For an election held in 2020, notwithstanding G.S. 163-229(b), the State Board of Elections may prepare applications for each container-return envelope providing for a space for the identification of one person witnessing the casting of the absentee ballot in accordance with G.S. 163-231, that person's signature, and that person's printed name and address.

SECTION 1.(b) For an election held in 2020, notwithstanding G.S. 163-42(b), in making appointments of the precinct assistants for each precinct in a county, the county board of elections shall ensure that at least one precinct assistant is a registered voter of the precinct, but may appoint registered voters from other precincts of the same county as precinct assistants for the remaining positions if there are an insufficient number of precinct assistants who reside within the precinct to fill all positions for the precinct, provided that the registered voter meets all qualifications to be a precinct assistant other than residence. For an election held in 2020, notwithstanding G.S. 163-41(c), the county board of elections shall ensure that at least one position of chief judge or judge is a registered voter of the precinct, but may appoint a registered voter from other precincts of the same county to fill the other two positions of chief judge or judge in a precinct, provided that the registered voter meets all other qualifications to be a chief judge or judge other than residence.

SECTION 1.(c) For an election held in 2020, any individual working as part of a multipartisan team trained and authorized by the county board of elections pursuant to G.S. 163-226.3 may assist any voter in the completion of a request form for absentee ballots or

1 in delivering a completed request form for absentee ballots to the county board of elections and

3 **SECTION 1.(d)** Section 1(a) and Section 1(c) of this section become effective July
