39 close custody facilities, the pay differential is ten percent (10%).
- 40 (3) For employees assigned to minimum custody facilities that are required to
41 staff close custody facilities, the pay differential is twenty percent (20%).

42 43 **PART IV. CORRECTIONAL FACILITY HIGH-NEED SALARY SUPPLEMENTS**

44 **SECTION 4.1.(a)** Employees of the Department of Public Safety (Department)
45 serving in high-need correctional facilities having the highest numbers of vacant positions are
46 eligible to receive flat-dollar salary supplements, payable monthly, for up to a two-year period.

47 **SECTION 4.1.(b)** The base supplement rate shall be an amount calculated by the
48 Department based on the requirements of this section. The minimum base supplement rate that
49 shall be provided to employees serving in a high-need correctional facility is two thousand five
50 hundred dollars (\$2,500) annually.

1 **SECTION 4.1.(c)** There are three levels of high-need correctional facilities based
2 upon the facility's respective staffing difficulty:

- 3 (1) Level I – If the correctional facility has had a vacancy rate of at least twenty
4 percent (20%) for at least 12 months in the prior biennium, employees
5 assigned to this facility shall receive a salary supplement equal to the base
6 supplement rate.
7 (2) Level II – If the correctional facility has had a vacancy rate of at least
8 twenty-five percent (25%) for at least 12 months in the prior biennium,
9 employees assigned to this facility shall receive a salary supplement equal to
10 twice the base supplement rate.
11 (3) Level III – If the correctional facility has had a vacancy rate of at least thirty
12 percent (30%) for at least 12 months in the prior biennium, employees
13 assigned to this facility shall receive a salary supplement equal to three times
14 the base supplement rate.

15 **SECTION 4.1.(d)** The salary supplement rates assigned to each high-need
16 correctional facility at the beginning of each fiscal biennium by the Department shall remain in
17 effect for the facility throughout the respective fiscal biennium. The Department shall
18 re-designate high-need facilities at the beginning of each subsequent fiscal biennium based on
19 the criteria in subsections (b) and (c) of this section.

20 **SECTION 4.1.(e)** The Department may exclude a facility from eligibility to
21 prioritize larger supplements to greater-need facilities or if the vacancy rate does not accurately
22 reflect a facility's actual staffing needs. The Department may assign a lower level to a facility if
23 the assignment would more accurately reflect the facility's needs. The Department shall not
24 provide supplements in facilities that do not meet the minimum criteria specified in subsection
25 (c) of this section.

26 **SECTION 4.1.(f)** Funds appropriated for high-need facility salary supplements may
27 only be expended for that purpose. At the end of each fiscal year, any remaining funding
28 appropriated for the supplements shall be distributed proportionally to employees at high-need
29 facilities who were employed at a designated facility for the entire fiscal year.

30 **SECTION 4.1.(g)** Notwithstanding G.S. 135-1(7a), the supplements awarded
31 pursuant to this section are not compensation under Article 1 of Chapter 135 of the General
32 Statutes, Retirement System for Teachers and State Employees.
33

34 **PART V. SPECIAL ANNUAL LEAVE**

35 **SECTION 5.1.** Special Annual Leave. – Any person who is (i) employed in an adult
36 correctional facility as a full-time permanent employee of the Department of Public Safety on
37 July 1, 2019, and (ii) eligible to earn annual leave shall have a one-time additional five days of
38 annual leave credited on July 1, 2019.

39 The additional leave granted in this section shall be accounted for separately in the
40 same manner as the leave provided by Section 35.26 of S.L. 2018-5 and shall remain available
41 during the length of the employee's employment, notwithstanding any other limitation on the
42 total number of days of annual leave that may be carried forward. Part-time permanent employees
43 shall receive a pro rata amount of the five days awarded by this section.

44 The additional leave awarded under this section has no cash value and is not eligible
45 for cash in. If not used prior to the time of separation or retirement, the bonus leave cannot be
46 paid out and is lost.

47 Notwithstanding any provision of G.S. 126-8 to the contrary, any vacation leave
48 remaining on December 31 of each year in excess of 30 days shall be reduced by the number of
49 days awarded in this section that were actually used by the employee during the year, such that
50 the calculation of vacation leave days that would convert to sick leave shall reflect a deduction

1 of those days of special annual leave awarded in this section that were used by the employee
2 during the year.

3 The number of days awarded by this section that carry forward to each following year
4 shall equal the number of days awarded in this section remaining on December 31 of each year
5 plus the number of days awarded in this section that were deducted from vacation leave in excess
6 of 30 days for the calculation of sick leave.

7 No employee may be required to take the additional leave awarded by this section.
8

11 provisions of this act shall prevail. The appropriations and the authorizations to allocate and
12 spend funds which are set out in this act shall remain in effect until the Current Operations
13 Appropriations Act for the applicable fiscal year becomes law, at which time that act shall
14 become effective and shall govern appropriations and expenditures. When the Current
15 Operations Appropriations Act for that fiscal year becomes law, the Director of the Budget shall
16 adjust allotments to give effect to that act from July 1 of the fiscal year.
17

18 **PART VII. EFFECTIVE DATE**

19 **SECTION 7.1.** Except as otherwise provided, this act becomes effective July 1,
20 2019.
