SECTION 2.(a) G.S. 110-130.1(d) reads as rewritten:

"(d) Any fee imposed by the North Carolina Department of Revenue or the Secretary of the Treasury to cover their costs of withholding for non-Work First arrearages certified for the collection of past due support from State or federal income tax refunds or administrative offsets, as defined by 31 C.F.R. § 285.1(a), shall be borne by the client by deducting the fee from the amount collected.

SECTION 2.(b) G.S. 110-136.4 reads as rewritten:

"**§ 110-136.4. Implementation of withholding in IV-D cases.**

(a) Withholding based on arrearages or obligor's request.

(1) Advance notice of withholding. When an obligor in a IV-D case becomes subject to income withholding, the obligee shall, after verifying the obligor's current employer or other payor, wages or other disposable income, and mailing address, serve the obligor with advance notice of withholding in accordance with G.S. 1A-1, Rule 4, Rules of Civil Procedure.

(2) Contents of advance notice. The advance notice to the obligor shall contain, at a minimum, the following information:

a. Whether the proposed withholding is based on the obligor's failure to make legally obligated child support, alimony or postseparation support payments on the obligor's request for withholding, on the obligee's request for withholding, or on the obligor's eligibility for withholding under G.S. 110-136.3(b)(3);

b. The amount of overdue child support, overdue alimony or postseparation support payments, the total amount to be withheld, and when the withholding will occur;

c. The name of each child or person for whose benefit the child support, alimony or postseparation support payments are due and information sufficient to identify the court order under which the obligor has a duty to support the child, spouse, or former spouse;

d. The amount and sources of disposable income;

e. That the withholding will apply to the obligor's wages or other sources of disposable income from current payors and all subsequent payors once the procedures under this section are invoked;

f. An explanation of the obligor's rights and responsibilities pursuant to this section;

g. That withholding will be continued until terminated pursuant to G.S. 110-136.10.

(3) Contested withholding. The obligor may contest the withholding only on the basis of a mistake of fact, except that G.S. 110-129(10)(a) is not applicable if withholding is based on the obligor's or obligee's request for withholding. To contest the withholding, the obligor must, within 10 days of receipt of the advance notice of withholding, request a hearing in the county where the support order was entered before the district court and give notice to the obligee specifying the mistake of fact upon which the hearing request is based. If the asserted mistake of fact can be resolved by agreement between the obligee and the obligor, no hearing shall occur. Otherwise, a hearing shall be held and a determination made, within 30 days of the obligor's receipt of the advance notice of withholding, as to whether the asserted mistake of fact is valid. No withholding shall occur pending the hearing decision. The failure to hold a hearing within 30 days shall not invalidate an otherwise properly entered order. If it is determined that a mistake of fact exists, no withholding shall occur. Otherwise, within 45 days of the obligor's receipt of the advance notice of withholding, the obligee shall serve the payor, pursuant to G.S. 1A-1, Rule 5, Rules of Civil Procedure, or by electronic transmission in compliance with the Federal Office of Child Support Enforcement (OCSE) electronic income withholding (e-IWO) procedures, with notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk. In the event of appeal, withholding shall not be stayed. If the appeal is concluded in favor of the obligor, the obligee shall promptly repay sums wrongfully withheld and notify the payor to cease withholding.

(4) Uncontested withholding. If the obligor does not contest the withholding within the 10-day response period, the obligee shall serve the payor, pursuant to G.S. 1A-1, Rule 5, Rules of Civil Procedure, or by electronic transmission in compliance with the Federal Office of Child Support Enforcement (OCSE) electronic income withholding (e-IWO) procedures, with notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk.

(5) Payment not a defense to withholding. The payment of overdue support shall not be a basis for terminating or not implementing withholding.

(6) Inability to implement withholding. When an obligor is subject to withholding, but withholding under this section cannot be implemented because the obligor's location is unknown, because the extent and source of his disposable income cannot be determined, or for any other reason, the obligee shall either request the clerk of superior court to initiate enforcement proceedings under G.S. 15A-1344.1(d) or G.S. 50-13.9(d) or take other appropriate available measures to enforce the support obligation.

(b) Immediate income withholding. When a new or modified child support order is entered, the district court judge shall, after hearing evidence regarding the obligor's disposable income, place the obligor under an order for immediate income withholding. The IV-D agency shall serve the payor pursuant to G.S. 1A-1, Rule 5, Rules of Civil Procedure, or by electronic transmission in compliance with the Federal Office of Child Support Enforcement (OCSE) electronic income withholding (e-IWO) procedures, with a notice of his obligation to withhold, and shall mail a copy of such notice to the obligor and file a copy with the clerk. If information is unavailable regarding an obligor's disposable income, or the obligor is unemployed, or an agreement is reached between both parties which provides for an alternative arrangement, immediate income withholding shall not apply. The obligor, however, is subject to income withholding pursuant to G.S. 110-136.4(a).

(c) Subsequent payors. If the obligor changes employment or source of disposable income, notice to subsequent payors of their obligation to withhold shall be served as required by G.S. 1A-1, Rule 5, Rules of Civil ~~Procedure.~~ Procedure, or by electronic transmission in compliance with the Federal Office of Child Support Enforcement (OCSE) electronic income withholding (e-IWO) procedures. Copies of such notice shall be filed with the clerk of court and served upon the obligor by first class mail.

(d) Multiple withholdings. The obligor must notify the obligee if the obligor is currently subject to another withholding for child support. In the case of two or more withholdings against one obligor, the obligee or obligees shall attempt to resolve any conflict between the orders in a manner that is fair and equitable to all parties and within the limits specified by G.S. 110-136.6. If the conflict cannot be so resolved, an injured party, upon request, shall be granted a hearing in accordance with the procedure specified in G.S. 110-136.4(c). The conflict between the withholding orders shall be resolved in accordance with G.S. 110-136.7.

(e) Modification of withholding. When an order for withholding has been entered under this section, the obligee may modify the withholding based on changed circumstances. The obligee shall proceed as is provided in this section.

(f) Applicability of section. The provisions of this section apply to IV-D cases only."

SECTION 2.(c) G.S. 110-139.2(b1) reads as rewritten:

"(b1) The Department of Health and Human Services Child Support Enforcement Agency may notify any financial institution doing business in this State that an obligor who maintains an identified account with the financial institution has a child support obligation that may be eligible for levy on the account in an amount that satisfies some or all of the amount of unpaid support owed. In order to be able to attach a lien on and levy an obligor's account, the amount of unpaid support owed shall be an amount not less than the amount of support owed for six months or one thousand dollars ($1,000), whichever is less.

Upon certification of the amount of unpaid support owed in accordance with G.S. 44-86(c), the Child Support Agency shall serve or cause to be served upon the obligor, and when the matched account is owned jointly, any other nonliable owner of the account, and the financial institution a notice as provided by this subsection. The notice shall include the name of the obligor, the financial institution where the account is located, the account number of the account to be levied to satisfy the lien, the certified amount of unpaid support, information for the obligor or account owner on how to remove the lien or contest the lien in order to avoid the levy, and a ~~copy of~~ reference to the applicable law, G.S. 110-139.2. The notice shall be served on the obligor, and any nonliable account owner, in any manner provided in Rule 4 of the North Carolina Rules of Civil Procedure. The financial institution shall be served notice in accordance with Rule 5 of the North Carolina Rules of Civil Procedure. Upon service of the notice, the financial institution shall proceed in the following manner:

(1) Immediately attach a lien to the identified account.

(2) Notify the Child Support Agency of the balance of the account and date of the lien or that the account does not meet the requirement for levy under this subsection.

In order for an obligor or account owner to contest the lien, within 10 days after the obligor or account owner is served with the notice, the obligor or account owner shall send written notice of the basis of the contest to the Child Support Agency and shall request a hearing before the district court in the county where the support order was entered. The obligor account holder may contest the lien only on the basis that the amount owed is an amount less than the amount of support owed for six months, or is less than one thousand dollars ($1,000), whichever is less, or the contesting party is not the person subject to the court order of support. The district court may assess court costs against the nonprevailing party. If no response is received from the obligor or account owner within 10 days of the service of the notice, the Child Support Agency shall notify the financial institution to submit payment, up to the total amount of the child support arrears, if available. This amount is to be applied to the debt of the obligor.

A financial institution shall not be liable to any person for complying in good faith with this subsection. The remedy set forth in this section shall be in addition to all other remedies available to the State for the reduction of the obligor's child support arrears. This remedy shall not prevent the State from taking any and all other concurrent measures available by law.

This levy procedure is to be available for direct use by all states' child support programs to financial institutions in this State without involvement of the Department."

SECTION 2.(d) This section is effective when it becomes law.

The information required by this subdivision shall be provided in English and in each language that is the primary language of at least two percent (2%) of the State's population. The information may be provided orally either by telephone or in person, in which case the required information may be based on facts supplied by the woman to the physician and whatever other relevant information is reasonably available. The information required by this subdivision may not be provided by a tape recording but shall be provided during a consultation in which the physician is able to ask questions of the patient and the patient is able to ask questions of the physician. If, in the medical judgment of the physician, a physical examination, tests, or the availability of other information to the physician subsequently indicates a revision of the information previously supplied to the patient, then that revised information may be communicated to the patient at any time before the performance of the abortion. Nothing in this section may be construed to preclude provision of required information in a language understood by the patient through a translator.

(2) The physician or qualified professional has informed the woman, either by telephone or in person, of each of the following at least ~~24 hours~~ 72 hours before the abortion:

e. The physician or a qualified professional shall orally inform the woman that the materials have been provided by the Department and that they describe the unborn child and list agencies that offer alternatives to abortion. If the woman chooses to view the

materials other than on the Web site, the materials shall either be given to her at least ~~24 hours~~ 72 hours before the abortion or be mailed to her at least 72 hours before the abortion by certified mail, restricted delivery to addressee.

f. That the woman is free to withhold or withdraw her consent to the abortion at any time before or during the abortion without affecting her right to future care or treatment and without the loss of any State or federally funded benefits to which she might otherwise be entitled.

…."

"**§ 90-21.86. Procedure in case of medical emergency.**

When a medical emergency compels the performance of an abortion, the physician shall inform the woman, before the abortion if possible, of the medical indications supporting the physician's judgment that an abortion is necessary to avert her death or that a ~~24-hour~~ 72-hour delay will create a serious risk of substantial and irreversible impairment of a major bodily function, not including psychological or emotional conditions. As soon as feasible, the physician shall document in writing the medical indications upon which the physician relied and shall cause the original of the writing to be maintained in the woman's medical records and a copy given to her."

The remainder of subsections (a), (b), and (c) of this section become effective October 1, 2015, and apply to abortions performed or attempted on or after that date.

SECTION 8.(a) If any provision of this act or its application is held invalid, the invalidity does not affect other provisions or applications of this act that can be given effect without the invalid provisions or application, and to this end the provisions of this act are severable. If any provision of this act is temporarily or permanently restrained or enjoined by judicial order, this act shall be enforced as though such restrained or enjoined provisions had not been adopted, provided that whenever such temporary or permanent restraining order or injunction is stayed, dissolved, or otherwise ceases to have effect, such provisions shall have full force and effect.
