A BILL TO BE ENTITLED

AN ACT TO SUPPORT AND ASSIST SMALL BUSINESSES AND ASSOCIATION MEMBERS WITH AFFORDABLE LEGAL SERVICES BY ALLOWING NONPROFIT CORPORATIONS OPERATING AS A PROFESSIONAL AND TRADE ASSOCIATION OR A BUSINESS LEAGUE TO PROVIDE LEGAL SERVICES TO ITS MEMBERS USING ATTORNEYS DULY LICENSED TO PRACTICE LAW IN THIS STATE.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 84-5.1 is amended by adding a new subsection to read:

"(c) Subject to the rules and regulations of the North Carolina State Bar, as approved by the Supreme Court of North Carolina, a nonprofit corporation, tax exempt under 26 U.S.C. § 501(c)(6), organized or authorized under Chapter 55A of the General Statutes and operating as a professional and trade association or business league, as defined by the applicable Internal Revenue Service guidelines, may render legal services solely by and through attorneys duly licensed to practice law in North Carolina to its members consistent with the mission, charter, or purpose of the nonprofit corporation. The nonprofit corporation shall have a governing structure that does not permit an individual or group of individuals other than an attorney duly licensed to practice law in North Carolina to control the manner or course of the legal services rendered and shall continually satisfy the criteria established by the Internal Revenue Service for 26 U.S.C. § 501(c)(6) status, whether or not any action has been taken to revoke that status. The attorney providing legal services pursuant to this subsection shall be governed by and subject to all of the Rules of Professional Conduct of the North Carolina State Bar to the same extent as all other attorneys licensed by this State, including Rule 1.13, "Organization Client." Further, any nonprofit corporation providing legal services to an association or corporate member shall provide to the member, before accepting legal matters, its written policy regarding identification of the client served, the process for avoiding or resolving potential conflicts of interest, the scope of services available, and any fees that may apply. The written policy shall be made available to the North Carolina State Bar upon request. Notwithstanding any other provision of law, a nonprofit corporation providing legal services under this subsection may charge for the legal services of its officers, employees, and agents rendered to its members under this section, may collect for those charges, and may compensate those who render the legal services.
