 14 These guidelines shall include provisions for all of the following:

15 ...

 17 digits of social security number does not result in a validation, attempting to
 18 resolve the discrepancy, initiating investigations under G.S. 163-33(3) or

23 **SECTION 14.(b)** G.S. 163-166.12 reads as rewritten:

24 **"§ 163-166.12. Requirements for certain voters who register by mail.**

25 (a) Voting in Person. – An individual who has registered to vote by mail on or after
 26 January 1, 2003, and has not previously voted in an election that includes a ballot item for
 27 federal office in North Carolina, shall present to a local election official at a voting place before
 28 voting there one of the following:

- 29 (1) A current and valid photo identification.
 30 (2) A copy of one of the following documents that shows the name and address
 31 of the voter: a current utility bill, bank statement, government check,
 32 paycheck, or other government document.

33 (b) Voting Mail-In Absentee. – An individual who has registered to vote by mail on or
 34 after January 1, 2003, and has not previously voted in an election that includes a ballot item for
 35 federal office in North Carolina, in order to cast a mail-in absentee vote, shall submit with the
 36 mailed-in absentee ballot one of the following:

- 37 (1) A copy of a current and valid photo identification.
 38 (2) A copy of one of the following documents that shows the name and address
 39 of the voter: a current utility bill, bank statement, government check,
 40 paycheck, or other government document.

41 (b1) Notation of Identification Proof. – The county board of elections shall note the type
 42 of identification proof submitted by the voter under the provisions of subsection (a) or (b) of
 43 this section and may dispose of the tendered copy of identification proof as soon as the type of
 44 proof is noted in the voter registration records.

45 (b2) Voting When Identification Numbers Do Not Match. – Regardless of whether an
 46 individual has registered by mail or by another method, if the individual has provided with the
 47 registration form a drivers license number or last four digits of a Social Security number but the
 48 computer validation of the number as required by G.S. 163-82.12 did not result in a match, and
 49 the number has not been otherwise validated by the board of elections, in the first election in
 50 which the individual votes that individual shall submit with the ballot the form of identification
 51 described in subsection (a) or subsection (b) of this section, depending upon whether the ballot

1 is voted in person or absentee. If that identification is provided and the board of elections does
2 not determine that the individual is otherwise ineligible to vote a ballot, the failure of
3 identification numbers to match shall not prevent that individual from registering to vote and
4 having that individual's vote counted. If the individual registers and votes under
5 G.S. 163-82.6A, the identification documents required in that section, rather than those
6 described in subsection (a) or (b) of this section, apply.

7 (c) The Right to Vote Provisionally. – If an individual is required under subsection (a),
8 (b), or (b2) of this section to present identification in order to vote, but that individual does not
9 present the required identification, that individual may vote a provisional official ballot. If the
10 voter is at the voting place, the voter may vote provisionally there without unnecessary delay. If
11 the voter is voting by mail-in absentee ballot, the mailed ballot without the required
12 identification shall be treated as a provisional official ballot.

13 (d) Exemptions. – This section does not apply to any of the following:

- 14 (1) An individual who registers by mail and submits as part of the registration
15 application either of the following:
16 a. A copy of a current and valid photo identification.
17 b. A copy of one of the following documents that shows the name and
18 address of the voter: a current utility bill, bank statement,
19 government check, paycheck, or other government document.
20 (2) An individual who registers by mail and submits as part of the registration
21 application the individual's drivers license number or at least the last four
22 digits of the individual's social security number where an election official
23 matches either or both of the numbers submitted with an existing State
24 identification record bearing the same number, name, and date of birth
25 contained in the submitted registration. If any individual's number does not
26 match, the individual shall provide identification as required in subsection
27 (b2) of this section in the first election in which the individual votes.
28 (3) An individual who is entitled to vote by absentee ballot under the Uniformed
29 and Overseas Citizens Absentee Voting Act.

31 3(b)(2)(B)(ii) of the Voting Accessibility for the Elderly and Handicapped
32 Act.
33 (5) An individual who is entitled to vote otherwise than in person under any
34 other federal law."
