Local Government Noncompliance With State Laws Related to Immigration.

§ 64-49. Findings.
The General Assembly finds the following:

(1) That the policy objectives it seeks to further by enacting State laws applicable
to cities, counties, and law enforcement agencies are frustrated when those

(2) That Section 7(1) of Article V and other sections of the North Carolina
Constitution grant the General Assembly supreme power and complete
discretion over the appropriation of State funds.

(3) That the General Assembly's power over the appropriation of State funds can
be used to create additional incentives for cities, counties, and law
enforcement agencies to comply with duly enacted laws.

The following definitions apply in this Article:

a. A municipality found to be not in compliance with a State law related
to immigration.

immigration.

immigration.

compliance with a State law related to immigration may file a statement with the Attorney
General setting forth the basis for that belief. The statement may be on a form prescribed by the
Attorney General pursuant to G.S. 64-51 or may be made in any other form that gives the
Attorney General information sufficient to proceed with an investigation under G.S. 64-53.
Nothing in this section shall be construed to prohibit the filing of anonymous statements that are
not submitted on a prescribed form.
(a) Investigation. – Within 45 days of receipt of a statement filed in accordance with
G.S. 64-52, the Attorney General shall commence an investigation of whether the city, county,

and reports and other investigative documents and records of the Attorney General connected to
an investigation under this section shall be confidential and not matters of public record, except
when the local government under investigation requests in writing that these documents be made
public. Once an investigation under this section is complete, or once 60 days have elapsed since
the investigation was commenced, whichever is earlier, the statement and all other reports and
other investigative documents and records of the Attorney General connected to an investigation
under this section, not otherwise privileged or confidential under law, shall be public records.

However, if an appeal under this section is unsuccessful, the length of the period during which an affected local government shall be ineligible to receive the funds described in G.S. 64-54(a)(1) shall be the same as it would have been had no appeal been made.
