The tax applies to each 10 business location and does not apply to each individual employed by or affiliated with that 11 business.

12 (b) Amount. – The maximum tax levied on each business is based on the total 13 number of full-time and part-time employees at the business location as of June 30. An 14 employee who performs more than fifty percent (50%) of the employee's duties at a business 15 location other than the business' principal place of business is sourced to that location. All other 16 employees are sourced to the business' principal place of business. The maximum tax amounts 17 are as follows: 18 Number of Employees Maximum Tax

(c) Administration. - The tax is due by July 1 of each year. The tax is imposed
for the privilege of engaging in business during the fiscal year that begins on the July 1 due
date of the tax. A business must pay the tax before it begins to operate within the city. The full
amount of the tax applies to a business that begins to operate at any time during the fiscal year.
If a business is discontinued during the fiscal year, the business is not entitled to a refund.

27 (d) Penalties and Collection. – The penalties in G.S. 105-236 apply to this
