20 transferee shall not knowingly provide false information to a prospective firearm transferor or
21 to a licensed gun dealer for the purpose of acquiring a firearm.

35 **§ 14-409.64. National instant criminal background check system; state point of contact;**
36 **grounds for denial of firearm transfer; appeal; rule making; unlawful acts.**

37 (a) The SBI may serve as a State point of contact for implementation of 18 U.S.C. §
38 922(t), all federal regulations and applicable guidelines adopted pursuant thereto, and the NICS
39 system.

40 (b) The SBI, acting as the State point of contact for implementation of 18 U.S.C. §
41 922(t), shall transmit a request for a background check in connection with the prospective
42 transfer of a firearm to the NICS system and may also search other databases. The SBI shall
43 deny a transfer of a firearm to a prospective transferee if the transfer would violate 18 U.S.C. §
44 922(g) or (n) or result in the violation of any provision of State law, including, but not limited
45 to, G.S. 14-415.1, involving acts which if committed by an adult would constitute a burglary,
46 arson, or any felony involving the use of force or the use of a deadly weapon.

47 (c) In addition to the grounds for denial specified in subsection (b) of this section, the
48 SBI shall deny a transfer of a firearm if at any time the SBI transmits the request or searches
49 other databases, information indicates that the prospective transferee:

50 (1) Has been arrested for or charged with a crime for which the prospective
51 transferee, if convicted, would be prohibited under State or federal law from

1 purchasing, receiving, or possessing a firearm and either there has been no
2 final disposition of the case or the final disposition is not noted in the other
3 databases.

4 (2) Is the subject of an indictment, an information, or a felony complaint
5 alleging that the prospective transferee has committed a crime punishable by
6 imprisonment for a term exceeding one year as defined in 18 U.S.C. §
7 921(a)(20), as amended, and either there has been no final disposition of the
8 case or the final disposition is not noted in the other databases.

9 (3) Has failed to obtain firearm liability insurance as provided in Part 3 of this
10 Article.

11 (d) The SBI may cooperate with federal, State, and local law enforcement agencies to
12 perform or assist any other law enforcement agency in performing any firearm retrievals and to
13 assist in the prosecution of any rescinded transfers.

14 (e) Upon denial of a firearm transfer, the SBI shall notify the transferor and send notice
15 of the denial to NICS, pursuant to 18 U.S.C. § 922(t). In addition, the SBI shall immediately
16 send notification of the denial and the basis for the denial to the federal, State, and local law
17 enforcement agencies having jurisdiction over the area in which the transferee resides and in
18 which the transferor conducts any business.

19 Upon denial of a firearm transfer, the transferor shall provide the transferee with written
20 information prepared by the SBI concerning the procedure by which the transferee, within 30
21 days after the denial, may request a review of the denial and of the instant criminal background
22 check records that prompted the denial. Within 30 days of receiving such a request, the SBI
23 shall (i) perform a thorough review of the instant criminal background check records that
24 prompted the denial and (ii) render a final administrative decision regarding the denial within
25 30 days after receiving information from the transferee that alleges the transfer was improperly
26 denied.

27 In the case of any transfer denied pursuant to subsection (c) of this section, the inability of
28 the SBI to obtain the final disposition of a case that is no longer pending shall not constitute the
29 basis for the continued denial of the transfer.

30 (f) If the SBI reverses a denial, the SBI shall immediately request that the agency that
31 provided the records prompting the denial make a permanent change to such records if
32 necessary to reflect accurate information. In addition, the SBI shall provide immediate
33 notification of such reversal to all agencies and entities that had been previously notified of a
34 denial pursuant to subsection (e) of this section.

35 (g) If in the course of conducting any background check pursuant to this section,
36 whether the firearms transaction is approved or denied, the SBI obtains information that
37 indicates the prospective transferee is the subject of an outstanding warrant, the SBI shall
38 immediately provide notification of such warrant to the federal, State, and local law
39 enforcement agencies having jurisdiction over the area in which the transferee resides and in
40 which the transferor conducts any business.

41 (h) The Attorney General shall adopt rules as necessary to (i) carry out the duties of the
42 SBI as the State point of contact as those duties are set forth in federal law and assist in
43 implementing 18 U.S.C. § 922(t), all federal regulations and applicable guidelines adopted
44 pursuant thereto, and the NICS system and (ii) ensure the proper maintenance, confidentiality,
45 and security of all records and data provided pursuant to this section.

46 The rules adopted pursuant to this subsection shall include all of the following:

47 (1) Procedures whereby a prospective transferee whose transfer is denied may
48 request a review of the denial and of the instant criminal background check
49 records that prompted the denial.

50 (2) Procedures regarding retention of records obtained or created for purposes of
