The General Assembly of North Carolina enacts:

SECTION 1. G.S. 115C-12(18) reads as rewritten:

"(18) Duty to Develop and Implement a Uniform Education Reporting System,
Which Shall Include Standards and Procedures for Collecting Fiscal and
Personnel Information. –

- a. The State Board of Education shall adopt standards and procedures for local school administrative units to provide timely, accurate, and complete fiscal and personnel information, including payroll information, on all school personnel.
- b. The State Board of Education shall develop and implement a Uniform Education Reporting System that shall include requirements for collecting, processing, and reporting fiscal, personnel, and student data, by means of electronic transfer of data files from local computers to the State Computer Center through the State Communications Network.
- c. The State Board of Education shall comply with the provisions of G.S. 116-11(10a) to plan and implement an exchange of information between the public schools and the institutions of higher education in the State. The State Board of Education shall require local boards of education to provide to the parents of children at a school all information except for confidential information received about that school from institutions of higher education pursuant to G.S. 116-11(10a) and to make that information available to the general public.
- d. The State Board of Education shall modify the Uniform Education Reporting System to provide clear, accurate, and standard information on the use of funds at the unit and school level. The plan shall provide information that will enable the General Assembly to determine State, local, and federal expenditures for personnel at the unit and school level. The plan also shall allow the tracking of

1 expenditures for textbooks, educational supplies and equipment,
2 capital outlay, at-risk students, and other purposes.

3 e. When practicable, reporting requirements developed by the State
4 Board of Education as part of the Uniform Education Reporting
5 System under this subdivision shall be incorporated into the
6 PowerSchool application or any other component of the Instructional
7 Improvement System to minimize duplicative reporting by local
8 school administrative units.

9 f. The State Board of Education shall develop a process for local school
10 administrative units to annually identify enrolled military-connected
11 students using the Uniform Education Reporting System. The
12 identification of military-connected students shall not be used for the
13 purposes of determining school achievement, growth, and
14 performance scores as required by G.S. 115C-12(9)c1. The
15 identification of military-connected students is not a public record
16 within the meaning of G.S. 132-1 and shall not be made public by
17 any person, except as permitted under the provisions of the Family
18 Educational and Privacy Rights Act of 1974, 20 U.S.C. § 1232g. For
19 purposes of this section, a "military-connected student" means a

21 parent, step-parent, sibling, or any other person who resides in the
22 same household serving in the active or reserve components of the
