A BILL TO BE ENTITLED

AN ACT TO ENACT THE JUMP-START OUR BUSINESS START-UPS ACT AND TO  
ENACT THE NEW MARKETS JOBS ACT OF 2014.

Whereas, start-up companies play a critical role in creating new jobs and sources of  
revenue; and

Whereas, crowd funding, or raising money through small contributions from a large  
number of investors, allows smaller enterprises in North Carolina to have access to the capital  
they need to initiate new business ventures; and

Whereas, by promoting crowd funding, the General Assembly can give new  
businesses access to additional financing tools, can assist in democratizing start-up capital, and  
can facilitate investment by North Carolina residents in North Carolina start-ups; and

Whereas, by facilitating investment with appropriate restrictions to protect the  
interests of North Carolina investors, the General Assembly can promote the formation and  
growth of smaller North Carolina enterprises, along with additional job formation, and can  
permit businesses to raise capital using crowd funding unencumbered by excessive government  
regulation; Now, therefore,

The General Assembly of North Carolina enacts:

**PART I. JUMP-START OUR BUSINESS START-UPS ACT.**

22 **"§ 105-129.102. Reduction for qualified equity investment.**

23 (a) Reduction Established. – An entity that makes a qualified equity investment earns a  
24 vested contractual right to a below-the-line reduction of tax applicable to the entity's State  
25 premium tax liability on future premium tax reports filed under Article 8B of Chapter 105 of  
26 the General Statutes. On or after each reduction allowance date of the qualified equity  
27 investment, the taxpayer or subsequent holder of the qualified equity investment may utilize a  
28 portion of the tax reduction during the taxable year, including the reduction allowance date.  
29 The tax reduction amount is equal to the applicable percentage for the reduction allowance date  
30 multiplied by the purchase price paid to the qualified community development entity. The  
31 amount of the tax reduction claimed in that taxable year by a taxpayer shall not exceed the  
32 amount of such taxpayer's State tax liability for the tax year for which the tax reduction is  
33 claimed. Any amount of tax reduction that the taxpayer is prohibited from claiming in a taxable  
34 year as a result of this section may be carried forward for use in any subsequent taxable year.

35 (b) Transferability. – A tax reduction claimed pursuant to this Article is not refundable  
36 or saleable on the open market. Tax reductions earned by or allocated to a partnership, limited  
37 liability company, or S Corporation may be allocated to the partners, members, or shareholders  
38 of such entity for their use in accordance with the provisions of any agreement among such  
39 partners, members, or shareholders. These allocations are not considered a sale for purposes of  
40 this section. The department shall issue a certificate to each entity allocated a tax reduction  
41 under this Article.

42 (c) Certification of Qualified Equity Investments. – A qualified community  
43 development entity that seeks to have an equity investment or long-term debt security  
44 designated as a qualified equity investment and eligible for tax reductions under this section  
45 shall apply to the Department, which shall begin accepting applications on January 2, 2015.  
46 The qualified community development entity must submit an application on a form that the  
47 Department provides that includes each of the following:

48 (1) Evidence of the entity's certification as a qualified community development  
49 entity, including evidence of the service area of the entity that includes this  
50 State.

- 1           (2)    A copy of an allocation agreement executed by the entity or its controlling  
2           entity and the Community Development Financial Institutions Fund.
- 3           (3)    A certificate executed by an executive officer of the entity attesting that the  
4           allocation agreement remains in effect and has not been revoked or cancelled  
5           by the Community Development Financial Institutions Fund.
- 6           (4)    A description of the proposed amount, structure, and purchaser of the  
7           qualified equity investment.
- 8           (5)    If known, identifying information for any taxpayer eligible to utilize tax  
9           reductions earned as a result of the issuance of the qualified equity  
10          investment.
- 11          (6)    Examples of the types of qualified active low-income businesses in which  
12          the applicant, its controlling entity, or affiliates of its controlling entity have  
13          invested under the Federal New Markets Tax Credit Program. Applications  
14          are not required to identify qualified active low-income community  
15          businesses in which they will invest when submitting an application.
- 16          (7)    A nonrefundable application fee of five thousand dollars (\$5,000).
- 17          (8)    The refundable performance deposit required by G.S. 105-129.104.
- 18          (9)    Whether the application is for the Rural Reserve under G.S. 105-129.109.
- 19        (d)    (1)    Within 30 days after receipt of a completed application containing the  
20          information set forth in subsection (c) of this section, including the payment  
21          of the application fee and the performance deposit, the Department shall  
22          grant or deny the application in full or in part. If the Department denies any  
23          part of the application, it shall inform the qualified community development  
24          entity of the grounds for the denial. If the qualified community development  
25          entity provides any additional information required by the Department or  
26          otherwise completes its application within 15 days of the notice of denial,  
27          the application shall be considered completed as of the original date of  
28          submission. If the qualified community development entity fails to provide  
29          the information or complete its application within the 15-day period, the  
30          application is denied and must be resubmitted in full with a new submission  
31          date.
- 32          (2)    If the application is deemed complete, the Department shall certify the  
33          proposed equity investment or long-term debt security as a qualified equity  
34          investment that is eligible for a reduction under this section, subject to the  
35          limitations contained in subdivision (5) of this subsection; provided that the  
36          Department shall not certify qualified equity investments for any applicant,  
37          on a combined basis with all of its affiliates, in excess of sixty million  
38          dollars (\$60,000,000) unless such applicant has (i) already had qualified  
39          equity investments certified under this section, (ii) satisfied the requirements  
40          of subdivision (6) of this subsection with respect to such qualified equity  
41          investments, and (iii) filed a new application after satisfying the  
42          requirements of (i) and (ii) of this subdivision. The Department shall provide  
43          written notice of the certification to the qualified community development  
44          entity. The notice shall include the names of those taxpayers who are eligible  
45          to utilize the reductions and their respective reduction amounts. If the names  
46          of the taxpayers who are eligible to utilize the reductions change due to a  
47          transfer of a qualified equity investment or a change in an allocation  
48          pursuant to subsection (b) of this section, the qualified community  
49          development entity shall notify the Department of such change.
- 50          (3)    Once the Department has certified a qualified equity investment, the  
51          qualified community development entity may suballocate all or any portion

1 of the amount of the certified qualified equity investment to one or more  
2 qualified community development entities with the same controlling entity  
3 as the applicant qualified community development entity, provided that the  
4 applicant qualified community development entity files a notice of such  
5 suballocation with the Department and the recipient of the suballocation  
6 meets all the requirements of a qualified community development entity  
7 under this section. The notice of suballocation shall include the information  
8 required in the application for all suballocates.

9 (4) The Department shall certify qualified equity investments in the order  
10 applications are received by the Department. Applications received on the  
11 same day shall be deemed to have been received simultaneously. For  
12 applications received on the same day and deemed complete, the Department  
13 shall certify, consistent with remaining tax reduction capacity, qualified  
14 equity investments in proportionate percentages based upon the ratio of the  
15 amount of qualified equity investment requested in an application to the total  
16 amount of qualified equity investments requested in all applications received  
17 on the same day.

18 (5) The Department shall certify two hundred eight million three hundred  
19 thirty-three thousand three hundred thirty-three dollars (\$208,333,333) in  
20 qualified equity investment authority pursuant to two allocations, one for the  
21 Rural Reserve and one for the Statewide Reserve, each as described in  
22 G.S. 105-129.109(a). If a pending request cannot be fully certified due to  
23 this limit, the Department shall certify the portion that may be certified  
24 unless the qualified community development entity elects to withdraw its  
25 request rather than receive partial certification.

26 (6) Within 45 days after receiving notice of certification, the qualified  
27 community development entity or any transferee under this section shall  
28 issue the qualified equity investment and receive cash in the amount of the  
29 certified amount. The qualified community development entity or transferee  
30 must provide the Department with evidence of the receipt of the cash  
31 investment within 50 days of the applicant receiving notice of certification.  
32 If the qualified community development entity or transferee does not receive  
33 the cash investment and issue the qualified equity investment within 45 days  
34 following receipt of the certification notice, the certification shall lapse and  
35 the entity may not issue the qualified equity investment without reapplying  
36 to the Department for certification. A certification that lapses reverts back to  
37 the Department and shall be reissued pro rata to other applicants whose  
38 qualified equity investment allocations were reduced under this section and  
39 thereafter in accordance with the application process.

40 (e) Disallowance. –

41 (1) The Department may determine that reductions previously claimed or to be  
42 claimed by a taxpayer under this Article should be disallowed. Notice that a  
43 reduction shall be disallowed shall be transmitted in writing to the taxpayer  
44 and the Department of Revenue. Disallowance may be determined if any of  
45 the following occurs:

46 a. Any amount of the federal tax credit available with respect to a  
47 qualified equity investment that is eligible for a tax reduction under  
48 this section is recaptured under section 45D of the Internal Revenue  
49 Code of 1986, as amended. In such case, the Department's  
50 disallowance shall be proportionate to the federal recapture with  
51 respect to such qualified equity investment.

- 1            b. The qualified community development entity redeems or makes  
2            principal repayment with respect to a qualified equity investment  
3            prior to the seventh anniversary of the issuance of such qualified  
4            equity investment. In such case, the Department's disallowance shall  
5            be proportionate to the amount of the redemption or repayment with  
6            respect to such qualified equity investment.
- 7            c. The qualified community development entity fails to (i) invest at  
8            least eighty-five percent (85%) of the purchase price of the qualified  
9            equity investment in qualified low-income investments in the State  
10           within 12 months of the issuance of the qualified equity investment  
11           and (ii) maintain such level of investment in qualified low-income  
12           community investments in the State until the last reduction allowance  
13           date for the qualified equity investment. For qualified equity  
14           investments made under the Rural Reserve, all qualified low-income  
15           community investments required to meet the requirements of this  
16           subsection must be made in qualified active low-income community  
17           businesses located in rural census tracts within this State.
- 18           d. Any distribution or debt payment in violation of  
19           G.S. 105-129.107(a).
- 20           e. Failure to comply with G.S. 105-129.108, 105-129.109, or  
21           105-129.110.

22           (2) For purposes of this section, an investment shall be considered held by a  
23           qualified community development entity even if the investment has been  
24           sold or repaid if the qualified community development entity reinvests an  
25           amount equal to the capital returned to or recovered by the qualified  
26           community development entity from the original investment, exclusive of  
27           any profits realized, in another qualified low-income community investment  
28           within 12 months of the receipt of such capital. Periodic amounts received as  
29           repayment of principal on a loan that is a qualified low-income community  
30           investment shall be treated as continuously invested in a qualified  
31           low-income community investment if the amounts are reinvested in one or  
32           more qualified low-income community investments by the end of the  
33           following calendar year. A qualified community development entity shall  
34           not be required to reinvest capital returned from qualified low-income  
35           community investments after the sixth anniversary of the issuance of the  
36           qualified equity investment, and the qualified low-income community  
37           investment shall be considered held by the qualified community  
38           development entity through the seventh anniversary of the issuance of the  
39           qualified equity investment.

40           (3) A recaptured reduction and the related qualified equity investment authority  
41           under the Rural Reserve or the Statewide Reserve, as applicable, reverts  
42           back to the Department and shall be reissued pro rata to other applicants  
43           whose qualified equity investment allocations were reduced under this  
44           section and thereafter in accordance with the application process.

45           **"§ 105-129.103. Notice of noncompliance.**

46           Enforcement of the disallowance under this Article shall not occur until the qualified  
47           community development entity shall have been given notice of noncompliance and afforded six  
48           months from the date of such notice to cure the noncompliance.

49           **"§ 105-129.104. Refundable performance deposit.**

50           (a) For each application submitted, a qualified community development entity that  
51           seeks to have an equity investment or long-term debt security designated as a qualified equity

1 investment and eligible for a reduction under this Article shall make a performance deposit in  
2 the amount of the greater of one-quarter of one percent (.25%) of the amount of the equity  
3 investment or long-term debt security requested to be designated as a qualified equity  
4 investment or five hundred thousand dollars (\$500,000) to the Department for deposit in the  
5 New Markets performance guarantee account, which is hereby established. The entity shall  
6 forfeit the amount deposited if (i) the qualified community development entity together with  
7 any qualified community development entities to which it has suballocated qualified equity  
8 investment authority pursuant to G.S. 105-129.102(d), if any, fail to issue the total amount of  
9 qualified equity investments certified by the Department and receive cash in the total amount  
10 certified under G.S. 105-129.102 within 45 days after receiving notice of certification, or (ii)  
11 the qualified community development entity or any qualified community development entity  
12 that issues suballocated qualified equity investment authority pursuant to G.S. 105-129.102(d)  
13 certified under this Article fails to invest at least eighty-five percent (85%) of the purchase  
14 price of any qualified equity investment issued in qualified low-income community  
15 investments within 12 months of the issuance of the qualified equity investment; provided that  
16 forfeiture for the failure under clauses (i) and (ii) of this subsection is not subject to the cure  
17 period established in G.S. 105-129.103.

18 (b) The performance deposit required under this section shall be paid to the Department  
19 and held in the New Markets performance guarantee account without any portion being repaid  
20 until such time as compliance with clause (ii) of subsection (a) of this section has been  
21 established. The qualified community development entity may request a refund of the  
22 performance deposit from the Department no sooner than 30 days after having met the  
23 requirements of clause (ii) of subsection (a) of this section. The State Treasurer shall have 30  
24 days to comply with the request or give notice of noncompliance.

25 **"§ 105-129.105. Letter rulings.**

26 (a) The Secretary shall issue letter rulings regarding the tax reduction program  
27 authorized under this Article, subject to the terms and conditions set forth in this section. For  
28 the purposes of this Article, the term "letter ruling" means a written interpretation of law to a  
29 specific set of facts provided by the applicant requesting a letter ruling.

30 (b) The Secretary shall respond to a request for a letter ruling within 60 days of receipt  
31 of such request. The applicant may provide a draft letter ruling for the Secretary's  
32 consideration. The applicant may withdraw the request for a letter ruling, in writing, prior to the  
33 issuance of the letter ruling. The Secretary may refuse to issue a letter ruling for good cause but  
34 must list the specific reasons for refusing to issue the letter ruling. Good cause includes any of  
35 the following:

36 (1) The applicant requests the director to determine whether a statute is  
37 constitutional or a regulation is lawful.

38 (2) The request involves a hypothetical situation or alternative plan.

39 (3) The facts or issues presented in the request are unclear, overbroad,  
40 insufficient, or otherwise inappropriate as a basis upon which to issue a letter  
41 ruling.

42 (4) The issue is currently being considered in a rule-making procedure,  
43 contested case, or other agency or judicial proceeding that may definitely  
44 resolve the issue.

45 (c) Letter rulings shall bind the Secretary and the Secretary's agents and their successors  
46 and all other State agencies until such time as the entity or its shareholders, members, or  
47 partners, as applicable, claim all of the reductions on a North Carolina tax return or report,  
48 subject to the terms and conditions set forth in properly published regulations. The letter ruling  
49 shall apply only to the applicant.

50 (d) In rendering letter rulings and making other determinations under this Article, to the  
51 extent applicable, the Department and the Department of Revenue shall look for guidance to

1 section 45D of the Internal Revenue Code of 1986, as amended, and the rules and regulations  
2 issued thereunder.

3 **"§ 105-129.106. Retaliatory tax.**

4 An entity claiming a reduction under this Article is not required to pay any additional  
5 retaliatory tax levied under G.S. 105-228.8 as a result of claiming the reduction. It is the intent  
6 of the General Assembly that an entity claiming a reduction under this Article is not required to  
7 pay any additional tax that may arise as a result of claiming that reduction.

8 **"§ 105-129.107. Decertification.**

9 (a) Once certified under this Article, a qualified equity investment may not be  
10 decertified unless all of the requirements of this section have been met. Until all qualified  
11 equity investments issued by a qualified community development entity or any transferee  
12 qualified community development entity under G.S. 105-129.102(d) are decertified under this  
13 section, the qualified community development entity or any transferee qualified community  
14 development entity under G.S. 105-129.102(d) shall not be entitled to distribute to its equity  
15 holders or make cash payments on long-term debt securities that have been designated as  
16 qualified equity investments in an amount that exceeds the sum of (i) the cumulative operating  
17 income, as defined by regulations adopted under section 45D of the Internal Revenue Code of  
18 1986, as amended, earned by the qualified community development entity since issuance of the  
19 qualified equity investment, prior to giving effect to any interest expense of long-term debt  
20 securities designated as qualified equity investments and (ii) fifty percent (50%) of the  
21 purchase price of the qualified equity investments issued by the qualified community  
22 development entity.

23 (b) To be decertified, all of the following conditions must be met:

- 24 (1) The qualified equity investment is beyond its seventh reduction allowance  
25 date.
- 26 (2) The qualified equity investment was in compliance with the requirements of  
27 this Article through its seventh reduction allowance date, including any  
28 cures.
- 29 (3) The qualified equity investment has its proceeds invested in qualified active  
30 low-income community investments such that the total qualified active  
31 low-income community investments made, cumulatively including  
32 reinvestments, exceeds one hundred fifty percent (150%) of its qualified  
33 equity investment. For purposes of making this calculation, qualified  
34 low-income community investments to any one qualified active low-income  
35 community business, on a collective basis with affiliates, in excess of seven  
36 million dollars (\$7,000,000) are not included unless the investments are  
37 made with capital returned or repaid from qualified low-income community  
38 investments made by the qualified community development entity in other  
39 qualified active low-income community businesses or interest earned on or  
40 profits realized from any qualified low-income community investments.

41 (c) A qualified community development entity that seeks to have a qualified equity  
42 investment decertified under this section shall send notice to the Department of its request for  
43 decertification along with evidence supporting the request. The provisions of subdivision (2) of  
44 subsection (b) of this section are met if no disallowance action has been commenced by the  
45 Department as of the seventh reduction allowance date. A request under this section shall not  
46 be unreasonably denied and shall be responded to within 30 days of receiving the request. If the  
47 request is denied for any reason, the burden of proof shall be on the Department in any  
48 administrative or legal proceeding that follows.

49 **"§ 105-129.108. Limitation on fees.**

50 No qualified community development entity shall be entitled to pay any affiliate of such  
51 qualified community development entity any fees in connection with any activity under this

1 Article prior to decertification under G.S. 105-129.107 of all qualified equity investments  
2 issued by the qualified community development entity. The foregoing shall not prohibit a  
3 qualified community development entity from allocating or distributing income earned by it to  
4 the affiliates or paying reasonable interest on amounts lent to the qualified community  
5 development entity by such affiliates.

6 **"§ 105-129.109. Rural Investment Reserve.**

7 (a) Of the maximum total two hundred eight million three hundred thirty-three  
8 thousand three hundred thirty-three dollars (\$208,333,333) of qualified equity investments  
9 eligible for certification by the Department under G.S. 105-129.102, one hundred fifty-six  
10 million two hundred fifty thousand dollars (\$156,250,000) of the total shall be reserved for  
11 applications submitted for a portion of the New Markets Jobs Act of 2014 hereby designated  
12 the "Rural Reserve." The fifty-two million eighty-three thousand three hundred thirty-three  
13 dollars (\$52,083,333) not in the Rural Reserve shall be designated the "Statewide Reserve."

14 (b) A qualified community development entity may apply for both the Rural Reserve  
15 and the Statewide Reserve, provided it does so in separate applications.

16 (c) All qualified low-income community investments made under the Rural Reserve of  
17 qualified equity investment authority shall only be made in qualified active low-income  
18 community businesses located in rural census tracts in the State, including those necessary to  
19 meet the standards for decertification contained in G.S. 105-129.107.

20 (d) Qualified low-income community investments made under the Statewide Reserve of  
21 qualified equity investment authority shall not be geographically restricted so long as the  
22 qualified active low-income community business is located in the State.

23 **"§ 105-129.110. New capital requirement.**

24 No qualified active low-income community business that receives a qualified low-income  
25 community investment from a qualified community development entity that issues qualified  
26 equity investments under this Article, or any affiliates of such a qualified active low-income  
27 community business, may directly or indirectly (i) own or have the right to acquire an  
28 ownership interest in a qualified community development entity or member or affiliate of a  
29 qualified community development entity, including, but not limited to, a holder of a qualified  
30 equity investment issued by the qualified community development entity, or (ii) loan to or  
31 invest in a qualified community development entity or member or affiliate of a qualified
