11 (i) Immediately following the inclusion of any additional political subdivision within
12 an existing district, members representing such additional political subdivision shall be
13 appointed to the district board in the manner provided in this section:

14 (1) Any additional unincorporated area that is included within an existing
15 district shall be represented by the members representing the county in
16 which the unincorporated area lies as follows:

23 on the district board. The board of commissioners of the county in
24 which the largest portion of the district lies shall appoint qualified
25 voters residing in the county and district as their successors such that
26 the county in which the largest portion of the district lies shall always
27 have three members on the district board. The board of
28 commissioners of the county in which the lesser portion of the
29 district lies shall appoint to the district board two qualified voters
30 residing in the county and district to serve a term of three years and
31 shall appoint qualified voters residing in the county and district as
32 their successors such that the county in which the lesser portion of

34 For purposes of this subdivision, the county in which the largest
35 portion and lesser portion of the district lies shall be determined with

1 reference to the land area of the district lying within the county as a
2 percentage of land area of the entire district at the time such
3 appointment or reappointment is made.

5 changing the county in which the largest portion of the district lies,
6 new members representing the county comprising the larger portion
7 of the district shall be appointed in accordance with
8 G.S. 162A-67(a)(2) immediately following the inclusion, and no

11 member representing that county following the inclusion.

12 (1a) Notwithstanding subdivision (1) of this subsection, if any county that is

26 successors to such members may more nearly coincide with the appointment of successors to
27 members of the existing board; and all successor members shall be appointed for the terms
28 provided for in G.S. 162A-67."
