Short Title: Revise Child Care Subsidy Rates. (Public)

Sponsors: Representative Willis.

Referred to:

1 A BILL TO BE ENTITLED
2 AN ACT TO STABILIZE CHILD CARE PROVIDERS BY INCREASING CHILD CARE
3 SUBSIDY RATES.

4 The General Assembly of North Carolina enacts:

5 **SECTION 1.(a)** Beginning October 1, 2021, the Department of Health and Human
6 Services, Division of Child Development and Early Education, shall increase the child care
7 subsidy market rates to the seventy-fifth percentile as recommended by the 2018 Child Care
8 Market Rate Study for children birth through 5 years of age in three-, four-, and five-star-rated
9 child care centers and homes.

10 **SECTION 1.(b)** There is appropriated from the General Fund to the Department of
11 Health and Human Services, Division of Child Development and Early Education, the sum of
12 thirteen million five hundred thousand dollars (\$13,500,000) in recurring funds for the
13 2021-2022 fiscal year and the sum of eighteen million dollars (\$18,000,000) in recurring funds
14 for the 2022-2023 fiscal year to implement the market rate increases set forth in subsection (a)
15 of this section.

16 **SECTION 2.(a)** Beginning October 1, 2021, to support providers during COVID-19
17 and support accessible high-quality care, provisions of payment rates for child care providers in
18 counties that have a county rate below the State rate for center-based and home-based care are as
19 follows:

- 20 (1) Except as applicable in subdivision (2) of this subsection, payment rates shall
21 be set at the seventy-fifth percentile statewide market rate as recommended
22 by the 2018 Child Care Market Rate Study for children birth through 5 years
23 of age for licensed child care centers and homes.
24 (2) If it can be demonstrated that the application of the statewide rate to a county
25 with fewer than 50 children in each age group is lower than the county market
26 rate and would inhibit the ability of the county to purchase child care for
27 low-income children, then the county market rate may be applied.

28 **SECTION 2.(b)** There is appropriated from the General Fund to the Department of
29 Health and Human Services, Division of Child Development and Early Education, the sum of
30 forty million five hundred thousand dollars (\$40,500,000) in recurring funds for the 2021-2022
31 fiscal year and the sum of fifty-four million dollars (\$54,000,000) in recurring funds for the
32 2022-2023 fiscal year to implement the temporary market rate increases set forth in subsection
33 (a) of this section.

34 **SECTION 2.(c)** This section becomes effective July 1, 2021, and expires when the
35 State adopts an increase in child care subsidy market rates or a change in the methodology used
36 to calculate child care subsidy market rates, whichever occurs first.

27 20-month limitation for those pursuing postsecondary education.

28 **SECTION 4.** If a revision to the Child Care and Development Fund Block Grant
29 plan, as submitted, is needed to enact higher child care subsidy rates and allow rates higher than
30 private fee-paying rates, the Division of Child Development and Early Education shall seek
