AN ACT TO CLARIFY THE EXPIRATION OF A STATE OF EMERGENCY AND THE
EXERCISE OF CERTAIN POWERS UNDER A STATE OF EMERGENCY AND TO
CLARIFY THE ABATEMENT OF STATEWIDE IMMINENT HAZARDS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 166A-19.3 is amended by adding the following new subdivisions to read:

"(2d) Concurrence of the Council of State. – The consensus, within 48 hours of contact, of a majority of the Council of State prior to the Governor exercising a power or authority requiring a concurrence of the Council of State. The Governor shall document the contact and response of each Council of State member and shall release the concurrence, nonconcurrence, or no response provided by each member by name and position. Any failure to respond to the Governor within the 48 hours of contact shall be deemed a concurrence by the member of the Council of State failing to respond. All documentation of the contact and response of each member of the Council of State shall be a public record.

(2m) Council of State. – The Lieutenant Governor, Secretary of State, Auditor, Treasurer, Superintendent of Public Instruction, Attorney General, Commissioner of Agriculture, Commissioner of Labor, Commissioner of Insurance, or any interim officer or acting officer appointed in accordance with Section 7 of Article III of the State Constitution.

..."

SECTION 2. G.S. 166A-19.20 reads as rewritten:

"§ 166A-19.20. Gubernatorial or legislative declaration of state of emergency.
(a) Declaration. – A state of emergency may be declared by the Governor or by a resolution of the General Assembly, if either of these finds that an emergency exists.
(b) Emergency Area. – An executive order or resolution declaring a state of emergency shall include a definition of the area constituting the emergency area.
(c) Expiration of States of Emergency. – A state of emergency declared pursuant to this section shall expire as follows:
(1) If not a statewide emergency area, when it is rescinded by the authority that issued it.
(2) If a statewide emergency area, seven calendar days after issuance without a concurrence of the Council of State. A declaration of emergency may not be extended without the concurrence of the Council of State. Any such extension shall not be for more than 30 days without further concurrence of the Council of State.

(c1) Effect of Failure of Concurrence of the Council of State. – If the concurrence of the Council of State fails with the issuance or extension of a declaration of emergency under subdivision (c)(2) of this section, the Governor shall not issue the same or any other substantially similar declarations of emergency based on the same emergency.

(d) Exercise of Powers Not Contingent on Declaration of Disaster Type. – Once a state of emergency has been declared pursuant to this section, the fact that a declaration of disaster type has not been issued shall not preclude the exercise of powers otherwise conferred during a state of emergency.

(e) Extra Session; Emergency Transportation Expenditures. – The General Assembly considers a determination by the Secretary of Transportation under G.S. 136-44.2E(f) that anticipated emergency expenses will exceed the funds in the Transportation Emergency Reserve within the meaning of the term "extraordinary occasions," and therefore the Governor is authorized to convene the General Assembly in Extra Session under Section 5(7) of Article III of the North Carolina Constitution. The General Assembly strongly urges the Governor to convene the General Assembly in Extra Session within 14 days of notice by the Secretary under G.S. 136-44.2E(f) for the purpose of appropriating funds from the Savings Reserve to the Emergency Reserve to address the transportation needs of the State necessitated by a major disaster."

SECTION 3. G.S. 166A-19.30 is amended by adding a new subsection to read:

"(c1) Upon exercise of any of the powers granted in subsection (c) of this section, the following shall apply:

(a) If the Secretary or a local health director determines that an imminent hazard exists, the Secretary or a local health director may order the owner, lessee, operator, or other person in control of the specific identified property to abate the imminent hazard or may, after notice to or reasonable attempt to notify the owner, lessee, operator, or other person in control of the property enter upon any the specific identified property and take any action necessary to abate the imminent hazard. If the Secretary or a local health director abates the imminent hazard, the Department or the local health department shall have a lien on the property of the owner, lessee, operator, or other person in control of the specific identified property where the imminent hazard existed for the cost of the abatement of the imminent hazard. The lien may be enforced in accordance with procedures provided in Chapter 44A of the General Statutes. The lien may be defeated by a showing that an imminent hazard did not exist at the time the Secretary or the local health director took the action. The owner, lessee, operator, or any other person against whose property the lien has been filed may defeat the lien by showing that that person was not culpable in the creation of the imminent hazard.

(b) The Secretary of Environmental Quality and a local health director shall have the same rights enumerated in subsection (a) of this section to enforce the provisions of Articles 9 and 10 of this Chapter.
(c) The Secretary shall have the authority to determine that a class or category of property uses presents a statewide imminent hazard. The Secretary may order owners, operators, or other persons in control of that class or category of property uses to abate the statewide imminent hazard if the Secretary has notified the Governor and the Governor has the concurrence of the Council of State. No action may be taken to close a category or class of properties without a concurrence of the Council of State. The Secretary may, after notice to or reasonable attempt to notify the owners, operators, or other persons in control of a specific property not complying with the order of abatement, enter upon the property and take any action necessary to abate the imminent hazard.

(d) The Secretary of Environmental Quality, in accordance with subsection (c) of this section, may enforce the provisions of Articles 9 and 10 of this Chapter.

Any power exercised under a state of emergency or declaration of emergency existing on that date that would require a concurrence of the Council of State under G.S. 166A-19.20 or G.S. 166A-19.30, as amended by this act, shall expire two days after this act becomes law unless a concurrence of the Council of State is sought and received in accordance with G.S. 166A-19.20 or G.S. 166A-19.30, as amended by this act.
