SECTION 4.(b) G.S. 128-27(g) reads as rewritten:

The new nomination shall be effective on the first day of the month in which it is made and shall provide for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new nomination. Any member having elected Option 2, 3, 5, or 6 and nominated his or her spouse to receive a retirement allowance upon the member's death may, after divorce from his or her spouse, revoke the nomination and elect a new option, effective on the first day of the month in which the new option is elected, providing for a retirement allowance computed to be the actuarial equivalent of the retirement allowance in effect immediately prior to the effective date of the new option. Except as provided in this section, the member may not change the member's retirement benefit option or the member's designated beneficiary for survivor benefits, if any, after the member has cashed the first retirement check or after the 25th day of the month following the month in which the first check is mailed, whichever comes first.

...

If more than one beneficiary is eligible to receive the return of accumulated contributions, or if no beneficiary has been designated, the administrator or executor of the member's estate will select an option and name the beneficiary or beneficiaries."

SECTION 5.(a) G.S. 135-5(m2) reads as rewritten:

"(m2) Special Retirement Allowance. – At any time coincident with or following retirement, a member may make a ~~one-time~~one-time, irrevocable election to transfer any portion of the member's eligible accumulated contributions, not including any Roth after-tax contributions and the earnings thereon, from the Supplemental Retirement Income Plan of North Carolina or the North Carolina Public Employee Deferred Compensation Plan to this Retirement System and receive, in addition to the member's basic service, early or disability retirement allowance, a special retirement allowance which shall be based upon the member's transferred balance.

A member who became a member of the Supplemental Retirement Income Plan prior to retirement and who remains a member of the Supplemental Retirement Income Plan may make a ~~one-time~~one-time, irrevocable election to transfer eligible balances, not including any Roth after-tax contributions and the earnings thereon, from any of the following plans to the Supplemental Retirement Income Plan, subject to the applicable requirements of the Supplemental Retirement Income Plan, and then through the Supplemental Retirement Income Plan to this Retirement System: (i) a plan participating in the North Carolina Public School Teachers' and Professional Educators' Investment Plan; (ii) a plan described in section 403(b) of the Internal Revenue Code; (iii) a plan described in section 457(b) of the Internal Revenue Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; (iv) an individual retirement account or annuity described in section 408(a) or section 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income; or (v) a tax-qualified plan described in section 401(a) or section 403(a) of the Internal Revenue Code.

Notwithstanding anything to the contrary, a member may not transfer such amounts as will cause the member's retirement allowance under the System to exceed the amount allowable under G.S. 135-18.7(b). The Board of Trustees may establish a minimum amount that must be transferred if a transfer is elected. The member may elect a special retirement allowance with no postretirement increases or a special retirement allowance with annual postretirement increases equal to the annual increase in the U.S. Consumer Price Index. Postretirement increases on any other allowance will not apply to the special retirement allowance. The Board of Trustees shall provide educational materials to the members who apply for the transfer authorized by this section. Those materials shall describe the special retirement allowance and shall explain the relationship between the transferred balance and the monthly benefit and how the member's heirs may be impacted by the election to make this transfer and any costs and fees involved.

For the purpose of determining the special retirement allowance, the Board of Trustees shall adopt straight life annuity factors on the basis of yields on U.S. Treasury Bonds and mortality and such other tables as may be necessary based upon actual experience. A single set of mortality and such other tables will be used for all members, with factors differing only based on the age of the member and the election of postretirement increases. The Board of Trustees shall modify the mortality and such other tables every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 135-6(n). Provided, however, a member who transfers the member's eligible accumulated contributions from an eligible retirement plan pursuant to this subsection to this Retirement System shall be taxed for North Carolina State Income Tax purposes on the special retirement allowance the same as if that special retirement allowance had been paid directly by the eligible plan or the plan through which the transfer was made, whichever is most favorable to the member. The Teachers' and State Employees' Retirement System shall be responsible to determine the taxable amount, if any, and report accordingly.

The Supplemental Retirement Board of Trustees established under G.S. 135-96 may assess a one-time flat administrative fee not to exceed the actual cost of the administrative expenses

relating to these transfers. An eligible plan shall not assess a fee specifically relating to a transfer of accumulated contributions authorized under this subsection. This provision shall not prohibit other fees that may be assessable under the plan. Each plan, contract, account, or annuity shall fully disclose to any member participating in a transfer under this subsection any surrender charges or other fees, and such disclosure shall be made contemporaneous with the initiation of the transfer by the member.

The special retirement allowance shall continue for the life of the member and the beneficiary designated to receive a monthly survivorship benefit under Option 2, 3 or 6 as provided in G.S. 135-5(g), if any. The Board of Trustees, however, shall establish two payment options that guarantee payments as follows:

- (1) A member may elect to receive the special retirement allowance for life but with payments guaranteed for a number of months to be specified by the Board of Trustees. Under this plan, if the member dies before the expiration of the specified number of months, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary will receive the benefit only for the remainder of the specified number of months. If the member's designated beneficiary dies before receiving payments for the specified number of months, any remaining payments will be paid to the member's estate.
- (2) A member may elect to receive the special retirement allowance for life but is guaranteed that the sum of the special allowance payments will equal the total of the transferred amount. Under this payment option, if the member dies before receiving the total transferred amount, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary or the member's estate shall be paid any remaining balance of the transferred amount.

The Board of Trustees shall report annually to the Joint Legislative Commission on Governmental Operations on the number of persons who made an election in the previous calendar year, with any recommendations it might make on amendment or repeal based on any identified problems.

The General Assembly reserves the right to repeal or amend this subsection, but such repeal or amendment shall not affect any person who has already made the one-time election provided in this subsection."

SECTION 5.(b) G.S. 128-27(m2) reads as rewritten:

"(m2) Special Retirement Allowance. – At any time coincident with or following retirement, a member may make a ~~one-time~~one-time, irrevocable election to transfer any portion of the member's eligible accumulated contributions, not including any Roth after-tax contributions and the earnings thereon, from the Supplemental Retirement Income Plan of North Carolina or the North Carolina Public Employee Deferred Compensation Plan to this Retirement System and receive, in addition to the member's basic service, early or disability retirement allowance, a special retirement allowance which shall be based upon the member's transferred balance.

A member who became a member of the Supplemental Retirement Income Plan prior to retirement and who remains a member of the Supplemental Retirement Income Plan may make a ~~one-time~~one-time, irrevocable election to transfer eligible balances, not including any Roth after-tax contributions and the earnings thereon, from any of the following plans to the Supplemental Retirement Income Plan, subject to the applicable requirements of the Supplemental Retirement Income Plan, and then through the Supplemental Retirement Income Plan to this Retirement System (i) a plan participating in the North Carolina Public School Teachers' and Professional Educators' Investment Plan; (ii) a plan described in section 403(b) of the Internal Revenue Code; (iii) a plan described in section 457(b) of the Internal Revenue Code that is maintained by a state, political subdivision of a state, or any agency or instrumentality of a state or political subdivision of a state; (iv) an individual retirement account or annuity described in section 408(a) or section 408(b) of the Internal Revenue Code that is eligible to be rolled over and would otherwise be includible in gross income; or (v) a tax-qualified plan described in section 401(a) or section 403(a) of the Internal Revenue Code.

Notwithstanding anything to the contrary, a member may not transfer such amounts as will cause the member's retirement allowance under the System to exceed the amount allowable under G.S. 128-38.2(b). The Board of Trustees may establish a minimum amount that must be transferred if a transfer is elected. The member may elect a special retirement allowance with no postretirement increases or a special retirement allowance with annual postretirement increases equal to the annual increase in the U.S. Consumer Price Index. Postretirement increases on any other allowance will not apply to the special retirement allowance. The Board of Trustees shall modify the mortality and such other tables every five years, as shall be deemed necessary, based upon the five-year experience study as required by G.S. 128-28(o). Provided, however, a member who transfers the member's eligible accumulated contributions from an eligible retirement plan pursuant to this subsection to this Retirement System shall be taxed for North Carolina State Income Tax purposes on the special retirement allowance the same as if that special retirement allowance had been paid directly by the eligible plan or the plan through which the transfer was made, whichever is most favorable to the member. The Local Governmental Employees' Retirement System shall be responsible to determine the taxable amount, if any, and report accordingly.

The special retirement allowance shall continue for the life of the member and the beneficiary designated to receive a monthly survivorship benefit under Option 2, 3 or 6 as provided in G.S. 128-27(g), if any. The Board of Trustees, however, shall establish two payment options that guarantee payments as follows:

- (1) A member may elect to receive the special retirement allowance for life but with payments guaranteed for a number of months to be specified by the Board of Trustees. Under this plan, if the member dies before the expiration of the specified number of months, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary will receive the benefit only for the remainder of the specified number of months. If the member's designated beneficiary dies before receiving payments for the specified number of months, any remaining payments will be paid to the member's estate.
- (2) A member may elect to receive the special retirement allowance for life but is guaranteed that the sum of the special allowance payments will equal the total of the transferred amount. Under this payment option, if the member dies before receiving the total transferred amount, the special retirement allowance will continue to be paid to the member's designated beneficiary for the life of the beneficiary, if Option 2, 3 or 6 is selected. If Option 2, 3 or 6 is not selected, the member's designated beneficiary or the member's estate shall be paid any remaining balance of the transferred amount.

The Supplemental Retirement Board of Trustees established under G.S. 135-96 may assess a one-time flat administrative fee not to exceed the actual cost of the administrative expenses relating to these transfers. An eligible plan shall not assess a fee specifically relating to a transfer of accumulated contributions authorized under this subsection. Each plan, contract, account, or annuity shall fully disclose to any member participating in a transfer under this subsection any surrender charges or other fees, and that disclosure shall be made contemporaneous with the initiation of the transfer by the member.

The Board of Trustees shall report annually to the Joint Legislative Commission on Governmental Operations on the number of persons who made an election in the previous

calendar year, with any recommendations it might make on amendment or repeal based on any identified problems.

The General Assembly reserves the right to repeal or amend this subsection, but such repeal or amendment shall not affect any person who has already made the one-time election provided in this subsection."

SECTION 6.(a) G.S. 135-8(b)(5) reads as rewritten:
