GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2015

SENATE DRS35225-TK-10 (03/05)

Short Title:	Study Reg. Health Authorities/Data Analytics.	(Public)
Sponsors:	Senator Hartsell (Primary Sponsor).	
Referred to:		

1 A BILL TO BE ENTITLED 2 AN ACT TO STUDY THE METHODOLOGY BY WHICH TO MOVE THE STATE 3 PUBLIC HEATH SYSTEM FROM A COUNTY-BASED SYSTEM TO A SYSTEM 4 INVOLVING THREE REGIONAL PUBLIC HEALTH AUTHORITIES AND TO 5 STUDY THE CREATION OF A STATE HEALTH IMPROVEMENT ANALYTICS 6 CENTER. 7 The General Assembly of North Carolina enacts: 8 SECTION 1. The Department of Health and Human Services, the Commission for Public Health, and the Department of Environment and Natural Resources shall collaborate and 9 10 study the methodology by which to move the public health system from a county-based system 11 to a system involving three regional public health authorities. These three regional public health 12 authorities shall be supported by one State agency or board. This study shall include 13 information on the following: 14 An evaluation of the publicly financed public health service delivery (1)15 structure in North Carolina, including identification of State, local, public, and private entities engaged in activities contributing to health outcomes, 16 17 and a review of strengths, weaknesses, opportunities, and threats within the service structure. 18 19 (2)An evaluation of the governance structure of public health and mental 20 health, including the advantages and disadvantages of current and alternative 21 governance models. 22 (3)An evaluation of the three geographic areas that would be most 23 appropriately combined to form three regional public health authorities. Identification of the various health services currently performed by counties 24 (4) 25

- within the State and how these functions may be streamlined under a regional public health authority system.(5) An evaluation of the functions that would be best delegated to the regional
 - (5) An evaluation of the functions that would be best delegated to the regional public health authorities and functions that would be best retained by a State agency or board supporting the regional public health authorities.

The report, including any recommendations, shall be submitted to the Program Evaluation Division no later than December 1, 2015.

32 **SECTION 2.** The Department of Insurance, the Division in the Department of the 33 State Treasurer responsible for the State Health Plan for Teaches and State Employees, the 34 Department of Health and Human Services, the Commission for Public Health, and the 35 Department of Environment and Natural Resources shall collaborate and study the creation of a
