(a) The provisions of this Article shall be enforced by any State law enforcement officer, or any other law enforcement officer in whose jurisdiction a violation occurs, or by any animal control authority for the jurisdiction in which a violation occurs. Nothing in this Article shall be construed to prohibit a city or county from adopting or enforcing any ordinance or other law that places further restrictions or additional requirements on the possession, sale, transfer, or breeding of big cats, bears, hyenas, or great apes.

(b) Animals may be seized pursuant to this Article as follows:

1. Law enforcement officers shall, after obtaining a warrant from any judge or magistrate upon probable cause, seize or impound any big cat, bear, hyena, or great ape possessed, sold, transferred, bred, or exhibited in violation of this Article. If the big cat, bear, hyena, or great ape poses a direct threat to public safety or is suffering from apparent animal neglect or cruelty, that animal shall be immediately placed in the custody and control of an institution described in G.S. 19A-73(1), (3), (4), or (5), or a temporary holding facility, as described in G.S. 19A-73(4). If there is no immediate threat to public safety or animal welfare, law enforcement officers shall impound the big cat, bear, hyena, or great ape in place.

2. Upon seizing or impounding a big cat, bear, hyena, or great ape, a law enforcement officer shall petition the district court for the district in which the big cat, bear, hyena, or great ape was seized or impounded for a hearing to determine whether the big cat, bear, hyena, or great ape was in fact possessed, sold, transferred, bred, or exhibited in violation of this Article. The hearing shall be held not more than 14 days from the date of the seizure or impoundment and the law enforcement officer shall provide written notice of the hearing at least five days prior to the hearing to the person from whom the big cat, bear, hyena, or great ape was seized or impounded.

3. Upon judicial determination of a violation of any provision of this Article, the seized or impounded big cat, bear, hyena, or great ape shall be deemed forfeited and the court shall order the violator to pay all reasonable expenses incurred in caring and providing for the big cat, bear, hyena, or great ape, from the time the big cat, bear, hyena, or great ape is seized until the time that big cat, bear, hyena, or great ape is forfeited to an institution described in G.S. 19A-73(1), (3), (4), or (5), or a temporary holding facility in possession of the big cat, bear, hyena, or great ape. The court may also prohibit the possession or ownership of big cats, bears, hyenas, or great apes, or other nonnative wild animals, by the person found to have violated this Article.

4. A forfeited big cat, bear, hyena, or great ape shall be transferred to an institution described in G.S. 19A-73(1), (3), (4), or (5) that is willing and able to take custody of the forfeited big cat, bear, hyena, or great ape. Nothing in this Article shall be construed to prevent law enforcement officers from humanely euthanizing a big cat, bear, hyena, or great ape in compliance with State and federal law if, after reasonable efforts, no institution described in G.S. 19A-73(1), (3), (4), or (5), is willing and able to provide long-term care for the big cat, bear, hyena, or great ape.

5. Nothing in this Article shall be construed to prevent the voluntary, permanent relinquishment of any big cat, bear, hyena, or great ape by its owner to a person legally able to possess the big cat, bear, hyena, or great ape and willing and able to take possession. Voluntary relinquishment shall have no effect on any criminal charges for violations of this Article.

(c) Any big cat, bear, hyena, or great ape found to be not properly confined, whether on the property of the owner or running at large, may be humanely destroyed by law enforcement
officers in order to protect public safety. The owner of a big cat, bear, hyena, or great ape will be liable for costs accrued to law enforcement officers in humanely destroying or otherwise securing that animal.

"§ 19A-77. Penalties.

(a) Each violation of this Article shall constitute a Class 2 misdemeanor, and a person who violates this Article is liable for a civil penalty of not more than five thousand dollars ($5,000). Each animal possessed, sold, transferred, or bred in violation of this Article constitutes a separate offense.

(b) Any big cat, bear, hyena, or great ape owner or custodian whose act or omission in the care, control, or containment of that animal results in the animal running loose or causing property damage shall constitute a Class A1 misdemeanor. If that act or omission results in a big cat, bear, hyena, or great ape causing serious bodily injury to any member of the public, the owner of the animal shall be strictly liable and the offense is punishable as a Class I felony. For the purposes of this section, "member of the public" does not include employees, supervised interns or volunteers, or students at public or private colleges or universities engaged in academic coursework or research.

(c) Any person who lives in the county in which a big cat, bear, hyena, or great ape is kept may bring a civil action against an owner or custodian of the big cat, bear, hyena, or great ape to enjoin a violation of this Article."

SECTION 2. This act becomes effective December 1, 2019, and applies to offenses committed on or after that date.
