 35 individual.

36 (2) A statement summarizing the substantial evidence supporting the director's

19        ...."

20        **SECTION 6.** G.S. 7B-324 reads as rewritten:

 40 ~~adjudication of abuse or neglect and a determination that the individual has abused or seriously~~  
 41 ~~neglected a juvenile and is a responsible individual, the director shall not place the individual's~~  
 42 ~~name on the responsible individuals list. If a juvenile court case concludes with an adjudication~~  
 43 ~~of abuse or neglect and a determination that the individual has abused or seriously neglected a~~

2 juvenile petition.

3 (b) When the director in one county conducts an assessment pursuant to G.S. 7B-302 in  
4 another county because a conflict of interest exists, the director in the county conducting the

7 adjudication. A pre-adjudication change of venue shall not affect the identity of the petitioner.

9 **SECTION 8.** G.S. 7B-401 reads as rewritten:

10 **"§ 7B-401. Pleading and process.**

11 (a) The pleading in an abuse, neglect, or dependency action is the petition. The process  
12 in an abuse, neglect, or dependency action is the summons.

13 (b) If the court has retained jurisdiction over a juvenile whose custody was granted to a  
14 parent and there are no periodic judicial reviews of the placement, the provisions of Article 8 of  
15 this subchapter shall apply to any subsequent report of abuse, neglect, or dependency  
16 determined by the director of social services to require court action pursuant to G.S. 7B-302."

17 **SECTION 9.** Article 4 of Chapter 7B of the General Statutes is amended by adding  
18 the following new section to read:

19 **"§ 7B-401.1. Parties.**

20 (a) Petitioner. – Only a county director of social services or the director's authorized  
21 representative may file a petition alleging that a juvenile is abused, neglected, or dependent.  
22 The petitioner shall remain a party until the court terminates its jurisdiction in the case.

23 (b) Parents. – The juvenile's parent shall be a party unless one of the following applies:

24 (1) The parent's rights have been terminated.

25 (2) The parent has relinquished the juvenile for adoption, unless the court orders  
26 that the parent be made a party.

27 (3) The parent has been convicted under G.S. 14-27.2 or G.S. 14-27.3 for an  
28 offense that resulted in the conception of the juvenile.

32 found that the guardianship is the permanent plan for the juvenile.

33 (d) Custodian. – A person who is the juvenile's custodian, as defined in G.S. 7B-101(8),  
34 when the petition is filed shall be a party. A person to whom custody of the juvenile is awarded  
35 in the juvenile proceeding shall automatically become a party but only if the court has found  
36 that the custody arrangement is the permanent plan for the juvenile.

39 (iii) the court orders that the caretaker be made a party.

40 (f) The Juvenile. – The juvenile shall be a party.

41 (g) Removal of a Party. – If a guardian, custodian, or caretaker is a party, the court may  
42 discharge that person from the proceeding, making the person no longer a party, if the court  
43 finds that the person does not have legal rights that may be affected by the action and that the  
44 person's continuation as a party is not necessary to meet the juvenile's needs.

45 (h) Intervention. – Except as provided in G.S. 7B-1103(b), the court shall not allow  
46 intervention by a person who is not the juvenile's parent, guardian, custodian, or caretaker but  
47 may allow intervention by another county department of social services that has an interest in  
48 the proceeding. This section shall not prohibit the court from consolidating a juvenile  
49 proceeding with a civil action or claim for custody pursuant to G.S. 7B-200."

50 **SECTION 10.** G.S. 7B-402 reads as rewritten:

51 **"§ 7B-402. Petition.**

2 and last known address of ~~the juvenile's parent, guardian, or custodian,~~each party as determined  
3 by G.S. 7B-401.1, and allegations of facts sufficient to invoke jurisdiction over the juvenile. A  
4 ~~petition alleging that a juvenile is abused or neglected may also allege and seek a determination~~  
5 ~~that a respondent is a responsible individual as defined in G.S. 7B-101(18a). A person whose~~  
6 ~~actions resulted in a conviction under G.S. 14-27.2 or G.S. 14-27.3 and the conception of the~~  
7 ~~juvenile need not be named in the petition.~~ The petition may contain information on more than  
8 one juvenile when the juveniles are from the same home and are before the court for the same  
9 reason.

10 (b) The petition, or an affidavit attached to the petition, shall contain the information  
11 required by G.S. 50A-209.

12 (c) Sufficient copies of the petition shall be prepared so that copies will be available for  
13 each ~~parent if living separate and apart, the guardian, custodian, or caretaker,~~party named in the  
14 petition, except the juvenile, and for the juvenile's guardian ad litem, the social worker, and any  
15 person determined by the court to be a necessary party.

16 (d) If the petition is filed in a county other than the county of the juvenile's residence,  
17 the petitioner shall provide a copy of the petition and any notices of hearing to the director of  
18 the department of social services in the county of the juvenile's residence."

19 **SECTION 11.** G.S. 7B-406 reads as rewritten:

20 "**§ 7B-406. Issuance of summons.**

21 (a) Immediately after a petition has been filed alleging that a juvenile is abused,  
22 neglected, or dependent, the clerk shall issue a summons to ~~the parent, guardian, custodian, or~~  
23 ~~caretaker~~each party named in the petition, except the juvenile, requiring them to appear for a  
24 hearing at the time and place stated in the summons. ~~No summons is required for any person~~

26 ~~of the juvenile.~~ A copy of the petition shall be attached to each summons. Service of the  
27 summons shall be completed as provided in G.S. 7B-407, but the parent of the juvenile shall

37 ~~on the responsible individuals list as provided in G.S. 7B-311, and that the~~  
38 ~~Department of Health and Human Services may provide information from~~  
39 ~~the list to child caring institutions, child placing agencies, group home~~  
40 ~~facilities, and other providers of foster care, child care, or adoption services~~  
41 ~~that need to determine the fitness of individuals to care for or adopt children.~~

42 (3) Notice that, if the court determines at the hearing that the allegations of the  
43 petition are true, the court will conduct a dispositional hearing to consider  
44 the needs of the juvenile and enter an order designed to meet those needs and  
45 the objectives of the State.

46 (4) Notice that the dispositional order or a subsequent order:

47 a. May remove the juvenile from the custody of the parent, guardian, or  
48 custodian.

49 b. May require that the juvenile receive medical, psychiatric,

51 treatment.

- 1 c. May require the parent to undergo psychiatric, psychological, or

7 juvenile or the parent.

10 respondent parent.

11 (c) The summons shall advise the parent that upon service, jurisdiction over that person  
12 is obtained and that failure to comply with any order of the court pursuant to G.S. 7B-904 may  
13 cause the court to issue a show cause order for contempt.

14 (d) A summons shall be directed to the person summoned to appear and shall be  
15 delivered to any person authorized to serve process."

16 **SECTION 12.** G.S. 7B-407 reads as rewritten:

17 **"§ 7B-407. Service of summons.**

18 The summons shall be served under G.S. 1A-1, Rule 4(j) upon the parent, guardian,  
19 custodian, or caretaker, not less than five days prior to the date of the scheduled hearing. The  
20 time for service may be waived in the discretion of the court.

21 ~~If the parent, guardian, custodian, or caretaker entitled to receive a summons cannot be~~  
22 ~~found by a diligent effort, the court may authorize service of the summons and petitions~~service  
23 by publication under G.S. 1A-1, Rule 4(j1). The Rule 4(j1) is required, the cost of the service by  
24 publication shall be advanced by the petitioner and may be charged as court costs as the court  
25 may direct.

26 ~~If the parent, guardian, custodian, or caretaker is served as herein provided and fails without~~  
27 ~~reasonable cause to appear and to bring the juvenile before the court, the parent, guardian,~~  
28 ~~custodian, or caretaker may be proceeded against as for contempt of court."~~

29 **SECTION 13.** G.S. 7B-505 reads as rewritten:

30 **"§ 7B-505. Place of Placement while in nonsecure custody.**

31 (a) A juvenile meeting the criteria set out in G.S. 7B-503 may be placed in nonsecure  
32 custody with the department of social services or a person designated in the order for temporary  
33 residential placement in:

- 34 (1) A licensed foster home or a home otherwise authorized by law to provide  
35 such care; or  
36 (2) A facility operated by the department of social services; or  
37 (3) Any other home or facility, including a relative's home approved by the  
38 court and designated in the order.

39 (b) In placing a juvenile in nonsecure custody under this section, the court shall first  
40 consider whether a relative of the juvenile is willing and able to provide proper care and  
41 supervision of the juvenile in a safe home. If the court finds that the relative is willing and able  
42 to provide proper care and supervision in a safe home, then the court shall order placement of  
43 the juvenile with the relative unless the court finds that placement with the relative would be  
44 contrary to the best interests of the juvenile.

45 (c) If the court does not place the juvenile with a relative, the court may consider  
46 whether nonrelative kin is willing and able to provide proper care and supervision of the  
47 juvenile in a safe home. Nonrelative kin is an individual having a substantial relationship with  
48 the juvenile. In the case of a juvenile member of a State-recognized tribe as set forth in  
49 G.S. 143B-407(a), nonrelative kin also includes any member of a State-recognized tribe or a  
50 member of a federally recognized tribe, whether or not there is a substantial relationship with  
51 the juvenile. The court may order the Department to notify the juvenile's State-recognized tribe

1 of the need for nonsecure custody for the purpose of locating relatives or nonrelative kin for  
2 placement. The court may order placement of the juvenile with nonrelative kin if the court finds  
3 the placement is in the juvenile's best interests.

4 (d) In placing a juvenile in nonsecure custody under this section, the court shall also  
5 consider whether it is in the juvenile's best interest to remain in the juvenile's community of  
6 residence. In placing a juvenile in nonsecure custody under this section, the court shall consider  
7 the Indian Child Welfare Act, Pub. L. No. 95-608, 25 U.S.C. §§ 1901, et seq., as amended, and  
8 the Howard M. Metzenbaum Multiethnic Placement Act of 1994, Pub. L. No. 103-382, 108  
9 Stat. 4056, as amended, as they may apply. Placement of a juvenile with a relative outside of  
10 this State must be in accordance with the Interstate Compact on the Placement of Children,  
11 Article 38 of this Chapter."

12 SECTION 14. G.S. 7B-506 reads as rewritten:

13 "§ 7B-506. Hearing to determine need for continued nonsecure custody.

14 ...

15 (b) At a hearing to determine the need for continued custody, the court shall receive  
16 testimony and shall allow the guardian ad litem, or juvenile, and the juvenile's parent, guardian,  
17 custodian, or caretaker the right to introduce evidence, to be heard in the person's own behalf,  
18 and to examine witnesses. The ~~State~~ petitioner shall bear the burden at every stage of the  
19 proceedings to provide clear and convincing evidence that the juvenile's placement in custody  
20 is necessary. The court shall not be bound by the usual rules of evidence at such hearings.

21 ...

22 (g) ~~Reserved.~~ In addition to the hearings required under this section, any party may  
23 schedule a hearing on the issue of placement.

24 (h) At each hearing to determine the need for continued custody, the court ~~shall~~ shall  
25 determine the following:

26 (1) Inquire as to the identity and location of any missing parent and ~~as to~~  
27 whether paternity is at issue. The court shall include findings as to the efforts  
28 undertaken to locate the missing parent and to serve that parent, as well as  
29 efforts undertaken to establish paternity when paternity is an issue. The order  
30 may provide for specific efforts aimed at determining the identity and  
31 location of any missing parent, as well as specific efforts aimed at  
32 establishing paternity.

33 (2) Inquire about efforts made to identify and notify relatives as potential  
34 resources for placement or support and as to whether a relative of the  
35 juvenile is willing and able to provide proper care and supervision of the  
36 juvenile in a safe home. If the court finds that the relative is willing and able  
37 to provide proper care and supervision in a safe home, then the court shall  
38 order temporary placement of the juvenile with the relative unless the court  
39 finds that placement with the relative would be contrary to the best interests  
40 of the juvenile. In placing a juvenile in nonsecure custody under this section,  
41 the court shall consider the Indian Child Welfare Act, Pub. L. No. 95-608,  
42 25 U.S.C. §§ 1901, et seq., as amended, and the Howard M. Metzenbaum  
43 Multiethnic Placement Act of 1994, Pub. L. No. 103-382, 108 Stat. 4056, as  
44 amended, as they may apply. Placement of a juvenile with a relative outside  
45 of this State must be in accordance with the Interstate Compact on the  
46 Placement of Children set forth in Article 38 of this ~~Chapter~~ and Chapter.

47 (2a) If the court does not place the juvenile with a relative, the court may  
48 consider whether nonrelative kin is willing and able to provide proper care  
49 and supervision of the juvenile in a safe home. Nonrelative kin is an  
50 individual having a substantial relationship with the juvenile. In the case of a  
51 juvenile member of a State-recognized tribe as set forth in G.S. 143B-407(a),

1 nonrelative kin also includes any member of a State-recognized tribe or a  
2 member of a federally recognized tribe, whether or not there is a substantial  
3 relationship with the juvenile. The court may order the Department to notify  
4 the juvenile's State-recognized tribe of the need for nonsecure custody for  
5 the purpose of locating relatives or nonrelative kin for placement. The court  
6 may order placement of the juvenile with nonrelative kin if the court finds  
7 the placement is in the juvenile's best interests.

- 8 (3) Inquire as to whether there are other juveniles remaining in the home from  
9 which the juvenile was removed and, if there are, inquire as to the specific  
10 findings of the assessment conducted under G.S. 7B-302 and any actions  
11 taken or services provided by the director for the protection of the other  
12 juveniles."

13 **SECTION 15.** G.S. 7B-507(c) reads as rewritten:

14 "(c) When the court determines that reunification efforts are not required or shall cease,  
15 the court shall order a plan for permanence as soon as possible, after providing each party with  
16 a reasonable opportunity to prepare and present evidence. If the court's determination to cease  
17 reunification efforts is made in a hearing that was duly and timely noticed as a permanency

20 of care to achieve a safe, permanent home within a reasonable period of time. If the court's

22 subsequent hearing within 30 days to address the permanent plan in accordance with  
23 ~~G.S. 7B-907~~. G.S. 7B-906.1. At any hearing at which the court orders that reunification efforts

45 the subject of a separate juvenile petition.

46        (c) On motion of any party or on the court's own motion, the court may appoint a

5       state. A record of specific stipulated adjudicatory facts shall be made by either reducing the  
6       facts to a writing, signed by each party stipulating to them and submitted to the court; or by  
7       reading the facts into the record, followed by an oral statement of agreement from each party  
8       stipulating to them. If the court finds that the allegations have not been proven, the court shall  
9       dismiss the petition with prejudice, and if the juvenile is in nonsecure custody, the juvenile  
10      shall be released to the parent, guardian, custodian, or caretaker.

11      ~~(a1) After an adjudication that a juvenile is abused or neglected, if the petition alleges~~

27       and shall be concluded within 30 days of the conclusion of the adjudicatory hearing. The  
28       dispositional hearing may be informal and the court may consider written reports or other  
29       evidence concerning the needs of the juvenile. The juvenile and the juvenile's parent, guardian,  
30       or custodian shall have the right to present evidence, and they may advise the court concerning  
31       the disposition they believe to be in the best interests of the juvenile. The court may consider  
32       any evidence, including hearsay evidence as defined in G.S. 8C-1, Rule 801, including  
33       testimony or evidence from any person who is not a party, that the court finds to be relevant,  
34       reliable, and necessary to determine the needs of the juvenile and the most appropriate  
35       disposition. The court may exclude the public from the hearing unless the juvenile moves that  
36       the hearing be open, which motion shall be granted.

37       At the dispositional hearing, the court shall inquire as to the identity and location of any  
38       missing parent and whether paternity is at issue. The court shall include findings of the efforts  
39       undertaken to locate the missing parent and to serve that parent and efforts undertaken to  
40       establish paternity when paternity is an issue. The order may provide for specific efforts in  
41       determining the identity and location of any missing parent and specific efforts in establishing  
42       paternity. The court shall also inquire about efforts made to identify and notify relatives as  
43       potential resources for placement or support."

44           **SECTION 23.** G.S. 7B-905 reads as rewritten:

45   "**§ 7B-905. Dispositional order.**

46       (a) The dispositional order shall be in writing, signed, and entered no later than 30 days

48       conclusions of law. The court shall state with particularity, both orally and in the written order  
49       of disposition, the precise terms of the disposition including the kind, duration, and the person  
50       who is responsible for carrying out the disposition and the person or agency in whom custody is  
51       vested. If the order is not entered within 30 days following completion of the hearing, the clerk

1 of court for juvenile matters shall schedule a subsequent hearing at the first session of court  
2 scheduled for the hearing of juvenile matters following the 30-day period to determine and  
3 explain the reason for the delay and to obtain any needed clarification as to the contents of the  
4 order. The order shall be entered within 10 days of the subsequent hearing required by this  
5 subsection.

6 (b) A dispositional order under which a juvenile is removed from the custody of a  
7 parent, guardian, custodian, or caretaker shall direct that the review hearing required by  
8 ~~G.S. 7B-906~~G.S. 7B-906.1 be held within 90 days from of the date of the dispositional hearing

12 ~~eustodian, or caretaker, or under which the juvenile's placement is continued outside the home~~  
13 ~~shall provide for appropriate visitation as may be in the best interests of the juvenile and~~  
14 ~~consistent with the juvenile's health and safety. If the juvenile is placed in the custody or~~  
15 ~~placement responsibility of a county department of social services, the court may order the~~  
16 ~~director to arrange, facilitate, and supervise a visitation plan expressly approved by the court. If~~  
17 ~~the director subsequently makes a good faith determination that the visitation plan may not be~~  
18 ~~in the best interests of the juvenile or consistent with the juvenile's health and safety, the~~  
19 ~~director may temporarily suspend all or part of the visitation plan. The director shall not be~~  
20 ~~subjected to any motion to show cause for this suspension, but shall expeditiously file a motion~~  
21 ~~for review.~~

22 (d) When a county department of social services having custody or placement  
23 responsibility of a juvenile intends to change the juvenile's placement, the department shall give  
24 the guardian ad litem for the juvenile notice of its intention unless precluded by emergency  
25 circumstances from doing so. Where emergency circumstances exist, the department of social  
26 services shall notify the guardian ad litem or the attorney advocate within 72 hours of the  
27 placement change, unless local rules require notification within a shorter time period."

28 **SECTION 24.** Article 9 of Chapter 7B of the General Statutes is amended by  
29 adding the following new section to read:

30 **"§ 7B-905.1. Visitation.**

31 (a) An order that removes custody of a juvenile from a parent, guardian, or custodian or  
32 that continues the juvenile's placement outside the home shall provide for appropriate visitation  
33 as may be in the best interests of the juvenile consistent with the juvenile's health and safety.  
34 The court may specify in the order conditions under which visitation may be suspended.

35 (b) If the juvenile is placed or continued in the custody or placement responsibility of a  
36 county department of social services, the court may order the director to arrange, facilitate, and  
37 supervise a visitation plan expressly approved or ordered by the court. The plan shall indicate  
38 the minimum frequency and length of visits and whether the visits shall be supervised. Unless  
39 the court orders otherwise, the director shall have discretion to determine who will supervise  
40 visits when supervision is required, to determine the location of visits, and to change the day  
41 and time of visits in response to scheduling conflicts, illness of the child or party, or  
42 extraordinary circumstances. The director shall promptly communicate a limited and temporary  
43 change in the visitation schedule to the affected party. Any ongoing change in the visitation  
44 schedule shall be communicated to the party in writing and state the reason for the change.

45 If the director makes a good faith determination that the visitation plan is not consistent  
46 with the juvenile's health and safety, the director may temporarily suspend all or part of the  
47 visitation plan. The director shall not be subject to any motion to show cause for this  
48 suspension but shall expeditiously file a motion for review.

49 (c) If the juvenile is placed or continued in the custody or guardianship of a relative or  
50 other suitable person, any order providing for visitation shall specify the minimum frequency

1 and length of the visits and whether the visits shall be supervised. The court may authorize  
2 additional visitation as agreed upon by the respondent and custodian or guardian.

3 (d) If the court retains jurisdiction, all parties shall be informed of the right to file a  
4 motion for review of any visitation plan entered pursuant to this section. Upon motion of any  
5 party and after proper notice and a hearing, the court may establish, modify, or enforce a  
6 visitation plan that is in the juvenile's best interest. Prior to or at the hearing, the court may  
7 order the department and guardian ad litem to investigate and make written recommendations  
8 as to appropriate visitation and give testimony concerning its recommendations. For resolution  
9 of issues related to visitation, the court may order the parents, guardian, or custodian to  
10 participate in custody mediation where there is a program established pursuant to G.S. 7A-494.  
11 In referring a case to custody mediation, the court shall specify the issue or issues for  
12 mediation, including, but not limited to, whether or not visitation shall be supervised and  
13 whether overnight visitation may occur. Custody mediation shall not permit the participants to  
14 consent to a change in custody. A copy of any agreement reached in custody mediation shall be  
15 provided to all parties and counsel and shall be approved by the court. The provisions of  
16 G.S. 50-13.1(d) through (f) apply to this section."

17 **SECTION 25.** G.S. 7B-906 and G.S. 7B-907 are repealed.

18 **SECTION 26.** Article 9 of Chapter 7B of the General Statutes is amended by  
19 adding the following new section to read:

20 **"§ 7B-906.1. Review and permanency planning hearings.**

21 (a) In any case where custody is removed from a parent, guardian, or custodian, the  
22 court shall conduct a review hearing within 90 days from the date of the dispositional hearing  
23 and shall conduct a review hearing within six months thereafter. Within 12 months of the date  
24 of the initial order removing custody, there shall be a review hearing designated as a  
25 permanency planning hearing. Review hearings after the initial permanency planning hearing  
26 shall be designated as subsequent permanency planning hearings. The subsequent permanency  
27 planning hearings shall be held at least every six months thereafter or earlier as set by the court  
28 to review the progress made in finalizing the permanent plan for the juvenile, or if necessary, to  
29 make a new permanent plan for the juvenile.

30 (b) The director of social services shall make a timely request to the clerk to calendar  
31 each hearing at a session of court scheduled for the hearing of juvenile matters. The clerk shall  
32 give 15 days' notice of the hearing and its purpose to (i) the parents, (ii) the juvenile if 12 years  
33 of age or more, (iii) the guardian, (iv) the person providing care for the juvenile, (v) the  
34 custodian or agency with custody, (vi) the guardian ad litem, and (vii) any other person or  
35 agency the court may specify. The department of social services shall either provide to the clerk  
36 the name and address of the person providing care for the juvenile for notice under this  
37 subsection or file written documentation with the clerk that the juvenile's current care provider  
38 was sent notice of hearing. Nothing in this subsection shall be construed to make the person  
39 providing care for the juvenile a party to the proceeding solely based on receiving notice and  
40 the right to be heard.

41 (c) At each hearing, the court shall consider information from the parents, the juvenile,  
42 the guardian, any person providing care for the juvenile, the custodian or agency with custody,  
43 the guardian ad litem, and any other person or agency that will aid in the court's review. The  
44 court may consider any evidence, including hearsay evidence as defined in G.S. 8C-1, Rule  
45 801, or testimony or evidence from any person that is not a party, that the court finds to be  
46 relevant, reliable, and necessary to determine the needs of the juvenile and the most appropriate  
47 disposition.

48 (d) At each hearing, the court shall consider the following criteria and make written  
49 findings regarding those that are relevant:

- 1           (1)    Services which have been offered to reunite the juvenile with either parent  
2           whether or not the juvenile resided with the parent at the time of removal or  
3           the guardian or custodian from whom the child was removed.  
4           (2)    Reports on visitation that has occurred and whether there is a need to create,  
5           modify, or enforce an appropriate visitation plan in accordance with  
6           G.S. 7B-905.1.  
7           (3)    Whether efforts to reunite the juvenile with either parent clearly would be  
8           futile or inconsistent with the juvenile's safety and need for a safe,  
9           permanent home within a reasonable period of time. The court shall consider  
10          efforts to reunite regardless of whether the juvenile resided with the parent,  
11          guardian, or custodian at the time of removal. If the court determines efforts  
12          would be futile or inconsistent, the court shall consider a permanent plan of  
13          care for the juvenile.  
14          (4)    Reports on the placements the juvenile has had, the appropriateness of the  
15          juvenile's current foster care placement, and the goals of the juvenile's foster  
16          care plan, including the role the current foster parent will play in the  
17          planning for the juvenile.  
18          (5)    If the juvenile is 16 or 17 years of age, a report on an independent living  
19          assessment of the juvenile and, if appropriate, an independent living plan  
20          developed for the juvenile.  
21          (6)    When and if termination of parental rights should be considered.  
22          (7)    Any other criteria the court deems necessary.  
23          (e)    At any permanency planning hearing where the juvenile is not placed with a parent,  
24          the court shall additionally consider the following criteria and make written findings regarding  
25          those that are relevant:  
26               (1)    Whether it is possible for the juvenile to be placed with a parent within the  
27               next six months and, if not, why such placement is not in the juvenile's best  
28               interests.  
29               (2)    Where the juvenile's placement with a parent is unlikely within six months,  
30               whether legal guardianship or custody with a relative or some other suitable  
31               person should be established and, if so, the rights and responsibilities that  
32               should remain with the parents.  
33               (3)    Where the juvenile's placement with a parent is unlikely within six months,  
34               whether adoption should be pursued and, if so, any barriers to the juvenile's  
35               adoption.  
36               (4)    Where the juvenile's placement with a parent is unlikely within six months,  
37               whether the juvenile should remain in the current placement, or be placed in  
38               another permanent living arrangement and why.  
39               (5)    Whether the county department of social services has since the initial  
40               permanency plan hearing made reasonable efforts to implement the  
41               permanent plan for the juvenile.  
42               (6)    Any other criteria the court deems necessary.  
43          (f)    In the case of a juvenile who is in the custody or placement responsibility of a  
44          county department of social services and has been in placement outside the home for 12 of the  
45          most recent 22 months, or a court of competent jurisdiction has determined that the parent (i)  
46          has abandoned the child, (ii) has committed murder or voluntary manslaughter of another child  
47          of the parent, or (iii) has aided, abetted, attempted, conspired, or solicited to commit murder or  
48          voluntary manslaughter of the child or another child of the parent, the director of the  
49          department of social services shall initiate a proceeding to terminate the parental rights of the  
50          parent unless the court finds any of the following:

1           (1)   The permanent plan for the juvenile is guardianship or custody with a  
2           relative or some other suitable person.

3           (2)   The court makes specific findings as to why the filing of a petition for  
4           termination of parental rights is not in the best interests of the child.

5           (3)   The department of social services has not provided the juvenile's family with  
6           services the department deems necessary when reasonable efforts are still  
7           required to enable the juvenile's return to a safe home.

8           (g)   At the conclusion of each permanency planning hearing, the judge shall make  
9           specific findings as to the best plan of care to achieve a safe, permanent home for the juvenile  
10          within a reasonable period of time.

11          (h)   The order shall be reduced to writing, signed, and entered no later than 30 days  
12          following the completion of the hearing. If the order is not entered within 30 days following  
13          completion of the hearing, the clerk of court for juvenile matters shall schedule a subsequent  
14          hearing at the first session of court scheduled for the hearing of juvenile matters following the  
15          30-day period to determine and explain the reason for the delay and to obtain any needed  
16          clarification as to the contents of the order. The order shall be entered within 10 days of the  
17          subsequent hearing required by this subsection.

18          (i)   The court may maintain the juvenile's placement under review or order a different  
19          placement, appoint a guardian of the person for the juvenile pursuant to G.S. 7B-600, or order  
20          any disposition authorized by G.S. 7B-903, including the authority to place the child in the  
21          custody of either parent or any relative found by the court to be suitable and found by the court  
22          to be in the best interests of the juvenile.

23          (j)   If the court determines that the juvenile shall be placed in the custody of an  
24          individual other than a parent or appoints an individual guardian of the person pursuant to  
25          G.S. 7B-600, the court shall verify that the person receiving custody or being appointed as  
26          guardian of the juvenile understands the legal significance of the placement or appointment and  
27          will have adequate resources to care appropriately for the juvenile.

28          (k)   If at any time custody is placed with a parent or findings are made in accordance  
29          with subsection (n) of this section, the court shall be relieved of the duty to conduct periodic  
30          judicial reviews of the placement.

31          (l)   If the court continues the juvenile's placement in the custody or placement  
32          responsibility of a county department of social services, the provisions of G.S. 7B-507 shall  
33          apply to any order entered under this section.

34          (m)   If the court finds that a proceeding to terminate the parental rights of the juvenile's  
35          parents is necessary in order to perfect the permanent plan for the juvenile, the director of the  
36          department of social services shall file a petition to terminate parental rights within 60 calendar  
37          days from the date of the entry of the order unless the court makes written findings regarding  
38          why the petition cannot be filed within 60 days. If the court makes findings to the contrary, the  
39          court shall specify the time frame in which any needed petition to terminate parental rights  
40          shall be filed.

41          (n)   Notwithstanding other provisions of this Article, the court may waive the holding of  
42          hearings required by this section, may require written reports to the court by the agency or  
43          person holding custody in lieu of review hearings, or order that review hearings be held less  
44          often than every six months if the court finds by clear, cogent, and convincing evidence each of  
45          the following:

46               (1)   The juvenile has resided in the placement for a period of at least one year.

47               (2)   The placement is stable and continuation of the placement is in the juvenile's  
48               best interests.

49               (3)   Neither the juvenile's best interests nor the rights of any party require that  
50               review hearings be held every six months.

1           (4)    All parties are aware that the matter may be brought before the court for  
2           review at any time by the filing of a motion for review or on the court's own  
3           motion.

4           (5)    The court order has designated the relative or other suitable person as the  
5           juvenile's permanent custodian or guardian of the person.

6           The court may not waive or refuse to conduct a review hearing if a party files a motion  
7           seeking the review. However, if a guardian of the person has been appointed for the juvenile  
8           and the court has also made findings in accordance with subsection (n) of this section that  
9           guardianship is the permanent plan for the juvenile, the court shall proceed in accordance with  
10          G.S. 7B-600(b)."

11           **SECTION 27.** G.S. 7B-908 reads as rewritten:

12           **"§ 7B-908. Post termination of parental rights' placement court review.**

13           (a)    The purpose of each placement review is to ensure that every reasonable effort is  
14           being made to provide for a permanent placement plan for the juvenile who has been placed in  
15           the custody of a county director or licensed child-placing agency, which is consistent with the  
16           juvenile's best interests. At each review hearing the court may consider information from the  
17           department of social services, the licensed child-placing agency, the guardian ad litem, the  
18           child, ~~the foster parent, relative, or preadoptive parent~~ the person providing care for the child,  
19           and any other person or agency the court determines is likely to aid in the review. The court  
20           may consider any evidence, including hearsay evidence as defined in G.S. 8C-1, Rule 801, that  
21           the court finds to be relevant, reliable, and necessary to determine the needs of the juvenile and  
22           the most appropriate disposition.

23           (b)    The court shall conduct a placement review not later than six months from the date  
24           of the termination hearing when parental rights have been terminated by a petition brought by  
25           any person or agency designated in G.S. 7B-1103(2) through (5) and a county director or  
26           licensed child-placing agency has custody of the juvenile. The court shall conduct reviews  
27           every six months thereafter until the juvenile is the subject of a decree of adoption:

28           (1)    No more than 30 days and no less than 15 days prior to each review, the  
29           clerk shall give notice of the review to the juvenile if the juvenile is at least  
30           12 years of age, the legal custodian of the juvenile, the ~~foster parent, relative,~~  
31           ~~or preadoptive parent~~ person providing care for the juvenile, the guardian ad  
32           litem, if any, and any other person or agency the court may specify. The  
33           department of social services shall either provide to the clerk the name and  
34           address of the ~~foster parent, relative, or preadoptive parent~~ person providing  
35           care for the child for notice under this subsection or file written  
36           documentation with the clerk that the child's current care provider was sent  
37           notice of hearing. Only the juvenile, if the juvenile is at least 12 years of age,  
38           the legal custodian of the juvenile, the ~~foster parent, relative, or preadoptive~~  
39           ~~parent~~ person providing care for the juvenile, and the guardian ad litem shall  
40           attend the review hearings, except as otherwise directed by the court.  
41           Nothing in this subdivision shall be construed to make the ~~foster parent,~~  
42           ~~relative, or preadoptive parent~~ person a party to the proceeding solely based  
43           on receiving notice and the right to be heard. Any individual whose parental  
44           rights have been terminated shall not be considered a party to the proceeding  
45           unless an appeal of the order terminating parental rights is pending, and a  
46           court has stayed the order pending the appeal.

47           (2)    If a guardian ad litem for the juvenile has not been appointed previously by  
48           the court in the termination proceeding, the court, at the initial six-month  
49           review hearing, may appoint a guardian ad litem to represent the juvenile.  
50           The court may continue the case for such time as is necessary for the  
51           guardian ad litem to become familiar with the facts of the case.

1 (c) The court shall consider at least the following in its review and make written  
2 findings regarding the following that are relevant:

3 (1) The adequacy of the plan developed by the county department of social  
4 services or a licensed child-placing agency for a permanent placement  
5 relative to the juvenile's best interests and the efforts of the department or  
6 agency to implement such plan.

7 (2) Whether the juvenile has been listed for adoptive placement with the North  
8 Carolina Adoption Resource Exchange, the North Carolina Photo Adoption  
9 Listing Service (PALS), or any other specialized adoption agency.

10 (3) The efforts previously made by the department or agency to find a  
11 permanent home for the juvenile.

12 (4) Whether the current placement is in the juvenile's best interest.

13 (d) The court, after making findings of fact, shall do one of the following:

14 (1) Affirm the county department's or child-placing agency's plans.

15 (2) If a juvenile is not placed with prospective adoptive ~~parents,~~parents as  
16 selected in G.S. 7B-1112.1, order a placement or different plan the court  
17 finds to be in the juvenile's best interest after considering the department's  
18 recommendations.

19 In either case, the court may require specific additional steps that are necessary to accomplish a  
20 permanent placement that is in the best interests of the juvenile.

21 (e) If the juvenile is the subject of a decree of adoption prior to the date scheduled for  
22 the review, within 10 days of receiving notice that the adoption decree has been entered, the  
23 department of social services shall file with the court and serve on any guardian ad litem for the  
24 juvenile written notice of the entry. The adoption decree shall not be filed in the court file. The  
25 review hearing shall be cancelled with notice of said cancellation given by the clerk to all  
26 persons previously notified.

27 (f) Repealed by Session Laws 2011-295, s. 10, effective October 1, 2011, and  
28 applicable to actions filed or pending on or after that date."

18 custody.

19 If the order is filed in an existing civil action and the person to whom the court is awarding  
20 custody is not a party to that action, the court shall order that the person be joined as a party

23 the action.

24 If the court's order initiates a civil action, the court shall designate the parties to the action  
25 and determine the most appropriate caption for the case. The civil filing fee is waived unless  
26 the court orders one or more of the parties to pay the filing fee for a civil action into the office

6 to the juvenile's best interest. This placement shall be reviewed in  
7 accordance with ~~G.S. 7B-906~~G.S. 7B-906.1. The director may,  
8 unless otherwise ordered by the judge, arrange for, provide, or
