A BILL TO BE ENTITLED
AN ACT TO REVISE THE STATE PLAN FOR MENTAL HEALTH, DEVELOPMENTAL DISABILITIES, AND SUBSTANCE ABUSE TO ENSURE THE STATE DEVELOPS A COMPREHENSIVE PLAN THAT PROVIDES A MISSION, A VISION, GOALS, OBJECTIVES, OVERSIGHT, AND ACCOUNTABILITY FOR THE BEHAVIORAL HEALTH CARE SYSTEM IN THIS STATE.

The General Assembly of North Carolina enacts:

PART I. COMPREHENSIVE PLAN FOR THE PUBLICLY FUNDED BEHAVIORAL HEALTH SYSTEM

SECTION 1.(a) The General Assembly finds that the Department of Health and Human Services (Department) has the responsibility to provide direction, oversight, and accountability for the publicly funded behavioral health care system that operates as a structured and unified system designed to meet the needs and expectations of the people of this State, and that a Comprehensive Plan is needed to ensure transparency, board understanding, and that the needs of covered populations and expectations of the State are met. The General Assembly further finds that work across State agencies and with external partners will unify goals and coordinate the delivery of care and will support improved behavioral health and wellness for North Carolinians. Finally, in order to promote transparency and collaboration, the General Assembly directs the Department to produce a Comprehensive Plan for the Publicly Funded Behavioral Health System.

SECTION 1.(b) Article 4 of Chapter 122C of the General Statutes is amended by adding a new section to read:

"§ 122C-102A. Comprehensive Plan for the Publicly Funded Behavioral Health System.

(a) Purpose of State Comprehensive Plan. – The Department shall develop and implement a State Comprehensive Plan for the Publicly Funded Behavioral Health System. For purposes of the Comprehensive Plan, behavioral health services shall include mental health, developmental disabilities, substance abuse, and traumatic brain injury services. The purpose of the Comprehensive Plan is to provide a framework to ensure the Department can oversee and monitor publicly funded behavioral health services, including Medicaid and NC Health Choice, county-funded programs, and federally funded programs. The initial Comprehensive Plan shall be submitted for review to the Joint Legislative Oversight Committee on Health and Human Services no later than January 31, 2020. No later than January 31 of each subsequent year, the Department shall submit updates to the Comprehensive Plan, in accordance with this section.

The Department shall ensure the Comprehensive Plan is implementable and that all stakeholders, including LME/MCOs, prepaid health plans, county programs, and behavioral
health service providers and consumers, are fully engaged in developing the mission, vision, goals, and objectives of the Comprehensive Plan. In order to successfully implement the Comprehensive Plan, the Department shall only adopt or implement policies that are consistent with the Comprehensive Plan.

(b) Content of the Comprehensive Plan. – The Comprehensive Plan shall include all of the following, to be developed by the Department with input from stakeholders:

(1) A mission that clearly states the purpose and priorities of the publicly funded behavioral health system, including Medicaid and NC Health Choice.

(2) A 10-year vision of a future State behavioral health system if the mission of the Comprehensive Plan is achieved. The vision shall be reviewed, at a minimum, every three years and updated as appropriate to meet the then-current needs of the covered populations and the expectations of the State for the publicly funded behavioral health system.

(3) Three-year goals that identify the areas where results will be achieved relative to the mission and vision of the Comprehensive Plan over the corresponding three years. Goal statements shall be reviewed annually in conjunction with a review of the Comprehensive Plan objectives and updated as appropriate based on then-current needs of the covered populations and the expectations of the State for the publicly funded behavioral health system.

(4) Specific, measurable 12-month objectives that will be achieved to support the goals of the Comprehensive Plan. The Department shall submit updated objectives as part of the annual updates submitted pursuant to subsection (a) of this section.

(c) Assessment to Support Development of the Comprehensive Plan. – To support the development of the Comprehensive Plan, the Department shall complete an assessment of the adequacy of the current system, an identification of need or areas of improvement, proposed solutions, and progress updates for all of the following:

(1) Staffing levels, training, and competency in the Division of MH/DD/SAS, the Division of Health Benefits, the LME/MCOs, prepaid health plans, and relevant behavioral health providers.

(2) Access to behavioral health services provided by specific standards that may include:
   a. Geographic location.
   b. Travel time.
   c. Wait time for appointments.
   d. Emergency department hold times.
   e. Reduction in the waiting lists for services.
   f. Engagement in social determinants of health.
   g. Other standards, as determined by the Department.

(3) Solvency, financial management, and financial performance of the LME/MCOs, including strategic and operational plans, and reinvestment plans approved by the Department.

(4) Need and utilization of the behavioral health system broken down by covered population, service type, and funding source.

(5) Coordination and integration of behavioral health care services, including communication with, from, and between providers, LME/MCOs, and prepaid health plans.

(6) Appropriateness of services and treatment effectiveness.

(d) Comprehensive Plan Outcomes Data. – The Department shall define outcomes and data to measure progress on goals and objectives contained in the Comprehensive Plan for at least the following areas:
Employment.

Education.

Homelessness.

Imprisonment.

(5) Social determinants of health."

SECTION 2. If, by December 1 of the year before which the Comprehensive Plan is due, the Department identifies that the Comprehensive Plan (i) will not be submitted to the Joint Legislative Oversight Committee on Health and Human Services by the January 31 deadline or (ii) will not comply with the requirement of G.S. 122C-10A, then the Department shall engage the services of a pre-identified third-party vendor to complete the Comprehensive Plan and provide the completed Comprehensive Plan to the Department in time for the Department to report to the Joint Legislative Oversight Committee on Health and Human Services no later than January 31, 2020. The Department shall report to the Joint Legislative Oversight Committee on Health and Human Services that the vendor will be completing the Comprehensive Plan. No additional funds shall be appropriated for this purpose.
