43 who is licensed as a barber, electrologist, or laser hair practitioner in another state shall be
44 admitted to practice in this State under the same reciprocity or comity provisions that the state in
45 which the applicant is licensed grants to persons licensed in this State.

46 (c) The Board may establish standards for issuing a license to an applicant who is licensed
47 as an instructor in another state. These standards shall include a requirement that the licensure
48 requirements in the state in which the instructor is licensed shall be substantially equivalent to
49 those required in this State and that the applicant shall be licensed by the Board to practice in the
50 area in which the applicant is licensed to teach.

51 **"§ 86B-15. Licensing of barbershops.**

1 (a) The Board shall issue a license to operate a barbershop to any applicant who submits
2 a properly completed application on a form approved by the Board, pays the required fee, and is

4 Board's rules. The Board may renew licenses that have lapsed after the barbershop has been
5 inspected and all renewal and late fees have been paid.

6 (b) A license to operate a barbershop shall not be transferable from one location to
7 another or from one owner to another.

8 (c) A barbershop shall be allowed to operate for a period of 30 days while the Board
9 inspects and determines the barbershop's compliance with this Chapter and the Board's rules. If
10 the Board is unable to complete the inspection within 30 days, the barbershop will be authorized
11 to operate until such an inspection can be completed.

12 (d) A licensed barbershop shall not be permitted to operate in a location licensed as a
13 barber school.

14 **"§ 86B-16. Practice outside barbershops.**

15 Notwithstanding any provision in this Chapter to the contrary, an individual licensed under
16 this Chapter may visit the residences of individuals who are sick or disabled and confined to their
17 places of residence in order to attend to their barbering needs. A licensed individual may also
18 visit hospitals, nursing homes, rest homes, retirement homes, mental institutions, correctional
19 facilities, funeral homes, and similar institutions to attend to the barbering needs of those in these
20 institutions.

21 **"§ 86B-17. Licensing and regulation of barber schools.**

22 (a) The Board shall issue a license to any barber school that submits a properly completed
23 application on a form approved by the Board, pays the required license fee, and is determined by
24 the Board, after inspection, to be in compliance with the provisions of this Chapter and the
25 Board's rules. The Board may renew licenses that have lapsed after the barber school has been
26 inspected and all renewal and late fees have been paid.

27 (b) No person may open, reopen, or operate a barber school before the Board has
28 approved a license for the school. The Board shall not issue a license before a barber school has
29 been inspected and determined to be in compliance with the provisions of this Chapter and the
30 Board's rules.

31 (c) Barber schools located in this State shall be licensed by the Board before any credit
32 may be given for curriculum hours taken in the school. The Board may establish standards for
33 approving hours from schools in other states that are licensed.

34 (d) A licensed barber school shall not be permitted to operate in a location licensed as a
35 barbershop.

36 **"§ 86B-18. Bond required for private barber schools.**

37 (a) Each private barber school shall provide a guaranty bond unless the school has already
38 provided a bond or an alternative to a bond under G.S. 115D-95. The Board may restrict, suspend,
39 revoke, or refuse to renew or reinstate the license of a school that fails to maintain a bond or an
40 alternative to a bond pursuant to this section or G.S. 115D-95. A school shall provide a copy of
41 the bond letter or other guarantee authorized by this section to the Board.

42 (b) A guaranty bond obtained pursuant to this section shall meet all of the following
43 criteria:

- 44 (1) The applicant shall file the guaranty bond with the clerk of superior court in
45 the county in which the school is located. The bond shall be in favor of the
46 students. The bond shall be executed by the applicant as principal and by a
47 bonding company authorized to do business in this State. The bond shall be
48 conditioned to provide indemnification to any student or the student's parent
49 or guardian who has suffered loss of tuition or any fees by reason of the failure
50 of the school to offer or complete student instruction, academic services, or
51 other goods and services as related to course enrollment for any reason,

1 including suspension, revocation, or nonrenewal of a school's approval,
2 bankruptcy, foreclosure, or the school's ceasing to operate.

3 (2) The bond amount shall be at least equal to the maximum amount of prepaid
4 tuition held at any time by the school during the last fiscal year, but in no case
5 shall be less than ten thousand dollars (\$10,000). Each application for license
6 or license renewal shall include a letter signed by an authorized representative
7 of the school showing the calculations made and the method of computing the
8 amount of the bond in accordance with rules prescribed by the Board. If the
9 Board finds that the calculations made and the method of computing the
10 amount of the bond are inaccurate or that the amount of the bond is otherwise
11 inadequate to provide indemnification under the terms of the bond, the Board
12 may require the applicant to provide an additional bond.

13 (3) The bond shall remain in force and effect until canceled by the guarantor. The
14 guarantor may cancel the bond upon 30 days' notice to the Board. Cancellation
15 of the bond shall not affect any liability incurred or accrued prior to the
16 termination of the notice period.

17 (c) An applicant who is unable to secure a bond may seek from the Board a waiver of the
18 guaranty bond requirement and approval of one of the guaranty bond alternatives set forth in this
19 subsection. Instead of a bond with the clerk of court in the county in which the school is located
20 and with the approval of the Board, an applicant may file one of the following:

21 (1) An assignment of a savings account in an amount equal to the bond required
22 that is in a form acceptable to the Board and is executed by the applicant and
23 a state or federal savings and loan association, state bank, or national bank
24 that is doing business in this State and whose accounts are insured by a federal
25 depositor's corporation, and access to the account is subject to the same
26 conditions as those for a bond in subsection (b) of this section.

27 (2) A certificate of deposit that is executed by a state or federal savings and loan
28 association, state bank, or national bank that is doing business in this State and
29 whose accounts are insured by a federal depositor's corporation, and access to
30 the certificate of deposit is subject to the same conditions as those for a bond
31 in subsection (b) of this section.

2 a school desires to change locations, an application shall be submitted to the Board on a form
3 furnished by the Board and the fee shall be paid for certificate renewal.

29 submitted the required fee, the Board shall issue a certificate to the applicant.

30 (c) A school's certification is only valid for the location named in the application. When

44 examination on forms prepared by the Board. Applications for examination must be filed no later
45 than 30 days before the examination is held. An applicant for a licensure who fails to pass the
46 examination three times may not reapply to take the examination again until after the applicant
47 has successfully completed any additional requirements prescribed by the Board. The Board may
48 establish additional guidelines related to the examination of persons who completed coursework

11 apply for license renewal to the Board on forms approved by the Board,

18 after expiration may have it reinstated by applying to the Board for
