General Assembly Of North Carolina

1 The Commission may accept any and all appropriate revenue sources, donations, and grants of 2 money, equipment, supplies, materials, and services. 3 The Commission may levy on and collect an annual assessment from each member state or 4 impose fees on other parties to cover the cost of the operations and activities of the Commission 5 and its staff, which must be in a total amount sufficient to cover its annual budget as approved 6 by the Commission each year for which revenue is not provided by other sources. The aggregate 7 annual assessment amount shall be allocated based upon a formula to be determined by the 8 Commission, which shall promulgate a rule binding upon all member states. The Commission 9 shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor 10 shall the Commission pledge the credit of any of the member states, except by and with the 11 authority of the member state. 12 The Commission shall keep accurate accounts of all receipts and disbursements. The receipts 13 and disbursements of the Commission shall be subject to the audit and accounting procedures 14 established under its bylaws. However, all receipts and disbursements of funds handled by the 15 Commission shall be audited yearly by a certified or licensed public accountant, and the report of the audit shall be included in and become part of the annual report of the Commission. 16 17 Qualified Immunity; Defense; Indemnification. – The members, officers, executive (g) 18 director, employees, and representatives of the Commission shall be immune from suit and 19 liability, either personally or in their official capacity, for any claim for damage to or loss of 20 property or personal injury or other civil liability caused by or arising out of any actual or alleged 21 act, error, or omission that occurred, or that the person against whom the claim is made had a 22 reasonable basis for believing occurred within the scope of Commission employment, duties, or 23 responsibilities, provided that nothing in this paragraph shall be construed to protect any such 24 person from suit or liability for any damage, loss, injury, or liability caused by the intentional or 25 willful or wanton misconduct of that person. 26 The Commission shall defend any member, officer, executive director, employee, or 27 representative of the Commission in any civil action seeking to impose liability arising out of 28 any actual or alleged act, error, or omission that occurred within the scope of Commission 29 employment, duties, or responsibilities, or that the person against whom the claim is made had a 30 reasonable basis for believing occurred within the scope of Commission employment, duties, or 31 responsibilities, provided that nothing herein shall be construed to prohibit that person from 32 retaining his or her own counsel, and provided further, that the actual or alleged act, error, or 33 omission did not result from that person's intentional or willful or wanton misconduct. 34 The Commission shall indemnify and hold harmless any member, officer, executive director, 35 employee, or representative of the Commission for the amount of any settlement or judgment 36 obtained against that person arising out of any actual or alleged act, error, or omission that 37 occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission 38 39 employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission 40 did not result from the intentional or willful or wanton misconduct of that person. "§ 90-270.188. Data system. 41 42 The Commission shall provide for the development, maintenance, and utilization of (a) 43 a coordinated database and reporting system containing licensure, adverse action, and 44 investigative information on all licensed individuals in member states. 45 A member state shall submit a uniform data set to the data system on all individuals (b) 46 to whom this Compact is applicable, utilizing a unique identifier, as required by the rules of the 47 Commission, including all of the following: 48 Identifying information.
