A BILL TO BE ENTITLED
AN ACT AMENDING THE EXEMPTION FOR USE OR POSSESSION OF CANNABIS EXTRACT AND EXPANDING THE PERMISSIBLE USE OF CANNABIS EXTRACT AS AN ALTERNATIVE TREATMENT OF CHRONIC CONDITIONS AND REPEALING THE SUNSET OF THE EPILEPSY ALTERNATIVE TREATMENT ACT.

The General Assembly of North Carolina enacts:

SECTION 1. This act shall be known as "Bethany's Law" and may be cited by that name.

SECTION 2. G.S. 90-94.1 reads as rewritten:

"§ 90-94.1. Exemption for use or possession of hemp-cannabis extract."
(a) As used in this section, "hemp extract" or "cannabis extract" means an extract from a cannabis plant, or a mixture or preparation containing cannabis plant material, that has all of the following characteristics:

(1) Is composed of more than three-tenths of one percent (0.3%) tetrahydrocannabinol by weight and less than nine-tenths of one percent (0.9%) tetrahydrocannabinol by weight.

(2) Is composed of at least five percent (5%) cannabidiol-cannabinoids other than tetrahydrocannabinol by weight.

(3) Contains no other psychoactive substance.

(b) Notwithstanding any other provision of this Chapter, an individual may possess or use hemp-cannabis extract, and is not subject to the penalties described in this Chapter, if the individual satisfies all of the following criteria:

(1) Possesses or uses the hemp-cannabis extract only to treat intractable epilepsy, as defined in G.S. 90-113.101, autism, multiple sclerosis, Crohn's disease, Mitochondrial disease, or a medical condition diagnosed by a neurologist for which currently available treatment options have been ineffective.

(2) Possesses, in close proximity to the hemp-cannabis extract, a certificate of analysis that indicates the hemp-cannabis extract's ingredients, including its percentages of tetrahydrocannabinol and cannabidiol-cannabinoids by weight.

(3) Is a caregiver, as defined in G.S. 90-113.101.

(c) Notwithstanding any other provision of this Chapter, an individual who possesses hemp-cannabis extract lawfully under this section may administer hemp-cannabis extract to another person under the individual's care and is not subject to the penalties described in this
Chapter for administering the hemp-cannabis extract to the person if the individual is the person's caregiver, as defined in G.S. 90-113.101.

(d) Any individual who possesses or uses hemp-cannabis extract, as defined under this section, shall dispose of all residual oil from the extract at a secure collection box managed by a law enforcement agency. No criminal penalty shall attach for any violation of this subsection.

SECTION 3. Article 5G of Chapter 90 of the General Statutes reads as rewritten:

"Article 5G.

**Epilepsy-Alternative Treatment Act.**

§ 90-113.100. Short title.
(a) This act may be cited as the "North Carolina Epilepsy-Alternative Treatment Act."
(b) The purpose of this act is to permit the use of hemp-cannabis extract as an alternative treatment for intractable epilepsy, autism, multiple sclerosis, Crohn's disease, Mitochondrial disease, or a medical condition diagnosed by a neurologist for which currently available treatment options have been ineffective.
(c) The General Assembly finds that there are children-individuals in this State suffering from the following conditions for which currently available treatment options have been ineffective: intractable epilepsy, autism, multiple sclerosis, Crohn's disease, Mitochondrial disease, and medical conditions diagnosed by a neurologist for which currently available treatment options have been ineffective. Hemp-cannabis extract shows promise in treating children with intractable epilepsy these chronic conditions.

(1) Caregiver. – An individual that is at least 18 years of age and a resident of North Carolina who is a patient's parent, legal guardian, or custodian of a patient and custodian, or nurse employed by a home health agency licensed under Part 3 of Article 6 of Chapter 131E of the General Statutes, who is registered with the Department of Health and Human Services under G.S. 90-113.102, and who possesses a written statement dated and signed by a neurologist that states all of the following:
   a. The patient has been examined and is under the care of the neurologist or a physician who has consulted with the neurologist about the patient's condition.
   b. The patient suffers from intractable epilepsy, autism, multiple sclerosis, Crohn's disease, Mitochondrial disease, or a medical condition diagnosed by a neurologist for which currently available treatment options have been ineffective.
   c. The patient may benefit from treatment with hemp-cannabis extract.
   d. The patient's condition has not responded to three or more treatment options overseen by the neurologist or by a physician with whom the neurologist has consulted about the patient's condition, or has been diagnosed by a neurologist with a medical condition for which currently available treatment options have been ineffective.
(2) Repealed by Session Laws 2015-154, s. 3, effective July 16, 2015.
(3) Database. – The Intractable Epilepsy—Alternative Treatment database, established by the Department of Health and Human Services pursuant to this Article.
(4) Department. – The Department of Health and Human Services.
(5) Hemp-Cannabis Extract. – An extract from a cannabis plant, as defined in G.S. 90-94.1(a).
(6) Intractable Epilepsy. — A seizure disorder that, as determined by a neurologist, does not respond to three or more treatment options overseen by the neurologist.

(7) Neurologist. — An individual who is licensed under Article 1 of Chapter 90 of the General Statutes, who is board certified in neurology, and is affiliated with the neurology department at one or more hospitals licensed in this State.

(8) Patient. — A person who has been diagnosed by a neurologist with intractable epilepsy, autism, multiple sclerosis, Crohn's disease, or Mitochondrial disease by a neurologist or by a physician with whom the neurologist has consulted about the patient's condition, or has been diagnosed by a neurologist with a medical condition for which currently available treatment options have been ineffective.

(8a) Physician. — An individual who is licensed under Article 1 of Chapter 90 of the General Statutes who is board certified and is affiliated with one or more hospitals licensed in this State.

§ 90-113.102. Intractable Epilepsy Alternative Treatment database; departmental duties.
(a) The Department shall create a secure and electronic Intractable Epilepsy Alternative Treatment database registry for the registration of neurologists, caregivers, and patients as provided by this Article. All caregivers shall be required to register with the Department. Law enforcement agencies are authorized to contact the Department to confirm a caregiver's registration. The database shall consist of the following information to be provided by the caregivers at the time of registration:

<table>
