The Commissioner, in reviewing transactions pursuant to this subsection, shall consider whether the transactions comply with the standards set forth in subsection (a) of this section and whether they may adversely affect the interests of policyholders. The Commissioner shall be notified within 30 days after any investment of a

domestic insurer in any one corporation if, as a result of the investment, the total investment in the corporation by the insurance holding company system exceeds ten percent (10%) of the corporation's voting securities.

(c) No domestic insurer shall pay any extraordinary dividend or make any other extraordinary distribution to its shareholders until (i) 30 days after the Commissioner has received notice of the declaration thereof and has not within that period disapproved the payment or (ii) the Commissioner has approved the payment within the 30-day period.

For the purposes of this section, an "extraordinary dividend" or "extraordinary distribution" includes any dividend or distribution of cash or other property, whose fair market value together with that of other dividends or distributions made within the preceding 12 months exceeds the greater of (i) ten percent (10%) of the insurer's surplus as regards policyholders as of the preceding December 31, or (ii) the net gain from operations of the insurer, if the insurer is a life insurer, or the net income, if the insurer is not a life insurer, not including realized capital gains, for the 12-month period ending the preceding December 31; but does not include pro rata distributions of any class of the insurer's own securities.

Notwithstanding any other provision of law, an insurer may declare an extraordinary dividend or distribution that is conditional upon the Commissioner's approval, and the declaration shall confer no rights upon shareholders until (i) the Commissioner has approved the payment of the dividend or distribution or (ii) the Commissioner has not disapproved the payment within the 30-day period referred to above.

(d) For the purposes of this Article, in determining whether an insurer's surplus as regards policyholders is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs, ~~all of the following factors, among others, shall be considered:~~ the factors set forth in subdivisions (1) through (11) of this subsection, among others, shall be considered. In determining the adequacy of an insurer's surplus, no single factor is controlling. The Commissioner will consider the net effect of all of the factors in subdivisions (1) through (11) of this subsection, plus other factors bearing on the financial condition of the insurer.

- (1) The size of the insurer as measured by its assets, capital and surplus, reserves, premium writings, insurance in force, and other appropriate criteria.
- (2) The extent to which the insurer's business is diversified among the several kinds of insurance.
- (3) The number and size of risks insured in each kind of insurance.
- (4) The extent of the geographic dispersion of the insurer's insured risks.
- (5) The nature and extent of the insurer's reinsurance program.
- (6) The quality, diversification, and liquidity of the insurer's investment portfolio. In determining the quality and liquidity of investments in subsidiaries, the Commissioner will consider the individual subsidiary and may discount or disallow its valuation to the extent that the individual investments so warrant.
- (7) The recent past and projected future trend in the size of the insurer's surplus as regards policyholders.
- (8) The surplus as regards policyholders maintained by other comparable insurers. In comparing the surplus maintained by other insurers, the Commissioner will consider the extent to which each of these factors varies from company to company.
- (9) The adequacy of the insurer's reserves.
- (10) The quality and liquidity of investments in affiliates. The Commissioner may treat any such investment as a disallowed asset for purposes of determining the adequacy of surplus as regards policyholders whenever in his judgment such investment so warrants.
- (11) The quality of the insurer's earnings and the extent to which the reported earnings of the insurer include extraordinary items.

(e) Requests for approval of extraordinary dividends or any other extraordinary distribution to shareholders made pursuant to subsection (c) of this section and prior notice of an ordinary dividend or any other ordinary distribution to shareholders under G.S. 58-19-25(d) shall include the following:

- (1) The amount of the proposed dividend or distribution.

- (2) The date established for payment of the dividend or distribution.
- (3) A statement as to whether the dividend or distribution is to be in cash or other property and, if in property, a description thereof, its cost, and its fair market value together with an explanation of the basis for valuation.
- (4) A statement identifying the dividend or distribution as an ordinary dividend or other ordinary distribution subject to G.S. 58-19-25(d) or as an extraordinary dividend or other extraordinary distribution as defined in subsection (c) of this section.
- (5) A copy of the calculations determining whether the proposed dividend or distribution is an ordinary dividend or other ordinary distribution subject to G.S. 58-19-25(d), or an extraordinary dividend or other extraordinary distribution as defined in subsection (c) of this section. The work paper shall include the following information:
  - a. The amounts, dates, and form of payment of all dividends or distributions (including regular dividends but excluding distributions of the insurer's own securities) paid within the period of 12 consecutive months ending on the date fixed for payment of the proposed dividend for which notification is being given or approval is sought and commencing on the day after the same day of the same month in the last preceding year.
  - b. Surplus as regards policyholders as of the preceding December 31.
  - c. If the insurer is a life insurer, the net gain from operations for the 12-month period ending the preceding December 31.
  - d. If the insurer is not a life insurer, the net income less realized capital gains for the 12-month period ending the preceding December 31.
- (6) A balance sheet and statement of income for the period between the last annual statement filed with the Commissioner and the end of the month preceding the month in which the request for approval or the prior notification of a dividend or distribution is submitted. The insurer shall indicate the amount of all unrealized capital gains included in unassigned funds.
- (7) A brief statement as to the effect of the proposed dividend or distribution upon the insurer's surplus and the reasonableness of surplus in relation to the insurer's outstanding liabilities and the adequacy of surplus relative to the insurer's financial needs.
- (8) A brief statement as to the intended use or uses of the proposed dividend or distribution by the parent, and if applicable, any upstream parent of the insurer.

A request for approval of an extraordinary dividend or any other extraordinary distribution shall be deemed to be incomplete unless all of the information required by this subsection has been included."

**SECTION 1.6.** G.S. 58-19-35 reads as rewritten:

**"§ 58-19-35. Examination.**

(e) The Commissioner may order any insurer registered under G.S. 58-19-25 or any acquiring party to produce such records, books, or other information in the possession of the insurer, its affiliates, or acquiring party as reasonably necessary to determine compliance with this Chapter.

(f) To determine compliance with this Chapter, the Commissioner may order any insurer registered under G.S. 58-19-25 to produce information not in the possession of the insurer if the insurer can obtain access to such information pursuant to contractual relationships, statutory obligations, or other method. In the event the insurer cannot obtain the information requested by the Commissioner, the insurer shall provide the Commissioner a detailed explanation of the reason that the insurer cannot obtain the information and the identity of the holder of that information. Whenever it appears to the Commissioner that the detailed explanation is without merit, the Commissioner may require, after notice and hearing, the insurer to pay a penalty of one thousand dollars (\$1,000) for each day's delay or may suspend or revoke the insurer's license.

(g) In the event the insurer fails to comply with an order, the Commissioner shall have the power to examine the affiliates to obtain the information. The Commissioner shall also have the power to issue subpoenas, to administer oaths, and to examine under oath any person for purposes of determining compliance with this section. Upon the failure or refusal of any person to obey a subpoena, the Commissioner may petition a court of competent jurisdiction, and upon proper showing, the court may enter an order compelling the witness to appear and testify or produce documentary evidence. Failure to obey the court order shall be punishable as contempt of court. Every person shall be obligated to attend as a witness at the place specified in the subpoena, when subpoenaed, anywhere within the state. He or she shall be entitled to the same fees and mileage, if claimed, as a witness in the courts of the county specified in the subpoena as the site of the examination. Any fees, mileage, and actual expense necessarily incurred in securing the attendance of witnesses, and their testimony, shall be itemized and charged against, and be paid by, the company being examined."

**SECTION 1.7.** Article 19 of Chapter 58 of the General Statutes is amended by adding a new section to read:

For purposes of this section, a supervisory college may be convened as either a temporary or permanent forum for communication and cooperation between the regulators charged with the supervision of the

insurer or its affiliates, and the Commissioner may establish a regular assessment to the insurer for the payment of these expenses.

(c) In order to assess the business strategy, financial position, legal and regulatory position, risk exposure, risk management, and governance processes, and as part of the examination of individual insurers in accordance with G.S. 58-19-35, the Commissioner may participate in a supervisory college with other regulators charged with supervision of the insurer or its affiliates, including other state, federal, and international regulatory agencies. **SECTION 1.10.** G.S. 58-19-60 reads as rewritten:

"§ 58-19-60. **Recovery.**

(a) Forms A, B, C, D, E, and F are intended to be guides in the preparation of the statements required by G.S. 58-19-15, 58-19-25, and 58-19-30. They are not intended to be fill-in-the-blank forms. The statements filed shall contain the numbers and captions of all items, but the text of the items may be omitted, provided the answers are prepared in such a manner as to indicate clearly the scope and coverage of the items. All instructions, whether appearing under the items of the form or elsewhere, are to be omitted. Unless expressly provided otherwise, if any item is inapplicable or the answer to the item is in the negative, an appropriate statement to that effect shall be made.

(b) A complete copy of each statement, including exhibits and all other papers and documents filed as a part of the statement, shall be filed with the Commissioner by personal delivery or mail addressed to the Commissioner and shall be signed in the manner prescribed on the form. Unsigned copies shall be conformed. If the signature of any person is affixed pursuant to a power of attorney or other similar authority, a copy of the power of attorney or other authority shall also be filed with the statement.

(c) If an applicant requests a hearing on a consolidated basis under G.S. 58-19-15, in addition to filing the Form A with the Commissioner, the applicant shall file a copy of the Form A with the NAIC in electronic form.

**"§ 58-19-80. Forms – incorporation by reference, summaries and omissions.**

(a) Information required by any item of Form A, Form B, Form D, Form E, or Form F may be incorporated by reference in answer or partial answer to any other item. Information contained in any financial statement, annual report, proxy statement, statement filed with a governmental authority, or any other document may be incorporated by reference in answer or partial answer to any item of Form A, Form B, Form D, Form E, or Form F provided the document is filed as an exhibit to the statement. Excerpts of documents may be filed as exhibits if the documents are extensive. Documents currently on file with the Commissioner which were filed within three years need not be attached as exhibits. References to information contained in exhibits or in documents already on file shall clearly identify the material and shall specifically indicate that such material is to be incorporated by reference in answer to the item. Such materials shall not be incorporated by reference in any case where the incorporation would render the statement incomplete, unclear, or confusing.

(b) Where an item requires a summary or outline of the provisions of any document, only a brief statement shall be made as to the pertinent provisions of the document. In addition to the statement, the summary or outline must incorporate by reference particular parts of any

exhibit or document currently on file with the Commissioner which was filed within three years and may be qualified in its entirety by such reference. In any case where two or more documents required to be filed as exhibits are substantially identical in all material respects except as to the parties thereto, the dates of execution, or other details, a copy of only one of the documents need be filed with a schedule identifying the omitted documents and setting forth the material details in which those documents differ from the documents, a copy of which is filed.

- (2) Stating why the filing thereof at the time required is impractical.
- (3) Requesting an extension of time for filing the information, document, or report to a specified date. The request for extension shall be deemed granted unless the Commissioner after receipt of the request denies the request prior to the time the information, document, or report is required.

**"§ 58-19-90. Forms – additional information and exhibits.**

In addition to the information expressly required to be included in Form A, Form B, Form C, Form D, Form E, and Form F, the Commissioner may request such further material information, if any, as may be necessary to make the information contained therein not misleading. The person filing may also file such exhibits as it may desire in addition to those expressly required by the statement. The exhibits shall be so marked as to indicate clearly the subject matters to which they refer. Changes to Form A, B, C, D, or F shall include on the top of the cover page the phrase: "Change No. [insert number] to" and shall indicate the date of the change and not the date of the original filing."

**SECTION 1.12.** G.S. 58-10-12(e) reads as rewritten:

### **PART III. UPDATE CORPORATE GOVERNANCE REQUIREMENTS FOR RISK RETENTION GROUPS**

**SECTION 3.** G.S. 58-22-15 reads as rewritten:

**"§ 58-22-15. Risk retention groups chartered in this State.**

(a) General Requirements. – A risk retention group shall, pursuant to the provisions of Part 9 of Article 10 of this Chapter, be chartered and licensed to write only liability insurance pursuant to this Article and, except as provided elsewhere in this Article, must comply with all of the laws and rules applicable to such insurers chartered and licensed in this State and with G.S. 58-22-20 to the extent such requirements are not a limitation on laws, administrative rules, or requirements of this State.

(b) Plan of Operation. – Before it may offer insurance in any state, each risk retention group shall also submit for approval to the Commissioner of this State a plan of operation or feasibility study. The Commissioner may limit the net amount of risk retained by a risk retention group for any individual risk. The risk retention group shall submit an appropriate revision in the event of any subsequent material change in any item of the plan of operation or feasibility study, within 10 days after any such change. The group shall not offer any additional kinds of liability insurance, in this State or in any other state, until a revision of such plan or study is approved by the Commissioner.

(c) Required Information. – At the time of filing its application for a charter, the risk retention group shall provide to the Commissioner in summary form the following information: the identity of the initial members of the group, the identity of those individuals who organized the group or who will provide administrative services or otherwise influence or control the activities of the group, the amount and nature of initial capitalization, the coverages to be afforded, and the states in which the group intends to operate. Upon receipt of this information, the Commissioner shall forward such information to the NAIC. Providing notification to the NAIC is in addition to and shall not be sufficient to satisfy the requirements of G.S. 58-22-20 or any other sections of this Article.

(d) Governance Standards. – Risk retention groups shall comply with the following governance standards:

2. Director. – A natural person designated in the articles of the risk retention group, or designated, elected, or appointed by any other manner, name, or title to act as a director.

b. Independent directors. – The board of directors of the risk retention group shall have a majority of independent directors. If the risk retention group is a reciprocal, then the attorney-in-fact would be required to adhere to the same standards regarding independence of operation and governance as imposed on the risk retention group's board of directors or subscribers advisory committee under these standards; and, to the extent permissible under State law, service

providers of a reciprocal risk retention group should contract with the risk retention group and not the attorney-in-fact.

c. Determination of independence. – No director qualifies as independent unless the board of directors affirmatively determines that the director has no material relationship, as partially specified in sub-subdivision d. of this subdivision, with the risk retention group. Each risk retention group shall disclose these determinations to the Commissioner at least annually. For the purpose of this subdivision, any person that is a direct or indirect owner of or subscriber in the risk retention group (or is an officer, director, or employee of such an owner and insured, unless some other position of such officer, director, or employee constitutes a material relationship), as contemplated by Section 3901(a)(4)(E)(ii) of the federal Liability Risk Retention Act, is considered to be "independent."

d. Material relationship. – "Material relationship" of a person with the risk retention group includes, but is not limited to, the following:

1. The receipt in any one 12-month period of compensation or payment of any other item of value by such person, a member of such person's immediate family, or any business with which such person is affiliated from the risk retention group or a consultant or service provider to the risk retention group is greater than or equal to five percent (5%) of the risk retention group's gross written premium for such 12-month period or two percent (2%) of its surplus, whichever is greater, as measured at the end of any fiscal quarter falling in such a 12-month period. Such person or immediate family member of such person is not independent until one year after his/her compensation from the risk retention group falls below the threshold.

2. A relationship with an auditor as follows: a director or an immediate family member of a director who is affiliated with or employed in a professional capacity by a present or former internal or external auditor of the risk retention group is not independent until one year after the end of the affiliation, employment, or auditing relationship.

3. A relationship with a related entity as follows: a director or immediate family member of a director who is employed as an executive officer of another company where any of the risk retention group's present executives serve on that other company's board of directors is not independent until one year after the end of such service or the employment relationship.

#### **PART IV. CONFORMING AND CLARIFYING CHANGES**

**SECTION 4.** G.S. 20-309 is amended by adding a new subsection to read:

"(c1) The proof of insurance required to demonstrate financial responsibility under subsection (c) of this section may be satisfied by producing records of insurance in either physical or electronic format. Acceptable electronic formats include display of electronic images on a mobile phone or other portable electronic device produced through an application or Web site of the insurer."

**SECTION 5.** Article 36 of Chapter 58 of the General Statutes is amended by adding a new section to read:

**"§ 58-36-43. Optional program enhancements authorized not altering coverage under Rate Bureau jurisdiction.**

(a) Member companies writing private passenger automobile or homeowners' insurance under this Article may incorporate optional enhancements to their automobile and homeowners' programs as an endorsement to an automobile or homeowners' policy issued under this Article if the insurer has filed the proposed enhancement with the Commissioner and if the proposed enhancement is approved by the Commissioner. Any approved optional enhancements shall be considered outside the authority of the Rate Bureau. If the proposed enhancement will include an additional premium charge, the proposed premium charge shall be included with the proposed program enhancements filed with the Commissioner. The Commissioner shall review the proposed premium charges and approve them if the Commissioner finds that they are based on sound actuarial principles. Amendments to private passenger automobile or homeowners' program enhancements are subject to the same requirements as initial filings. Neither the acceptance, renewal of a policy, nor any underwriting rating criteria shall be conditioned by a company upon the acceptance by the policyholder of any optional automobile or homeowners' enhancements. A rate amendment authorized by this section is not a rate deviation and is not subject to the requirements for rate deviations set forth in G.S. 58-36-30(a).

(b) Insurers shall utilize statistical codes outlined by their statistical organization in reporting premiums and losses resulting from program enhancements filed under this section. Those statistical codes shall be substantially different than the codes utilized for data collected for rate-making purposes in order to avoid commingling of the data."
