A BILL TO BE ENTITLED
AN ACT AUTHORIZING BUNCOMBE COUNTY TO USE SOME LOTTERY FUNDS TO
EXPAND DIGITAL LEARNING IN THE PUBLIC SCHOOLS.

Whereas, the North Carolina Education Lottery legislation requires the distribution of lottery net proceeds for specific education purposes, including 40% of the net proceeds to the Public School Building Capital Fund for school construction; and

Whereas, lottery funds may not currently be used for school connectivity, digital textbooks, digital devices, or professional development for teachers to learn how to most effectively use digital learning for teaching; and

Whereas, since the lottery's enactment in 2005, the innovation of digital learning and its growing use throughout schools in North Carolina have significantly altered the landscape of public education in the State; and

Whereas, while the lottery money is currently designated for other necessary education causes, the expansion of digital learning is also a crucial component to ensure North Carolina's students graduate from high school globally competitive for work and postsecondary education and prepared for life in the 21st Century; and

Whereas, Buncombe County has designated one-half of the local government sales and use tax revenue distributed to the County under Article 39 of Chapter 105 of the General Statutes to be used for school construction, improvement, and renovation; and

Whereas, Buncombe County currently has lottery funds on hand that are not needed for the purposes to which they are limited; Now, therefore,
