4 The General Assembly of North Carolina enacts:

5 **SECTION 1.(a)** The Department of Health and Human Services, Division of Child  
6 Development and Early Education (Division), shall establish a three-year pilot project to  
7 implement the "ApSeed" program, a program designed to prepare preschool-age children, ages  
8 birth through four years of age, for prekindergarten through an interactive learning device known  
9 as a "seedling" (a device similar to an iPad). The seedling provides games varying in skill level  
10 depending on the age and capability of the child and advances in level as the child gains  
11 proficiency.

12 **SECTION 1.(b)** The following counties shall participate in the pilot project  
13 described under subsection (a) of this section: Forsyth, Hoke, New Hanover, Watauga, and  
14 Yadkin. Each of those counties shall select preschool-age children to participate in the pilot  
15 project the county, in its discretion, identifies as having the greatest need, taking into  
16 consideration poverty level as a factor.

17 **SECTION 2.(a)** There is appropriated from the General Fund to the Department of  
18 Health and Human Services, Division of Child Development and Early Education (Division), the  
19 sum of two million five hundred thousand hundred dollars (\$2,500,000) in nonrecurring funds  
20 for each year of the 2019-2021 fiscal biennium to provide for the equipment and costs associated  
21 with the "ApSeed" pilot project established by this act. These funds shall be allocated to the five  
22 counties participating in the pilot project with each county receiving an amount up to five  
23 hundred thousand dollars (\$500,000), as determined by the Division, for each year of the  
24 2019-2021 fiscal biennium.

25 **SECTION 2.(b)** For the 2021-2022 fiscal year only, the Director of Budget shall  
26 also include in the base budget, as defined by G.S. 143C-1-1(d)(1c), the amount of nonrecurring  
27 funds needed to support the pilot project established in this act. Upon completion of the pilot  
28 project, any unexpended funds shall revert back to the General Fund.

29 **SECTION 3.** Within six months after completion of the pilot project, the Division  
30 shall submit a report to the Joint Legislative Oversight Committee on Health and Human  
31 Services, the Joint Legislative Education Oversight Committee, and the Fiscal Research  
32 Division. The report shall include, at a minimum, each of the following:

- 33 (1) The number of children served, by age and county.  
34 (2) The skills gained by the participants as compared to those children who did  
35 not participate in the pilot project.
