1 A BILL TO BE ENTITLED
2 AN ACT EXPANDING ACCESS TO HEALTHCARE IN NORTH CAROLINA.
3 The General Assembly of North Carolina enacts:

4
5 **PART I. MEDICAID**

6
7 **NC HEALTH WORKS**

8 **SECTION 1.1.(a)** Section 3 of S.L. 2013-5 is repealed.

9 **SECTION 1.1.(b)** G.S. 108A-54.3A is amended by adding a new subdivision to
10 read:

11 "(24) Individuals described in section 1902(a)(10)(A)(i)(VIII) of the Social Security
12 Act who are in compliance with work requirements established in the State
13 Plan and in rule. Coverage for individuals under this subdivision is available
14 through an Alternative Benefit Plan that is established by the Department
15 consistent with federal requirements, unless that individual is exempt from
16 mandatory enrollment in an Alternative Benefit Plan under 42 C.F.R. §
17 440.315."

18 **SECTION 1.1.(c)** This section is effective six months after the date this act becomes
19 effective or on the date that the work requirements developed under Part II of this act become
20 effective, whichever is later.

21 **SECTION 1.2.(a)** Part 6 of Article 2 of Chapter 108A of the General Statutes is
22 amended by adding a new section to read:

23 "**§ 108A-54.3B. Nonfederal share of NC Health Works costs.**

24 (a) As used in this section, the following definitions apply:

25 (1) "Cost" means all expenses incurred by the State and counties that are eligible
26 for Medicaid federal financial participation.

27 (2) "NC Health Works" means the provision of Medicaid coverage to the
28 individuals described in G.S. 108A-54.3A(24).

29 (b) It is the intent of the General Assembly to fully fund the nonfederal share of the cost
30 of NC Health Works through a combination of the following sources:

31 (1) Increases in revenue from the gross premiums tax under G.S. 105-228.5 due
32 to NC Health Works.

33 (2) Increases in intergovernmental transfers due to NC Health Works.

34 (3) Excluding any State retention, the hospital health advancement assessment
35 under Part 3 of Article 7B of Chapter 108A of the General Statutes.

1 (4) Savings to the State attributable to NC Health Works that correspond to State
2 General Fund budget reductions to other State programs.

3 (c) By October 1 of each year, beginning in 2024, the Department shall submit a report
4 to the Joint Legislative Oversight Committee on Medicaid and NC Health Choice, the Office of
5 State Budget and Management, and the Fiscal Research Division containing all of the following
6 information with supporting calculations:

7 (1) The total nonfederal share of the cost of NC Health Works for the preceding
8 State fiscal year and the total funding available from the sources described in
9 subsection (b) of this section.

10 (2) The projected total nonfederal share of the cost of NC Health Works for the
11 current State fiscal year and the total projected funding available from the
12 sources described in subsection (b) of this section.

13 The Department shall submit detailed data supporting these calculations to the Fiscal
14 Research Division.

15 (d) If, for any fiscal year, the nonfederal share of the cost of NC Health Works cannot be
16 fully funded through the sources described in subsection (b) of this section, then Medicaid
17 coverage for the individuals described in G.S. 108A-54.3A(24) shall be discontinued as
18 expeditiously as possible. Upon a determination by the Secretary that the nonfederal share of the
19 cost of NC Health Works exceeds the funding from the sources described in subsection (b) of
20 this section, the Secretary shall promptly do all of the following:

21 (1) Notify the Joint Legislative Oversight Committee on Medicaid and NC Health
22 Choice, the Office of State Budget and Management, and the Fiscal Research
23 Division of the determination and post this notice on the Department's
24 website. The notice must include the proposed effective date of the
25 discontinuation of coverage.

26 (2) Submit all documents to the Centers for Medicare and Medicaid Services
27 necessary to discontinue Medicaid coverage for the individuals described in
28 G.S. 108A-54.3A(24).

29 **"§ 108A-54.3C. NC Health Works federal financial participation.**

30 If the federal medical assistance percentage for Medicaid coverage provided to the
31 individuals described in G.S. 108A-54.3A(24) falls below ninety percent (90%), then Medicaid
32 coverage for these individuals shall be discontinued as expeditiously as possible but no earlier
33 than the date the lower federal medical assistance percentage takes effect. Upon receipt of
34 information indicating that the federal medical assistance percentage will be lower than ninety
35 percent (90%), the Secretary shall promptly do all of the following:

36 (1) Notify the Joint Legislative Oversight Committee on Medicaid and NC Health
37 Choice, the Office of State Budget and Management, and the Fiscal Research
38 Division of the determination and post this notice on the Department's
39 website. The notice must include the proposed effective date of the
40 discontinuation of coverage.

41 (2) Submit all documents to the Centers for Medicare and Medicaid Services
42 necessary to discontinue Medicaid coverage for the individuals described in
43 G.S. 108A-54.3A(24)."

44 **SECTION 1.2.(b)** This section is effective six months after the date this act becomes
45 effective or on the date that the work requirements developed under Part II of this act become
46 effective, whichever is later.

47
48 **ARPA TEMPORARY SAVINGS FUND**

49 **SECTION 1.3.** The ARPA Temporary Savings Fund is established as a nonreverting
50 special fund in the Department of Health and Human Services, Division of Health Benefits
51 (DHB). The ARPA Temporary Savings Fund shall consist of any savings realized by DHB as a

1 result of federal receipts arising from the enhanced federal medical assistance percentage
2 (FMAP) available to the State under section 9814 of the American Rescue Plan Act of 2021, P.L.
3 117-2 (ARPA). Upon receipt by DHB of any federal receipts arising from that enhanced FMAP,
4 DHB is directed to deposit the savings associated with those receipts into the ARPA Temporary
5 Savings Fund. Funds in the ARPA Temporary Savings Fund may be allocated or expended only
6 upon an act of appropriation by the General Assembly.
7

8 HOSPITAL HEALTH ADVANCEMENT ASSESSMENTS

9 **SECTION 1.5.(a)** Each hospital licensed in North Carolina, except for critical access
10 hospitals and State-owned and State-operated hospitals, is subject to an assessment of forty-four
11 thousandths percent (0.044%) of its hospital costs, as defined in G.S. 108A-145.3, for the State
12 fiscal quarter beginning October 1, 2022. This hospital assessment shall be imposed by the
13 Department of Health and Human Services in accordance with the procedures for hospital
14 assessments under Part 1 of Article 7B of Chapter 108A of the General Statutes. From the
15 proceeds of this assessment, the Department of Health and Human Services shall use the sum of
16 two million dollars (\$2,000,000), and all corresponding matching federal funds, to reimburse
17 county departments of social services for additional costs incurred by the county in preparation
18 to implement Section 1.1 of this act.

19 **SECTION 1.5.(b)** Subsection (a) of this section becomes effective October 1, 2022,
20 and expires December 31, 2022.

21 **SECTION 1.5.(c)** Each hospital licensed in North Carolina, except for critical access
22 hospitals and State-owned and State-operated hospitals, is subject to an assessment of five
23 hundred thirty-nine thousandths percent (0.539%) of its hospital costs, as defined in
24 G.S. 108A-145.3, for the State fiscal quarter beginning January 1, 2023, and the State fiscal
25 quarter beginning April 1, 2023. This hospital assessment shall be imposed by the Department
26 of Health and Human Services (DHHS) in accordance with the procedures for hospital
27 assessments under Part 1 of Article 7B of Chapter 108A of the General Statutes. From the
28 proceeds of this assessment, DHHS shall use the sum of two million dollars (\$2,000,000) per
29 applicable quarter, and all corresponding matching federal funds, to reimburse county
30 departments of social services for additional costs incurred by the county to implement Section
31 1.1 of this act.

32 **SECTION 1.5.(d)** Subsection (c) of this section becomes effective January 1, 2023,
33 or on the effective date of the Medicaid coverage described in Section 1.1 of this act, whichever
34 is later, and expires June 30, 2023. If the effective date occurs after March 31, 2023, then no
35 assessment shall be imposed for the State fiscal quarter beginning January 1, 2023, and no
36 payments shall be made to the county departments of social services for that quarter.

37 **SECTION 1.6.(a)** G.S. 108A-145.3 reads as rewritten:

38 "§ 108A-145.3. Definitions.

39 The following definitions apply in this Article:

40 ...

41 (4a) Consumer Price Index. – The most recent Consumer Price Index for All Urban
42 Consumers for the South Region published by the Bureau of Labor Statistics
43 of the United States Department of Labor available on March 1 of the previous
44 State fiscal year.

45 ...

46 (12b) Newly eligible individual. – As defined in 42 C.F.R. § 433.204.

47 (12c) Nonfederal share for newly eligible individuals. – One minus the percentage
48 specified in 42 U.S.C. § 1396d(y)(1), expressed as a decimal.

49"

50 **SECTION 1.6.(b)** Article 7B of Chapter 108A of the General Statutes, as enacted
51 by Section 2 of S.L. 2021-61, is amended by adding a new Part to read:

1 "Part 3. Hospital Health Advancement Assessment.

2 **"§ 108A-147.1. Hospital health advancement assessment.**

3 (a) The hospital health advancement assessment imposed under this Part shall apply to
4 all hospitals licensed in North Carolina, except that all of the following hospitals are exempt:

5 (1) Critical access hospitals.

6 (2) State-owned and State-operated hospitals.

7 (b) The hospital health advancement assessment shall be assessed as a percentage of each
8 nonexempt hospital's hospital costs. The assessment percentage shall be calculated quarterly by
9 the Department of Health and Human Services in accordance with this Part. The percentage for
10 each quarter shall equal the hospital health advancement assessment collection amount under
11 G.S. 108A-147.3 divided by the total hospital costs for all nonexempt hospitals holding a license
12 on the first day of the assessment quarter.

13 **"§ 108A-147.3. Hospital health advancement assessment collection amount.**

14 The hospital health advancement assessment collection amount is an amount of money that
15 is calculated by adding all of the following:

16 (1) The service cost component under G.S. 108A-147.5.

17 (2) The administration component under G.S. 108A-147.7.

18 (3) The State retention component under G.S. 108A-147.9.

19 **"§ 108A-147.5. Service cost component.**

20 The service cost component is an amount of money that is the net service expenditures
21 calculated under this section multiplied by the nonfederal share for newly eligible individuals.
22 Net service expenditures are calculated from the data reported to CMS on Form CMS-64 for the
23 preceding quarter. Net service expenditures are the service expenditures attributable to newly
24 eligible individuals after subtracting each of the following:

25 (1) The rebates attributable to newly eligible individuals.

26 (2) The expenditures under the graduate medical education methodology in the
27 Medicaid State Plan that are attributable to newly eligible individuals.

28 **"§ 108A-147.7. Administration component.**

29 (a) The administration component is an amount of money that consists of a State
30 administration subcomponent and a county administration subcomponent.

31 (b) The State administration subcomponent is three million three hundred thousand
32 dollars (\$3,300,000) for each quarter of the 2023-2024 State fiscal year. For each subsequent
33 State fiscal year, the State administration subcomponent shall be increased over the prior year's
34 quarterly amount by the Consumer Price Index.

35 (c) The county administration subcomponent is two million dollars (\$2,000,000) for each
36 quarter of the 2023-2024 State fiscal year, three million seven hundred thousand dollars
37 (\$3,700,000) for each quarter of the 2024-2025 State fiscal year, and three million nine hundred
38 thousand dollars (\$3,900,000) for each quarter of the 2025-2026 State fiscal year. For each State
39 fiscal year after the 2025-2026 State fiscal year, the county administration subcomponent shall
40 be increased over the prior year's quarterly amount by the Consumer Price Index.

41 (d) The administration component is calculated by adding together the State
42 administration subcomponent and the county administration subcomponent.

43 **"§ 108A-147.9. State retention component.**

44 The State retention component is thirty-seven million five hundred thousand dollars
45 (\$37,500,000) for each quarter of the 2023-2024 State fiscal year. For each subsequent State
46 fiscal year, the State retention component shall be increased over the prior year's quarterly
47 amount by the market basket percentage.

48 **"§ 108A-147.11. Use of funds.**

49 The Department shall use the proceeds of the hospital health advancement assessment that
50 are attributable to the county administration subcomponent of the administration component in
51 G.S. 108A-147.7, and all corresponding matching federal funds, to reimburse county

1 departments of social services for additional costs incurred by the county in determining
2 eligibility for newly eligible individuals."

3 **SECTION 1.6.(c)** Notwithstanding G.S. 108A-147.1, as enacted in subsection (b) of
4 this section, for the assessment quarter beginning July 1, 2023, the hospital health advancement
5 assessment shall be five hundred fifty-five thousandths percent (0.555%) of total hospital costs
6 for all hospitals that are not exempt from the hospital health advancement assessment.

7 **SECTION 1.6.(d)** Notwithstanding G.S. 108A-147.1, as enacted in subsection (b)
8 of this section, for the assessment quarter beginning October 1, 2023, the Department of Health
9 and Human Services shall determine the hospital health advancement assessment percentage by,
10 first, either increasing or reducing the hospital health advancement assessment collection amount
11 under G.S. 108A-147.3 by the reconciliation component under subsection (e) of this section and
12 then dividing by the total hospital costs of all hospitals that are not exempt from the hospital
13 health advancement assessment.

14 **SECTION 1.6.(e)** The reconciliation component is a positive or a negative number
15 that results from subtracting ninety-three million eight hundred twenty-four thousand dollars
16 (\$93,824,000) from the actual amount of the service cost component under G.S. 108A-147.5 for
17 the assessment quarter beginning July 1, 2023. If the reconciliation component is a positive
18 number, then the hospital health advancement assessment collection amount shall be increased
19 by the reconciliation component in accordance with this section. If the reconciliation component
20 is a negative number, then the hospital health advancement assessment collection amount shall
21 be reduced by the reconciliation component in accordance with this section.

22 **SECTION 1.6.(f)** This section becomes effective July 1, 2023.

23 **SECTION 1.7.(a)** G.S. 108A-145.3(16) reads as rewritten:

24 "(16) Paid capitation. – The total amount of the capitation payments made by the
25 Department to all prepaid health plans for a particular rating group (i)
26 attributable to the base capitation rate in the applicable Medicaid managed
27 care capitation rate certification and certification, (ii) not attributable to newly
28 eligible individuals, and (iii) adjusted by the Department as a result of
29 retroactively implementing any base capitation rate adjustment that is
30 approved by CMS or allowed under Part 438 of Subchapter C of Chapter IV
31 of Title 42 of the Code of Federal Regulations."

32 **SECTION 1.7.(b)** G.S. 108A-146.9(a) reads as rewritten:

33 "(a) The fee-for-service component is an amount of money that is a portion of all the
34 Medicaid fee-for-service payments made to acute care hospitals during the previous data
35 collection period for claims with a date of service on or after July 1, 2021-2021, excluding claims
36 attributable to newly eligible individuals. The fee-for-service component consists of a
37 subcomponent pertaining to claims for which there is no third-party coverage and a
38 subcomponent pertaining to claims for which there is third-party coverage."

39 **SECTION 1.7.(c)** G.S. 108A-146.12 reads as rewritten:

40 "**§ 108A-146.12. Postpartum coverage component.**

41 (a) The postpartum coverage component is twelve million five hundred thousand dollars
42 (\$12,500,000) for each quarter of the 2021-2022 State fiscal year.

43 (b) The postpartum coverage component is four million five hundred thousand dollars
44 (\$4,500,000) for each quarter of the 2023-2024 State fiscal year. For each subsequent State fiscal
45 year, the postpartum coverage component shall be increased over the prior year's quarterly
46 amount by the Medicare Economic Index."

47 **SECTION 1.7.(d)** G.S. 108A-146.13(a)(2) reads as rewritten:

48 "(2) The postpartum subcomponent applies to the assessments under this Part only
49 during the period of April 1, 2022, through March 31, 2027, and is two million
50 nine hundred sixty-two thousand five hundred dollars (\$2,962,500) for each
51 quarter of the 2021-2022 State fiscal year. For each quarter of the 2023-2024

1 State fiscal year, the postpartum subcomponent is one million sixty-five
2 thousand dollars (\$1,065,000). For each subsequent State fiscal year, the
3 postpartum subcomponent shall be increased over the prior year's quarterly
4 amount by the Medicare Economic Index."

5 **SECTION 1.7.(e)** Section 9D.13A(e) of S.L. 2021-180 is repealed.

6 **SECTION 1.7.(f)** Section 9D.14 of S.L. 2021-180 is repealed.

7 **SECTION 1.7.(g)** This section becomes effective July 1, 2023.

8 **SECTION 1.8.** It is the intent of the General Assembly to consult with stakeholders
9 and the Division of Health Benefits of the Department of Health and Human Services prior to its
10 2023 Regular Session in order to consider any necessary refinements to the hospital health
11 advancement assessment enacted by Section 1.6 of this act.

12 **HEALTHCARE ACCESS AND STABILIZATION PROGRAM**

13 **SECTION 1.10.(a)** The Department of Health and Human Services (DHHS) shall
14 consult with stakeholders to develop a submission to the Centers for Medicare and Medicaid
15 Services (CMS) to request approval for increased Medicaid reimbursements to hospitals. The
16 nonfederal share of the requested increased Medicaid reimbursements shall be funded entirely
17 from increased hospital assessment receipts. The submission shall request the highest increase in
18 reimbursement to hospitals that can be funded entirely through increased hospital assessment
19 receipts that are in addition to the receipts for NC Health Works resulting from the approach
20 taken in the Hospital Health Advancement Assessment in this Part.

21 **SECTION 1.10.(b)** DHHS shall submit the request developed under subsection (a)
22 of this section to CMS no later than October 1, 2022. If CMS does not approve the initial
23 submission, DHHS shall continue to work with stakeholders to develop a submission that meets
24 requirements for approval by CMS. In the event of an approval by CMS, the increased Medicaid
25 reimbursement to hospitals shall not be effective until the enactment by the General Assembly
26 of legislation that increases the hospital assessment to entirely fund the nonfederal share of the
27 increased reimbursements to hospitals.

28 **SECTION 1.10.(c)** No later than February 1, 2023, DHHS shall submit a report to
29 the Joint Legislative Oversight Committee on Medicaid and NC Health Choice and the Fiscal
30 Research Division with all of the following information:

- 31 (1) A copy of the submission to CMS made in accordance with subsection (a) of
32 this section.
33 (2) A description of the status of the approval of the submission.
34 (3) Proposed legislative language authorizing the increase in the hospital
35 assessment necessary to effectuate the increased reimbursement to hospitals.
36 If DHHS receives approval from CMS of any submission under this section after

37 submitting this report, DHHS shall notify the Joint Legislative Oversight Committee on Medicaid
38 and NC Health Choice and the Fiscal Research Division of that approval within 14 days of
39 receipt. Within 30 days of receipt of that approval, DHHS shall update and resubmit the report
40 required by this subsection.
41 42

43 **PART II. WORK REQUIREMENTS FOR CERTAIN NC HEALTH WORKS** 44 **BENEFICIARIES**

45 **ESTABLISH WORK REQUIREMENTS FOR CERTAIN NC HEALTH WORKS** 46 **BENEFICIARIES**

47 **SECTION 2.(a)** Certain individuals eligible for Medicaid under
48 G.S. 108A-54.3A(24), as enacted by Section 1.1 of this act, shall be subject to work requirements
49 as a contingency to participation in NC Health Works. The Department of Health and Human
50 Services (DHHS) shall develop work requirements as a contingency to participation in NC Health
51 52

1 Works that are aligned with the work requirements for Able-Bodied Adults Without Dependents
 2 (ABAWDs) policy under the Supplemental Nutrition Assistance Program. All recipients
 3 qualifying under G.S. 108A-54.3A(24) shall be subject to the work requirements, except that
 4 only the following individuals shall be exempt from the requirements:

- 5 (1) Individuals who have been certified as unfit for employment for physical or
 6 mental health reasons.
- 7 (2) Individuals with a physical, intellectual, or developmental disability that
 8 significantly impairs the individual's ability to perform one or more activities
 9 of daily living.
- 10 (3) Individuals actively participating in a substance abuse treatment and
 11 rehabilitation program.
- 12 (4) Individuals who are the parent or caretaker of a dependent child under 1 year
 13 of age.
- 14 (5) Individuals who are a parent or caretaker that provides care for a dependent
 15 child with a serious medical condition or disability, to be defined by DHHS.
- 16 (6) Individuals who are receiving unemployment compensation and complying
 17 with the work requirements that are part of the federal-State unemployment
 18 compensation system.
- 19 (7) Presumptively eligible recipients, during the period of presumptive eligibility.
- 20 (8) Recipients who participate in the North Carolina Health Insurance Premium
 21 Payment (NC HIPP) program.
- 22 (9) Individuals who are inmates of prisons.

23 **SECTION 2.(b)** On or before October 1, 2022, DHHS shall submit to the Centers
 24 for Medicare and Medicaid Services (CMS) any State Plan amendments or any waivers necessary
 25 to implement work requirements as a contingency to participation in NC Health Works under
 26 G.S. 108A-54.3A(24), as enacted by Section 1.1 of this act. DHHS shall request an effective date
 27 that is six months from the effective date of this act.

28 **SECTION 2.(c)** This Part is effective when it becomes law. The work requirements
 29 developed under this Part shall become effective only upon the approval by CMS of the request
 30 submitted in accordance with this Part and on either (i) the effective date of the approved work
 31 requirements or (ii) six months after the date this act becomes effective, whichever is later. Upon
 32 receipt of the approval of the request required by this Part, the Secretary of the Department of
 33 Health and Human Services shall notify the Revisor of Statutes of the effective date of the work
 34 requirements approved in the request.

36 PART III. CERTIFICATE OF NEED REFORM

37 **SECTION 3.1.** G.S. 131E-176 reads as rewritten:

 49 equipment shall be included. The capital expenditure for the equipment shall
 50 be deemed to be the fair market value of the equipment or the cost of the
 51 equipment, whichever is greater. Beginning September 30, 2022, and on

1 September 30 each year thereafter, the replacement equipment cost threshold
 2 specified in this subdivision shall be adjusted using the Medical Care Index
 3 component of the Consumer Price Index published by the U.S. Department of
 4 Labor for the 12-month period preceding the previous September 1.

6 **SECTION 3.2.** G.S. 131E-178(a) reads as rewritten:

7 "(a) No person shall offer or develop a new institutional health service without first
 8 obtaining a certificate of need from the Department; provided, however, no person who provides
 9 gastrointestinal endoscopy procedures in one or more gastrointestinal endoscopy rooms located
 10 in a nonlicensed setting, shall be required to obtain a certificate of need to license that setting as
 11 an ambulatory surgical facility with the existing number of gastrointestinal endoscopy rooms,
 12 provided that: Department.

- 13 (1) ~~The license application is postmarked for delivery to the Division of Health~~
 14 ~~Service Regulation by December 31, 2006;~~
 15 (2) ~~The applicant verifies, by affidavit submitted to the Division of Health Service~~
 16 ~~Regulation within 60 days of the effective date of this act, that the facility is~~
 17 ~~in operation as of the effective date of this act or that the completed application~~
 18 ~~for the building permit for the facility was submitted by the effective date of~~
 19 ~~this act;~~
 20 (3) ~~The facility has been accredited by The Accreditation Association for~~
 21 ~~Ambulatory Health Care, The Joint Commission on Accreditation of~~
 22 ~~Healthcare Organizations, or The American Association for Accreditation of~~
 23 ~~Ambulatory Surgical Facilities by the time the license application is~~
 24 ~~postmarked for delivery to the Division of Health Service Regulation of the~~
 25 ~~Department; and~~
 26 (4) ~~The license application includes a commitment and plan for serving indigent~~
 27 ~~and medically underserved populations.~~

28 ~~All other persons proposing to obtain a license to establish an ambulatory~~
 29 ~~surgical facility for the provision of gastrointestinal endoscopy procedures~~
 30 ~~shall be required to obtain a certificate of need. The annual State Medical~~
 31 ~~Facilities Plan shall not include policies or need determinations that limit the~~
 32 ~~number of gastrointestinal endoscopy rooms that may be approved."~~

33 **SECTION 3.3.** G.S. 131E-182(a) reads as rewritten:

34 "(a) The Department in its rules shall establish schedules for submission and review of
 35 completed applications. The schedules shall provide that only applications for similar proposals
 36 in the same service area that are subject to the determinative limitations of need in the State
 37 Medical Facilities Plan pursuant to subdivision (1) of subsection (a) of G.S. 131E-183 will be
 38 reviewed together."

39 **SECTION 3.4.(a)** G.S. 131E-183 reads as rewritten:

40 "**§ 131E-183. Review criteria.**

41 (a) The Department shall review all applications utilizing the criteria outlined in this
 42 subsection and shall determine that an application is either consistent with or not in conflict with
 43 these criteria before a certificate of need for the proposed project shall be issued.

- 44 (1) ~~The proposed project~~ Proposed projects for air ambulances, emergency rooms,
 45 adult care homes, nursing home facilities, intermediate care facilities for
 46 individuals with intellectual disabilities, linear accelerators, gamma knives,
 47 positron emission tomography scanners, or any combination of these shall be
 48 consistent with applicable policies and need determinations in the State
 49 Medical Facilities Plan, the need determination of which constitutes a
 50 determinative limitation on the provision of any ~~health service, health service~~
 51 ~~facility, health service facility beds, dialysis stations, operating rooms, or~~

1 ~~home health offices such services~~ that may be approved. All other projects are
2 exempt from and not subject to any applicable policies or need determinations
3 in the State Medical Facilities Plan.

4 ...

5 (3) The applicant shall identify the population to be served by the proposed
6 project, and shall demonstrate ~~the need that this population has for the services~~
7 ~~proposed, and~~ the extent to which all residents of the area, and, in particular,
8 low income persons, racial and ethnic minorities, women, handicapped
9 persons, the elderly, and other underserved groups are likely to have access to
10 the services proposed.

11 (3a) In the case of a reduction or elimination of a service, including the relocation
12 of a facility or a service, the applicant shall demonstrate ~~that the needs of the~~
13 ~~population presently served will be met adequately by the proposed relocation~~
14 ~~or by alternative arrangements, and~~ the effect of the reduction, elimination or
15 relocation of the service on the ability of low income persons, racial and ethnic
16 minorities, women, handicapped persons, and other underserved groups and
17 the elderly to obtain needed health care.

18 ...

19 (6) ~~The applicant shall demonstrate that the proposed project will not result in~~
20 ~~unnecessary duplication of existing or approved health service capabilities or~~
21 ~~facilities.~~

22 ...

23 (9) ~~An applicant proposing to provide a substantial portion of the project's~~
24 ~~services to individuals not residing in the health service area in which the~~
25 ~~project is located, or in adjacent health service areas, shall document the~~
26 ~~special needs and circumstances that warrant service to these individuals.~~

27 ...

28 (13) The applicant shall demonstrate the contribution of the proposed service in
29 meeting the health-related needs of the elderly and of members of medically
30 underserved groups, such as medically indigent or low income persons,
31 Medicaid and Medicare recipients, racial and ethnic minorities, women, and
32 handicapped persons, which have traditionally experienced difficulties in
33 obtaining equal access to the proposed services, particularly those needs
34 identified in the State Health Plan as deserving of priority. For the purpose of
35 determining the extent to which the proposed service will be accessible, the
36 applicant shall ~~show~~show all of the following:

37 a. The extent to which medically underserved populations currently use
38 the applicant's existing services in comparison to the percentage of the
39 population in the applicant's service area which is medically
40 ~~underserved;~~underserved.

41 b. Its past performance in meeting its obligation, if any, under any
42 applicable regulations requiring provision of uncompensated care,
43 community service, or access by minorities and handicapped persons
44 to programs receiving federal assistance, including the existence of
45 any civil rights access complaints against the ~~applicant;~~applicant.

46 c. That the elderly and the medically underserved groups identified in
47 this subdivision will be served by the applicant's proposed services and
48 the extent to which each of these groups is expected to utilize the
49 proposed ~~services;~~and services.

50 d. That the applicant offers a range of means by which a person will have
51 access to its services. Examples of a range of means are outpatient

services, admission by house staff, and admission by personal physicians.

e. The applicant's past performance in meeting projections or other information incorporated into prior approved certificate of need applications filed by the applicant or a related entity during the six-year calendar period preceding an application for a proposed project. The Department shall use this information to assess the criteria specified in subdivision (3) of this subsection and sub-subdivision c. of this subdivision.

...

(20) An applicant already involved in the provision of health services shall provide evidence ~~that of the quality of care the applicant has been~~ provided in the past. This subdivision applies regardless of the geographical location of the applicant's existing health services operations.

...

(d) For each health service for which a certificate of need is required, the Department shall adopt rules specifying the metrics and criteria that will be used to assess the quality of care the applicant has provided in the past, consistent with subdivision (20) of subsection (a) of this section."

SECTION 3.4.(b) By January 1, 2023, the Department shall adopt the rules required by subsection (d) of G.S. 131E-183, as enacted by this act, specifying the metrics and criteria to be used to assess the quality of care a certificate of need applicant has provided in the past. Any applications filed with the Department prior to the effective date of these rules shall not be subject to the metrics and criteria specified in said rules.

SECTION 3.5. G.S. 131E-184 reads as rewritten:

"§ 131E-184. Exemptions from review.

...

(c) The Department shall exempt from certificate of need review any conversion of existing acute care beds to psychiatric beds ~~provided all of the following are true: beds.~~

(1) ~~The hospital proposing the conversion has executed a contract with the Department's Division of Mental Health, Developmental Disabilities, and Substance Abuse Services, one or more of the area mental health, developmental disabilities, and substance abuse authorities, or a combination thereof to provide psychiatric beds to patients referred by the contracting agency or agencies.~~

(2) ~~The total number of beds to be converted shall not be more than twice the number of beds for which the contract pursuant to subdivision (1) of this subsection shall provide.~~

(d) ~~In accordance with, and subject to the limitations of G.S. 148-19.1, the Department shall exempt from certificate of need review the construction and operation of a new chemical dependency or substance abuse facility for the purpose of providing inpatient chemical dependency or substance abuse services solely to inmates of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety. If an inpatient chemical dependency or substance abuse facility provides services both to inmates of the Division of Adult Correction and Juvenile Justice of the Department of Public Safety and to members of the general public, only the portion of the facility that serves inmates shall be exempt from certificate of need review.~~

(e) The Department shall exempt from certificate of need review a capital expenditure that exceeds the ~~two million dollar (\$2,000,000)~~ monetary threshold set forth in G.S. 131E-176(16)b. if all of the following conditions are met:

(1) The proposed capital expenditure would meet all of the following requirements:

- 1 a. Be used solely for the purpose of renovating, replacing on the same
2 site, or expanding any of the following existing facilities:
3 1. Nursing home facility.
4 2. Adult care home facility.
5 3. Intermediate care facility for individuals with intellectual
6 disabilities.
- 7 b. Not result in a change in bed capacity, as defined in G.S. 131E-176(5),
8 or the addition of a health service facility or any other new institutional
9 health service other than that allowed in G.S. 131E-176(16)b.
- 10 (2) The entity proposing to incur the capital expenditure provides prior written
11 notice to the Department, which notice includes documentation that
12 demonstrates that the proposed capital expenditure would be used for one or
13 more of the following purposes:
14 a. Conversion of semiprivate resident rooms to private rooms.
15 b. Providing innovative, homelike residential dining spaces, such as
16 cafes, kitchenettes, or private dining areas to accommodate residents
17 and their families or visitors.
18 c. Renovating, replacing, or expanding residential living or common
19 areas to improve the quality of life of residents.
- 20 (f) The Department shall exempt from certificate of need review the purchase of any
21 replacement equipment that exceeds the ~~two million dollar (\$2,000,000)~~ monetary threshold set
22 forth in G.S. 131E-176(22a) if all of the following conditions are met:
23 (1) The equipment being replaced is located on the main campus.
24 (2) The Department has previously issued a certificate of need for the equipment
25 being replaced. This subdivision does not apply if a certificate of need was not
26 required at the time the equipment being replaced was initially purchased by
27 the licensed health service facility.
28 (3) The licensed health service facility proposing to purchase the replacement
29 equipment shall provide prior written notice to the Department, along with
30 supporting documentation to demonstrate that it meets the exemption criteria
31 of this subsection.
- 32 (g) The Department shall exempt from certificate of need review any capital expenditure
33 that exceeds the ~~two million dollar (\$2,000,000)~~ monetary threshold set forth in
34 G.S. 131E-176(16)b. if all of the following conditions are met:
35 (1) The sole purpose of the capital expenditure is to renovate, replace on the same
36 site, or expand the entirety or a portion of an existing health service facility
37 that is located on the main campus.
38 (2) The capital expenditure does not result in (i) a change in bed capacity as
39 defined in G.S. 131E-176(5) or (ii) the addition of a health service facility or
40 any other new institutional health service other than that allowed in
41 G.S. 131E-176(16)b.
42 (3) The licensed health service facility proposing to incur the capital expenditure
43 shall provide prior written notice to the Department, along with supporting
44 documentation to demonstrate that it meets the exemption criteria of this
45 subsection.
- 46 ...
- 47 (i) The Department shall exempt from certificate of need review the replacement,
48 renovation, or relocation of an institutional health service or a health service facility for which a
49 certificate of need has already been issued, provided that the replacement, renovation, or
50 relocation of the institutional health service or health service facility is to another site within the
51 same service area.

1 (j) The Department shall exempt from certificate of need review the development,
2 acquisition, construction, expansion, or replacement of a health service facility that obtained
3 certificate of need approval prior to October 1, 2022, as a chemical dependency treatment facility
4 or an ambulatory surgical facility."

5 **SECTION 3.6.** G.S. 131E-185 reads as rewritten:

6 "**§ 131E-185. Review process.**

7 (a) Repealed by Session Laws 1987, c. 511, s. 1.

8 (a1) Except as provided in subsection (c) of this section, there shall be a time limit of 90
9 days for review of the applications, beginning on the day established by rule as the day on which
10 applications for the particular service in the service area shall begin review.

11 ~~(1) Any person may file written comments and exhibits concerning a proposal~~
12 ~~under review with the Department, not later than 30 days after the date on~~
13 ~~which the application begins review. These written comments may include:~~

14 a. ~~Facts relating to the service area proposed in the application;~~

15 b. ~~Facts relating to the representations made by the applicant in its~~
16 ~~application, and its ability to perform or fulfill the representations~~
17 ~~made;~~

18 e. ~~Discussion and argument regarding whether, in light of the material~~
19 ~~contained in the application and other relevant factual material, the~~
20 ~~application complies with relevant review criteria, plans, and~~
21 ~~standards.~~

22 (2) ~~No more than 20 days from the conclusion of the written comment period, the~~
23 ~~The Department shall ensure that a public hearing is conducted within the~~
24 ~~45-day period after the date on which the application begins review upon a~~
25 ~~determination by the agency that a hearing is in the public interest. The public~~
26 ~~hearing shall be conducted at a place within the appropriate service area if one~~
27 ~~or more of the following circumstances apply; the review to be conducted is~~
28 ~~competitive; the proponent proposes to spend five million dollars~~
29 ~~(\$5,000,000) or more; a written request for a public hearing is received before~~
30 ~~the end of the written comment period from an affected party as defined in~~
31 ~~G.S. 131E-188(c); or the agency determines that a hearing is in the public~~
32 ~~interest.~~ area. At such public hearing oral arguments may be made regarding
33 the application or applications under review; and this public hearing shall
34 include the following:

35 a. An opportunity for the proponent of each application under review to
36 ~~respond to the written comments submitted to the Department about~~
37 ~~its application;~~ comment on the applications under review.

38 b. An opportunity for any person, except one of the proponents, to
39 comment on the applications under ~~review;~~ review.

40 c. An opportunity for a representative of the Department, or such other
41 person or persons who are designated by the Department to conduct
42 the hearing, to question each proponent of applications under review
43 with regard to the contents of the ~~application;~~ application.

44 The Department shall maintain a recording of any required public hearing
45 on an application until such time as the Department's final decision is issued,
46 or until a final agency decision is issued pursuant to a contested case hearing,
47 whichever is later; and any person may submit a written synopsis or verbatim
48 statement that contains the oral presentation made at the hearing.

49 (3) The Department may contract or make arrangements with a person or persons
50 located within each service area for the conduct of such public hearings as

1 may be necessary. The Department shall publish, in each service area, notice
2 of the contracts that it executes for the conduct of those hearings.

3 (4) Within 15 days from the beginning of the review of an application or
4 applications proposing the same service within the same service area, the
5 Department shall publish notice of ~~the deadline for receipt of written~~
6 ~~comments, of the time and place scheduled for the public hearing regarding~~
7 ~~the application or applications under review, and of the name and address of~~
8 ~~the person or agency that will preside.~~

9 (5) The Department shall maintain ~~all written comments submitted to it during~~
10 ~~the written comment stage and any written submissions received at the public~~
11 ~~hearing as part of the Department's file respecting each application or group~~
12 ~~of applications under review by it. The application, written comments,~~
13 application, written submissions received at the public hearing, and public
14 hearing comments, together with all documents that the Department used in
15 arriving at its decision, from whatever source, and any documents that reflect
16 or set out the Department's final analysis of the application or applications
17 under review, shall constitute the Department's record for the application or
18 applications under review.

19 (a2) When an expedited review has been approved by the Department, no public hearing
20 shall be held. The Department may contact the applicant and request additional or clarifying
21 information, amendments to, or substitutions for portions of the application. The Department
22 may negotiate conditions to be imposed on the certificate of need with the applicant.

23 (b) Repealed by Session Laws 1991 (Reg. Sess., 1992), c. 900, s. 137(a).

24 (c) The Department may extend the review period for a period not to exceed 60 days and
25 provide notice of such extension to all applicants. For expedited reviews, the Department may
26 extend the review period only if it has requested additional substantive information from the
27 applicant."

28 **SECTION 3.7.** G.S. 131E-188 reads as rewritten:

29 **"§ 131E-188. Administrative and judicial review.**

30 (a) After a decision of the Department to issue, deny or withdraw a certificate of ~~need or~~
31 ~~exemption or to issue a certificate of need pursuant to a settlement agreement with an applicant~~
32 ~~to the extent permitted by law, need,~~ any affected ~~person,~~ applicant, as defined in subsection (c)
33 of this section, shall be entitled to a contested case hearing under Article 3 of Chapter 150B of
34 the General Statutes. A petition for a contested case shall be filed within 30 days after the
35 Department makes its decision. When a petition is filed, the Department shall send notification
36 of the petition to the proponent of each application that was reviewed with the application for a
37 certificate of need that is the subject of the petition. Any affected ~~person~~ applicant shall be
38 entitled to intervene in a contested case.

39 A contested case shall be conducted in accordance with the following timetable:

40 (1) An administrative law judge or a hearing officer, as appropriate, shall be
41 assigned within 15 days after a petition is filed.

42 (2) The parties shall complete discovery within 90-60 days after ~~the assignment~~
43 ~~of the administrative law judge or hearing officer.~~ a petition is filed.

44 (3) The hearing at which sworn testimony is taken and evidence is presented shall
45 be held within 45-30 days after the end of the discovery ~~period~~ period and
46 shall not last more than five days.

47 (3a) No witness shall be allowed to testify as an expert witness and offer opinion
48 testimony based on scientific, technical, or other specialized knowledge unless
49 that witness is properly qualified by the court pursuant to G.S. 8C-1, Rule 702.

50 (4) The administrative law judge or hearing officer shall make a final decision
51 within 75 days after the hearing.

- 1 (5) Repealed by Session Laws 2011-398, s. 46, as amended by Session Laws
2 2011-326, s. 23, effective January 1, 2012, and applicable to contested cases
3 commenced on or after that date.

4 The administrative law judge or hearing officer assigned to a case may extend the deadlines
5 in subdivisions (2) through (4) so long as the administrative law judge or hearing officer makes
6 a final decision in the case within 270 days after the petition is filed.

7 (a1) On or before the date of filing a petition for a contested case hearing on the approval
8 of an applicant for a certificate of need, the petitioner shall deposit a bond with the clerk of
9 superior court where the new institutional health service that is the subject of the petition is
10 proposed to be located. The bond shall be secured by cash or its equivalent in an amount equal
11 to five percent (5%) of the cost of the proposed new institutional health service that is the subject
12 of the petition, but may not be less than five thousand dollars (\$5,000) and may not exceed fifty
13 thousand dollars (\$50,000). A petitioner who received approval for a certificate of need and is
14 contesting only a condition in the certificate is not required to file a bond under this subsection.

15 The applicant who received approval for the new institutional health service that is the subject
16 of the petition may bring an action against a bond filed under this subsection in the superior court
17 of the county where the bond was filed. ~~Upon finding that the petition for a contested case was~~
18 ~~frivolous or filed to delay the applicant, if a petition for a contested case hearing is dismissed or~~
19 ~~denied, or the court otherwise rules in favor of the respondent, the court may shall~~ award the
20 applicant ~~part or~~ all of the bond filed under this subsection. At the conclusion of the contested
21 case, if the court ~~does not find that the petition for a contested case was frivolous or filed to delay~~
22 ~~the applicant, rules in favor of the petitioner,~~ the petitioner shall be entitled to the return of the
23 bond deposited with the superior court upon demonstrating to the clerk of superior court where
24 the bond was filed that the contested case hearing is concluded.

25 (b) Any affected ~~person~~ applicant who was a party in a contested case hearing shall be
26 entitled to judicial review of all or any portion of any final decision in the following manner. The
27 appeal shall be to the Court of Appeals as provided in G.S. 7A-29(a). The procedure for the
28 appeal shall be as provided by the rules of appellate procedure. The appeal of the final decision
29 shall be taken within 30 days ~~of the~~ after receipt of the written notice of final decision, and notice
30 of appeal shall be filed with the Office of Administrative Hearings and served on the Department
31 and all other affected ~~persons~~ applicants who were parties to the contested hearing.

32 (b1) Before filing an appeal of a final decision granting a certificate of need, the affected
33 ~~person~~ applicant shall deposit a bond with the Clerk of the Court of Appeals. The bond
34 requirements of this subsection shall not apply to any appeal filed by the Department.

- 35 (1) The bond shall be secured by cash or its equivalent in an amount equal to five
36 percent (5%) of the cost of the proposed new institutional health service that
37 is the subject of the appeal, but may not be less than five thousand dollars
38 (\$5,000) and may not exceed fifty thousand dollars (\$50,000); provided that
39 the applicant who received approval of the certificate of need may petition the
40 Court of Appeals for a higher bond amount for the payment of such costs and
41 damages as may be awarded pursuant to subdivision (2) of this subsection.
42 This amount shall be determined by the Court in its discretion, not to exceed
43 three hundred thousand dollars (\$300,000). A holder of a certificate of need
44 who is appealing only a condition in the certificate is not required to file a
45 bond under this subsection.

- 46 (2) If the Court of Appeals finds that the appeal was frivolous or filed to delay the
47 applicant, the court shall remand the case to the superior court of the county
48 where a bond was filed for the contested case hearing on the certificate of
49 need. The superior court may award the holder of the certificate of need part
50 or all of the bond. The court shall award the holder of the certificate of need
51 reasonable attorney fees and costs incurred in the appeal to the Court of

1 Appeals. If the Court of Appeals does not find that the appeal was frivolous
2 or filed to delay the applicant and does not remand the case to superior court
3 for a possible award of all or part of the bond to the holder of the certificate
4 of need, the person originally filing the bond shall be entitled to a return of the
5 bond.

6 (c) ~~The term "affected persons" includes: the applicant; any individual residing within~~
7 ~~the service area or the geographic area served or to be served by the applicant; any individual~~
8 ~~who regularly uses health service facilities within that geographic area or the service area; any~~
9 ~~person who provides services, similar to the services under review, to individuals residing within~~
10 ~~the service area or the geographic area proposed to be served by the applicant; any person who,~~
11 ~~prior to receipt by the agency of the proposal being reviewed, has provided written notice to the~~
12 ~~agency of an intention to provide similar services in the future to individuals residing within the~~
13 ~~service area or the geographic area to be served by the applicant; third party payers who~~
14 ~~reimburse health service facilities for services in the service area in which the project is proposed~~
15 ~~to be located; and any agency which establishes rates for health service facilities or HMOs~~
16 ~~located in the service area in which the project is proposed to be located.~~The term "affected
17 applicants" includes only those persons who submitted applications that (i) were scheduled to
18 begin review in the same review period proposing the same new institutional health service in
19 the same service area and (ii) were part of a competitive review involving the application that is
20 the subject of the petition or appeal."

21 **SECTION 3.8.** G.S. 148-19.1 reads as rewritten:

22 "**§ 148-19.1. Exemption from licensure and certificate of need.**licensure.

23 (a) Inpatient chemical dependency or substance abuse facilities that provide services
24 exclusively to inmates of the Department of Adult Correction or offenders under the supervision
25 of the Division of Community Supervision and Reentry of the Department of Adult Correction
26 shall be exempt from licensure by the Department of Health and Human Services under Chapter
27 122C of the General Statutes. If an inpatient chemical dependency or substance abuse facility
28 provides services both to inmates or offenders under supervision and to members of the general
29 public, the portion of the facility that serves inmates or offenders under supervision shall be
30 exempt from licensure.

31 (b) ~~Any person who contracts to provide inpatient chemical dependency or substance~~
32 ~~abuse services to inmates of the Department of Adult Correction or to offenders under the~~
33 ~~supervision of the Division of Community Supervision and Reentry of the Department of Adult~~
34 ~~Correction may construct and operate a new chemical dependency or substance abuse facility for~~
35 ~~that purpose without first obtaining a certificate of need from the Department of Health and~~
36 ~~Human Services pursuant to Article 9 of Chapter 131E of the General Statutes. However, a new~~
37 ~~facility or addition developed for that purpose without a certificate of need shall not be licensed~~
38 ~~pursuant to Chapter 122C of the General Statutes and shall not admit anyone other than inmates~~
39 ~~unless the owner or operator first obtains a certificate of need."~~

40 **SECTION 3.9.** If any section or provision of this Part is declared unconstitutional or
41 invalid by the courts, it does not affect the validity of this Part as a whole or any section or
42 provision other than the part so declared to be unconstitutional or invalid.

43 **SECTION 3.10.** Section 3.4(b) of this Part is effective when it becomes law. Section
44 3.8 of this Part becomes effective January 1, 2023. The remainder of this Part becomes effective
45 October 1, 2022.

46 **PART IV. MODERNIZING NURSING REGULATIONS**

47 **SECTION 4.1.** G.S. 90-171.20 reads as rewritten:

9 **SECTION 4.7.(a)** Article 9A of Chapter 90 of the General Statutes is amended by
10 adding the following new sections to read:

11 **"§ 90-171.36B. Advanced practice registered nurse licensure.**

12 (a) No advanced practice registered nurse shall practice as an advanced practice
13 registered nurse unless the nurse is licensed by the Board under this section.

14 (b) An applicant for a license to practice as an APRN shall apply to the Board in a format
15 prescribed by the Board and pay a fee in an amount determined under G.S. 90-171.27.

16 (c) The Board shall adopt rules, not inconsistent with this Article, which identify the
17 criteria which must be met by an applicant in order to be issued a license.

18 **"§ 90-171.36C. Advanced practice registered nurse licensure; grandfathering exceptions.**

19 (a) The Board shall issue an APRN license to any person recognized by the Board as an
20 APRN or approved to practice as an APRN in this State on December 31, 2021.

21 (b) An advanced practice registered nurse licensed under this section shall maintain all
22 practice privileges provided to licensed advanced practice registered nurses under this Chapter.

23 **"§ 90-171.36D. Advanced practice registered nurse licensure renewal; reinstatement.**

24 (a) An applicant for renewal of an APRN license issued under this Article shall apply for
25 licensure renewal according to the frequency and schedule established by the Board and pay the
26 required fee.

27 (b) Failure to renew the APRN license before the expiration date shall result in automatic
28 forfeiture of the right to practice nursing as an APRN in North Carolina until such time as the
29 license has been reinstated.

30 (c) An APRN licensee who has allowed his or her license to lapse by failure to renew
31 may apply for reinstatement in a manner prescribed by the Board and pay the required fee.

32 (d) The Board shall adopt rules, not inconsistent with this Article, which identify the
33 criteria which must be met by an applicant for APRN license renewal or reinstatement."

34 **SECTION 4.7.(b)** G.S. 90-171.37(b) is repealed.

35 **SECTION 4.8.** G.S. 90-171.43 reads as rewritten:

36 **"§ 90-171.43. License required.**

37 (a) No person shall practice or offer to practice as ~~a~~an advanced practice registered nurse,
38 ~~registered nurse-nurse,~~ or licensed practical nurse, or use the word "nurse" as a title for herself or
39 himself, or use an abbreviation to indicate that the person is ~~a~~an advanced practice registered
40 nurse, ~~registered nurse-nurse,~~ or licensed practical nurse, unless the person is currently licensed
41 as ~~a~~an advanced practice registered nurse, ~~registered nurse-nurse,~~ or licensed practical nurse as
42 provided by this Article. If the word "nurse" is part of a longer title, such as "nurse's aide", a
43 person who is entitled to use that title shall use the entire title and may not abbreviate the title to
44 "nurse". This Article shall not, however, be construed to prohibit or limit the following:

45 (1) The performance by any person of any act for which that person holds a
46 license issued pursuant to North Carolina ~~law;~~law.

47 (2) The clinical practice by students enrolled in approved nursing programs,
48 continuing education programs, or refresher courses under the supervision of
49 qualified ~~faeulty;~~faculty.

50 (3) The performance of nursing performed by persons who hold a temporary
51 license issued pursuant to ~~G.S. 90-171.33;~~G.S. 90-171.33.

(4) The delegation to any person, including a member of the patient's family, by a physician licensed to practice medicine in North Carolina, a licensed dentist or registered nurse of those patient-care services which are routine, repetitive, limited in scope that do not require the professional judgment of a registered nurse or licensed practical ~~nurse~~nurse.

(5) Assistance by any person in the case of emergency.

Any person permitted to practice nursing without a license as provided in subdivision ~~[(a)](2)~~ (a)(2) or ~~[(a)](3)~~ (a)(3) of this section shall be held to the same standard of care as any licensed nurse.

(a1) The abbreviations for the APRN designation of a certified nurse midwife, a clinical nurse specialist, a certified registered nurse anesthetist, and a nurse practitioner shall be APRN, plus the role title, i.e., CNM, CNS, CRNA, and NP.

(a2) It shall be unlawful for any person to use the title "APRN" or "APRN" plus their respective role titles, the role title alone, authorized abbreviations, or any other title that would lead a person to believe the individual is an APRN, unless permitted by this act.

...."

SECTION 4.9. G.S. 90-171.43A reads as rewritten:

"§ 90-171.43A. Mandatory employer verification of licensure status.

(a) Before hiring an advanced practice registered nurse, a registered ~~nurse~~nurse, or a licensed practical nurse in North Carolina, a health care facility shall verify that the applicant has a current, valid license to practice nursing pursuant to G.S. 90-171.43.

(b) For purposes of this section, "health care facility" means:

(1) Facilities described in G.S. 131E-256(b).

(2) Public health departments, physicians' offices, ambulatory care facilities, and rural health clinics."

SECTION 4.10. G.S. 90-171.44 reads as rewritten:

"§ 90-171.44. Prohibited acts.

It shall be a violation of this Article, and subject to action under G.S. 90-171.37, for any person to:

(1) Sell, fraudulently obtain, or fraudulently furnish any nursing diploma or aid or abet therein.

(2) Practice nursing under cover of any fraudulently obtained license.

(3) Practice nursing without a license. This subdivision shall not be construed to prohibit any licensed registered nurse who has successfully completed a program established under G.S. 90-171.38(b) from conducting medical examinations or performing procedures to collect evidence from the victims of offenses described in that subsection.

(3a) Refer to himself or herself as an advanced practice registered nurse; or refer to himself or herself as any of the four roles of advanced practice registered nurses, a registered nurse, or a licensed practical nurse; or use the abbreviations "APRN," "CNM," "CNS," "CRNA," "NP," "RN," and "LPN."

(4) Conduct a nursing program or a refresher course for activation of a license, that is not approved by the Board.

(5) Employ unlicensed persons to practice nursing."

SECTION 4.11.(a) Article 10A of Chapter 90 of the General Statutes is repealed.

SECTION 4.11.(b) G.S. 90-21.11 reads as rewritten:

"§ 90-21.11. Definitions.

The following definitions apply in this Article:

(1) Health care provider. – Without limitation, any of the following:

a. A person who pursuant to the provisions of Chapter 90 of the General Statutes is licensed, or is otherwise registered or certified to engage in

the practice of or otherwise performs duties associated with any of the following: medicine, surgery, dentistry, pharmacy, optometry, ~~midwifery~~, osteopathy, podiatry, chiropractic, radiology, nursing, physiotherapy, pathology, anesthesiology, anesthesia, laboratory analysis, rendering assistance to a physician, dental hygiene, psychiatry, or psychology.

...."

SECTION 4.12.(a) No later than 30 calendar days after this act becomes law, the Governor shall submit to the Centers for Medicare and Medicaid Services an "opt-out" letter requesting an exemption under 42 C.F.R. § 482.52(c) that allows hospitals, ambulatory surgical centers, critical access hospitals, and rural hospitals in this State the maximum flexibility to obtain Medicare reimbursement for anesthesia services in a manner that best serves each facility and the patients and communities the facility serves.

SECTION 4.12.(b) This section is effective when it becomes law.

SECTION 4.13.(a) The North Carolina Board of Nursing, the North Carolina Medical Board, and the North Carolina State Board of Dental Examiners shall adopt rules to implement the provisions of this Part.

SECTION 4.13.(b) This section is effective when it becomes law.

SECTION 4.14. Except as otherwise provided, this Part becomes effective October 1, 2022.

PART V. HEALTH INSURANCE REFORMS

MEDICAL BILLING TRANSPARENCY

SECTION 5.1.(a) Article 3 of Chapter 58 of the General Statutes is amended by adding a new section to read:

"§ 58-3-295. Contract requirements for limitations on billing by in-network health service facilities.

(a) The following definitions apply in this section:

(1) Health care provider. – Any individual licensed, registered, or certified under Chapter 90 of the General Statutes, or under the laws of another state, to provide health care services in the ordinary care of business or practice, as a profession, or in an approved education or training program in any of the following:

- a. Anesthesia or anesthesiology.
- b. Emergency services, as defined under G.S. 58-3-190(g).
- c. Pathology.
- d. Radiology.
- e. Rendering assistance to a physician performing any of the services listed in this subdivision.

(2) Health service facility. – As defined in G.S. 131E-176(9b) and including any office location.

(3) Out-of-network provider. – A health care provider that has not entered into a contract or agreement with an insurer to participate in one of the insurer's provider networks for the provision of health care services at a pre-negotiated rate.

(b) All contracts or agreements for participation as an in-network health service facility between an insurer offering health benefit plans in this State and a health service facility at which there are out-of-network providers who may be part of the provision of services to an insured while receiving care at the health service facility shall require that the in-network health service facility give at least 72 hours' advanced written notification to an insured that has scheduled an

1 appointment at that health service facility of the provision of any services by an out-of-network
2 provider to the insured while at that health service facility. If there are not at least 72 hours
3 between the scheduling of the appointment and the appointment, then the in-network health
4 service facility is required to give written notice to the insured on the day the appointment is
5 scheduled. In the case of emergency services, the health service facility is required to give written
6 notice to the insured as soon as reasonably possible. The written notice required by this
7 subsection shall include all of the following:

8 (1) All of the health care providers that will be rendering services to the insured
9 that are not participating as in-network health care providers in the applicable
10 insurer's network.

11 (2) The estimated cost to the insured of the services being rendered by the
12 out-of-network providers identified in subdivision (1) of this subsection.

13 (c) If any provision of this section conflicts with the federal Consolidated Appropriations
14 Act, 2021, P.L. 116-260, and any amendments to that act or regulations promulgated pursuant to
15 that act, then the provisions of P.L. 116-260 will be applied."

16 **SECTION 5.1.(b)** This section becomes effective January 1, 2023, and applies to
17 contracts entered into, amended, or renewed on or after that date.

18 ACCESS TO TELEHEALTH

19 **SECTION 5.2.(a)** Part 7 of Article 50 of Chapter 58 of the General Statutes is
20 amended by adding a new section to read:

21 **"§ 58-50-305. Coverage for telehealth services.**

22 (a) For the purposes of this section, the following definitions apply:

23 (1) Health care provider. – As defined in G.S. 58-50-61.

24 (2) Health care services. – As defined in G.S. 58-50-61, with the exception of any
25 services related to an abortion, including a medication abortion, except in the
26 case of a medical emergency, as defined in G.S. 90-21.81(5).

27 (3) Reserved for future codification purposes.

28 (4) Telehealth. – As defined in G.S. 90-21.19A, except that the following shall
29 not be considered telehealth unless specifically agreed upon, in writing, by the
30 insurer and the health care provider or contained in reimbursement policies of
31 the insurer for the relevant health benefit plan:

32 a. Administrative functions, including, but not limited to, scheduling,
33 billing, conducting surveys or questionnaires, providing reminders, or
34 conveying test results.

35 b. Emails, text messages, or correspondence through an online patient
36 portal, or any combination of those, in which evaluation, management,
37 or medical decision making by a qualified health care provider does
38 not occur.

39 c. Triage functions.

40 d. Health care provider-to-health care provider consultations.

41 e. Therapy, or other patient sessions, provided by unlicensed peers or
42 health coaches.

43 f. Remote patient monitoring.

44 g. Audio-only formats, except as defined by audio-only service codes
45 contained within current year American Medical Association Current
46 Procedural Terminology (CPT) or Healthcare Common Procedure
47 Coding System (HCPCS) code sets.

48 h. Services where current technology requires hands-on physical
49 evaluation or manipulation by a qualified health care provider,
50

1 including infusions, injections, biopsies, anesthesia, incisions, and
2 surgery, and other similar services.

3 i. Facility fees or facility services.

4 j. Any other function that does not involve medical decision making
5 from a health care provider.

6 (b) An insurer may not exclude from coverage a health care service or procedure
7 delivered by a health care provider to an insured through telehealth solely because the health care
8 service or procedure is not provided through an in-person, face-to-face consultation.

9 (c) An insurer is not required to provide coverage for any out-of-network services
10 provided via telehealth.

11 (d) An insurer may exclude from coverage a health care service delivered by a contracted,
12 or an in-network, health care provider to an insured that is provided solely as a telehealth service
13 without any in-person, face-to-face component if any of the following apply:

14 (1) The billing code submitted to the insurer does not accurately describe the
15 health care service for which the health care provider is billing.

16 (2) The health care provider has not agreed to share claims data or clinical data
17 through the NC Health Information Exchange, established under Article 29B
18 of Chapter 90 of the General Statutes, or as otherwise required by the insurer.

19 (3) The health care service provided is the subject of a utilization management
20 program, or other applicable cost-containment or quality management
21 program, of the insurer.

22 (4) The health care service is not provided by the patient's designated primary
23 care provider or designated medical home.

24 (5) The health care provider has not obtained informed consent from the patient,
25 as required under G.S. 90-21.19A.

26 (6) The insurer determines that the receipt of the health care services through
27 telehealth would impact quality of care or safety of its insureds."

28 **SECTION 5.2.(b)** G.S. 58-50-280 reads as rewritten:

29 **"§ 58-50-280. Contract amendments.**

30 (a) A health benefit plan or insurer shall send any proposed contract amendment to the
31 notice contact of a health care provider pursuant to G.S. 58-50-275. The proposed amendment
32 shall be dated, labeled "Amendment," signed by the health benefit plan or insurer, and include
33 an effective date for the proposed amendment.

44 **SECTION 5.2.(c)** Article 1B of Chapter 90 of the General Statutes is amended by
45 adding a new section to read:

46 **"§ 90-21.19A. Telehealth consumer protections.**

47 (a) The following definitions apply in this section:

48 (1) Health benefit plan. – As defined under G.S. 58-3-167.

49 (2) Health services facility. – As defined in G.S. 131E-176, and including any
50 office location.

51 (3), (4) Reserved for future codification purposes.

- 1 (5) Telehealth. – The use of telecommunications technology to provide health
2 care services to individuals who are not physically present with the health care
3 provider.
- 4 (b) Specific informed consent shall be required when health care services are provided
5 through telehealth to individuals who are insured under a health benefit plan. The required
6 informed consent includes all of the following:
- 7 (1) Confirmation of the identity of the individual to whom the health care services
8 are provided.
- 9 (2) Verification and authentication of the individual's personal health history.
- 10 (3) Disclosure of the health care provider's identity, applicable credentials, and
11 contact information, including a current phone number and mailing address of
12 the health care provider's practice.
- 13 (4) Disclosure of the delivery model and treatment methods to be utilized,
14 including any limitations of the use of telehealth to provide those health care
15 services. The health care provider is required to document an
16 acknowledgement by the individual, or other authorized party, of the risks and
17 limitations associated with the use of telehealth for the provision of the
18 relevant health care services.
- 19 (5) Provision of informed consent that would be applicable if the delivery of the
20 health care services were made in person.
- 21 (6) An explanation that it is the role of the health care provider to determine
22 whether the condition being diagnosed or treated is appropriate for a telehealth
23 encounter and advise the individual that the individual is entitled to request an
24 in-person encounter in lieu of a telehealth visit.
- 25 (7) If applicable or required for an in-person encounter, provision of the contact
26 information for the North Carolina Medicaid Board, or other applicable
27 licensing board, and a description of, or a website link to, the patient complaint
28 process for the Board.
- 29 (c) Prior to the provision of a health care service through telehealth, the health care
30 provider rendering the health care service shall clearly identify all of the following:
- 31 (1) The billing entity and the location, phone number, and regulator of the billing
32 entity.
- 33 (2) Name and location of the health care provider delivering the telehealth
34 service, if different from the initial disclosure.
- 35 (3) The service or procedure being provided.
- 36 (4) The estimated cost of care. Estimates of the cost of care shall be based on the
37 health benefit plan under which the individual is insured, if applicable.
- 38 (5) The network status of the health care provider based on the health benefit plan
39 under which the individual is insured, if applicable.
- 40 (d) All health care providers rendering health care services through telehealth shall
41 comply with all of the following requirements:
- 42 (1) Documentation of all informed consent shall be made in the patient's medical
43 history for each telehealth service.
- 44 (2) No fee may be applied to patients, insurers, other health care providers, or
45 health care facilities for sharing patient medical records for telehealth services.
46 A health care provider or health care facility shall transfer, free of charge, the
47 patient's medical records to any health care provider or health care facility
48 identified by the patient.
- 49 (3) Electronic documentation and storage of patient medical records in
50 accordance with all applicable State and federal privacy laws.

1 (4) Creation of a saved recording of all patient telehealth encounters, in
2 accordance with all applicable State and federal privacy laws.

3 (e) Health care providers and health care facilities are prohibited from engaging in any
4 balancing billing related to any health care service provided through telehealth."

5 **SECTION 5.2.(d)** This section becomes effective October 1, 2022, and applies to
6 insurance contracts entered into, renewed, or amended on or after that date, or to health care
7 services provided on or after that date, as applicable.
