10 **SECTION 1.** G.S. 105-134.6(a1) reads as rewritten:

11 "(a1) Personal Exemption. – In calculating North Carolina taxable income, a taxpayer  
12 may deduct an exemption amount equal to the amount listed in the table below based on the  
13 taxpayer's filing status and adjusted gross income. The taxpayer is allowed the same personal  
14 exemptions allowed under section 151(b) of the Code for the taxable year. The taxpayer is  
15 allowed an exemption amount for each qualifying child, as provided by section 151(c) of the  
16 Code for the taxable year, unless the qualifying child has changed their principal place of abode  
17 from that of the taxpayer as indicated by the qualifying child's voter registration.

18 Filing Status	Adjusted Gross Income	Personal 19 Exemption
20 Married, filing jointly	Up to \$100,000	\$2,500
	Over \$100,000	\$2,000
22 Head of Household	Up to \$80,000	\$2,500
	Over \$80,000	\$2,000
24 Single	Up to \$60,000	\$2,500
	Over \$60,000	\$2,000
26 Married, filing separately	Up to \$50,000	\$2,500
	Over \$50,000	\$2,000"

28 **SECTION 2.** G.S. 163-57(1) reads as rewritten:

29 "(1) That place shall be considered the residence of a person in which that  
30 person's habitation is fixed, and to which, whenever that person is absent,  
31 that person has the intention of returning.

32 a. In the event that a person's habitation is divided by a State, county,  
33 municipal, precinct, ward, or other election district, then the location  
34 of the bedroom or usual sleeping area for that person with respect to

1 the location of the boundary line at issue shall be controlling as the  
2 residency of that person.

3 b. If the person disputes the determination of residency, the person may  
4 request a hearing before the county board of elections making the  
5 determination of residency. The procedures for notice of hearing and  
6 the conduct of the hearing shall be as provided in G.S. 163-86. The  
7 presentation of an accurate and current determination of a person's  
8 residence and the boundary line at issue by map or other means  
9 available shall constitute prima facie evidence of the geographic  
10 location of the residence of that person.

11 c. In the event that a person's residence is not a traditional residence  
12 associated with real property, then the location of the usual sleeping  
13 area for that person shall be controlling as to the residency of that  
14 person. Residence shall be broadly construed to provide all persons  
15 with the opportunity to register and to vote, including stating a  
16 mailing address different from residence address.

17 d. A vacant lot or business address shall not be considered a residence  
18 or used as a residential address unless a person uses that location as  
19 their usual sleeping area."

20 **SECTION 3.** G.S. 163-82.4(e) reads as rewritten:

21 "(e) Correcting Registration Forms. – If the voter fails to complete any required item on  
22 the voter registration form but provides enough information on the form to enable the county  
23 board of elections to identify and contact the voter, the voter shall be notified of the omission  
24 and given the opportunity to complete the form at least by 5:00 P.M. on the day before the  
25 county canvass as set in G.S. 163-182.5(b). If the voter corrects that omission within that time  
26 and is determined by the county board of elections to be eligible to vote, the board shall permit  
27 the voter to vote. If the information is not corrected by election day, the voter shall be allowed  
28 to vote a provisional official ballot. If the correct information is provided to the county board of  
29 elections by at least 5:00 P.M. on the day before the county canvass, the board shall count any  
30 portion of the provisional official ballot that the voter is eligible to vote. No vote shall be  
31 counted for a voter who fails to provide complete information as to name, date of birth,  
32 residence address, county of residency, and citizenship status."

33 **SECTION 4.** G.S. 163-45 reads as rewritten:

34 **"§ 163-45. Observers; appointment.**

35 (a) Appointment of Observers. – The chair of each political party in the county shall  
36 have the right to designate two observers to attend each voting place at each primary and  
37 election and such observers may, at the option of the designating party chair, be relieved during  
38 the day of the primary or election after serving no less than four hours and provided the list  
39 required by this section to be filed by each chair contains the names of all persons authorized to  
40 represent such chair's political party. Not more than two observers from the same political party  
41 shall be permitted in the voting enclosure at any time. This right shall not extend to the chair of  
42 a political party during a primary unless that party is participating in the primary. In any  
43 election in which an unaffiliated candidate is named on the ballot, the candidate or the  
44 candidate's campaign manager shall have the right to appoint two observers for each voting  
45 place consistent with the provisions specified herein. Persons appointed as observers must be  
46 registered voters of the county for which appointed and must have good moral character. No  
47 person who is a candidate on the ballot in a primary or election may serve as an observer or  
48 runner in that primary or election. Observers shall take no oath of office.

49 Individuals authorized to appoint observers must submit in writing to the chief judge of  
50 each precinct a signed list of the observers appointed for that precinct. Individuals authorized to  
51 appoint observers must, prior to 10:00 A.M. on the fifth day prior to any primary or general

1 election, submit in writing to the chair of the county board of elections two signed copies of a  
2 list of observers appointed by them, designating the precinct for which each observer is  
3 appointed. Before the opening of the voting place on the day of a primary or general election,  
4 the chair shall deliver one copy of the list to the chief judge for each affected precinct. The  
5 chair shall retain the other copy. The chair, or the chief judge and judges for each affected  
6 precinct, may for good cause reject any appointee and require that another be appointed. The  
7 names of any persons appointed in place of those persons rejected shall be furnished in writing  
8 to the chief judge of each affected precinct no later than the time for opening the voting place  
9 on the day of any primary or general election, either by the chair of the county board of  
10 elections or the person making the substitute appointment.

11 If party chairs appoint observers at one-stop sites under G.S. 163-227.2, those party chairs  
12 shall provide a list of the observers appointed before 10:00 A.M. on the fifth day before the  
13 observer is to observe.

14 (b) Rights of Observer. – An observer shall do no electioneering at the voting place, and  
15 shall in no manner impede the voting process or interfere or communicate with or observe any  
16 voter in casting a ballot, but, subject to these restrictions, the chief judge and judges of  
17 elections shall permit the observer to make such observation and take such notes as the  
18 observer may desire. The observer shall be authorized to be present and move about the voting  
19 place prior to, during, and following the closing of the polls until the chief judge and judges  
20 have completed all of their duties. The observer shall be permitted to observe precinct officials  
21 checking voter registration from a position that allows an observer to clearly hear and  
22 understand voter responses.

23 A chief judge or judges of a precinct that limit the movement of or expel an observer from a  
24 voting place shall specify in writing and sign a statement of the reasons for the limitation or  
25 expulsion. The writing shall be witnessed by at least one of the other precinct judges. An  
26 observer may challenge the limitation or expulsion using the procedure for an election protest  
27 as provided in G.S. 163-182.9. If the county board finds that a chief judge or judge expelled or  
28 limited an observer without cause, the chief judge or judge shall be fined the sum of the wage  
29 paid to the chief judge or judge for that election for a first offense, and shall be permanently  
30 barred from serving as a chief judge or judge for a second offense.

31 Whether or not the observer attends to the polls for the requisite time provided by this  
32 section, each observer shall be entitled to obtain at times specified by the State Board of  
33 Elections, but not less than three times during election day with the spacing not less than one  
34 hour apart, a list of the persons who have voted in the precinct so far in that election day.  
35 Counties that use an "authorization to vote document" instead of poll books may comply with  
36 the requirement in the previous sentence by permitting each observer to inspect election records  
37 so that the observer may create a list of persons who have voted in the precinct so far that  
38 election day; each observer shall be entitled to make the inspection at times specified by the  
39 State Board of Elections, but not less than three times during election day with the spacing not  
40 less than one hour apart.

41 Instead of having an observer receive the voting list, the county party chair may send a  
42 runner to do so, even if an observer has not been appointed for that precinct. The runner may be  
43 the precinct party chair or any person named by the county party chair. Each county party chair  
44 using runners in an election shall provide to the county board of elections before 10:00 A.M. on  
45 the fifth day before election day a list of the runners to be used. That party chair must notify the  
46 chair of the county board of elections or the board chair's designee of the names of all runners  
47 to be used in each precinct before the runner goes to the precinct. The runner may receive a  
48 voter list from the precinct on the same schedule as an observer. Whether obtained by observer  
49 or runner, each party is entitled to only one voter list at each of the scheduled times. No runner  
50 may enter the voting enclosure except when necessary to announce that runner's presence and  
51 to receive the list. The runner must leave immediately after being provided with the list."

1           **SECTION 5.(a)** G.S. 163-82.6A is repealed.

2           **SECTION 5.(b)** G.S. 163-82.6(c) reads as rewritten:

3           "(c) Registration Deadlines for a Primary or Election. – In order to be valid for a primary  
4 or election, ~~except as provided in G.S. 163-82.6A,~~ the form:

5           (1) If submitted by mail, must be postmarked at least 25 days before the primary  
6 or election, except that any mailed application on which the postmark is  
7 missing or unclear is validly submitted if received in the mail not later than  
8 20 days before the primary or election,

9           (2) If submitted in person, by facsimile transmission, or by transmission of a  
10 scanned document, must be received by the county board of elections by a  
11 time established by that board, but no earlier than 5:00 P.M., on the  
12 twenty-fifth day before the primary or election,

13           (3) If submitted through a delegatee who violates the duty set forth in subsection  
14 (a) of this section, must be signed by the applicant and given to the delegatee  
15 not later than 25 days before the primary or election, except as provided in  
16 subsection (d) of this section."

17           **SECTION 5.(c)** G.S. 163-59 reads as rewritten:

18       **"§ 163-59. Right to participate or vote in party primary.**

19       No person shall be entitled to vote or otherwise participate in the primary election of any  
20 political party unless that person complies with all of the following:

21           (1) Is a registered voter.

22           (2) Has declared and has had recorded on the registration book or record the fact  
23 that the voter affiliates with the political party in whose primary the voter  
24 proposes to vote or participate.

25           (3) Is in good faith a member of that party.

26       Notwithstanding the previous paragraph, any unaffiliated voter who is authorized under  
27 G.S. 163-119 may also vote in the primary if the voter is otherwise eligible to vote in that  
28 primary except for subdivisions (2) and (3) of the previous paragraph.

29       Any person who will become qualified by age to register and vote in the general  
30 election for which the primary is held, even though not so qualified by the date of the primary,  
31 shall be entitled to register for the primary and general election prior to the primary and then to  
32 vote in the primary after being registered. Such person may register not earlier than 60 days nor  
33 later than the last day for making application to register under G.S. 163-82.6(c) prior to the  
34 primary. In addition, persons who will become qualified by age to register and vote in the  
35 general election for which the primary is held, who do not register during the special period  
36 may register to vote after such period as if they were qualified on the basis of age, but until they  
37 are qualified by age to vote, they may vote only in primary elections. ~~Such a person also may  
38 register and vote in the primary and general election pursuant to G.S. 163-82.6A(f)."~~

39           **SECTION 5.(d)** G.S. 163-166.12(b2) reads as rewritten:

40           "(b2) Voting When Identification Numbers Do Not Match. – Regardless of whether an  
41 individual has registered by mail or by another method, if the individual has provided with the  
42 registration form a drivers license number or last four digits of a Social Security number but the  
43 computer validation of the number as required by G.S. 163-82.12 did not result in a match, and  
44 the number has not been otherwise validated by the board of elections, in the first election in  
45 which the individual votes that individual shall submit with the ballot the form of identification  
46 described in subsection (a) or subsection (b) of this section, depending upon whether the ballot  
47 is voted in person or absentee. If that identification is provided and the board of elections does  
48 not determine that the individual is otherwise ineligible to vote a ballot, the failure of  
49 identification numbers to match shall not prevent that individual from registering to vote and  
50 having that individual's vote counted. ~~If the individual registers and votes under~~

1 G.S. 163-82.6A, the identification documents required in that section, rather than those  
2 described in subsection (a) or (b) of this section, apply."

9 that the voter affiliates with the political party in whose primary the voter  
10 proposes to vote or participate.

11 (3) Is in good faith a member of that party.

12 Notwithstanding the previous paragraph, any unaffiliated voter who is authorized under  
13 G.S. 163-119 may also vote in the primary if the voter is otherwise eligible to vote in that  
14 primary except for subdivisions (2) and (3) of the previous paragraph.

15 Any person who will become qualified by age to register and vote in the general  
16 election for which the primary is held, even though not so qualified by the date of the primary  
17 election, shall be entitled to register while the registration books are open during the regular  
18 registration period prior to the primary and then to vote in the primary after being registered,  
19 provided however, under full-time and permanent registration, such an individual may register  
20 not earlier than 60 days nor later than the last day for making application to register under  
21 G.S. 163-82.6(c) prior to the primary. In addition, persons who will become qualified by age to  
22 register and vote in the general election for which the primary is held, who do not register  
23 during the special period may register to vote after such period as if they were qualified on the  
24 basis of age, but until they are qualified by age to vote, they may vote only in primary

32 and then to vote in the primary after being registered. Such a person may register not earlier  
33 than 60 days nor later than the last day for making application to register under  
34 G.S. 163-82.6(c) prior to the primary. ~~Such a person also may register and vote in the primary  
35 and general election pursuant to G.S. 163-82.6A(f)."~~

1 (b) Not earlier than the ~~third~~second Thursday before an election, in which absentee  
2 ballots are authorized, in which a voter seeks to vote and not later than 1:00 P.M. on the last

15 the board shall state whether the person seeking to vote is duly registered. If the voter is found  
16 to be registered that voter may request that the authorized member or employee of the board  
17 furnish the voter with an application form as specified in G.S. 163-227. The voter shall  
18 complete the application in the presence of the authorized member or employee of the board,  
19 and shall deliver the application to that person.

20 ...

21 (f) Notwithstanding the exception specified in G.S. 163-36, counties which operate a  
22 modified full-time office shall remain open five days each week during regular business hours  
23 consistent with daily hours presently observed by the county board of elections, commencing  
24 with the date prescribed in G.S. 163-227.2(b) and continuing until 5:00 P.M. on the Friday  
25 prior to that election and shall also be open on the last Saturday before the election. ~~A county  
26 board may conduct one-stop absentee voting during evenings or on weekends, as long as the  
27 hours are part of a plan submitted and approved according to subsection (g) of this section.~~ The  
28 boards of county commissioners shall provide necessary funds for the additional operation of  
29 the office during that time.

30 ~~(g) Notwithstanding any other provision of this section, a county board of elections by  
31 unanimous vote of all its members may provide for one or more sites in that county for  
32 absentee ballots to be applied for and cast under this section. Every individual staffing any of  
33 those sites shall be a member or full-time employee of the county board of elections or an  
34 employee of the county board of elections whom the board has given training equivalent to that  
35 given a full-time employee. Those sites must be approved by the State Board of Elections as  
36 part of a Plan for Implementation approved by both the county board of elections and by the  
37 State Board of Elections which shall also provide adequate security of the ballots and  
38 provisions to avoid allowing persons to vote who have already voted. The Plan for  
39 Implementation shall include a provision for the presence of political party observers at each  
40 one-stop site equivalent to the provisions in G.S. 163-45 for party observers at voting places on  
41 election day. A county board of elections may propose in its Plan not to offer one-stop voting at  
42 the county board of elections office; the State Board may approve that proposal in a Plan only  
43 if the Plan includes at least one site reasonably proximate to the county board of elections  
44 office and the State Board finds that the sites in the Plan as a whole provide adequate coverage  
45 of the county's electorate. If a county board of elections has considered a proposed Plan or  
46 Plans for Implementation and has been unable to reach unanimity in favor of a Plan, a member  
47 or members of that county board of elections may petition the State Board of Elections to adopt  
48 a plan for it. If petitioned, the State Board may also receive and consider alternative petitions  
49 from another member or members of that county board. The State Board of Elections may  
50 adopt a Plan for that county. The State Board, in that plan, shall take into consideration factors  
51 including geographic, demographic, and partisan interests of that county.~~

1       ~~(g1) The State Board of Elections shall not approve, either in a Plan approved~~  
2 ~~unanimously by a county board of elections or in an alternative Plan proposed by a member or~~  
3 ~~members of that board, a one-stop site in a building that the county board of elections is not~~  
4 ~~entitled under G.S. 163-129 to demand and use as an election-day voting place, unless the State~~  
5 ~~Board of Elections finds that other equally suitable sites were not available and that the use of~~  
6 ~~the sites chosen will not unfairly advantage or disadvantage geographic, demographic, or~~  
7 ~~partisan interests of that county. In providing the site or sites for one-stop absentee voting under~~  
8 ~~this section, the county board of elections shall make a request to the State, county, city, local~~  
9 ~~school board, or other entity in control of the building that is supported or maintained, in whole~~  
10 ~~or in part, by or through tax revenues at least 90 days prior to the start of one-stop absentee~~  
11 ~~voting under this section. The request shall clearly identify the building, or any specific portion~~  
12 ~~thereof, requested the dates and times for which that building or specific portion thereof is~~  
13 ~~requested and the requirement of an area for election-related activity. If the State, local~~  
14 ~~governing board, or other entity in control of the building does not respond to the request~~  
15 ~~within 20 days, the building or specific portion thereof may be used for one-stop absentee~~  
16 ~~voting as stated in the request. If the State, local governing board, or other entity in control of~~  
17 ~~the building or specific portion thereof responds negatively to the request within 20 days, that~~  
18 ~~entity and the county board of elections shall, in good faith, work to identify a building or~~  
19 ~~specific portion thereof in which to conduct one-stop absentee voting under this section. If no~~  
20 ~~building or specific portion thereof has been agreed upon within 45 days from the date the~~  
21 ~~county board of elections received a response to the request, the matter shall be resolved by the~~  
22 ~~State Board of Elections.~~

23       (h) Notwithstanding the provisions of G.S. 163-89(a) and (b), a challenge may be  
24 entered against a voter at a ~~one-stop site under subsection (g) of this section or during one-stop~~  
25 voting at the county board office. The challenge may be entered by a person conducting  
26 one-stop voting under this section or by another registered voter who resides in the same  
27 precinct as the voter being challenged. If challenged at the place where one-stop voting occurs,  
28 the voter shall be allowed to cast a ballot in the same way as other voters. The challenge shall  
29 be made on forms prescribed by the State Board of Elections. The challenge shall be heard by  
30 the county board of elections in accordance with the procedures set forth in G.S. 163-89(e).

32       **SECTION 7.** Section 1 of this act is effective for taxable years beginning on or  
33 after January 1, 2014. This remainder of this act becomes effective January 1, 2014, and applies  
34 to elections occurring on or after that date.
