9 The General Assembly of North Carolina enacts:

10 SECTION 1. G.S. 143-215.1(d) reads as rewritten:

11 "§ 143-215.1. Control of sources of water pollution; permits required.

12 ...

13 (d) Applications and Permits for Sewer Systems, Sewer System Extensions and
14 Pretreatment Facilities, Land Application of Waste, and for Wastewater Treatment Facilities
15 Not Discharging to the Surface Waters of the State. –

16 (1) All applications for new permits and for renewals of existing permits for
17 sewer systems, sewer system extensions and for disposal systems, and for
18 land application of waste, or treatment works which do not discharge to the
19 surface waters of the State, and all permits or renewals and decisions
20 denying any application for permit or renewal shall be in writing. The
21 Commission shall act on a permit application as quickly as possible. The
22 Commission may conduct any inquiry or investigation it considers necessary
23 before acting on an application and may require an applicant to submit plans,
24 specifications, and other information the Commission considers necessary to
25 evaluate the application. If the Commission fails to act on an application for
26 a permit, including a renewal of a permit, within 90 days after the applicant
27 submits all information required by the Commission, the application is
28 considered to be approved. Permits and renewals issued in approving such
29 facilities pursuant to this subsection shall be effective until the date specified
30 therein or until rescinded unless modified or revoked by the Commission.
31 Prior to acting on a permit application for the land application of sludge
32 resulting from operation of a wastewater treatment facility, the Commission
33 shall provide notice and an opportunity for comment from the governing
34 board of the county containing the land application site proposed in the
35 permit application. Local governmental units to whom pretreatment program
