A BILL TO BE ENTITLED
AN ACT AUTHORIZING THE DIVISION OF MOTOR VEHICLES TO ISSUE
RESTRICTED DRIVERS LICENSES TO UNDOCUMENTED IMMIGRANTS.

The General Assembly of North Carolina enacts:

SECTION 1. G.S. 20-7 reads as rewritten:

(a) License Required. – To drive a motor vehicle on a highway, a person must be licensed by the Division under this Article or Article 2C of this Chapter to drive the vehicle and must carry the license while driving the vehicle. The Division issues regular drivers licenses under this Article and issues commercial drivers licenses under Article 2C.

A license authorizes the holder of the license to drive any vehicle included in the class of the license and any vehicle included in a lesser class of license, except a vehicle for which an endorsement is required. To drive a vehicle for which an endorsement is required, a person must obtain both a license and an endorsement for the vehicle. A regular drivers license is considered a lesser class of license than its commercial counterpart.

The classes of regular drivers licenses and the motor vehicles that can be driven with each class of license are:

... (3) Class C. – A Class C license authorizes the holder to drive any of the following:
   a. A Class C motor vehicle that is not a commercial motor vehicle.
   b. When operated by a volunteer member of a fire department, a rescue squad, or an emergency medical service (EMS) in the performance of duty, a Class A or Class B fire-fighting, rescue, or EMS motor vehicle or a combination of these vehicles. This sub-subdivision does not apply to a person with a restricted drivers license authorized under subsection (e1) of this section.
   c. A combination of noncommercial motor vehicles that have a GVWR of more than 10,000 pounds but less than 26,001 pounds. This sub-subdivision does not apply to a Class C license holder less than 18 years of age.

The Commissioner may assign a unique motor vehicle to a class that is different from the class in which it would otherwise belong.

A person holding a commercial drivers license issued by another jurisdiction must apply for a transfer and obtain a North Carolina issued commercial drivers license within 30 days of becoming a resident. Any other new resident of North Carolina who has a drivers license issued..."
by another jurisdiction must obtain a license from the Division within 60 days after becoming a resident.

…

(b1) Application. – To obtain an identification card, learners permit, or drivers license from the Division, a person shall complete an application form provided by the Division, present at least two forms of identification approved by the Commissioner, be a resident of this State, and, except for an identification card, demonstrate his or her physical and mental ability to drive safely a motor vehicle included in the class of license for which the person has applied. At least one of the forms of identification shall indicate the applicant’s residence address. The Division may copy the identification presented or hold it for a brief period of time to verify its authenticity.

To obtain an endorsement, a person shall demonstrate his or her physical and mental ability to drive safely the type of motor vehicle for which the endorsement is required.

The application form shall request all of the following information, and it shall contain the disclosures concerning the request for an applicant’s social security number required by section 7 of the federal Privacy Act of 1974, Pub. L. No. 93-579:

(1) The applicant’s full name.
(2) The applicant’s mailing address and residence address.

(4) The applicant’s date of birth.

The Division shall not issue an identification card, learners permit, or drivers license to an applicant who fails to provide the applicant’s valid social security number.

…

(3) Duration of license for certain other drivers. – The durations listed in subdivisions (1), (2) and (2a) of this subsection are valid unless either of the following conditions is satisfied:
