admission to the entertainment activity may be gained by a person. When the location where
41 admission may be gained is not known at the time of the receipt of the gross receipts for an
42 admission charge, the sourcing principles in G.S. 105-164.4B(a) apply."

17 "

18 **SECTION 6.1.(b)** G.S. 105-164.4(a)(11) reads as rewritten:

19 "(a) A privilege tax is imposed on a retailer at the following percentage rates of the
20 retailer's net taxable sales or gross receipts, as appropriate. The general rate of tax is four and
21 three-quarters percent (4.75%).

22 ...

23 (11) The general rate of tax applies to the sales price of or the gross receipts
24 derived from a service contract. A service contract is taxed in accordance
25 with G.S. 105-164.4I."

26 **SECTION 6.1.(c)** Article 5 of Chapter 105 of the General Statutes is amended by
27 adding a new section to read:

28 **"§ 105-164.4I. Service contracts.**

29 (a) Tax. – The sales price of or the gross receipts derived from a service contract or the
30 renewal of a service contract sold at retail is subject to the general rate of tax set in
31 G.S. 105-164.4 and is sourced in accordance with the sourcing principles in G.S. 105-164.4B.
32 The retailer of a service contract is required to collect the tax due at the time of the retail sale of
33 the contract and is liable for payment of the tax. The tax is due and payable in accordance with
34 G.S. 105-164.16.

35 The retailer of a service contract is the applicable person listed below:

- 36 (1) When a service contract is sold at retail to a purchaser by the obligor under
37 the contract, the obligor is the retailer.
38 (2) When a service contract is sold at retail to a purchaser by a facilitator on
39 behalf of the obligor under the contract, the facilitator is the retailer unless
40 the provisions of subdivision (3) of this subsection apply.
41 (3) When a service contract is sold at retail to a purchaser by a facilitator on
42 behalf of the obligor under the contract and there is an agreement between
43 the facilitator and the obligor that states the obligor will be liable for the
44 payment of the tax, the obligor is the retailer. The facilitator must send the
45 retailer the tax due on the sales price of or gross receipts derived from the
46 service contract no later than 10 days after the end of each calendar month.
47 A facilitator that does not send the retailer the tax due on the sales price or
48 gross receipts is liable for the amount of tax the facilitator fails to send. A
49 facilitator is not liable for tax sent to a retailer but not remitted by the retailer
50 to the Secretary. Tax payments received by a retailer from a facilitator are
51 held in trust by the retailer for remittance to the Secretary. A retailer that

1 receives a tax payment from a facilitator must remit the amount received to
2 the Secretary. A retailer is not liable for tax due but not received from a
3 facilitator. The requirements imposed by this subdivision on a retailer and a
4 facilitator are considered terms of the agreement between the retailer and the
5 facilitator.

6 (b) Exemptions. – The tax imposed by this section does not apply to the sales price of
7 or the gross receipts derived from a service contract applicable to any of the following items:

8 (1) An item exempt from tax under this Article, other than a motor vehicle
9 exempt from tax under G.S. 105-164.13(32).

10 (2) A transmission, distribution, or other network asset contained on
11 utility-owned land, right-of-way, or easement.

12 (3) An item purchased by a professional motorsports racing team for which the
13 team may receive a sales tax refund under G.S. 105-164.14A(5).

14 (4) An item subject to tax under Article 5F of Chapter 105 of the General
15 Statutes.

16 (c) Exceptions. – The tax does not apply to the sales price of or the gross receipts
17 derived from a service contract for tangible personal property sold at retail that is or will
18 become a part of real property unless the service contract is sold by the obligor or by a third
19 party or facilitator on behalf of the obligor at the same time as the item of tangible personal
20 property covered in the service contract. The tax imposed by this section does not apply to a
21 security or similar monitoring contract for real property or to a renewal of a service contract
22 where the tangible personal property becomes a part of or affixed to real property prior to the
23 effective date of the renewal.

24 (d) Basis of Reporting. – A retailer who sells or derives gross receipts from a service
25 contract must report those sales on an accrual basis of accounting, notwithstanding that the
26 retailer reports tax on the cash basis for other sales at retail. The tax on the sales price of or the
27 gross receipts derived from a service contract is due at the time of the retail sale,
28 notwithstanding any portion that may be financed. If the sales price of or the gross receipts
29 derived from the service contract is financed in whole or in part, the financed amount of the
30 sales price of or the gross receipts derived from the service contract included in each payment

37 amended by adding a new section to read:

38 **"§ 105-164.11A. Refund of tax paid on rescinded sale or cancellation of service.**

39 (a) Refund. – A retailer is allowed a refund of sales tax remitted on a rescinded sale or
40 cancelled service. A sale is rescinded when the purchaser returns an item to the retailer and
41 receives a refund, in whole or in part, of the sales price paid, including a refund of the sales tax
42 based on the taxable amount of the refund. A service is cancelled when the service is
43 terminated and the purchaser receives a refund, in whole or in part, of the sales price paid,
44 including a refund of the sales tax based on the taxable amount of the refund. A retailer entitled
45 to a refund under this section may reduce taxable receipts by the taxable amount of the refund
46 for the period in which the refund occurs or may request a refund of an overpayment as
47 provided in G.S. 105-241.7 provided the tax has been refunded to the purchaser. The records of
48 the retailer must clearly reflect and support the claim for refund for an overpayment of tax or
49 adjustment to taxable receipts for the period in which the refund occurs.

50 (b) Service Contract. – When a service contract is cancelled and a purchaser receives a
51 refund, in whole or in part, of the sales price paid for the service contract, the purchaser may

1 receive a refund of the sales tax based on the taxable amount of the refund as provided in this
2 subsection.

3 (1) Refund from retailer. – If the purchaser receives a refund on any portion of
4 the sales price for a service contract purchased from the retailer required to
5 remit the tax on the retail sale of the service contract, then the provisions of
6 subsection (a) of this section apply.

7 (2) Refund application. – If the purchaser receives a refund on any portion of the
8 sales price for a service contract from a person other than the retailer
9 required to remit the tax on the retail sale of the service contract, then the
10 amount refunded to the purchaser by the person does not have to include the
11 sales tax on the taxable amount of the refund. If the amount refunded to the
12 purchaser by the person does not include the sales tax paid, then the
13 purchaser may apply to the Department for a refund of the pro rata amount
14 of the tax paid based on the taxable amount of the service contract refunded
15 to the purchaser. The application for a refund by a purchaser must be made
16 on a form prescribed by the Secretary, supported by documentation on the
17 taxable amount of the service contract refunded to the purchaser from the
18 person who refunded that amount, and filed within 30 days after the
19 purchaser receives a refund. An application for a refund filed by the
20 purchaser after the due date is barred. Taxes for which a refund is allowed
21 directly to the purchaser are not an overpayment of tax and do not accrue
22 interest as provided in G.S. 105-241.21."

23 **SECTION 6.1.(e)** G.S. 105-164.13(61) reads as rewritten:

24 "(61) A service contract for tangible personal property ~~that is provided for any of~~

44 If a retailer-contractor subcontracts any part of the real property contract, tax is payable by
