A county that maintains a county appropriation per student to the school local current expense fund of less than one hundred percent (100%) of the current expense appropriations per student to the school local current expense fund that the county could provide given the county's wealth and an average effort to fund public schools shall receive funding under this section at the same percentage that the county's appropriation per student to the school local current expense fund is of the current expense appropriations per student to the school local current expense fund that the county could provide given the county's wealth and an average effort to fund public schools.

SECTION 7.3.(g) Non-supplant Requirement. – A county in which a local school administrative unit receives funds under this section shall use the funds to supplement local current expense funds and shall not supplant local current expense funds. For the 2019-2021

The State Board of Education shall adopt rules to implement the requirements of this subsection.

SECTION 7.3.(h) Counties Containing a Base of the Armed Forces. – Notwithstanding any other provision of this section, for the 2019-2021 fiscal biennium, counties containing a base of the Armed Forces of the United States that have an average daily membership of more than 17,000 students shall receive whichever is the higher amount in the 2019-2020 and 2020-2021 fiscal years as follows: either the amount of supplemental funding the county received as a low-wealth county in the 2012-2013 fiscal year or the amount of supplemental funding the county is eligible to receive as a low-wealth county pursuant to the formula for distribution of supplemental funding under the other provisions of this section.

(2) If it can be demonstrated that the application of the statewide or regional market rate to a county with fewer than 50 children in each age group is lower than the county market rate and would inhibit the ability of the county to purchase child care for low-income children, then the county market rate may be applied.

SECTION 11B.2.(e) A market rate shall be calculated for child care centers and homes at each rated license level for each county and for each age group or age category of enrollees and shall be representative of fees charged to parents for each age group of enrollees within the county. The Division of Child Development and Early Education shall also calculate a statewide rate and regional market rate for each rated license level for each age category.

SECTION 11B.2.(f) The Division of Child Development and Early Education shall continue implementing policies that improve the quality of child care for subsidized children, including a policy in which child care subsidies are paid, to the extent possible, for child care in the higher quality centers and homes only. The Division shall define higher quality, and subsidy funds shall not be paid for one- or two-star rated facilities. For those counties with an inadequate number of four- and five-star rated facilities, the Division shall continue a transition period that allows the facilities to continue to receive subsidy funds while the facilities work on the increased star ratings. The Division may allow exemptions in counties where there is an inadequate number of four- and five-star rated facilities for non-star rated programs, such as religious programs.

SECTION 11B.2.(g) Facilities licensed pursuant to Article 7 of Chapter 110 of the General Statutes and facilities operated pursuant to G.S. 110-106 may participate in the program that provides for the purchase of care in child care facilities for minor children of needy families. Except as authorized by subsection (f) of this section, no separate licensing requirements shall be used to select facilities to participate. In addition, child care facilities shall be required to meet any additional applicable requirements of federal law or regulations. Child care arrangements exempt from State regulation pursuant to Article 7 of Chapter 110 of the General Statutes shall meet the requirements established by other State law and by the Social Services Commission.

County departments of social services or other local contracting agencies shall not use a provider's failure to comply with requirements in addition to those specified in this subsection as a condition for reducing the provider's subsidized child care rate.

SECTION 11B.2.(h) Payment for subsidized child care services provided with Temporary Assistance for Needy Families Block Grant funds shall comply with all regulations and policies issued by the Division of Child Development and Early Education for the subsidized child care program.

SECTION 11B.2.(i) Noncitizen families who reside in this State legally shall be eligible for child care subsidies if all other conditions of eligibility are met. If all other conditions of eligibility are met, noncitizen families who reside in this State illegally shall be eligible for child care subsidies only if at least one of the following conditions is met:

(1) The child for whom a child care subsidy is sought is receiving child protective services or foster care services.

(2) The child for whom a child care subsidy is sought is developmentally delayed or at risk of being developmentally delayed.
(3) The child for whom a child care subsidy is sought is a citizen of the United States.

SECTION 11B.2.(j) The Department of Health and Human Services, Division of Child Development and Early Education, shall require all county departments of social services to include on any forms used to determine eligibility for child care subsidy whether the family waiting for subsidy is receiving assistance through the NC Pre-K Program or Head Start.

SECTION 11B.2.(k) Department of Defense-certified child care facilities licensed pursuant to G.S. 110-106.2 may participate in the State-subsidized child care program that provides for the purchase of care in child care facilities for minor children in needy families, provided that funds allocated from the State-subsidized child care program to Department of Defense-certified child care facilities shall supplement and not supplant funds allocated in accordance with G.S. 143B-168.15(g). Payment rates and fees for military families who choose Department of Defense-certified child care facilities and who are eligible to receive subsidized child care shall be as set forth in this section.

CHILD CARE ALLOCATION FORMULA

SECTION 11B.3.(a) The Department of Health and Human Services, Division of Child Development and Early Education (Division), shall allocate child care subsidy voucher funds to pay the costs of necessary child care for minor children of needy families. The mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation under G.S. 143B-168.15(g) shall constitute the base amount for each county's child care subsidy allocation. The Department of Health and Human Services shall use the following method when allocating federal and State child care funds, not including the aggregate mandatory thirty percent (30%) North Carolina Partnership for Children, Inc., subsidy allocation:

(1) Funds shall be allocated to a county based upon the projected cost of serving children under age 11 in families with all parents working who earn less than the applicable federal poverty level percentage set forth in Section 11B.2(a) of this act.

(2) The Division may withhold up to two percent (2%) of available funds from the allocation formula for (i) preventing termination of services throughout the fiscal year and (ii) repayment of any federal funds identified by counties as overpayments, including overpayments due to fraud. The Division shall allocate to counties any funds withheld before the end of the fiscal year when the Division determines the funds are not needed for the purposes described in this subdivision. The Division shall submit a report to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division, which report shall include each of the following:

a. The amount of funds used for preventing termination of services and the repayment of any federal funds.

b. The date the remaining funds were distributed to counties.

c. As a result of funds withheld under this subdivision and after funds have been distributed, any counties that did not receive at least the amount the counties received the previous year and the amount by which funds were decreased.

The Division shall submit a report in each year of the 2019-2021 fiscal biennium 30 days after the funds withheld pursuant to this subdivision are distributed but no later than April 1 of each respective year.

(3) The Division shall set aside four percent (4%) of child care subsidy allocations for vulnerable populations, which include a child identified as having special needs and a child whose application for assistance indicates that the child and the child's family is experiencing homelessness or is in a temporary living
situation. A child identified by this subdivision shall be given priority for receiving services until such time as set-aside allocations for vulnerable populations are exhausted.

**SECTION 11B.3.(b)** The Division may reallocate unused child care subsidy voucher funds in order to meet the child care needs of low-income families. Any reallocation of funds shall be based upon the expenditures of all child care subsidy voucher funding, including North Carolina Partnership for Children, Inc., funds within a county. Counties shall manage service levels within the funds allocated to the counties. A county with a spending coefficient over one hundred percent (100%) shall submit a plan to the Division for managing the county's allocation before receiving any reallocated funds.

**SECTION 11B.3.(c)** When implementing the formula under subsection (a) of this section, the Department shall do the following:

1. Implement the final one-third change in a county's allocation beginning fiscal year 2020-2021. A county's initial allocation shall be the county's expenditure in the previous fiscal year or a prorated share of the county's previous fiscal year expenditures if sufficient funds are not available.
2. Effective immediately following the next new decennial census data release, implement (i) one-third of the change in a county's allocation in the year following the data release, (ii) an additional one-third of the change in a county's allocation beginning two years after the initial change under this subdivision, and (iii) the final one-third change in a county's allocation beginning the following two years thereafter.

**SMART START INITIATIVES**

**SECTION 11B.4.(a)** Policies. – The North Carolina Partnership for Children, Inc., and its Board shall ensure policies focus on the North Carolina Partnership for Children, Inc.'s mission of improving child care quality in North Carolina for children from birth to five years of age. North Carolina Partnership for Children, Inc.-funded activities shall include assisting child care facilities with (i) improving quality, including helping one-, two-, and three-star-rated facilities increase their star ratings, and (ii) implementing prekindergarten programs. State funding for local partnerships shall also be used for evidence-based or evidence-informed programs for children from birth to five years of age that do the following:

1. Increase children's literacy.
2. Increase the parents' ability to raise healthy, successful children.
3. Improve children's health.
4. Assist four- and five-star-rated facilities in improving and maintaining quality.

**SECTION 11B.4.(b)** Administration. – Administrative costs shall be equivalent to, on an average statewide basis for all local partnerships, not more than eight percent (8%) of the total statewide allocation to all local partnerships. For purposes of this subsection, administrative costs shall include costs associated with partnership oversight, business and financial management, general accounting, human resources, budgeting, purchasing, contracting, and information systems management. The North Carolina Partnership for Children, Inc., shall continue using a single statewide contract management system that incorporates features of the required standard fiscal accountability plan described in G.S. 143B-168.12(a)(4). All local partnerships are required to participate in the contract management system and, directed by the North Carolina Partnership for Children, Inc., to collaborate, to the fullest extent possible, with other local partnerships to increase efficiency and effectiveness.

**SECTION 11B.4.(c)** Salaries. – The salary schedule developed and implemented by the North Carolina Partnership for Children, Inc., shall set the maximum amount of State funds that may be used for the salary of the Executive Director of the North Carolina Partnership for
Children, Inc., and the directors of the local partnerships. The North Carolina Partnership for Children, Inc., shall base the schedule on the following criteria:

1. The population of the area serviced by a local partnership.
2. The amount of State funds administered.
3. The amount of total funds administered.
4. The professional experience of the individual to be compensated.
5. Any other relevant factors pertaining to salary, as determined by the North Carolina Partnership for Children, Inc.

The salary schedule shall be used only to determine the maximum amount of State funds that may be used for compensation. Nothing in this subsection shall be construed to prohibit a local partnership from using non-State funds to supplement an individual's salary in excess of the amount set by the salary schedule established under this subsection.

SECTION 11B.4.(d) Match Requirements. – The North Carolina Partnership for Children, Inc., and all local partnerships shall, in the aggregate, be required to match one hundred percent (100%) of the total amount budgeted for the program in each fiscal year of the 2019-2021 biennium. Of the funds the North Carolina Partnership for Children, Inc., and the local partnerships are required to match, contributions of cash shall be equal to at least thirteen percent (13%) and in-kind donated resources shall be equal to no more than six percent (6%) for a total match requirement of nineteen percent (19%) for each year of the 2019-2021 fiscal biennium. The North Carolina Partnership for Children, Inc., may carry forward any amount in excess of the required match for a fiscal year in order to meet the match requirement of the succeeding fiscal year. Only in-kind contributions that are quantifiable shall be applied to the in-kind match requirement. Volunteer services may be treated as an in-kind contribution for the purpose of the match requirement of this subsection. Volunteer services that qualify as professional services shall be valued at the fair market value of those services. All other volunteer service hours shall be valued at the statewide average wage rate as calculated from data compiled by the Division of Employment Security of the Department of Commerce in the Employment and Wages in North Carolina Annual Report for the most recent period for which data are available. Expenses, including both those paid by cash and in-kind contributions, incurred by other participating non-State entities contracting with the North Carolina Partnership for Children, Inc., or the local partnerships also may be considered resources available to meet the required private match. In order to qualify to meet the required private match, the expenses shall:

1. Be verifiable from the contractor's records.
2. If in-kind, other than volunteer services, be quantifiable in accordance with generally accepted accounting principles for nonprofit organizations.
3. Not include expenses funded by State funds.
4. Be supplemental to and not supplant preexisting resources for related program activities.
5. Be incurred as a direct result of the Early Childhood Initiatives Program and be necessary and reasonable for the proper and efficient accomplishment of the Program's objectives.
6. Be otherwise allowable under federal or State law.
7. Be required and described in the contractual agreements approved by the North Carolina Partnership for Children, Inc., or the local partnership.
8. Be reported to the North Carolina Partnership for Children, Inc., or the local partnership by the contractor in the same manner as reimbursable expenses.

Failure to obtain a nineteen-percent (19%) match by June 30 of each year of the 2019-2021 fiscal biennium shall result in a dollar-for-dollar reduction in the appropriation for the Program for a subsequent fiscal year. The North Carolina Partnership for Children, Inc., shall be responsible for compiling information on the private cash and in-kind contributions into a report that is submitted to the Joint Legislative Oversight Committee on Health and Human Services in
a format that allows verification by the Department of Revenue. The same match requirements shall apply to any expansion funds appropriated by the General Assembly.

**SECTION 11B.4.(e) Bidding.** – The North Carolina Partnership for Children, Inc., and all local partnerships shall use competitive bidding practices in contracting for goods and services on contract amounts as follows:

1. For amounts of five thousand dollars ($5,000) or less, the procedures specified by a written policy as developed by the Board of Directors of the North Carolina Partnership for Children, Inc.

4. For amounts of forty thousand dollars ($40,000) or more, a request for proposal process and advertising in a major newspaper.

**SECTION 11B.4.(f) Allocations.** – The North Carolina Partnership for Children, Inc., shall not reduce the allocation for counties with less than 35,000 in population below the 2012-2013 funding level.

**SECTION 11B.4.(g) Performance-Based Evaluation.** – The Department of Health and Human Services shall continue to implement the performance-based evaluation system.

**SECTION 11B.4.(h) Expenditure Restrictions.** – The Department of Health and Human Services and the North Carolina Partnership for Children, Inc., shall ensure that the allocation of funds for Early Childhood Education and Development Initiatives for the 2019-2021 fiscal biennium shall be administered and distributed in the following manner:

1. Capital expenditures are prohibited for the 2019-2021 fiscal biennium. For the purposes of this section, "capital expenditures" means expenditures for capital improvements as defined in G.S. 143C-1-1(d)(5).
2. Expenditures of State funds for advertising and promotional activities are prohibited for the 2019-2021 fiscal biennium.

For the 2019-2021 fiscal biennium, local partnerships shall not spend any State funds on marketing campaigns, advertising, or any associated materials. Local partnerships may spend any private funds the local partnerships receive on those activities.

**SMART START HOME VISITING PROGRAMS**

**SECTION 11B.5.** Funds allocated to the North Carolina Partnership for Children, Inc., from the Department of Health and Human Services, shall be used for evidence-based, family strengthening and home visiting programs and other early childhood initiatives. **SECTION 11C.1.(a) G.S. 122C-80 reads as rewritten:**

"§ 122C-80. Criminal history record check required for certain applicants for employment."

(a) Definition. – As used in this section, the term "provider" applies to an area authority/county program and any provider of mental health, developmental disability, and substance abuse services that is licensable under Article 2 of this Chapter.

(b) Requirement. – An offer of employment by a provider licensed under this Chapter to an applicant to fill a position that does not require the applicant to have an occupational license is conditioned on consent to a State and national criminal history record check of the applicant.
If the applicant has been a resident of this State for less than five years, then the offer of employment is conditioned on consent to a State and national criminal history record check of the applicant. The national criminal history record check shall include a check of the applicant's fingerprints. If the applicant has been a resident of this State for five years or more, then the offer is conditioned on consent to a State criminal history record check of the applicant. A provider shall not employ an applicant who refuses to consent to a criminal history record check required by this section. Notwithstanding G.S. 143B-939, the Department of Public Safety shall return the results of national criminal history record checks for employment positions not covered by Public Law 105-277 to the Department of Health and Human Services, Criminal Records Check Unit. Within five business days of receipt of the national criminal history of the person, the Department of Health and Human Services, Criminal Records Check Unit, shall notify the provider as to whether the information received may affect the employability of the applicant. In no case shall the results of the national criminal history record check be shared with the provider. Providers shall make available to the Department of Health and Human Services upon request verification that a criminal history check has been completed on any staff covered by this section. A county that has adopted an appropriate local ordinance and has access to the Department of Public Safety data bank may conduct on behalf of a provider a State criminal history record check required by this section without the provider having to submit a request to the Department of Justice. In such a case, the county shall commence with the State criminal history record check required by this section within five business days of the conditional offer of employment by the provider. All criminal history information received by the provider is confidential and may not be disclosed, except to the applicant as provided in subsection (c) of this section. For purposes of this subsection, the term "private entity" means a business regularly engaged in conducting criminal history record checks utilizing public records obtained from a State agency.

The Department shall ensure that, as of the effective date of this Article, all individuals required to be checked by this subsection are checked for county, state, and federal criminal histories.

The child-caring institution may share the results of the criminal history check with the Department of Health and Human Services, but otherwise shall keep the results confidential.

SECTION 11C.2.(e) In the event that departmental projections of Work First Family Assistance and Work First Diversion Assistance for the 2019-2020 fiscal year or the 2020-2021 fiscal year indicate that remaining funds are insufficient for Work First Family Assistance and Work First Diversion Assistance payments to be made on behalf of Standard Counties, the Department is authorized to reallocate funds, of those allocated to Electing Counties for Work First Family Assistance in excess of the sums set forth in G.S. 108A-27.11, up to the requisite amount for payments in Standard Counties. This requirement shall not be construed to require LME/MCOs to authorize or maintain the same level of services for any specific individual whose services were...
paid for with single-stream funding. Further, this requirement shall not be construed to create a private right of action for any person or entity against the State of North Carolina or the Department of Health and Human Services or any of its divisions, agents, or contractors and shall not be used as authority in any contested case brought pursuant to Chapter 108C or 108D of the General Statutes.

The Department shall continue to submit these reports to the Joint Legislative Oversight Committee on Health and Human Services and the Fiscal Research Division on a quarterly basis.

In addition, at the discretion of the Secretary of Health and Human Services, existing funds allocated to
LME/MCOs for community-based mental health, developmental disabilities, and substance abuse services may be used to purchase additional local inpatient psychiatric beds or bed days. SECTION 11H.9.(g) Chapter 108D of the General Statutes is amended by adding a new section to read:

"§ 108D-4. Disenrollment from Prepaid Health Plans.

(a) Generally. — An enrollee, or authorized representative, may submit an oral or written request for disenrollment from the PHP to the enrollment broker. A PHP may submit a written request for disenrollment of an enrollee from the PHP in accordance with subsection (d) of this section. Nothing in this section shall be construed to exclude a Medicaid or NC Health Choice beneficiary who is otherwise required to enroll in the Managed Care program pursuant to Session Law 2015-245, as amended, from enrolling in a PHP or to require a beneficiary who is otherwise exempt from enrollment in the Managed Care program from disenrolling from a PHP and receiving services through the Fee-For-Service program.

(b) Without Cause Requests for Disenrollment. — Enrollees who are (i) enrolled in the foster care system, (ii) enrolled in Medicaid under the former foster care eligibility category, (iii) receiving Title IV-E Adoption Assistance, (iv) members of federally recognized tribes, or (v) receiving long-term services and supports in institutional or community-based settings may disenroll from a PHP without cause at any time. All other enrollees may only disenroll from a PHP without cause at the following times:

1. As specified in 42 C.F.R. § 438.56(c)(2).
2. If an enrollee does not receive a timely eligibility decision at annual redetermination, during the period when the redetermination decision is delayed.

(c) With Cause Requests for Disenrollment. — An enrollee, or authorized representative, may submit a with cause request to disenroll from a PHP at any time. The following shall constitute with cause reasons for disenrollment from a PHP:

1. The enrollee moves out of the PHP's service region.
2. The PHP does not, because of moral or religious objections, cover the service the enrollee seeks.
3. The enrollee needs concurrent, related services that are not all available within the PHP's provider network, and the enrollee's provider determines receiving services separately would subject the enrollee to unnecessary risk.
4. For enrollees that use long-term services and supports, the enrollee would have to change their residential, institutional, or employment supports provider based on that provider's change in status from an in-network to an out-of-network provider with the PHP and, as a result, would experience a disruption in their residence or employment.
5. The enrollee's complex medical conditions would be better served under a different PHP or different Medicaid delivery system. For purposes of this section, an enrollee is considered to have a "complex medical condition" if the condition could seriously jeopardize the enrollee's life or health or ability to attain, maintain, or regain maximum function.
6. A family member becomes newly eligible or redetermined eligible and is enrolled in or chooses a different PHP.
7. Poor performance by the PHP, as determined by the Department, after evaluation of PHP performance.
(8) Other reasons, including poor quality of care, lack of access to covered services, or lack of access to providers experienced in dealing with the enrollee’s health care needs.

(d) PHP Requests for Disenrollment. – A PHP shall not request disenrollment of an enrollee for any reason prohibited by 42 C.F.R. § 438.56(b)(2). PHPs may request disenrollment of an enrollee only if:

(1) The enrollee’s behavior seriously hinders the PHP’s ability to care for the enrollee or other enrollees of the PHP; and

(2) The PHP has documented efforts to resolve the issues that form the basis of the request for disenrollment with the enrollee.

(e) Expedited Requests for Disenrollment. – Enrollees, or authorized representatives, may submit an expedited request for disenrollment when the enrollee has an urgent medical need that requires disenrollment from the PHP. For purposes of this subsection, an urgent medical need means that continued enrollment in the PHP could jeopardize the enrollee's life, physical or mental health, or ability to attain, maintain, or regain maximum function. The Department shall issue a written notice approving or denying an expedited request within three days of receipt of the request.

(f) Notice. – Within seven days of filing the disenrollment request, the enrollee and all other affected parties shall receive a written notice of resolution approving or denying the request, except for expedited disenrollment requests which shall be governed by subsection (e) of this section. In the same mailing as the notice of resolution, the enrollee will be provided an appeal request form that complies with G.S. 108A-15(f), except that the timeframe for an enrollee to file an appeal shall be governed by subsection (g) of this section.

(g) Appeals. – Enrollees, or authorized representatives, dissatisfied with an adverse disenrollment decision may file an appeal for a hearing with the Office of Administrative Hearings within 30 days of the date on the notice of resolution. A request for a hearing to appeal an adverse disenrollment determination of the Department under this section is a contested case subject to the provisions of Article 3 of Chapter 150B of the General Statutes. Notwithstanding any other provision of law to the contrary, an appeal by a Medicaid or NC Health Choice enrollee of an adverse disenrollment determination shall be governed by the provisions of this section and G.S. 108A-70.9B.

(h) Jurisdiction of the Office of Administrative Hearings. – The Office of Administrative Hearings does not have jurisdiction over a dispute concerning an adverse disenrollment determination, except as expressly set forth in this section and G.S. 108A-70.9B.

(i) Parties. – The Department shall be the respondent for purposes of this appeal.

(j) Nothing in this section shall be construed to limit or prevent the Department from disenrolling an enrollee from a PHP.”

(a) Review of Health Services Decisions Made by a PHP. – In accordance with 42 C.F.R. §§ 457.1260 and 457.1130(b), a NC Health Choice beneficiary enrolled in a PHP may seek review of any delay, denial, reduction, suspension, or termination of health services, in whole or in part, including a determination about the type or level of services in accordance with the provisions of this Chapter or any decision under NC Health Choice that meets the definition of an adverse benefit determination as defined by 42 C.F.R. § 438.400(b). Nothing is this Chapter shall be construed to grant a NC Health Choice enrollee benefits in excess of what is required by G.S. 108A-70.21.

(b) Review of Health Services Decisions Pursuant to Programmatic Changes. – Notwithstanding subsection (a) of this section and in accordance with 42 C.F.R. § 457.1130(c), the appeals process set forth in this Chapter shall not apply to instances in which the sole basis
for the PHP's decision is a provision in the State plan or in federal or State law requiring an automatic change in coverage under the health benefits package that affects all enrollees or a group of enrollees without regard to their individual circumstances."

The Department shall provide a new sample to the provider within 30 days from the date of receipt of a provider's request. The provider shall have 60 days from receipt of the new sample to conduct the audit and provide the results to the Department. No extrapolated audit shall include claims that were paid more than 36 months prior to the date of the notice of the audit.

(r) At least annually, the Department shall publish notice of the intention to use audits that result in extrapolation of results upon its Web site. Such notice shall include the services, provider types, audit elements, and the time periods subject to audit.

respectively, of this Chapter.

(b) Tax Base. –

(1) Insurers. – The tax imposed by this section on an insurer or a health
maintenance organization shall be measured by gross premiums from business

corporation shall be measured by gross collections from membership dues,
exclusive of receipts from cost plus plans, received by the corporation during
the preceding calendar year.

(4) Self-insurers. – The tax imposed by this section on a self-insurer shall be
measured by the gross premiums that would be charged against the same or
most similar industry or business, taken from the manual insurance rate then
in force in this State, applied to the self-insurer's payroll for the previous
calendar year as determined under Article 36 of Chapter 58 of the General
Statutes modified by the self-insurer's approved experience modifier.

(5) Prepaid Health Plans. – The tax imposed by this section on a Prepaid Health
Plan shall be measured by gross capitation payments received by the Prepaid
Health Plan from the Department of Health and Human Services for services
provided to enrollees in the State Medicaid program or NC Health Choice

(b1) Calculation of Tax Base. – In determining the amount of gross premiums from
business in this State, all gross premiums received in this State, credited to policies written or
procured in this State, or derived from business written in this State shall be deemed to be for
contracts covering persons, property, or risks resident or located in this State unless one of the
following applies:

(1) The premiums are properly reported and properly allocated as being received
from business done in some other nation, territory, state, or states.

service who pay premiums by assignment of service pay.

Gross premiums from business done in this State in the case of life insurance contracts,
including supplemental contracts providing for disability benefits, accidental death benefits, or

insured, premium payer, beneficiary or estate. Gross premiums shall be deemed to have been
collected for the amounts as provided in the policy contracts for the time in force during the year,
whether satisfied by cash payment, notes, loans, automatic premium loans, applied dividend, or

premium in case of disability.

Gross premiums from business done in this State in the case of Prepaid Health Plans means
all capitation payments received by a Prepaid Health Plan from the Department of Health and
Human Services for services provided to enrollees in the State Medicaid program or NC Health
Choice program in the calendar year. Capitation payments refunded by a Prepaid Health Plan to
the State are the only allowable deductions.

Gross premiums from business done in this State for all other health care plans and contracts
of insurance, including contracts of insurance required to be carried by the Workers' Compensa-tion
Act, means all premiums written during the calendar year, or the equivalent thereof in the case of self-insurers under the Workers' Compensation Act, for contracts covering
property or risks in this State, other than for contracts of reinsurance, whether the premiums are
designated as premiums, deposits, premium deposits, policy fees, membership fees, or
assessments. Gross premiums shall be deemed to have been written for the amounts as provided
in the policy contracts, new and renewal, becoming effective during the year irrespective of the
time or method of making payment or settlement for the premiums, and with no deduction for
dividends whether returned in cash or allowed in payment or reduction of premiums or for
additional insurance, and without any other deduction except for return of premiums, deposits,
fees, or assessments for adjustment of policy rates or for cancellation or surrender of policies.

insurance contracts for property coverage. The tax is imposed on ten percent
(10%) of the gross premiums from insurance contracts for automobile
physical damage coverage and on one hundred percent (100%) of the gross
premiums from all other contracts for property coverage. Twenty percent
(20%) of the net proceeds of this additional tax must be credited to the
Volunteer Fire Department Fund established in Article 87 of Chapter 58 of
the General Statutes. Twenty percent (20%) of the net proceeds must be
credited to the Department of Insurance for disbursement pursuant to

G.S. 58-87-10(f), must be credited to the Workers’ Compensation Fund. The

exclusive of receipts from cost plus plans collected in this State during the preceding calendar
year. The taxes imposed by this section shall be remitted to the Secretary with the report.

(33 1/3%) of the premium tax liability incurred in the immediately preceding taxable year. The
quarterly installment payments shall be made on or before April 15, June 15, and October 15 of
each taxable year. The company taxpayer shall remit the balance by the following March 15 in
the same manner provided in this section for annual returns.

required estimated payment when the insurer or Prepaid Health Plan reasonably believes that the
total estimated payments made for the current year will exceed the total anticipated tax liability
for the year.

An underpayment or an overpayment of an installment payment required by this subsection
accrues interest in accordance with G.S. 105-241.21. An overpayment of tax shall be credited to
the company taxpayer and applied against the taxes imposed upon the company taxpayer under
this Article.

(a) Annual Calculation. – The Secretary must annually calculate the equity supplemental assessment amount and the UPL base assessment amount for each hospital subject to the respective assessment. Each assessment must comply with applicable federal regulations and may be prorated for any partial year. The Secretary must notify each hospital that is assessed the amount of its UPL base assessment and, if applicable, its equity supplemental assessment. The notice must include all of the following:

(1) The applicable assessment rates.
(2) The hospital costs on which the hospital's assessments are based.
(3) The elements of the calculation of the hospital's UPL quarterly amounts of the calculated annual payments.

(b) Equity Supplemental Assessment. – The equity supplemental assessment consists of both inpatient and outpatient components. The equity assessment percentage rate must be calculated to produce an aggregate annual amount equal to the following: shall be a percentage of total hospital cost for both inpatient and outpatient components. The rate of the supplemental assessment shall be published on the Department's Web site at least thirty calendar days prior to its intended effective date.

(1) The amount needed to make the Medicaid equity payments under G.S. 108A-124. Initial assessment. – For the first fiscal year, or remaining portion thereof, after the amendments to this Section become effective, the initial assessment shall be the percentage of total costs as calculated by the Department and approved by CMS for the base year's equity payments pursuant to the version of this Article in effect immediately prior to the effective date of the amendments to this Section.

(2) The applicable portion of the State's annual Medicaid payment, as provided in subsection (d) of this section. Future assessments. – For future fiscal years, the Department shall update the supplemental assessment rate no more than quarterly and no less than annually to take into account the following factors:

(a) The change in aggregate payments for Medicaid and NC Health Choice enrollees to hospitals subject to the supplemental assessment excluding hospital access payments made under 42 C.F.R. § 438.6, as demonstrated in data from Prepaid Health Plans and the State; and

(b) Any changes in the federal matching rate applicable to the Medicaid or NC Health Choice programs.

(c) UPL Base Assessment. – The UPL base assessment consists of both inpatient and outpatient components. The UPL assessment percentage rate must be calculated to produce an aggregate annual amount equal to the following: shall be a percentage of total hospital costs for both inpatient and outpatient components. The rate of the base assessment shall be published on the Department's website at least thirty calendar days prior to its intended effective date.

(1) The amount needed to make the UPL payments under G.S. 108A-124. Initial assessment. – For the first fiscal year, or remaining portion thereof, after the amendments to this Section become effective, the initial assessment shall be the percentage of total costs as calculated by the Department and approved by CMS for the base year's UPL payments pursuant to the version of this Article in effect immediately prior to the effective date of the amendments to this Section. The assessment amount shall be adjusted to account for any changes in reimbursement under the State Plan, managed care payments authorized under 42 C.F.R. § 438.6 of which the nonfederal share is not funded by...
General Fund appropriations, the NC Health Choice Program, and the annual State Medicaid payment.

(2) The applicable portion of the State’s annual Medicaid payment, as provided in subsection (d) of this section.

Future assessment. – Beginning the second fiscal year that Prepaid Health Plans provide coverage to Medicaid and NC Health Choice recipients and for all subsequent fiscal years, the base assessment rate will be updated no more than quarterly and no less than annually to take into account the following factors:

(a) The amount of the State Medicaid payment for the applicable year;
(b) The change in aggregate payments for Medicaid and NC Health Choice enrollees subject to the base assessment, excluding hospital access payments made under 42 C.F.R. § 438.6, as demonstrated in data from Prepaid Health Plans and the State;
(c) Any changes in the federal matching rate applicable to the Medicaid or NC Health Choice programs; and
(d) Any changes in reimbursement under the State Plan, managed care payments authorized under 42 C.F.R. § 438.6 of which the nonfederal share is not funded by General Fund appropriations, the NC Health Choice Program, and the annual State Medicaid payment.

(a) Assessment imposed. – All hospitals licensed in the State of North Carolina are subject to an additional assessment under this Section.

(b) Calculation and Notice. – The Department of Health and Human Services shall calculate quarterly the rate of the assessment by dividing the total nonfederal share of service and administrative costs of expanding Medicaid coverage to individuals at or below one hundred thirty-eight percent (138%) of the federal poverty level, minus any revenue collected from premium taxes on prepaid health plan coverage for individuals in the coverage gap by the aggregate hospital inpatient and outpatient costs of all hospitals licensed in the State of North Carolina. Such rate shall apply equally to inpatient and outpatient costs. The Secretary shall notify each hospital that is assessed of the following:

(1) The total nonfederal share of service and administrative costs of expanding Medicaid coverage to individuals at or below one hundred thirty-eight percent (138%) of the federal poverty level for the applicable time period.
(2) The rate of the assessment.
(3) The amount assessed to the hospital.

(c) Appeal. – A hospital may appeal an assessment determination through a reconsideration review. The pendency of an appeal does not relieve a hospital from its obligation to pay an assessment amount when due.

(d) Adjustments to assessment. – To the extent that the amount collected under this section is above or below the amounts needed to fund the service and administrative costs of expanding Medicaid coverage to individuals at or below one hundred thirty-eight percent (138%) of the federal poverty level, the assessment for the future quarter shall be adjusted to account for any overage or shortfall.

(a) Use. – The proceeds of the assessments imposed under this Article and all corresponding matching federal funds must be used to make the State annual Medicaid payment to the State and the Medicaid equity payments and UPL payments to hospitals, to fund payments to hospitals made directly by the Department and to fund a portion of capitation payments to Prepaid Health Plans attributable to hospital care and to fund the nonfederal share of any expenditures associated with expanding Medicaid coverage to individuals at or below one
hundred thirty-eight (138%) of the federal poverty level and to fund the nonfederal share of Graduate Medical Education payments.

(b) Quarterly Payments.—Within seven business days following the due date for each quarterly assessment imposed under G.S. 108A-123, the Secretary must do the following:

(1) Pay to each hospital that has paid its equity assessment for the respective quarter twenty-five percent (25%) of its Medicaid equity payment amount. A hospital’s Medicaid equity payment amount is the sum of the hospital’s Medicaid inpatient and outpatient deficits after calculating all other Medicaid payments, excluding disproportionate share hospital payments and the UPL payment remitted to the hospital under subdivision (2) of this subsection.

(2) Pay to the primary affiliated teaching hospital for the East Carolina University Brody School of Medicine, to the critical access hospitals, and to each hospital that has paid its UPL assessment for the respective quarter twenty-five percent (25%) of its UPL payment amount, as determined under subsection (c) of this section.

(3) Pay to the primary affiliated teaching hospital for the East Carolina University Brody School of Medicine, to the critical access hospitals, and to each hospital that has paid its UPL assessment for the respective quarter twenty-five percent (25%) of its UPL payment amount, as determined under subsection (c) of this section.

(c) UPL Payment Amount.—The aggregate UPL payments made to eligible hospitals that are public hospitals is the sum of the UPL gaps for all public hospitals. The aggregate UPL payments made to eligible hospitals that are not public hospitals is the sum of the UPL gaps for these hospitals. UPL payments are payable to the individual hospitals in the ratio of each hospital’s Medicaid inpatient costs to the total Medicaid inpatient costs for the respective group.

(d) Refund of Assessment.—If all or any part of a payment required to be made under this section is not made to one or more hospitals when due, the Secretary must promptly refund to each such hospital the corresponding assessment proceeds collected in proportion to the amount of assessment paid by that hospital.

§ 108A-126. Approval of assessment program.

The Department must file a State plan amendment or other necessary documents with the CMS that incorporates the assessment payments and distributions consistent with the provisions of this Article. Upon CMS approval, the Secretary may impose the initial assessment retroactive to the first day of the quarter in which the State Plan amended was filed, provided the Secretary remits the corresponding payments to hospitals required under G.S. 108A-124 for that quarter effective date of the State plan amendment or waiver. If CMS approves only one component of the equity assessment, assessments imposed under this Article, the Secretary may adjust the percentage rate on the approved component to produce the required aggregate Medicaid equity payment amounts under G.S. 108A-124. If CMS approves only one component of the UPL assessment, the Secretary may adjust the percentage rate on the approved component to produce the required aggregate UPL payment amounts under G.S. 108A-124. The Secretary may adopt rules as necessary to implement the assessment program under this Article.

The authority to impose an assessment under this Article is repealed in the event that CMS determines that the assessment or payment methodologies described in this Article are impermissible or CMS revokes approval of any portion of the State Plan amendment or waiver authorizing the payments required under G.S. 108A-124.

§ 108A-128. Payment for providers formerly subject to this Article.

If a hospital provider (i) is exempt from both the equity-base and UPL-supplement assessments under this Article, (ii) makes an intergovernmental transfer (IGT) to the Department...
of Health and Human Services to be used to draw down matching federal funds, and (iii) has acquired, merged, leased, or managed another provider on or after March 25, 2011, then the hospital provider shall transfer to the State an additional amount, which shall be retained by the State. The additional amount shall be a percentage of the amount of funds that (i) would be transferred to the State through such an IGT and (ii) are to be used to match additional federal funds that the hospital provider is able to receive because of the acquired, merged, leased, or managed provider. That percentage shall be the same percentage provided in the definition of "State's annual Medicaid payment" under G.S. 108A-121, calculated by dividing the amount of the State's annual Medicaid payment by the total amount collected under the base assessment program authorized by this Article."

SECTION 11H.19.(c) The addition of Section 108A-123.1 to Article 7 of the General Statutes is effective July 1, 2019.

SECTION 11H.19.(d) Effective October 1, 2019, Section 12H.12.(b) of S.L. 2014-100 is repealed for dates of service occurring on or after October 1, 2019.

a. The proceeds of public improvement bonds and notes, including premium thereon, if any, for public instruction for public schools capital assistance, as provided in subdivision (1) of this subsection, shall be allocated as follows:

1. One billion ($1,000,000,000) of such proceeds shall be allocated equally to each county. Each county’s allocation shall be distributed to the local school administrative units located in whole or in part in the county based on the average daily membership of the county’s students in the school units.
2. Two hundred fifty million ($250,000,000) of such proceeds shall be allocated among local school administrative units located in counties whose wealth is less than the State average wealth. The allocation shall have a numerator of the 2018-2019 low wealth allotment specific to that local school administrative unit with a denominator of the total 2018-2019 low wealth allotment, and then multiplied by the total allocation in this sub-division.

3. Seven hundred fifty million ($750,000,000) of such proceeds shall be allocated among local school administrative units by on the basis of average daily membership for Fiscal Year 2018-2019 where the numerator is average daily membership for the local administrative unit and the denominator is the total average daily membership for the state for FY 2018-2019.

4. Bond proceeds for a county for any designation require no local match if any portion of the proceeds results from a low-wealth county receiving funds in sub subdivision 2. Any other county receiving bond proceeds allocated shall provide local matching funds from county funds, other non-State funds, or a combination of these sources for such proceeds. The amount of matching funds shall be (i) one dollar ($1.00) of local matching funds for every three dollars ($3.00) of such proceeds for a local school administrative unit located in a county that is a development tier one area, as defined in G.S. 143B-437.08, (ii) one dollar ($1.00) of local matching funds for every two dollars ($2.00) of such proceeds for a local school administrative unit located in a county that is a development tier two area, as defined in G.S. 143B-437.08, and (iii) one dollar ($1.00) of local matching funds for every one dollar ($1.00) of such proceeds for a local school administrative unit located in a county that is a development tier three area, as defined in G.S. 143B-437.08. The match requirement may be satisfied by non-State expenditures for public school facilities made on or after January 1, 2015. If a debt has been incurred since January 1, 2015, for the general purpose of public school facilities, then the face amount of the debt shall be considered as a non-State expenditure for public school facilities for the purpose of the match. No other expenditures made or debts incurred before January 1, 2015, may be used to satisfy the match requirement. As counties satisfy the match requirements of this subsection, they shall document the extent to which they have done so in periodic reports to the State Board of Education. These reports shall include any information and documentation required by the State Board of Education. The State Board of Education shall certify to the State Treasurer from time to time the extent to which the match requirements of this subsection have been met with respect to each county. Bond proceeds shall be distributed for expenditure only as, and to the extent, the matching requirement of this section are satisfied, as certified by the State Board of Education. also require counties to report annually on the impact of funds
provided under this act on the property tax rate for that year.
These reports shall be public documents and shall be furnished
to any citizen upon request. If the State Board of Education
determines that a county has not met the matching requirement
set forth in this sub-subdivision by January 1, 2026, the State
Board of Education shall certify that fact to the State Treasurer
by March 1, 2026. The State Board of Education shall
reallocated unmatched funds in the following manner:

reallocated to local administrative units receiving funds
under sub subdivision (1) for which the State Board of

under sub subdivision (2) for which the State Board of
Educated has certified matching funds.

(iii) Proceeds allocated under sub subdivision (2) shall be
reallocated to local administrative units receiving funds
under sub subdivision (2) for which the State Board of
Educated has certified matching funds.

acquisition, reconstruction, enlargement, renovation,
or replacement of buildings and other structures, and

(4) Notes; repayment. –

a. By and with the consent of the Council of State, the State Treasurer is
hereby authorized to borrow money and to execute and issue notes of
the State for the same, but only in the following circumstances and
under the following conditions:

1. For anticipating the sale of bonds, the issuance of which the
Council of State has approved, if the State Treasurer considers
it advisable to postpone the issuance of the bonds;

2. For the payment of interest on or any installment of principal
of any bonds then outstanding, if there are not sufficient funds
in the State treasury with which to pay the interest or
installment of principal as they respectively become due;

3. For the renewal of any loan evidenced by notes authorized in
this section;

4. For the purposes authorized in this section; and

5. For refunding bonds or notes as authorized in this section.

b. Funds derived from the sale of bonds or notes may be used in the
payment of any bond anticipation notes issued under this section.
Funds provided by the General Assembly for the payment of interest
on or principal of bonds shall be used in paying the interest on or
principal of any notes and any renewals thereof, the proceeds of which
shall have been used in paying interest on or principal of the bonds.

(5) Refunding bonds and notes. – By and with the consent of the Council of State,
the State Treasurer is authorized to issue and sell refunding bonds and notes
pursuant to the provisions of the State Refunding Bond Act for the purpose of
refunding bonds or notes issued pursuant to this section. The refunding bonds
and notes may be combined with any other issues of State bonds and notes
similarly secured. Refunding bonds or notes may be issued at any time prior
to the final maturity of the debt obligation to be refunded. The proceeds from
the sale of any refunding bonds or notes shall be applied to the immediate
payment and retirement of the bonds or notes being refunded or, if not required
for the immediate payment of the bonds or notes being refunded, the proceeds
shall be deposited in trust to provide for the payment and retirement of the
bonds or notes being refunded and to pay any expenses incurred in connection
with the refunding. Money in a trust fund may be invested in (i) direct
obligations of the United States government, (ii) obligations the principal of
and interest on which are guaranteed by the United States government, (iii)
obligations of any agency or instrumentality of the United States government
if the timely payment of principal and interest on the obligations is
unconditionally guaranteed by the United States government, or (iv)
certificates of deposit issued by a bank or trust company located in the State
if the certificates are secured by a pledge of any of the obligations described
in (i), (ii), or (iii) above having an aggregate market value, exclusive of
accrued interest, equal at least to the principal amount of the certificates so
secured. This section does not limit the duration of any deposit in trust for the
retirement of bonds or notes being refunded but that have not matured and are
not presently redeemable, or if presently redeemable, have not been called for
redemption.

(6) Tax exemption. – Bonds and notes shall at all times be free from taxation by
the State or any political subdivision or any of their agencies, excepting estate,
inheritance, or gift taxes, income taxes on the gain from the transfer of bonds
or notes, and franchise taxes. The interest on bonds or notes is not subject to
taxation as income.

(7) Investment eligibility. – Bonds and notes are securities in which all of the
following may invest, including capital in their control or belonging to them:
public officers, agencies, and public bodies of the State and its political
subdivisions, all insurance companies, trust companies, investment
companies, banks, savings banks, savings and loan associations, credit unions,
pension or retirement funds, other financial institutions engaged in business
in the State, executors, administrators, trustees, and other fiduciaries. Bonds
and notes are hereby made securities which may properly and legally be
deposited with and received by any officer or agency of the State or political
subdivision of the State for any purpose for which the deposit of bonds, notes,
or obligations of the State or any political subdivision is now or may hereafter
be authorized by law.

(8) Faith and credit. – The faith and credit and taxing power of the State are hereby
pledged for the payment of the principal of and the interest on bonds and notes.
The State expressly reserves the right to amend any provision of this section
to the extent it does not impair any contractual right of a bond owner.

(9) Other agreements. – The State Treasurer may authorize, execute, obtain, or
otherwise provide for bond insurance, investment contracts, credit and
liquidity facilities, interest-rate swap agreements and other derivative
products, and any other related instruments and matters the State Treasurer
determines are desirable in connection with issuance, incurrence, carrying, or
securing of bonds or notes. The State Treasurer is authorized to employ and
designate any financial consultants, underwriters, and bond attorneys to be
associated with any bond or note issue under this section as the State Treasurer
considers necessary.

SECTION 36.13.(j) Variable Rate Demand Bonds and Notes. – In fixing the details
of bonds and notes, the State Treasurer may provide that any of the bonds or notes may:

(1) Be made payable from time to time on demand or tender for purchase by the
owner, if a credit facility supports the bonds or notes, unless the State
Treasurer specifically determines that a credit facility is not required upon a
finding and determination by the State Treasurer that the absence of a credit
facility will not materially and adversely affect the financial position of the
State and the marketing of the bonds or notes at a reasonable interest cost to
the State;

(2) Be additionally supported by a credit facility;

(3) Be made subject to redemption or a mandatory tender for purchase prior to
maturity;

(4) Bear interest at a rate or rates that may vary for any period of time, as may be
provided in the proceedings providing for the issuance of the bonds or notes,
including, without limitation, such variations as may be permitted pursuant to
a par formula; and
(5) Be made the subject of a remarketing agreement whereby an attempt is made
to remarket bonds or notes to new purchasers prior to their presentment for
payment to the provider of the credit facility or to the State.
If the aggregate principal amount payable by the State under a credit facility is in
excess of the aggregate principal amount of bonds or notes secured by the credit facility, whether
as a result of the inclusion in the credit facility of a provision for the payment of interest for a
limited period of time or the payment of a redemption premium or for any other reason, then the
amount of authorized but unissued bonds or notes during the term of such credit facility shall not
be less than the amount of such excess, unless the payment of such excess is otherwise provided
for by agreement of the State executed by the State Treasurer.

SECTION 36.13.(k) Interpretation of Section. –
(1) Additional method. – The foregoing subsections of this section shall be
deaed to provide an additional and alternative method for the doing of the
things authorized under it and shall be regarded as supplemental and
additional to powers conferred by other laws and shall not be regarded as in
derogation of any powers now existing.
(2) Statutory references. – References in this section to specific sections or
Chapters of the General Statutes or to specific acts are intended to be
references to such sections, Chapters, or acts as they may be amended from
time to time by the General Assembly.
(3) Broad construction. – This section, being necessary for the health and welfare
of the people of the State, shall be broadly construed to effect the purposes
thereof.
(4) Inconsistent provisions. – Insofar as the provisions of this section are
inconsistent with the provisions of any general, special, or local laws, or parts
thereof, the provisions of this section shall be controlling.
(5) Severability. – If any provision of this section or the application thereof to any
person or circumstance is held invalid, such invalidity shall not affect other
provisions or applications of the section which can be given effect without the
invalid provision or application, and to this end the provisions of this section
are declared to be severable.

SECTION 36.13.(l) This section is effective when it becomes law.

PART XXXVII. DEPARTMENT OF INFORMATION TECHNOLOGY

GROWING RURAL ECONOMIES WITH ACCESS TO TECHNOLOGY PROGRAM
MODIFICATION

SECTION 37.1.(a) G.S. 143B-1373 reads as rewritten:
"§ 143B-1373. Growing Rural Economies with Access to Technology (GREAT) program.
(a) As used in this section, the following definitions apply:
…
(5) Eligible economically distressed county. – A county designated as a
development tier one or tier two area, as defined in G.S. 143B-473.08.
(6) Eligible project. – An eligible project is a discrete and specific project located
in an unserved area or areas of an economically distressed county or
contiguous counties, seeking to provide broadband service to homes,
businesses, and community anchor points not currently served. Eligible
projects do not include middle mile, backhaul, and other similar projects not
directed at broadband service to end users.
Low-cost service offering. — A broadband service that offers, during the 2019-2021 fiscal biennium, a monthly service charge of not more than fifteen dollars ($15) for 25 Megabits per second download speeds and three Megabits per second upload speeds and does not impose data caps or require other provider-imposed service fees, not including taxes and 911 or other State or federally required fees.

Unserved area. — A designated contiguous geographic area that is presently without access to broadband service, as defined in this section, offered by a wireline or fixed wireless provider. Areas where a private provider has been designated to receive funds through other State or federally funded programs designed specifically for broadband deployment shall be considered served if such funding is intended to result in construction of broadband in the area within 18 months.

Project areas comprised of census blocks, or portions thereof, within which a broadband provider is receiving State or federal matching funds to deploy technologically neutral scalable broadband service within the next 12 months are ineligible for the GREAT program. It is essential for the Office to know the location of census blocks, or portions thereof, comprising these areas so it can determine project eligibility. A private provider receiving State or federal matching funds to deploy broadband service within such an area shall, within 60 days of the effective date of this section, submit only a listing of the census blocks, or portions thereof, comprising each of its federally funded project areas meeting this requirement and nothing more to the Office. In future program years, the cutoff date for submitting this census block data shall be May 15. This will enable the office to update maps and advise applicants as to the unserved areas of the State that are eligible for consideration in that program year. The Office shall only utilize this data to update maps of census blocks to reflect these census blocks, or portions thereof, as being served. Failure on the part of a provider to submit the listing of census blocks by the cutoff date shall result in those areas being eligible for inclusion under this program during the upcoming program year. The Office shall use the census block data provided only for mapping of unserved areas. Information provided to the Office pursuant to this subsection is not a public record, as that term is defined in G.S. 132-1.

Applications shall be made publicly available by posting on the Web site of the Department of Information Technology for a period of at least 30 days prior to award. During the 30-day period, any interested party may submit comments to the Secretary concerning any pending application. A provider of broadband services may submit a protest of any application on the grounds the proposed project covers an area that an Internet service provider currently serves and is not an eligible area under this section. Protests shall be submitted in writing, accompanied by all relevant supporting documentation, and shall be considered by the Office in connection with the review of the application. For applications with filed protests, the Secretary shall issue a written decision to the protesting party at least 15 days prior to the approval of that application.

Applications shall be scored based upon a system that awards a single point for criteria considered to be the minimum level for the provision of broadband service with additional points awarded to criteria that exceed minimum levels. The Office shall score project applications in accordance with the following:

Base speed multiplier. — Projects that will provide minimum download and minimum upload speeds shall have the aggregate points given under
subdivisions (1) through (5) of this subsection multiplied by a factor at the
level indicated in the table below:

<table>
<thead>
<tr>
<th>Minimum Download:</th>
<th>Score Multiplier</th>
</tr>
</thead>
<tbody>
<tr>
<td>Minimum Upload</td>
<td></td>
</tr>
<tr>
<td>10:1 Mbps.</td>
<td>0.95</td>
</tr>
<tr>
<td>25:3 Mbps. or greater</td>
<td>1.35</td>
</tr>
<tr>
<td>100:50 Mbps. or greater</td>
<td>2.0</td>
</tr>
</tbody>
</table>

(7) The Office shall award three points for any project that will offer a low-cost
service offering for a qualified low-income household or accepts Lifeline
support in that project area.

(i) Applications receiving the highest score shall receive priority status for the awarding
of grants pursuant this section. Applicants awarded grants pursuant to this section shall enter into
an agreement with the Office. The agreement shall contain all of the elements outlined in
subsection (d) of this section and any other provisions the Office may require. The agreement
shall contain a provision governing the time line and minimum requirements and thresholds for
disbursement of grant funds measured by the progress of the project. Grant funds shall be
disbursed only upon verification by the Office that the terms of the agreement have been fulfilled
according to the progress milestones contained in the agreement. At project completion, the grant
recipient shall certify and provide to the Office evidence consistent with Federal
Communications Commission attestation that the proposed minimum upstream and minimum
downstream broadband speeds identified in the application guidelines, and for which a base speed
multiplier was awarded pursuant to subdivision (6) of subsection (g) of this section, are available
throughout the project area prior to any end user connections. A single grant award shall not
exceed two million dollars ($2,000,000). No more than one grant may be awarded per fiscal year
for a project in any one eligible economically distressed county area.

(k) The Office shall require that grant recipients offer the proposed advertised minimum
download and minimum upload transmission speeds identified in the project application for the
duration of the five-year service agreement. At least annually, a grant recipient shall provide to
the Office evidence consistent with Federal Communications Commission attestation that the
grant recipient is making available the proposed advertised speed, or a faster speed, as contained
in the grant agreement. For the duration of the agreement, grant recipients shall disclose any
changes to data caps for the project area that differ from the data caps listed in the grant
application to the Office.

(o) The Department of Information Technology shall submit an annual report to the
Office of State Budget and Management, the Joint Legislative Oversight Committee for
Information Technology and the Fiscal Research Division on or before September 1. The report
shall contain at least all of the following:

..." SECTION 37.1.(b) The Department of Information Technology may expend up to

gap.

4) One hundred twenty-five thousand dollars ($125,000) for mobile service
testing to ensure mobile hotspot devices can provide adequate access for
at-home educational needs.

Upon approval of a Local Education Agency’s grant request, funding will be
transferred to the Department of Public Instruction for distribution.

SECTION 37.2.(b) The Broadband Infrastructure Office shall develop a strategy to
support the affordability of broadband service, including potential partnerships and private
sources of funding to support the effort. The Department of Information Technology shall
negotiate with wireless providers to lower monthly subscription rates for mobile hotspots and
establish convenience contracts Local Education Agencies shall use to purchase equipment and
services for the program.

SECTION 37.2.(c) The Broadband Infrastructure Office, in consultation with the
Department of Public Instruction, shall establish qualifying grant criteria that include a
district-wide survey measuring the homework gap and demonstrated progress toward the NC
Digital Learning Plan. Implementation should begin no later than the 2019-2020 school year.

falling within the homework gap, including the exploration of additional
outside sources of funding to support the effort.
3) Analysis of means, methods, and best practices to achieve statewide universal
Internet access for students and teachers.
